Dear Limousin Friends,

My how times flies as we approach the hosting of our 13th annual "Proof Of Progress" production sale. As we celebrate 25 years in the registered Limousin business we realize the friendships and fellow breeders we have met over those years mean the most to us.

We are quick to realize that the people that make up the team at P Bar S Ranch are just as valuable as the cattle. We are proud to have Elgin Elmore as general manager along with his very able crew of Derik Frazier, Gus and Marvin Allensworth.

The Little Ranch with THE Big Genetics was designed to be a source for some of the finest registered seedstock in the business. We want and desire for each and every client that purchases a PBRS-bred animal to appreciate the many years and resources we have put into the product. Our goal is for these cattle to go into the new buyers herd and enhance their programs in the very best way possible. We are in hopes that as you view this catalog you will appreciate the offering as much as we do.

This year's offering includes the best from our Limousin, Lim-Flex and Red Angus herds. Thank you for joining us.

Sincerely,

Paul

Paul Sisemore
P Bar S Ranch

Headlining this annual P Bar S Proof of Progress sale is this 50% Lim-Flex female of Colburn Primo. He is the Angus breed-leading son of Dameron First Class from the proven Silveiras Sarahs Dream 1339. Her dam, Carrousel's Pina Colada, is a past national champion female who has earned the right to be known as one of the breed's all-time great donors. This daughter of hers is just one of the reasons why. She is a donor in the making! When you consider making an investment of this level it makes it easier when you have a predictable pedigree and proven genetics that are known as the finest in the breed.

One of the great and unique things we have going on at P Bar S is the ability to cross our Limousin and Lim-Flex with our Red Angus cattle. The blending of the two has created the exact results we had hoped for, and this female is a prime example. PBRs Ember 7277 is a daughter of the once All-American Futurity champion bull, AUTO Lucky Strike 118B, a son of LH U Haul 135U, one of the biggest numbered bulls in the breed. He is from one of winningest show females for the Pinegar program, AUTO Luckie 246W. The dam of PBRs Ember 7277 is a daughter of Red Northline Crusher 341Y. This red, double polled is made near-perfect and is so much the kind we have set out to produce. She is feminine up through her head and neck, strong and level down her top line, and square and level out from her hooks to her pins. She is soft in her pasterns and heavy in her structure. Buy with confidence as this is one of the top red Lim-Flex females to ever carry the PBRs prefix.

LOT 3

Talk about the right kind! This 50% Lim-Flex first-calf heifer is made nearly perfect. She is a dream from the ground up! She is massive in her foot size, soft in her pasterns and very flexible in her movement. We appreciate her ability to blend femininity, power and performance all into one well-made package. This 2017-model female is a daughter of PBRs Bootlegger 4158B, a proven and predictable son of the purebred Limousin bull, MAGS Zamindar. Her dam is a daughter of the once highly syndicated and big numbered sire, EBFL Ypsilanti.

P Bar S Ranch is proud to showcase and highlight this female in this annual marketing event! PBRs 7142E is a 50% Lim-Flex, double black and homozygous polled brood cow and future donor in the making. She is clean and feminine up through her head, neck and shoulder. She is extreme in her length of body and very strong down her top line. She stands and moves exactly the way we had wished when we created the mating. She is a daughter of PBRs Bootlegger 4158B and from a daughter of EBFL Ypsilanti 420Y.

We can't say enough how much we love the blending of the genetics of Limousin and Lim-Flex with our Red Angus females. We have been more than pleased with the results and can't wait to see how females like PBR5 7163E are going to work in production. She is a daughter of PBR5 Bootlegger 4158B, the proven son of MAGS Zaminder. Her dam is a purebred Red Angus daughter of NBAR Hamley S913. This 37% Lim-Flex is red, homozygous polled and we think one who is truly something special. She is rock solid in her structural design and makeup. We love her unique profile, desirable conformation and extreme depth of flank and total rib shape.

LOT 7A: PBRs 9249, a 9/19/19 DP/HB 53% Lim-Flex daughter of RLBH Days Of Thunder. BW: 64 lbs.

PBRs Ellison 7334E is a daughter of ELCX Turning Point, a son of MAGS Xyloid, and her dam is a purebred Angus daughter of Coleman Traveler from Buford Miss Erica 9102. She ranks in the top 20% for MK with a 25 and MB with a .20. We invested in ELCX Turning Point from the ELCX program to add power and muscle to then mate to a core group of purebred Angus females and the results have been exactly what we wanted and PBRs Ellison 7334E is a prime example of those matings.

What an exciting opportunity here! A guaranteed heifer pregnancy from one of the hottest Angus bulls siring show cattle, Colburn Primo 5153, out of SLKF Sister Act. Many will remember Sister Act from the 2014 Tulsa State Fair where she was named Third Best Supreme Heifer over all breeds. This purebred donor has extraordinary power in her makeup and lineage. Crossed with Colburn Primo should create an out-of-the-world, first-class heifer.

 MAGS Zenovia 3942A is a big-league female sired by the once All-American Futurity supreme champion bull, MAGS Xyloid. Her dam is a daughter of AUTO Dollar General who sires cattle the way breeders demand them out of an Angus dam. Zenovia is an eye-appealing female who is level from her hooks to pins, has a nice udder in lactation and clean fronted. She offers a sound set of numbers as well. The only choice you have to make is to which sire you'll breed her too.

Selling 4 embryos by the bull of the buyer's choice.
 BUF Eppionia 7307 is our purebred Angus donor who is a staple for stellar phenotype and fault-free design. When you study her picture and her numerical profile you appreciate her massive body, levelness in her hip and the clean lines through her front end. We think you'll agree, you'll want her progeny gracing your pastures.

Safe bred 135 days to PBRs Nexus 794 (RAAA 3813385)

Starting off the Red Angus bred heifer section is this daughter of Red Blairs Bingo 581B one of the most celebrated breeding sires in North America. His progeny have been in high demand due to their consistency and phenotype. PBRs Blair represents him well. Her dam, 5L VISTA 2806-3088, comes from 5L of Montana. PBRs Blair is clean in her lines and moves out freely. The calf she is carrying is from our own Red Angus herd sire PBRs Nexus 794, a son of Silveiras Mission Nexus out of a productive J6 Farms cow. PBRs Blair ranks in the top 17% for CEM, 20% for CED and top 25% for Milk. She is a paternal sister to Lots 14 and 15.

RED BLAIRS BINGO 581B | Sire of Lots 13, 14 & 15

SPRING BRED RED ANGUS

PRBS Ritz is a paternal sister to Lots 13 and 15. We like how Red Blairs Bingo stamps his progeny. They have that functional design and make up that cattlemen appreciate and demand. Her dam, CRSL Mimi, will give you a bit different twist in the Red Angus business. If you're needing more milk in your cows, take look at this girl's Milk EPD, she ranks in the top 1% with a 32. PBRS Ritz is level-topped, capacious and sound on her feet and legs. The calf she is carrying is from J6 Nexus 131F, a Red Angus sire packed full of muscle. You can buy with confidence in this female.

PBRS Luxury 8155 is a paternal sister to Lots 13 and 14. She is an attractive Red Blairs Bingo daughter from CRSL Nicole, a broody daughter of Northline Jesse James. Any way you evaluate this female, we think you're going to fall in love with her. She has the cool lines and smoothness through her shoulder with extra femininity. She sells carrying a calf by our resident Red Angus herd sire, J6 Nexus 131F.

LOT 16

We have a set of full sisters in Lot 16 and 17. Sired by the extremely popular Six Mile Taurus, a two-time National Western Stock Show champion who is siring cattle that work in the show ring as well as in the pasture. To say his progeny have been popular would be an understatement. They have been in high demand across the country. Their dam is from the Carrousel Red Angus program, known to be a solid producer. PBRs Reagan and PRBS Kaydee both rank in the top 2% for Milk. Both are carrying a calf by our Red Angus herd sire, J6 Nexus 131F. Don't struggle over which one to buy, take both home, you'll be glad you did.

PBRs First Draw is a powerful young female from our herd sire J6 Mr Quickdraw, a bull we fell in love the first time we saw him for his stoutness and appeal. We think you'll really appreciate First Draw sale day. The calf in her belly by J6 Mr State Of Shock will be good.

These pair of TR PZC Powerhouse 5770 daughters, Lots 20 and 21, are pretty special. They both have that productive look to them, are flexible in their movements and come to you with pleasing numerical profiles. They both sell bred to our Red Angus herd sire, J6 Nexus 131 (Silveiras Mission Nexus x Damar Mimi).

Safe bred 200 days to RLBH Days Of Thunder (LFM 2120057)

We are starting off this Spring Bred Purebred and Lim-Flex heifer group with five Riverstone Crown Royal daughters—Lots 25, 26, 27, 28 and 29. This is fantastic set of heifers, and yes, we've made it tough for you to select from; we wanted to offer you the best. Riverstone Crown Royal has been a popular choice among seedstock producers across the county. His progeny have lots of look as well as substance, and are making great cows in production. The dams of these five heifers are powerful donors that deliver each time. Each heifer is bred safe to our resident Limousin herd sire who is a full brother to Air Force One, Days of Thunder. His progeny have a lot look to them with plenty of muscle.

Riverstone Crown Royal semen packages available for \$750 each for 10 units. Contact any member of the sales team.

LOT 29

SPRING BRED LIMOUSIN & LIM-FLEX FEMALES

EF WINDSONG | Dam of Lots 31 & 32

AUTO CRUZE 132X | Sire of Lots 30, 31 & 32

Here is a trio of AUTO Cruze 132X daughters—Lots 30, 31 and 32. Cruze is a bull raised in the Pinegar herd that has been a tremendous producer of champions and productive cattle. The dam of Lot 30, PBRs Dutches 790X, is one of those can't-miss donors. Check out the growth and milk this one offers. The Dam of Lots 31 and 32, EF Windsong, was a many-time champion for Rachel Booth and has proven to be a prominent purebred donor at P Bar S. We think you'll really like the females when you see them sale day. The guesswork is done, it's all bred into them.

LOT 33

A trio of MAGS Aviator daughters—Lots 33, 34 and 35. Aviator has been one of the hottest bulls in the business from the day he hit the public. His calves have topped sales across the country and stood in numerous winner circles as well. Cattlemen love these Aviator daughters, they are making nice cows. Study the dam side of these bred heifers, they have impeccable lineages that only sweetens the pot. Pedigrees are in check along with solid numerical profiles.

SPRING BRED LIMOUSIN & LIM-FLEX FEMALES

AUTO DIRECT DRIVE 107D | Sire of Lots 36—39

AUTO RHONDA 225C | Dam of Lot 38

We have four AUTO Direct Drive 107D daughter here, Lots 36, 37, 38 and 39. Direct Drive is from the famed AUTO Rebeca 292S donor who has produced breed leaders and this son represents her well with his moderate frame and massive amount of muscle expression. Two of these bred heifers are from MAGS Colleen, a tremendous MAGS Xyloid daughter who is doing a great job. One is from AUTO Rhonda, a daughter of the legendary Manuela donor who is following in those famous footsteps. The other is by EF Up To The Challenge who traces back to the famous 231J female. These bred females are all in line numerically. Lots 36, 37 and 38 sell carrying a calf to our late herd sire PBRs Bunk House, who sired a national champion heifer.

 PBRs Evie's dam is none other than the dam of our late herd sire, PBRs Bunk House who has done a tremendous job siring cattle breeders demand. Being sired by TMCK Durham Wheat who sired Riverstone Crown Royal and Riverstone Charmed, she's the heifer who dominated the show ring herself and now with her progeny. Evie is destined for greatness in the pasture. Her calf by the 2019 NWSS Reserve Grand Champion Bull should be exciting.

Leading off the Red Angus bulls is PBRs Bingo 8164, a cool-looking bull who has a commanding presence. He is a cattleman's bull being chock-full of muscle, stands on a big foot, and wide, straight-lined topped. His sire is the popular Red Blairs Bingo and out of a Carrousel cow. PBRs Bingo packs a punch of incredible power in a phenotypic package that the most discriminating cattlemen demands. He offers a nice BW to YW spread of 71 lbs. to 1,137 lbs. From the ground up this bull is as correct as you can make one.

Here's a son of Six Mile Taurus, a two-time national champion who is siring cattle with lots of style and practicality. PBRs Taurus 8109 is big bodied, level in his top, and structured as functional as they make herd sires. This guy gets out and covers his tracks nicely with softness in his pasterns. This is the kind of bull you want siring your next calf crop. He ranks in the top 2% for Milk, and top 14% for YG. He is a paternal brother to Lot 50.

LOT 55

We are starting the Limousin bull section with a trio of AUTO Direct Drive paternal brothers, Lots 55, 56 and 57. As you can see by the pictures, AUTO Direct Drive stamps his progeny with consistency—a lot of rib shape and rear-quarter. They are all free-moving, strong-topped and soggy middled. They have the right pieces and parts and will work in any scenario.

You'll be the big winner when you take home MAGS Ali son out of our massive donor PBRs Winning Ways. This bull has so many positives going for him. He stands on a big foot, sweeping rib cage and structural integrity. And a solid number profile—ranks in the top 1% for SC, 4% for WW, 10% for YW.

We are wrapping up the sale with these four sons of LVLS Cartel 1023C, our standout herd sire by EF Zen out of an outstanding LVLS Top Criteria daughter. The Cartel cattle born at the ranch display tremendous amounts of growth and performance as they mature, giving us confidence each of these sons will go on to become outstanding herd sires in their own right. Take note, each of the dams listed on this page have the good fortune of having DHVO Deuce in their pedigrees, giving us even more confidence in the producing ability of these outstanding herd-sire prospects.
