This lead off lot is so very special in her own right, given her exceptional skeletal design and performance. She is particularly feminine fronted and deep centered. In terms of pedigree, she represents the elite in both the Limousin and Angus gene pools. A direct daughter of Limousin phenom, DHVO Deuce out one of our top Angus females. Her dam, LVLA Miss Traveler 5048W has five natural calves that record and average BW ratio of 94, WW ratio of 103 and YW ratio of 105. A maternal brother sold to Jordan Dye and is working in their program.

The MAGS Xtra wet calves are sorting themselves to the top of many contemporary groups due to their exceptionally functional look and performance profile. We just love ours, here at Lonely Valley. This particular female was also blessed with a tremendous dam by the Angus cowmaker, SAV Bismarck 5682. Holding true to her pedigree predictions, she is in the top 20% of the breed for MB and SMTI. 8106C is the heaviest structured and the stoutest hipped open female in the offering.

LVLS Charmayne 9731C is a paternal sister to the popular herd sire prospect that was in the Lonely Valley Denver pen of bulls, LVLS Birdman 5754B. Like her brother, she excels in terms of SMTI epd, she post a 63 and ranks in the top 15% of the breed. On another positive note, 9731C is in the top 10% of the breed for MB as well. Certainly will be an asset in terms of birthweight and marbling advantages.

Out Mytty In Focus daughters and granddaughters are a huge part of our cowherd here at Lonely Valley, their impact will be felt for years and generations to come. We are particularly fond of the resulting progeny when we breed them to purebred sires, such as world famous DHVO Deuce. LVLS Christa 2241C fits the bill in so many ways, her proven pedigree and balance EPD profile are just the start of the list of positives that this female brings to the table.
