Here is an extremely powerful young herd sire prospect that we just absolutely love the depth of body he has. J6 Iron E750 is sired by the popular Red Wrights 832S Iron Hide 4. Iron Hide topped the 40th Anniversary Red Roundup at \$51,000 for half interest to Blairs Ag. This bull's dam is the impressive JSTN Elora 0495 female that comes from some of the most influential lineage in the breed. Moderate in his frame, J6 Iron E750 will be sure to sire functional cattle that are full of power.

This Six Mile Taurus son, J6 Miles Ahead E253 is stacked in the pedigree department. His dam, JCK Berry Advance 36W is one of the powerful donor females in our line up. She is a daughter of Red Fine Line Mulberry 26P from a daughter of Perks Advancer 9088. This young herd sire prospect ranks in the top 12% of the breed for weaning weight and the top 15% for yearling weight. We are confident that he will add pounds, increase performance and uniformity to his calf crop.

DBOR Show Time E19 is a Six Mile Taurus son. Taurus was the 2014 and 2016 Denver National Western Red Angus Show Grand Champion Red Angus bull and is currently one of the most prominent sires in the breed. Show Time is following in his sire's footsteps- he's fluid in his movement and soft in his pasterns. We admire this bull's tremendous amount of rib shape and masculinity. He has the right amount of power and thickness to be a great asset to any breeding program.

J6RA Lion Heart E250 is a son of Majestic Lion Heart A25. Lion Heart had an impressive show career and is a striking beef bull sire. This young herd sire prospect is huge topped, full of rib shape and muscle. We love this one's look- he's super clean fronted and deep bodied, not to mention he tracks with a great amount of flex off both ends of his skeleton. J6RA Lion Heart will sire cattle that are powerful and correct in their structure.

J6RA Lion Heart E252 is another son of Majestic Lion Heart A25, the flawlessly designed beef bull sire. He is out of the elite female, WR MS Betty 9035 who had an incredible show career. She won NAILE and was reserve in Fort Worth. This bull is incredibly long spined, level topped and correct in his structure. He is from a stacked pedigree on both sides and is sure to be a standout in your herd.

Here is a chart topping Purebred Simmental for yearling weight and weaning weight numbers. This bull's yearling weight EPD ranks in the top 1% of the breed and weaning weight in the top 2%. J6RA Ham This Up E710 is out of the popular, Mr TR Hammer 308A ET. His dam, Brooks Miley Sue 57A is a total outcross female by Milestone back to the famed Brooks Peggy Sue cow. He offers unlimited genetic potential- a unique blend of pedigree, performance and phenotype.

J6RA Hammerout W714 is a half-blood son of Mr TR Hammer 308A ET. His weaning weight and yearling weights rank in the top 15% of the breed. If your program needs more performance, this young herd sire prospect will add pounds and power to his calf crop. Hammerout is smooth shouldered, full of rib shape and tracks with the confidence needed to remain sound throughout the breeding seasons.

J6RA Ham Bone E720 is a half-blood Hammer son. He is fluid in his movement and neat through his front one third. Ham Bone is packed full of muscle and maintains a tremendous amount of rib shape and capacity through his center body. We admire this bull through his shoulder and neck and the length of body he possesses.

J6 Mary E239 is a daughter of one of the great young herd sires ever bred in our program, J6 Rock Revival 3036. She is a stout boned, good bodied heifer that is very correct and super sound footed. She is nice through her neck and front and long down her top. We can't wait to see what this female does in the future.

EDRD Betty E256 is a powerful Lion Heart daughter. Her dam, WR Ms Betty 9035 is one of the elite females in the industry who was victorious in the show ring, winning NAILE and Reserve in Fort Worth and then went on to be a stand out donor. This female has plenty of donor potential with the cow families in her pedigree. She is big bodied, square hipped and great topped.

J6 Rebella E514 is a uniquely designed Six Mile Taurus daughter. Her dam, LSF Rebella R5008 is one of the premier Red Angus females in the entire breed. She represents some of the most time-honored genetics to be created in the industry. She has added depth, dimension and profile that make the great ones. This female has some of the best genetics blended into her pedigree and we are confident that she will be a favorite of many. We love this female's look and her overall performance.

## Also Available ...

We also have 10 open Commercial Red Angus females and 5 black open Commercial Red Angus influenced females from the Bailey program (Gibbon, NE) sired by J6 bulls.
