Welcome to the Artesian & Conley Cattle

WELCOME to the Inaugural Conley Cattle Select Female Sale, featuring the Dusty Collum Family Angus Show Cattle Herd Dispersion! It is with great pleasure that we personally invite you to Sulphur, Oklahoma, for this historic event, featuring a diverse offering that is deep in quality and rich in genetic significance! We look forward to hosting this sale annually, bringing our customers and friends together from across the country. We also look forward to meeting new faces, building lasting relationships, and having the opportunity to earn your business!

There is absolutely no way we could accomplish what we do without a tremendous level of talent, and I feel extremely fortunate to have the crew we do. I would sincerely like to thank Cole Atkinson, Cody Heavin, Adam Erickson, and Kristen Lovett for the countless hours they have invested in preparing for this sale. We have a great team at Conley Cattle that works tirelessly day in and day out, and I am truly thankful for each of them. From wrapping up our Annual Fall Production Sale to preparing cattle for the fall and winter show season, all while planning and preparing for a second fall sale, our crew has never let off the throttle one ounce!

I firmly believe the females represented between the covers of this sale catalog have the credentials to find success at any level. Dusty Collum has become much more than a customer or business partner; he has become a lifelong friend of mine. We are excited to feature the dispersion of his Angus show cattle herd as he begins to shift the focus of his program. Dusty is NOT exiting the cattle business or the Angus breed. However, as his children have matured and aged out of the National Junior Angus Show, he has redirected his attention toward expanding his Angus breeding program with a strong emphasis on his bull market. This is a set of females that would simply not be available outside of a dispersion setting!

The offering is anchored by the iconic Chapman Lady 4128 cow family, a maternal line that has been instrumental in the Angus breed for the last several years. Countless sons, daughters, and maternal granddaughters of this prolific matron will highlight the sale on November 21, 2026! This offering will also feature daughters of the $1.4 million valued LT Marquee 169L, Conley Bristow 2317, Conley Claymore 4005, Conley Lead The Way 0738, Conley A 1, Rosewood Bellagio 090, and many more! Our very best cow families are represented throughout the offering, and we are proud of the genuine cow power behind the females selected for this inaugural event. Many full and maternal sisters to past high sellers, champions, AI sires, and influential individuals throughout the Angus breed will be featured. There truly is something for everyone, from show heifers and proven donors to production focused brood cows, elite bred heifers, and the top cut of AI sire and show bull prospects! Adding to the excitement, the National Junior Angus Association has established a new owned division for the bull show that will debut at the 2027 National Junior Angus Show!

I would like to personally invite each of you to Sulphur, Oklahoma, for our Inaugural Conley Cattle Select Female Sale! A special thank you goes to our loyal customers and partners for the role you have played in our program. Your success is what drives us each and every day, and we are sincerely grateful for your continued trust and support. I look forward to seeing each of you on sale day, November 21, 2026! The sale will be conducted in the ballroom at the Artesian Hotel & Casino, just a short drive from our headquarters. Please call with any questions about the offering. We would love the opportunity to visit with you about the cattle!

Sincerely,
-Kyle Conley

Thank You!

We can't say thank you enough to our staff. We appreciate all they do for Conley Cattle and help make our operation so successful. Look any of them up sale day with questions, they'll be happy to help!

SALE LOCATION

Artesian Hotel, 1001 West 1st Street • Sulphur, Oklahoma

DIRECTIONS TO VIEW CATTLE

From I-35 take Exit 55 (Davis Sulphur Exit). Go East 8 miles then turn left on to Chickasaw Nation Turnpike and go 4 miles. Exit onto HWY 177 and go North 2 miles to Palmer Road, then turn East (right) and go 2.5 miles on Palmer Road or until you go over the Turnpike. Go right on Koller Road 0.5 miles and on the right is the sale site. You will see the signs on the highway to guide you.

LIABILITY

All persons who attend the sale do so at their own risk, legal or otherwise, for their safety or for behavior of the animals. The owners, sale management firm, and the sale stall assume no liability for property loss or any accident that may occur.

SUPPLEMENTAL INFORMATION

A supplemental sheet will be available sale day with complete and up to date calving information. Announcements from the auction block regarding the cattle selling in this sale take precedence over information listed in the catalog. Up-to-date genetic recessive status can be viewed online at www.angus.org. Retained embryo interests and/or future genetics from specific lots selling will be noted on the supplement sheet.

HERD HEALTH

All cattle will be accompanied by proper health certificated for immediate shipment. Canadian buyers, all Canadian health work will be done at Hill Top Animal Health, by Dr. Cade Copenbarger, 580-622-4088.

BREEDING GUARANTEE

All females are sold as sound breeders. However, if we feel that a heifer has been fed to an extreme level of obesity, we will hold the feeder responsible for any reproductive problems. Seller reserves the right to take possession of any animal(s) that presents difficulty conceiving before a sale credit will be issued. Seller guarantees each female to produce a live calf or transferrable embryos.

EMBRYOS/SEMEN + SHIPPING

Embryos sell without a pregnancy guarantee, as many of the donors are either deceased or have been sold. The shipping costs associated with all frozen genetics will be the responsibility of the buyer. For assistance scheduling shipping from Trans Ova Genetics please contact Savannah Dei at 712-441-7427.

The demand for the production matrons within the beef industry has never been higher or more prevalent than today. As one studies the weekly auction reports from progressive auction markets or registered seed stock sales across the land, one readily notices the value within the youth of the marketplace. Angus females or those of the influence have consistently chartered the course of popularity and the need for those in volume that are youthful in age is way shy of the current demand. Sure, environmental pressures still play a huge role in how aggressive one charges forward, but with feed availability in good standing across the country the equation balances for many to expand in numbers.

Kyle Conley and Dusty Collum established a solid, long-standing relationship well over a decade ago. The business relationship is one rich in honesty, trust, and integrity amongst one another with very similar mindsets and goals within the industry. Both value a beef female with the ability to lower the strain of rising input costs with sustainable milk production that allows her to breed back in the desired calving window while weaning a quality calf with weight and value. Neither outfit desires a working female who requires more than the grass of their native environments outside of winter supplementation. Foundationally both programs share similar genetic bases that were built on the principles of forage efficiency, quality and longevity in skeletal design with added body, width, and eye appeal.

We strongly believe in the diverse, quality offering of Angus and the influenced stock between the covers of this sale book. It's an offering that provides foresight in genetic advancement but also one that can get an outfit prepared earlier for the spring breeding season of 2027. The young sire prospects are right off the top of their contemporary groups with many added advantages from pedigree and kind to advance any program in the right direction. Of course, the females are the reputation kind as they are saturated with quality in look, longevity in build, abundant in rib shape, and the equipment to compete and work at a very efficient level. The bred cattle carry the service of the dominant bull batteries of both outfits, so you can be confident in the generating value and potential on board.

We encourage all with interest to make it a point to view the offering in person and to reach out to any of the Conley or Collum teams to schedule an on-site visit prior to the sale. If the sale date conflicts with plans we urge you to reach out to any of the sale staff to assist you with additional information, selection advice, or purchasing. We know it is a very busy time of year, and we will strive to make your investment experience convenient and seamless. Please take the time to browse this sale book and the information within and we further encourage you to reach out to Kyle, Cole or Dusty about the quality stock they have assembled for your appraisal. Thank you very much for your interest as we look forward to fielding your questions about this quality set of stock!

Enjoy the cattle,

Sale Management Team

PE to Conley C-4 Rogue 4248 (AAA: 21086562).
Too Close To Call.

- We initiate the offering with one of the most highly decorated females to ever carry the C-4 prefix.
- C-4 Lady 2K was meticulously and successfully campaigned by Ty Collum to Third Overall honors in the Bred & Owned Heifer Show at the 2023 NJAS and Supreme Purebred Breeding Heifer honors at OYE in 2024. A maternal sister had success at OYE this past year as well with ROSE Lady 4412 being named Bronze Medallion Purebred Breeding Heifer.
- Market validation runs just as deep as the purple banners. A maternal sister to C-4 Lady 2K, C-4 Lady Extension 1K, commanded $69,000 and was selected by the Stagemeyer family of Nebraska. Chapman Lady 4128 has repeatedly generated the kind that win and return value in production, as 2K represents another direct opportunity to invest in that proven generating power.
- In terms of phenotype, she is simply flawless when it comes to her basic build at the surface. She is huge footed, square built and loaded with dimension from end to end. A beautiful profiling female that is so elegant and refined about her front third, bold in the shape of her rib cage and offers a textbook set to her hip and hind leg. In addition, she offers supreme udder quality to compliment her balance and symmetry from the side. This elite breeding piece has the credentials to produce at a very high level. Supported by a highly fertile cow family that continues to gain popularity within the industry annually.
- Opportunity knocks on a truly special individual!

CHAPMAN LADY 4128
PEAK DOT PROOF 1066X
LADY OF PEAK DOT 574Z

- One of the most elite herd sire prospects that we have ever raised!
- This Conley Lead The Way 0738 son defies the norm for cattle in the Angus registry. He is absolutely mesmerizing from the profile. From the tip of his nose to the switch of his tail, he is built for speed.
- The production record of Chapman Lady 4128 speaks for itself. She is the dam of the 2024 OYE Supreme Champion Purebred Breeding Heifer, C-4 Lady 2K, and ROSE Lady 4412, the 2026 OYE Bronze Overall Purebred Heifer and Reserve Angus Heifer. She also produced Conley Dieckmann Prowess, the popular AI sire that stands at ST Genetics.
- An arrogant presence with all the qualities to back it up, this stud is ready to take your business entity to a whole new league. Both his sire and dam are now deceased, leaving behind only the legacy of their progeny and future grand progeny within the business. Invest in the future of your breeding program and enjoy the ride!
- The name of 6520 has yet to be determined. We are excited to jointly name 6520 with our new partners as we begin the next chapter of the Chapman Lady 4128 cow family's legacy!

- A royal opportunity to tap into one of the most decorated cow families in the history of the Conley Cattle and Collum Land & Cattle breeding programs. Chapman Lady 4128 is a legendary donor that has reserved her own place in the Angus history books.
- Chapman Lady 4128 is the dam of the reigning 2024 OYE Supreme Champion Purebred Heifer and Supreme Champion Bred & Owned Heifer, C-4 Lead Lady 2K, the Conley Lead The Way 0738 daughter that was bred by Ty Collum. She was also the 2023 NJAS 3rd Overall Bred & Owned Heifer in Grand Island, Nebraska. During her residency in Perkins, Oklahoma she also produced C-4 Lady Extension 1K, the $69,000 high selling heifer that was purchased by the Stagemeyer family of Nebraska. Prior to her employment at Collum Land & Cattle, Chapman Lady 4128 was a member of the donor pen at Dieckmann Cattle Company of Indiana. It was there that she produced the very impressive Conley Dieckmann Prowess, a member of the illustrious line-up at ST Genetics. One of her most notable daughters is Dieckmann Lady 1117, the many times champion for the Yocham family of Oklahoma that was selected as the 2022 American Royal Reserve Grand Champion Junior Angus Heifer! Two years ago, Dieckmann Lady 1117 produced a $90,000 heifer that was sold in the Conley Cattle Fall Production Sale. This past September, 1117 produced 14 daughters that averaged more than $34,000 per head with the high selling heifer at $180,000!
- This will be one of the very last opportunities to purchase frozen genetics from the late 4128, a female that has been a timeless breeding piece in our respective breeding programs.
- Full sib embryos to the featured Lots 1 and 2 will certainly be a highlight of the 2026 Select Female Sale. Bid with confidence!

CHAPMAN LADY 4128

- Ladies and gentlemen, it is with tremendous excitement that we introduce you to Conley Prime Time 6420, a dynamic show prospect that is sired by BRDG Mahogany Prime 904B and backed by the prolific Dieckmann Lady 1117 matron, a female that has produced quality in volume in previous sale offerings!
- 1117 was the 2022 American Royal Reserve Grand Champion Junior Angus Heifer for Finley Yocham. She was also the 2022 NJAS Reserve Junior Champion Division VI Owned Heifer in Kansas City, Missouri.
- 6420 is a dense featured, stout footed stud that offers a picture-perfect look of quality and balance from the side. If you're in the market for a herd bull or AI sire that has the credentials both genetically and phenotypically to be a major contender, then we invite you to Sulphur, Oklahoma!

DIECKMANN LADY 1117
CONLEY NO LIMIT
CHAPMAN LADY 4128

- Dieckmann Lady 1117 does it again!
- Conley Lady 6227 is the centerfold female of the 2026 Conley Cattle Select Female Sale. Sired by the $150,000 Conley Bristow 2317, this Dieckmann Lady 1117 daughter has been blessed with the "extras" that are essential to finding success at the highest level.
- 6227 is a full sister to the $180,000 Conley Lady 6225 that just sold this past September and is destined for big things only. Another full sister was also a previous $90,000 high seller, Conley Lady 4561, a very unique female that was campaigned with great success by Remi Gardner of Tennessee. Conley Lady 6227 is the kind of female that grabs your attention with her outlandish features and keeps it with her fault free build, balance and skeletal design.
- Truly one of the standouts of this Select Female Sale to own the best from Conley Cattle.
- A major league contender that has the "bells and whistles" to run at a very high level!

Lot 6 Conley Lady 6665

CONLEY CLAYMORE 4005

SCHELSKE MSF MADDIE 8229

DIECKMANN LADY 1117
CONLEY NO LIMIT
CHAPMAN LADY 4128

- Conley Lady 6665 is an exciting May born daughter of the up and coming AI sire Conley Claymore 4005 from the prolific Dieckmann Lady 1117. Long and extended through her front third, level in her lines and refined in her overall design, she has the youthful presence and skeletal quality to develop into a very impressive yearling.
- Conley Claymore 4005 is sired by the $150,000 Conley Bristow 2317 and backed by the featured Lot A donor, Schelske Maddie 8229, that was selected by the Loudon Family of Iowa.
- The combination of Conley Claymore 4005 with Dieckmann Lady 1117 brings together some of the most proven genetics in the Conley program. We believe 6665 has the look to compete early and the maternal foundation to become even more valuable when her show career is complete.

Lot 7 Conley Lady 6311

DIECKMANN LADY 1117
CONLEY NO LIMIT
CHAPMAN LADY 4128

- 6311 is an intriguing female that reminds us of her $90,000 maternal sister, Conley Lady 4561, the impressive Conley Bristow 2317 daughter that was campaigned by Remi Gardner. The dam of 6311, Dieckmann Lady 1117, was a dominant champion for Finley Yocham. She was selected as the 2022 American Royal Reserve Grand Champion Junior Angus Heifer and was the 2022 NJAS Reserve Junior Champion Division 6 Owned Heifer.
- 1117 is a maternal sister to Ty Collum's very impressive C-4 Lead 2K, the 2024 OYE Supreme Champion Purebred Breeding Heifer, that highlights this special marketing event.
- 6311 traces to the influence of the iconic Chapman Lady 4128 donor, a female that was an instrumental breeding piece at Collum Land & Cattle, Dieckmann Cattle and Rosebud Cattle Company. A pedigree that you can rely one!
- Rest assured this June born female will give them all they want in the summer division throughout her show career.

- Conley Lady 6711 is a striking daughter of the $400,000 Conley Express 7211 from the prolific Dieckmann Lady 1117. She is exceptionally refined and extended through her front third, smooth in her transitions and attractive in the way she balances from end to end. In addition, she has been blessed with tremendous hair quality as a bonus!
- There is a tremendous amount of future in this April born female. Conley Lady 6711 combines the eye appeal and skeletal quality demanded in the show ring with the maternal foundation of Dieckmann Lady 1117, giving her the genetic credentials to become even more valuable when she enters production.
- A favorite of many who have been through the cattle!

CONLEY EXPRESS 7211
$400,000 Sire of Lot 8

Lot 8 Conley Lady 6711

- Conley Lady 6412 brings another exciting genetic combination to this impressive set of Dieckmann Lady 1117 daughters. Sired by the $1.4 million valued LT Marquee 169L, she is bold and dimensional through the center portion of her body, square through her hip and impressively balanced from the side.
- We love the added substance and genuine cow power that Conley Lady 6412 brings to the table without sacrificing quality or structural integrity. With LT Marquee 169L on the top side and Dieckmann Lady 1117 anchoring the bottom side, this is a female with a tremendous amount of genetic upside.
- A brood cow in the making, without doubt!

- The next pair of sisters are supported by the incredible G&J Erica 914 donor dam, a female that is responsible for three heifer calves that highlighted last year's Conley Cattle Fall Production Sale. Those three full sisters to Lots 10 & 11 commanded $150,000, $70,000 and $12,000!
- Conley Erica 5195 was the $150,000 standout when the hammer fell last fall. Shown by Cambria Cook of California, she was named Junior Heifer Calf Champion Division II at the 2026 Cattlemen's Congress Junior Angus Show and followed with the same division championship in the 2026 Cattlemen's Congress ROV Angus Show. 5195 was truly a crowd favorite!
- Conley Erica 6517 is a big footed, stout made female that offers a silhouette from the side that is hard to deny!

CONLEY ERICA 5849
$70,000 Full Sister to Lots 10 & 11

- Conley Erica 6514 is sired by the $150,000 Conley Bristow 2317 and is backed by the impressive 914 donor dam, therefore making her a FULL SISTER to the $150,000 Conley Erica 5195 that was purchased by Cambria Cook and the $70,000 Conley Erica 5849 that was purchased by Helen Orr. Another maternal sister to 6514 is the $24,000 Conley Erica 4013, owned by Morgan Fuhriman.
- An extremely neat featured female that offers a tremendous look of quality and style through her front third. She is extra big footed and stout boned, while offering a balanced and symmetrical look from the profile.

CONLEY MISS LUCY 7011

- The "Lucy" family has been writing headlines for years, and Conley Cook Lucy 6370 has the pedigree to write another one! She is a direct daughter of the prominent AI sire Conley A 1 and traces back to Conley Miss Lucy 7011, the 2019-2020 ROV Show Heifer of the Year for Reese Toler.
- Her dam, Conley DT Miss Lucy 3701, commanded $170,000 before going on to be selected as the 2024 NAILE Grand Champion Junior Angus female and 5th Overall Junior Breeding Heifer for Cambria Cook. 3701 was also the 2024 American Royal Reserve Grand Champion Junior Angus Heifer.
- 6370 has that same unmistakable quality as her mother! She is elegant and feminine up front, bold through her center body and built with the kind of balance that keeps getting better with age.

- Phenotypically, 6681 has the presence to match her pedigree. She is elegant and elevated through her front third, bold and dimensional through the center portion of her body and impeccably balanced from the side. Show her, build around her and ultimately put her into the donor pen. Conley Princess 6681 has the pedigree, phenotype and genetic exclusivity to become a cornerstone female in a progressive Angus program that is interested in generating elite Angus show cattle!

DOUBLE R BAR PURE PRIDE Z246

- 6426 is an exceptionally complete May born daughter of the $150,000 Conley Bristow 2317 with a balanced silhouette, extra body and the kind of stout, functional skeletal build that should translate just as well to the donor pen as it does to the tan bark.
- The maternal foundation is where this one gets REALLY interesting. Her granddam, Double R Bar Pure Pride Z246, has produced the $30,000 Conley Pure Pride 7105, the $77,500 Conley Pure Pride 8303 and Conley Pure Pride 8456, a two time NJAS division champion that was undefeated in class at every ROV Show she attended. Z246 is also the dam of the promotional AI sire Conley Expression 9213.
- A must see on sale day!

- The next female from the historic "Blackbird" cow family is the very impressive 6241 female, a direct daughter of the $100,000 Conley A 1 stud that stands at ST Genetics.
- Conley Blackbird 6241 is an incredibly stout featured June born female that is sure to be on several short lists on sale day!
- Her dam is a daughter of the influential KR Casino 6243 out of UDE Blackbird 0153, the $300,000 high seller exhibited by Mercedes Ferree. 0153 was the 2021 Cattlemen's Congress ROV Reserve Grand Champion Angus Heifer.
- Tie into the proven and predictable!

CONLEY NO LIMIT
Maternal Brother to Lots 18-20

- COLE Sandy 6422 is an April daughter of BRDG Mahogany Prime 904B out of the mainstay donor dam Silveiras S Sis Sandy 2355.
- 6422 is incredibly stout at the surface, bold in the shape of her rib cage and beautifully balanced from the side. She is massive through her hip, square pinned and operates from a flawless hip and hind leg design.
- Another truly dynamic female from the iconic Silveiras S Sis Sandy 2355 matron that was a foundation breeding piece in the evolution of the Conley Cattle breeding program. 2355 has produced countless National Champions and high sellers that have commanded $270,000, $180,000, $130,000, $105,000, $100,000, $100,000, $80,000, $80,000 and countless others from $25,000 to $75,000! Not to mention the prominent AI sire, Conley No Limit.
- COLE Sandy 6422 comes from a long line of dominant females, and we firmly believe that she has all the credentials to hit it big!

- Conley Sandy 643P is the next generation of SimAngus seedstock from a long line of championship caliber Angus genetics that countless breeders from coast to coast and border to border have heavily relied on to make a living. The iconic K N C Cabin Creek Sandy 804 blazed a wide path of success during her tenure both at the end of a leather lead and in the production phase of her life. Silveira S Sis 2355 is without a doubt one of the most well known and respected daughters of the late 804.
- R/C SFI Creedence 417J was the 2023 Cattlemen's Congress Grand Champion Purebred Simmental Bull and is really becoming a useful sire across the industry.
- This March female is square bodied and big legged with the look and presence that is becoming the staple of her sire group.

R/C SFI CREEDENCE 417J
2023 Cattlemen's Congress Reserve Grand Champion Purebred Simmental Bull
Sire of Lots 19 & 20

- A direct daughter of the legendary Silveiras S Sis Sandy 2355 matriarch that is sired by the champ, R/C SFI Creedence 417J; therefore, she aligns the influence of the iconic K N C Cabin Creek Sandy 804 and the incredible "Beloved" cow family that originated from the Schaake Farms program.
- Silveiras S Sis Sandy 2355 is the dam of Conley Sandy 7305, the $105,000 top selling heifer from the 2017 Conley Cattle Fall Production Sale that was selected by J6 Farms. Another maternal sister to 645P is the impressive Conley Sandy 8522, the $130,000 top selling heifer from the 2018 Conley Cattle Fall Production Sale. She was a many times champion that has become a prolific producer, with several daughters and granddaughters carrying the torch!
- Her signature "Sandy" look is hard to deny! An extra stout featured, chisel fronted female that ties high in her neck attachment, is bold in the shape of her rib cage and square off all four corners. Don't ever bet against a "Sandy"; they'll always be in the mix!
- Take note of a different class and division for this highly competitive May born prospect.

Lot 21 Conley Classy Girl 669P

- This striking female is backed by a female sired by MINN Class on Class 77E ET that stems from the Minnaert program in Illinois.
- On the other side of the equation, you will find the DSC FRK BSMT Say No More sire that has become a hot topic in the show cattle realms, as he is proving to sire cattle with a futuristic look and outlandish design. He stems from perhaps the most iconic, decorated, and high revenue generating show cattle female of all time, LDSC 75-1, or "Kelli" as she is best known.
- This star headed, stocking legged female is striking in her look with body shape and dimension that is necessary for those coming from the Conley program.
- Built for the long haul, this is one that maintains her look through all stages of show ring exhibition.

PATRICIA 36 KN
PENNERS-CC DOUBLE BLACK 2257
PATRICIA 92 KN

Due to calve 1/20/27 to Conley Ransom 1810 (AAA: 20174820).

- This special sale feature is a maternal sister to the $800,000 valued top selling bull of the 2026 Conley Cattle Spring Production Sale, Conley Power Play 4136. She is an outstanding daughter of STAG Good Times 201 ET back to the featured Patricia 36 KN.
- This bred female comes with intriguing pieces in terms of bone density, attractive silhouette emphasized by her long, skinny neck, all meshed in a productively built package we know from the Conley and Collum brands.
- This outstanding female offers an opportunity to generate tremendous income with the first check to cash due late January to Conley Ransom 1810.

- What a pair of sisters!
- The sisters' sire, CLF Enforcer 19J, is a KR Casino 6243 son out of Seldom Rest Pin Gal 8105. 8105 is no stranger to generating all the quality black hided cattle for the Bayer family in Ringle, Wisconsin, including the Grand Champion Angus female in the Junior Show at the 2026 Cattleman's Congress.
- The bottom side of the pedigree comes equally impressive with a full sister to the ever popular BNWZ Dignity 8017 and BNWZ Executive Decision 2219. Tracing back to the iconic CCC Sara's Dream 5116, the pair of females are stacked from a pedigree standpoint.
- 5206 comes bold, dense, and stout as you would expect with a persuasive and captivating assembly to her front end while maintaining a pleasing set and posture to her hind leg.
- 5207 reads with a brood cow look with overwhelming stoutness and power yet still blends smoothly at her transition. Her stoutness is accentuated by a big, functional set of feet and legs.

Due to calve 1/12/27 to Conley Power Play 4136 (AAA: 21504914).

- Here comes C-4 Northen Miss 100M straight from the heart of the herd!
- Females carrying the "Northen Miss" name have led the charge in donor pens across North America.
- This elegant and refined Angus female is a daughter of GCC MOTO MOTO 637G giving her the influence of Dameron First Class lineage on both sides of the pedigree.
- This young, beautiful uddered female is ready to go to work for you.

- What a breeding piece in the prime of her productive life!
- C-4 Frontier Gal K131 is the first of a pair of maternal sisters out of EXAR Frontier Gal 1469, a daughter of the $2 million producing EXAR Frontier Gal 1405.
- This version is sired by the BC Robust 0807 and comes dense in body and at the surface. In addition to her substance superlatives, she comes with a striking look accentuated by an attractive hind leg set.
- Bred up to the $400,000 Conley Power Play 4136 for an early February calf, she could pay for herself pretty quickly.

EXAR FRONTIER GAL 1469
Dam of Lots 34 & 35

Lot 34 C-4 Frontier Gal K131

- This lineage has been proven for decades to be consistent producers of show quality females that dominate the show ring. C-4 Frontier Gal 3146M has the ultimate style, eye appeal, body mass, and sleek look to get the job done. Her design is flawless with an udder of ideal quality.
- Her maternal granddam is the $2 million+ producing EXAR Frontier Gal 1405. Sired by Conley Lead The Way 0738, she is bred for the generation of high Angus stock!

FCC ROSETTA 745R

Due to calve 2/2/27 to Conley Power Play 4136 (AAA: 21504914).

- C-4 Rosetta 240L brings together pedigree royalty and productive cow power in a dynamic package, just as we have come to expect from the honorable "Rosetta" cow family. They have built a strong reputation for generating cattle with added look, body, structural quality and long term value.
- The influence of this cow family is highlighted by her dam, GCC Rosetta 613C, a cornerstone donor for Griswold Cattle and Collum Land & Cattle whose bull and female progeny have generated more than $500,000, including a $77,000 high selling daughter.

GCC C-4 ROSETTA 587G
$70,000 Maternal Sister to Lot 39

Lot 40 C-4 Emblynette 0211M

- We don't think you could ever have too many daughters of the high dollar Conley Lead The Way 0738. They come with substance and stoutness with a look that is simply unparalleled.
- C-4 Emblynette 0211M is backed by a direct daughter of BC Certified 413-1 back to a daughter of the legendary S A V Bismark 5682.
- The fact that she is safe in calf to the $400,000 Conley Power Play 4136 is simply the cherry on top of an already impressive genetic package!

CONLEY LEAD THE WAY 0738
$920,000 Valued Sire of Lot 40

Lot 41 BW Passport Rachel 1521

- A moderate framed female that is loaded with dimension, power and real world substance. We love the skeletal quality and practicality that she possesses.
- Her sire, Conley Passport 0440, is sired by the now deceased Mill Brae Identified 4031, backed by the $105,000 Conley Sandy 7305 donor dam. 7305 is the dam of Conley Sandy 1391, the 2023 FWSS ROV Reserve Grand Champion Angus Heifer for Lauren Frederick.
- Backed by the everlasting influence of the world renowned Silveiras S Sis Sandy 2355 matron, one of the highest dollar generating cow families in the breed!

C-4 ERISKAY 718M
GCC RICARDO 914H
COLEMAN ERISKAY 718

- This deep centered, bold built female reads with a brood cow look and will be an asset in any cow herd that decides to employ her.
- She is sired by the $70,000 EXAR Bedlam 2936B, the standout son of G A R Home Town.
- On the maternal side of the pedigree, she traces back to the impeccable Coleman Eriskay 718, who is one of the most dimensional, impeccable uddered females you will ever find.

C-4 ERISKAY 718M
Dam of Lot 57

Lot 58 C-4 Blackbird 137P

- This Coleman Full Deck 118 daughter is one to be admired. She comes with the body, substance, and brood cow look that is synonymous with the Coleman brand.
- C-4 Blackbird 137P comes from the solid members of the "Blackbird" cow family at Collum Land & Cattle. Her maternal grandsire is the ONLY International Champion in the Angus breed, Conley South Point 8362.
- On paper, she comes with valuable figures that land in the top 20% CED and top 15% $M.

COLEMAN FULL DECK 118
Sire of Lot 58

Lot 59 C-4 Sandy 142P

- Another product of the cornerstone dam, Silveiras S Sis Sandy 2355, is found here in C-4 Sandy 142P, and it is a fact that betting on a proven cow family will never serve you wrong.
- She is sired by DUFF Landman 2373 and comes with the added punch and easy keeping look you would expect. This January open female will be ready to put to work and make an impact in your program.

EXAR PRINCESS 1637

- The depth of genetic value behind Conley Princess 6676 is difficult to overstate. This striking April daughter of the $1.4 million valued LT Marquee 169L is from Conley Princess 3254. Her dam is a full sister to the $920,000 valued Conley Lead The Way 0738, placing 6676 directly at the heart of one of the most financially proven genetic combinations ever assembled at Conley Cattle.
- The maternal power runs even deeper. The now deceased EXAR Princess 1637 anchors the bottom side of this pedigree and leaves behind a legacy that simply cannot be recreated. Her influence includes Conley Lead The Way 0738 and the $140,000 Conley Princess 4781, a maternal sister to the dam of 6676.
- When genetics of this caliber become finite, opportunities like this become increasingly difficult to replace.

Herd Sire Prospects

We are proud of the Angus herd sires that we have bred, raised marketed and campaigned over the last two decades! These bulls represent the heart of our breeding program and have left their mark on our operation, as well as others across the country!

NEW in 2027, the National Junior Angus Association has created an Owned Bull Show for exhibitors to showcase their future herd sires. The bulls that will sell have been halter broke like the sale heifers and we firmly believe have the credentials to serve as future herd sires for the programs that invest on November 21, 2026. We encourage you to study the pedigrees and the phenotype of the bulls selling, as there is truly something for everyone!

- A true sale feature that offers an unrivaled combination of skeletal quality and genuine power!
- Conley Verdict 6231 combines added substance and genuine body shape with a remarkably balanced skeletal design, but what really separates him is the quality at the ground. Big, correct feet and effortless movement give this February bull prospect the kind of base we believe will stand the test of time.
- The dam of 6231, Conley Georgina 3231, has earned her place as the current cover girl of Conley Cattle after being selected as the 2025 NJAS Reserve Grand Champion Bred & Owned Cow Calf Pair. Just as impressive in production, 3231 has matured into a beautiful young matron with a picture perfect udder and the maternal quality that makes you want to build around her.
- A very special animal that is built with longevity in mind!

- Next up is the uniquely constructed Conley Grand Design 6414, a stud that has been a standout since day one!
- He is sired by the $1.4 million valued LT Marquee 169L, the featured Live Lot from the 19th Annual Embryos on Snow sale in Oklahoma City. A maternal sister to the dam of 6231 is Conley Honey Bear 3638, the $135,000 sale feature from the 2023 Conley Cattle Fall Production Sale that was purchased by Cambria Cook of California. The maternal granddam of 6231 is the $270,000 Conley Sandy 8934, one of the most important females in the history of the Conley Cattle breeding program.
- This stud has the credentials both phenotypically and genomically to be a force on the tan bark, if you so choose, but more importantly when in stud or in use on a diverse set of cows.

Lot 65 C-4 CAPONE 039P

- C-4 Capone 039P hits the pen with added body shape and density with an attractive herd bull look.
- He is sired by the Prairie View Farms calving ease standout and maternal brother to the great PVF Marvel 9185, PVF Capone 2104. His dam is a descendent of the infamous "Frontier Gal" cow family that has had a hand in the success at the most progressive Angus firms in the country.
- Get in early on adding to the arsenal for spring breeding with the opportunity to add a high-quality animal to the roster.

C-4 FRONTIER GAL K131
Dam of Lot 65
She Sells as Lot 34

Lot 66 C-4 Capone 132P

- Check out this standout son of PVF Capone 2104!
- His maternal granddam, GCC Rosetta 903A, is one of the great cows to have worked for Collum Land & Cattle that produced highlights of both sexes. Throw in the sire of Angus phenotype SCC SCH 24 Karat 838 and the Collum breeding program yielded the high-quality dam of this young brute.
- This bold bodied, stout hipped herd bull prospect is one to tie into. He is another attractive dense son of the calving ease PVF Capone 2104.

K N C CABIN CREEK SANDY 804

- A SimAngus prospect sired by the 2023 Grand Champion Purebred Simmental Bull at Cattlemen's Congress out of the legendary matron Silveiras S Sis Sandy 2355.
- 2355 is one of the cornerstone females behind the modern Conley Cattle breeding program and has built an unusually deep resume through both high selling progeny and national level show winners.
- What is especially impressive is how long 2355 has remained relevant. This isn't a donor whose reputation rests entirely on progeny produced ten years ago, as her direct daughter Conley Sandy 3712, by Conley A 1, was the 2024 National Junior Angus Show Bred & Owned Division III Champion, the 2024 NAILE Junior Angus Division VI Champion, and the 2025 Oklahoma Youth Expo Bronze Medallion Purebred Breeding Heifer!
- Take advantage of this SimGenetic breeding piece that is backed by one of the great cows of all time, regardless of breed.

- A special sale attraction and arguably one of the most unique individuals that we have EVER raised at Conley Cattle! It is with great pleasure that we reintroduce you to Conley Power Play 4136, a son of the 2022-2023 ROV Show Bull of the Year, Conley Ransom 1810 and is backed by a member of the famed "Patricia" cow family!
- Conley Power Play 4136 commanded an astonishing hammer price of $400,000 for 50% semen interest in the 2026 Conley Cattle Spring Production Sale to Price Irving of Irving Angus at Greenfield, Indiana.
- Conley Power Play 4136 is supported by the same prolific cow family that produced the 2022 OYE Grand Champion Angus and Supreme Champion Purebred Breeding Heifer for Madilyn Norvell! Backed by generations of proven and predictable cow families!
- His added foot size and substance of bone make him one of the most unique individuals to ever surface. He is simply unparalleled in terms of stoutness, shape, and eye appeal. He is so high tying in his neck attachment, clean chested, bold bodied and transitions seamlessly from end to end.
- Conley Power Play 4136 has been and will continue to be used extremely hard at Conley Cattle and Irving Angus moving into the foreseeable future. The first calf reports are SENSATIONAL to say the least!
- ***Owned with Irving Angus.***

CONLEY SANDY 7662
5T POWER CHIP 4790
SILVEIRAS S SIS SANDY 2355

- Conley Bristow 2317 sold for $150,000 in the 2023 Conley Cattle Spring Production Sale to a syndicate of breeders who recognized his potential to sire elite show cattle. Their foresight has proven correct – his progeny have become increasingly popular over the past 12 months due to eye appeal, skeletal quality, and unique build. Daughters have commanded remarkable prices across the country, including $190,000, $150,000, $140,000, $90,000, $83,000, $70,000, $70,000, $60,000, and many others in the $20,000 to $50,000 range. The first 25 daughters sold at public auction have averaged $45,583, including sales through Conley Cattle, Pembrook Cattle Company, Sullivan Farms, Oakley Farms, Schaeffer Show Cattle, and other initial investors in semen packages.
- His look of quality and style is simply unparalleled. A surefire option to sire elite show heifers that command BIG premiums!
- One of his most popular daughters is the $150,000 Conley Erica 5195, the 2026 Cattlemen's Congress ROV Division II Champion Junior Heifer Calf for Cambria Cook. Some of the most elite Angus show heifer prospects that we have ever produced in Sulphur are sired by the late Conley Bristow 2317
- Due to his untimely death, there is now a very limited supply of Conley Bristow 2317 semen, which will not be replenished. Semen will ONLY be available annually at Embryos on Snow or on special occasions at Conley Cattle, making this a rare and exclusive opportunity on November 21, 2026!
- ***Owned with The Bristow Syndicate.***

RAPID FIRE
CCI.LIVE

Over the course of the next few months, we will be dispersing the Collum Land & Cattle frozen embryo inventory! Over 800 embryos from the hottest sires and most proven matrons from the program will be featured on CCi.Live via the new Rapid Fire platform!
Stay tuned as we release these sale dates!
