CATTLE ARE AVAILABLE FOR VIEWING AT ANYTIME PRIOR TO THE SALE . FEEL FREE TO CALL BETH TO SCHEDULE YOUR VISIT. VISITORS ARE ALWAYS WELCOME AT PCC!

WELCOME

Our family would like to welcome you to the 2026 Pembrook Cattle Company Fall Sale. We sincerely appreciate everyone who has taken the time to look through the catalog, visit the ranch or call with interest in this year's offering.

This fall's offering is one we are extremely proud of. Each animal represents generations of proven genetics, careful selection and countless hours of work. Throughout the offering, you will find cattle backed by successful pedigrees and designed to excel whether in the show ring, the donor pen or the pasture.

We are especially thankful for our genetic partners and the relationships we share with each of them. We truly enjoy working alongside people who share our passion for great cattle and our commitment to doing things the right way. The success we have experienced together is a reflection of the strength of those partnerships, the genetics behind these cattle and the dedication of everyone involved.

At Pembrook Cattle Company, our success continues to be built on "Great Cattle, Great People and Strong Relationships, Equaling Incredible Results." We are grateful for the longtime friends who have stood beside our family and equally thankful for the new relationships formed each year. Those friendships are something we never take for granted.

As we move forward, we remain committed to the vision Travis had for PCC—continually improving our genetics, building lasting partnerships and putting together cattle that can create success for generations to come. His passion for this program and the people in it continues to guide us.

In conclusion, if myself Bret, Bryson, Derrick, or Matt can be of any assistance, please do not hesitate to call or stop by. We take every question seriously and want to help you find the genetics that best fit your goals and the future of your operation.

Thank you for your friendship, your confidence in our program and, most importantly, your faith in what we are building at Pembrook Cattle Company.

The Pembrook Family

Dear Friends and Fellow Breeders:

Welcome to the 2026 Pembrook Cattle Co. Fall Production Sale and day one of a big weekend at PCC. This sale has become one of the top events of the fall in terms of offering multiple breeds that accumulate success in the show ring and the pasture after sale day for their customers, and this is their largest and deepest offering to date and one I know Travis would be very proud of! This unique offering is once again the effort of forward-thinking seedstock producers with an eye for cattle that can compete in any venture. Pembrook Cattle Company has worked toward the goal of assembling an offering of elite show heifer prospects, exceptional bred females, herd sire prospects, and frozen genetics that represent the best of all breeds.

MATT C. SIMS

The Pembrook family has always gone the extra mile in terms of customer service to maximize the success of the juniors while making it a learning experience as well and that tradition will continue with Beth, Bret, Bryson, and Derrick and Rylee. They truly are about "putting good cattle together with great people", and the lasting relationships with their customers and the past and current champions they have bred and sold are a testament to this fact.

These females and bulls combine performance with excellent phenotype to become competitors at any level in the industry. The genetics represented from all breeds in this offering, on both sides of the pedigrees, are second to none and are, in many-cases, daughters of or full or maternal sibs to some of the most highly valued and successfully shown females in the country. This is a well-balanced offering, and quality is present throughout. These show heifer and donor prospects are halter broke and started. Whatever breed/s you are interested in, you will find something to your liking in this special sale.

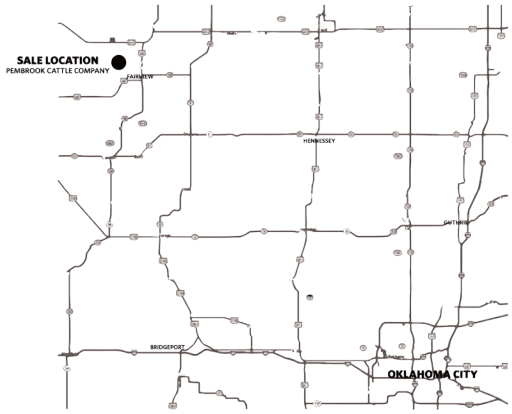

I encourage each of you to evaluate your own situation and goals, and please plan to join us for two great events on October 17th and 18th, and enjoy the hospitality and food surrounding the sales, and, as always, please do not hesitate to contact me if I can help in any way.
Sincerely,

Sincerely,

Matt C. Sims

HERD HEALTH

Cattle will be accompanied by proper health certificates needed for immediate transport. All females have been brucellosis vaccinated

GUARANTEE

The cattle sell under Suggested Terms and Conditions of the breed association that applies to each lot. (American Angus Association, American Chianina Association, American Maine-Anjou Association, American Red Angus Association, American Shorthorn Association, and American Simmental Association.) Exception: Females are guaranteed to breed or produce at least three transferable embryos. If female is evaluated by a licensed veterinarian and is considered obese, breeding guarantee is voided.

REGISTRATION CERTIFICATES

Animals will be transferred to the buyer at the seller's expense. Each buyer must be sure to give the sale clerk the proper name and address for making transfers. All calves born before the sale are to be registered by the seller; proper breeding certificates will be signed for the buyer to use in registering calves born after the sale.

ABSENTEE BIDS

Real-time bidding will be available via the internet through the CCI.Live website. Be sure to register to bid prior to the sale. You may also contact the owners, sale manager, sale consultants or any member of the sale staff to place a bid if you will not be able to attend the sale.

TRUCKING

Lathrop Trucking, (319) 559-0167, Tyler Steel, (940) 631-1797 and
Tom Snell, (580) 374-4168 are reliable options.
Let us know if you need assistance with your trucking arrangements.

INSURANCE

Insurance for your purchases will be available sale day at the clerk's desk through Insureyourcattle.com Jimmy James (580) 481-0955. We recommend that insurance be obtained on lots purchased.

INSURE YOUR CATTLE.COM

NOTE

Supplemental information will be available at sale time. Announcements made at the sale from the auction block will take precedence over statements in the sale book. We reserve the right to withdraw any lot not meeting our specifications prior to sale time. All persons who attend the sale do so at their own risk. Neither the owners nor the sale manager assume liability, legal or otherwise, for accidents or loss of property. As the sale manager, Matt C. Sims Auction, Inc. is only an agent for the seller and has no responsibilities other than those involved in conducting the sale.

DONOR DAM OF LOTS 1-6

JSUL PCC BROKER GIRL 1216J

• The donor dam of lots 1 through 6 is the $32,500 selection of Finn Romanchuk from the 2021 Fall PCC Sale; she was a favorite at that event and was campaigned successfully before joining their donor herd at FR Cattle.
• We think these females have the potential to make a run at any major show throughout the country.
• Their grandam, Udell Glamour Girl 18B, stems from the popular Style/Red Thunder mating from Udell Cattle Co. 18B has literally worked to every bull she has been mated to, from multiple Simi sires to Shorthorn and Chi bulls. 18B's daughter by Quantum Leap was the $62,000 JSUL/TSSC Beth Dutton 0113H, a featured lot in the record-setting phone bid-off that took place in Hagerstown, Indiana, in September 2020. She was selected Grand Champion Overall Female at the 2020 Cattle Battle, Supreme Overall at the 2020 King of the Ridge Showdown, and most notably was selected as the 2020 NAILE Reserve Grand Champion AOB Female in the Junior Show. Beth Dutton was also selected as Calf Champion in the open and junior shows at the 2020 NAILE. Another daughter of 18B, shown by Ashley Moore, placed top 5 at the 2019 Illinois State Fair and won a division at the 2019 NJHS in Louisville, KY.
• Her two daughters grossed $56,000 in the 2025 Fall PCC Sale.

MATERNAL GRANDAM OF LOTS 1 THRU 6

BROKERGIRL 1216J

Lot 1 is the kind of female that is easy to envision on halter as a bred heifer and later making a significant impact in production. Loaded with elite pieces, she combines a striking look with the body, feature and brood cow fundamentals that generate long-term value. Her tremendous quality, added presence and eye-catching white udder create a unique package that is difficult to replicate.

A lot of cattle can be neat necked, but very few can do it without giving up genuine muscle and shape. This Crossover daughter is exceptionally neat about her head, neck and ear set, while still offering the muscle expression and substance needed to remain competitive. Athletic in her build and balanced from every angle, she combines elite pieces with the kind of functionality that creates long-term value.

- JSUL DREAM MAKER HS46

This female has extra bone and athleticism with a quality look that is hard to ignore. Neat necked, shapely in her design and loaded with presence, she offers the kind of eye appeal that catches your attention from across the ring.

- A Legendary Champion and Proven Foundation Donor. JSUL Who Dat 1602 is a daughter of ASHW Who Da Man and JSUL Dream Maker HS46, combining two highly influential Chianina lines in a pedigree that has proven its ability to produce champions. 1602 was Supreme Champion Female at both the 2012 American Royal and the 2012 NAILE.
- Her significance has only grown through her production record. 1602 has become a cornerstone donor for Sullivan Farms and Pembrook Cattle Company, producing a succession of highly competitive offspring. Her progeny and maternal descendants have earned major-show recognition, including JSUL Who Dat Whitney 091H, Champion in the Junior Chianina Show at Cattlemen's Congress and Reserve Grand Champion Female at the 2021 National Junior Chianina Show; JSUL MO Who Dat 9022G, Grand Champion at the Cattlemen's Congress Open Chianina Show; and JSUL Who Dat Colburn 0197H, Reserve Grand Champion at that same inaugural Cattlemen's Congress Open Show.

If you want your Simmental females to bring genuine boldness to their rib shape and real muscle expression without sacrificing quality, you're going to like Lot 31. Bold ribbed, stout featured and loaded with dimension, she still maintains a quality look from the side.

This pretty red baldy combines the maternal look and functionality that productive females are known for. Nice sized, sound structured and cowy in her design, she offers the kind of balance and practicality that never goes out of style.

JSUL SOMETHING ABOUT MARY 8421
SIRE OF LOT 32

JSUL OH BOY REBA 0267G
DAM OF LOT 32 AND
FULL SISTER TO LOT 33

- The donor dam of lot 32, JSUL OH BOY REBA 0267G, was the 2021 American Royal Supreme Champion Female for Sara Sullivan and the maternal sister of REBA 0267G, JSUL REBA'S FANCY 8375F, the dominant 2020 NJHS Grand Champion Percentage heifer. She was also the Champion Bred and Owned female at the 2019 NJHS and produced a $50,000 maternal sister, JSUL PCC BANKIN ON REBA 1500J.
- The grandam of lot 32, DAF Reba C85, has been a dominant producer of elite females. DAF Reba C85 herself was the 2016 Grand Champion Percentage Simmental Female in the Jr. Show at the NWSS and went on to be the Reserve Supreme at the 2016 Iowa Beef Expo, as well as the 5th overall female at the National Jr. Heifer Show.
- The sire of the mating, Something About Mary aka "SAM," is one of the most complete and prolific Simmental bulls we have seen in a long time. His pedigree, Relentless (Utah x 8543U) x JBSF Proud Mary (High Regard x Steel Magnolia), just solidifies the ability to transmit maternal traits while maintaining the look necessary for success in the show ring.

DONOR DAM OF LOTS 36-37A

JSUL PCC BROKER GIRL 1216J

• The donor dam of lots 36 through 37A is the $32,500 selection of Finn Romanchuk from the 2021 Fall PCC Sale; she was a favorite at that event and was campaigned successfully before joining their donor herd at FR Cattle.
• We think these females have the potential to make a run at any major show throughout the country.
• Their grandam, Udell Glamour Girl 18B, stems from the popular Style/Red Thunder mating from Udell Cattle Co. 18B has literally worked to every bull she has been mated to, from multiple Simi sires to Shorthorn and Chi bulls. 18B's daughter by Quantum Leap was the $62,000 JSUL/TSSC Beth Dutton 0113H, a featured lot in the record-setting phone bid-off that took place in Hagerstown, Indiana, in September 2020. She was selected Grand Champion Overall Female at the 2020 Cattle Battle, Supreme Overall at the 2020 King of the Ridge Showdown, and most notably was selected as the 2020 NAILE Reserve Grand Champion AOB Female in the Junior Show. Beth Dutton was also selected as Calf Champion in the open and junior shows at the 2020 NAILE. Another daughter of 18B, shown by Ashley Moore, placed top 5 at the 2019 Illinois State Fair and won a division at the 2019 NJHS in Louisville, KY.
• Her two daughters grossed $56,000 in the 2025 Fall PCC Sale.

You'll spot this one from across the pasture. With one of the longest necks, tidiest throats and biggest ear sets in the offering, she offers a unique look that is hard to overlook. Still carrying genuine muscle shape and body.

- A full sister to lot 68, PCC WJ ELLAS LADY 344L, was the $60,000 selection by Pate Parsons at the 2024 Spring PCC Sale and has been campaigned successfully, earning 5th Overall Maintainer Owned Heifer at the 2025 Maine-Anjou Junior National.
- The sire of lot 68, Duel Icon 802F, is a 3/4 Maine Anjou bull with as much balance, smoothness, structural quality, mobility, and profile as you will find in a stout-made, square-built, heavy muscled, clean designed, up-headed, perfectly footed, clean jointed, good haired baldy of any purebred or cross. Icon is backed by an outstanding, proven maternal pedigree. He will be a popular sire for high-percentage Maines, Maine-Angus, and the composite industry, producing top females and banner-winning steers.
- The dam of lot 68 is a 12.85% Chi/Angus by EXAR Classen out of the ever-consistent TR/TKM Y NOT donor. This high Chi donor is a full sister to BMW Mr Classic 421E ET, the Reserve Grand Champion Chi-Angus Bull at the 2018 National Western Stock Show, and a maternal sib to a set of females that averaged over $15,000 in the 2019 Harvest of Excellence Sale, and is a full or maternal sibling to a long list of winners and previous top sellers from a PCA dam. The Classen x Y Not mating has been one of the best for several years at Winegardner-Klingaman Show Cattle, and the results are proven, with Jr. national and major show champions produced.

• The dam of lot 77, Profit Pennies 0388H was selected from the 2020 PCC Fall Sale by Karley Rayfield and went on to be named Champion ORB at the 2022 State Fair of Texas; Res. Champion %Simmental at the 2022 San Antonio Simmental and Simbrah Super Bowl; and Re. Champion ORB at the 2022 Houston Livestock Show.
• Her grandam, Miss Penny 15B was a many time show winner and today as a donor and brood cow matron is a champion producer with daughters winning shows throughout the U.S. making this a true buying opportunity!

SIRE OF LOT 78

• This dark cherry red female combines a sharp look through her head, neck and throat latch with the kind of density and punch that creates true breeding value. Her combination of quality, substance and maternal potential make her an exciting female with tremendous long-term upside.
• The donor dam of lot 58, SULL Roses Are Red, was named Grand Champion Bred and Owned Female – 2014 National Junior Shorthorn Show, Reserve National Champion Female at the 2014 NWSS Open Show, and Division Champion at the 2014 NAILE.
• In the spring 2021 Sullivan sale, two maternal sisters to lot 58 sold for $41,000 and $20,000. One of these heifers went on to be selected champion in the fall division at the National Jr Heifer Show. Another maternal sister to lot 58 was 3rd overall at the 2023 National Jr Heifer Show. In 2017, SULL RED KNIGHT ROSE 6452 ET, a maternal sister to lot 58 was the champion female at the National Junior Heifer show and carried that success into the fall where she was selected the champion female in the Open and Junior Shows in Louisville. Another maternal sister to lot 58 sold in the 2024 PCC Fall sale for $11,000.

•This red and white roan female is easy to appreciate. Soft haired, big bodied and cowy in her kind, she combines body shape with the brood cow look. Soggy made and still carrying quality up front, she's a practical female with plenty of maternal appeal.
• The progeny of Cherri 205 have stood the test of time and she continues to have the ability to produce National Champions. She has already produced two Junior National Champions and multiple winners at all of the majors. Her greatest daughter to date is Wild Cherri 3269. This daughter is sired by MFS DREAM WEAVER 37K who was the $112,000 2023 Summit sale topper from Meyer Family Shorthorns. If you're serious about raising and contending in the shorthorn breed the genetics this heifer has to offer are as good as they get.

• My Turn is a Shorthorn bull that has already shown the promise of becoming one of the Elite future sires to hit the Shorthorn breed in quite sometime.
• As you can see by his picture My Turn is unmatched in terms of look and build. Here's a bull that has great feet with exceptional depth of heel and almost perfect foot shape along with great substance of bone along with the structural integrity to guarantee his longevity as a sire.
• As you study this bull from the side you will quickly notice a neck with the added length and extension to make a show heifer along with a head just masculine enough to transmit a durable look as well. From the shoulders back this young herd sire transmits a smooth but bold look from his fore rib all the way back through his rear flank. The bull is also wide topped, wide pinned and explosive out of his lower stifle. When it comes to analyzing the total package, this bull has an impeccable look with a killer profile.
• When it comes to pedigree My Turn has all the bases covered in that regard as well. His sire is the now deceased Evolution and his dam is the freakishly good WHR SRVM Cecilia cow that won the title of Grand Champion Female at the 2022 Ft. Worth Stock Show! That being said, My Turn is clean by pedigree of any genetic defects as well.
• Selling 10 units of semen as five 2-unit package lots.

DONOR DAM OF LOTS 83-85

RATLIFF HOWBOUTIT 008H

- The dam of lots 83 through 85, Ratliff How Bout It 008H, was crowned the 2021 North American International Livestock Exposition Supreme Champion Female, exhibited by Sara Sullivan, and these two daughters have what it takes to follow in mom's footsteps.
- The maternal grandam of lots 85 and 86 is the famed 'Ratliff heifer', Riverstone Charmed, better known as "Larissa", who set the show ring on fire in 2016.
- The foundation third dam of lots 85 and 86, HSF Your Fantasy, is also the dam of the great Riverstone Crown Royal bull and has become known as one of the breed's most notable purebred donors. In the Fall 2022 PCC Sale, three daughters of HSF Your Fantasy grossed $88,000 to average $29,333 and included the $45,000 PCC JKSM Fantasy 506K.
- It's absolutely no secret what this cow family has done over the past few years within the Limflex breed and in the Supreme drives at major shows across the country. Descendants of this cow line have completely dominated the show ring and far beyond, and these flush sisters by the $150,000 Conley Bristow 2317 should continue that trend.
- How Bout It 008H's two daughters grossed $90,000 in the 2025 Fall PCC Sale.

- 100% of the purchase price of this lot will be donated to Influence Ministries.
- Influence began in 2024 as a small Bible study group of like-minded men who shared a love for the Lord and cattle. Travis was very proud to have been a part of that group. Before his passing, Travis kept telling us there was a "project" that needed to get rolling to help change people's lives. After much thought and discussion among our family, Travis' friends, and the Influence Bible study group members, the "project" finally kicked off in January of 2026 with the launch of Influence Livestock Ministries, an industry-wide ministry with one goal in mind.... spreading God's Word.
- Influence Livestock Ministries made its debut at the 2026 Cattlemen's Congress, and the leadership of Influence Livestock Ministries has big plans to continue the ministry's mission! You can look for the Influence booth at many shows, including multiple breed junior nationals throughout the summer! At our booth you can find free Bible's, Influence merchandise, and an Influence Livestock Ministries member who is happy and willing to talk about God's word. Influence leadership is also in the process of establishing opportunities for Bible study groups for youth and young adults. As we have more information we will be sure to share that here!
- If you are interested in how you can get involved or support this discipleship ministry, please reach out to us and we will get you connected!"
- Selling 3 sexed female IVF embryos with a guarantee of at least one pregnancy to result if implanted within one year of purchase by a certified embryologist.
