SALE LOCATION

Please visit www.morenoranches.com and click "Get VIP Access" to enter your email to pre-register and gain exclusive access to the sale.

SALE TERMS & CONDITIONS

TERMS: All cattle/genetics must be paid for immediately after the sale. Checks should be made payable to Moreno Ranches, Inc. Credit cards are also accepted, and a processing fee will apply. Cattle/genetics will not be released until proper settlement has been made.

SPECIAL TERMS: (cattle/genetics for export) Lots and genetics that are sold for export must be paid for at the time of the sale. There will be a representative of a forwarding company on hand to assist in this matter. It will be the responsibility of the buyer of these cattle/genetics for export to make arrangements with the seller for the care of the lots or genetics after the sale.

Buyers will be responsible for any layover costs following the sale.

EMBRYOS: Each package will contain six embryos, frozen in the D.T. method at Trans Ova Genetics in Centerville, Texas. Embryo grade classifications are listed with each individual lot in the catalog. No further guarantees will be given. Transfer and recip opportunities are available through Trans Ova Genetics.

IVF PROCEDURE: Each IVF procedure has a guaranteed minimum of five transferable embryos.

Buyer will receive all additional embryos of the procedure, should there be any. Buyer pays for all procedure costs, as well as any procedure related expenses. All procedures must be performed at Trans Ova Genetics, or the guaranteed minimum will be voided.

BREEDERS GUARANTEE: Every lot in this sale is, to the best of the seller's knowledge, sound and free of any disease. Pregnant cows and cows with calves are considered breeders without further guarantee. Moreno Ranches will guarantee all open heifers to breed, however, please keep in mind that the animal's condition influences their fertility greatly. If there is a problem, we will work with you in the most professional manner. Open heifers that have been in embryo transplant/IVF are not guaranteed.

DISPUTES: The auctioneer in charge will settle any bid disputes. The decision of the auctioneer on such matters is final.

HEALTH: All necessary health papers will be provided for the purposes of shipping cattle and genetics anywhere in the U.S.

ANNOUNCEMENTS: Any announcements from the auction block will take precedence over the printed material, this catalog and all other printed advertisements.

LIABILITIES: All persons who attend the sale do so at their own risk. Moreno Ranches, Inc., including the sale manager, assume no liability, legal or otherwise, for any accidents that may occur. Seller accepts no liability for the lots after they are sold. Insurance will be available at the sale for cattle/genetics upon the buyer's request.

HANDLING: As the sale takes effect, all lots are under the buyer's risk.

Directions

From the North

- 1) Head south on U.S. 27
- 2) Once crossing over Highway 70 south of Lake Placid, the ranch is 10 miles away.
- 3) Pass County Road 731 on the right, the ranch is the next driveway on the right, 1 mile away.

From the South

- 1) Head north on U.S. 27
- 2) Once crossing over the Highlands County line, the ranch is 1.5 miles ahead on the left

Selling half embryo interest and full possession.

If you are in search of an elite show heifer, then look no further. Moreno Ms. Lady Right On 224/1 is massive in her foot size, extremely heavy boned and very fluid in her movement. At her age, we are so impressed with her depth of flank, sweep to her underline and overall capacity. She is so gentle in her disposition and has that character that makes her stand out in the group of her contemporaries. She is a full sibling to Moreno Ms. Lady Rabe 196/1, Lot 2.

They are sired by TJF Mr. Smokin' Gun 109/7, the proven son of +Mr. Winchester Magnum 999. He was one of the top show bulls of his time, as he won the 2010 International Junior Champion Red Bull, 2010 San Antonio Reserve Senior Champion Red Bull, 2009 San Antonio Junior Champion Bull, 2009 Fort Worth Junior Champion and Reserve Champion, along with the 2008 World Brahman Congress Calf Champion.

Their dam, +GS Ms. Mulhim Manso 314, continues to make her mark in the breed and for sure at Moreno Ranches. 314 was a landmark donor in the Bennett Farms program in Choudrant, LA. She has produced 19 females and five bulls in their program and has entered Register Of Renown status in the ABBA registry. The 314 donor came to Moreno Ranches as a leading private purchase; the progress and greatness has only just begun. Her progeny that have sold have commanded top prices and interest has been very high by some of the most noted cattlemen in the breed.

Here is a full sibling to Lot 1, Moreno Ms. Lady Right On 224/1. As described in the footnote for Lot 1, she represents a very tried and proven pedigree. Her sire, TJF Mr. Smokin' Gun 109/7 was a many time champion bull. His progeny continue to be in high demand when at the market place and are for sure appreciated in production. Her dam, +-GS Ms Mulhim Manso 314, continues to make her mark in the breed and especially at Moreno Ranches. Her progeny that have sold have commanded top prices and interest has been very high by some of the most noted cattlemen in the breed. This young show heifer represents what is so good about finding great structured Red Brahman females. When they are built right from the ground up, you know you have something special. We admire the brood cow potential that we see, along with her appealing profile and style.

JDH GOUDEAU MANSO 174/0

+MISS B-F 201/9

Moreno Ms. Lady Gorda 190/1 could be one of the crowd favorites in this 12 Days of Christmas Sale. She is truly something special and we think that she realizes that as well. She is so long and extended up through her front end, pretty and feminine in her head, as well as being very level and straight down her top line. She has such a presence about her and she definitely stands out in a crowd. If you are looking for a show heifer, then we urge you to take a close look here. Her sire is JDH Goudeau Manso 174/0. He is a sire with a complete outcross pedigree to most established lines that stem from a very maternal line of cow families. He is a powerful performance bull and his progeny are at the top in terms of weaning and performance. He is massive in terms of performance, super sound in his structure and very prominent in his stance.

Her dam +Miss B-F 201/9 is one of the finest daughters of +GS Ms Mulhim Manso 314 and was a private treaty purchase from Bennett Farms in Louisiana and Broadhead Farms in Mississippi. 201/9 is a prolific donor that continues to amaze us with her producing ability. She is a very fertile female and has the brood cow look to her with the femininity we all can appreciate. She has 26 progeny registered in the ABBA, Colombia and Venezuela. She is one of the lead donors in the aggressive transplant program at Moreno Ranches. Her first natural calf is Moreno Ms. Spanish Olive 116, one of the most prominent gray show heifers for Moreno Ranches. She has won multiple junior championship divisions and continues to impress the many that have seen her. Her latest accomplishment was producing the top herd sire, Moreno Mr. The Profit 265. He was a top seller and is owned in partnership with Schneider Brahmans of Boerne, Texas. Her Powerstroke daughters were a highlight in the 2014 Moreno Viva La Brahman Fiesta sale. RB Ranch bought three at \$10,000, \$7500, \$7500; Finca Maria Olga at \$7,000 and \$5,000; Emma Martin at \$7,000 and Lanier Brahmans at \$7,750. Another 201/9 daughter, Moreno Ms. Lady Ritzy Look, sold to Sorrel Panaro for \$11,500 in the Magic City Sale, in Miami, FL. Also selling at \$17,000 was another 201/9 daughter to Ganaderia Rosa Del Alba in Mexico.

There is so much promotion and hype behind the pedigree of this young heifer.

MISS B-F 139/9

If you press the purchase tab on this online sale and acquire this female, you will be making a positive addition to your program. Moreno Ms. Lady Remmt 178/1 is a product of blending two of the finest Brahmans to create one that is even better! Her sire is JDH Impression Manso 719/4, one of the greatest sires to ever exist at Moreno Ranches. He is a proven sire, whose dam has over 11 progeny that are working in the J.D. Hudgins program. His dam is a big maternal and powerful broody female, sired by +JDH Charley's Jazz 946/1. 719/4 is that unique sire that combines tremendous bone, extra muscle and substance, and is very calm in his disposition. This known son of +JDH Mr. Elmo Manso has proven his worth, as his progeny have been widely accepted and appreciated at Moreno Ranches.

Her dam Miss B-F 139/9 is a daughter of +Mr. H Red Rhino 765 and a full sister to the two-time National Champion and two-time International Champion female +CT Lady Rhineaux Ray 8/9 for Circle T Cattle. This big-time Moreno Ranches donor continues to amaze everyone at the ranch with her producing ability. Miss B-F 139/9 has surfaced as the leading donor who continues to impress us with her progeny time and time again. She herself is as good skeletally as any female on our place. She is big ribbed and has a look from the side that is second to none. There were a total of 12 daughters of 139/9 that highlighted the Moreno Ranches All American II Sale, selling for an average of \$8,308.

This female has it all stacked in her favor and we think you will appreciate her when you see her in person or on the video.

Moreno Ms. Lady Rival 214/1 is one very calm mannered and well-made heifer that comes from the heart of the Moreno Ranches program. This daughter of Moreno Mr. Sir Athos is from TJF Miss Red Velvet 110/7, who was the 2008 International Calf Champion, the 2008 San Antonio Reserve Calf Champion, 2008 National Show Calf Champion and the 2008 Rio Grande Valley Calf Champion. She was complimented as a show female for her excellent structure and superb balance, and she continues to impress the many that have seen her today. We admire and appreciate her length of head and neck and her extension up through her front end. It is amazing that for her front end to be so clean that she would have so much depth of flank, rib shape and volume. Her maternal sibling Moreno Ms. Lady Raze 218/1 sells as Lot 6.

Selling half interest and full possession.
Heaviness of bone, moderation in frame, fleshing ability and cuteness is what describes this young show heifer prospect. Moreno Ms. Lady Razi 218/1 is a daughter of +JDH Astro Manso and from TJF Miss Red Velvet 110/7, a proven and prominent Red Brahman donor that has made a sound statement as a breed leader for Moreno Ranches. We admire this young May heifer on so many levels. As many of us know, we want our Brahman cattle to be sound in their structure and very easy in their movement. This heifer is all that and so much more. We admire that complete package that you get when you look and analyze this young open red heifer. She has the soundness, depth and capacity and still maintains the femininity and style needed to get you and the potential judges attention.

Moreno Ms. Red Carpet 232/1 is one youthful and enticing young heifer that is a product of the extensive embryo transplant program at Moreno Ranches. She is long bodied and very appealing from the side profile. She has so much future potential as a premier show heifer and then as a predictable brood cow. Given her lineage and predictability, she will shine bright with the new owner.

She is a full sibling to Lot 8, Moreno Ms. Lady Roll-out 230/1, and Lot 9, Moreno Ms. Lady Roadrun 206/1. Their sire is TJF Mr. Smokin' Gun 109/7, the proven son of +Mr. Winchester Magnum 999. He was one of the top show bulls of his time as he won the 2010 International junior champion red bull, 2010 San Antonio reserve senior champion red bull, 2009 San Antonio junior champion bull, 2009 Fort Worth junior champion and reserve champion, along with the 2008 World Brahman Congress calf champion.

Their dam is Ms SS 164, the proven Red Brahman donor cow that is sired by the Register of Renown BB Mr Sting-Ray 10/0. She represents one of the strongest lines of cattle that our breed has to offer. Her dam is sired by the prominent sire, +Mr. V8 287/5 ("Superstroke"). There has been no other bull with as much influence and domination in the U.S. and International shows as him. He is undefeated five years in a row in the Get-Of-Sire at the Houston International show. He is noted as being one of the most widely used sires of all time. The first set of embryo calves from Miss SS 164 are on the ground now and are certainly turning heads as they are getting older.

Moreno Ms. Lady Imperial 228/1 is one top brood cow prospect. She is massive in her rib shape and has a tremendous amount of brood cow potential to her. We admire her rib shape and capacity, and the kind of female that she appears to be. She is sired by JDH Impression Manso 719/4, one of the greatest sires to ever exist at Moreno Ranches. He is a proven sire, whose dam has over 11 progeny that are working in the J.D. Hudgins program. His dam is a big maternal and powerful broody female, sired by +JDH Charley's Jazz 946/1. 719/4 is that unique sire that combines tremendous bone, extra muscle and substance, and is very calm in his disposition. This known son of +JDH Mr Elmo Manso has proven his worth as his progeny have been widely accepted and appreciated at Moreno Ranches. She is a paternal sibling to Moreno Mr. Impactante 615, Lot 11 in this sale.

Her dam is Miss B-F 292/2, who just happens to be a full sister to the ever-popular donor, Miss B-F 201/9, who in turn is a daughter of the great +GS Ms. Mulhim Manso 314. 314 is a landmark donor from the Bennett Farms program in Choudrant, LA. She has produced 14 females and two bulls in their program and has entered Register of Renown status in the ABBA registry. Some of her recent progeny that have been campaigned in the show ring include Moreno Ms. Lady Ritz On 544 and Moreno Ms. Lady Fair Play 434.

Selling full possession, retaining in-herd semen use.

Moreno Mr. Impactante 615 is the featured herd sire prospect in the 12 Days of Christmas Sale. He is one of the top bull prospects at Moreno Ranches, and we think once you study his video and review his lineage, you will agree with us as well. He is so complete in his design and profile. We admire his strength down his top and how square he is from his hooks to pins. He is massive in his overall capacity and has plenty of thickness and power behind him to add pounds and performance to a future calf crop. He is sired by JDH Impression Manso 719/4, one of the greatest sires to ever exist at Moreno Ranches. His dam is a big maternal and powerful broody female, sired by +JDH Charley's Jazz 946/1. 719/4 is that unique sire that combines tremendous bone, extra muscle and substance, and is very calm in his disposition. This known son of +JDH Mr. Elmo Manso has proven his worth, as his progeny have been widely accepted and appreciated at Moreno Ranches. His dam is JDH Lady Dawn Manso, which just happens to be the dam of the 2016 National Brahman Show Senior Champion, Miss V8 902/7.
