PBR SULL Smooth Landing 372L ET is a high percent Limousin bull by MAGS Xyloid, the phenomenal bull that has garnered attention from across the industry. With over 800 progeny on record, MAGS Xyloid continues to influence programs across the country. His most notable son, ELCX Kings Landing 599D, has taken the Limousin breed by storm. He was the 2018 NAILE Medal of Excellence Grand Champion Bull. His progeny continue to reign as high-selling lots. His dam is a daughter of MAGSWL Usual Suspect 538U and the legendary AUTO Rebeca 292S donor. On paper, Smooth Landing ranks in the 20th percentile for milk.

We love these females for their design, structural quality and overall cow power! These 43% Lim-Flex daughters are out of Conley Express 7211. The dam of these females is SLKF Sister Act 1322, a female sired by DJ Xplosive. After a successful show career, she entered the donor pen where she has churned out stout made, eye appealing progeny out of a variety of Limousin, Angus and Red Angus sires. These lots are flexible off both ends of their skeleton, athletic in their movement and easy on the eyes! They are extended through their front end and we admire their muscle shape and do ability.

These full siblings are 68% Lim-Flex daughters of KLS SULL Charmer ET. He is the highly renowned son of TASF Crown Royal 960C ET and out of the legendary Riverstone Charmed donor female. The dam, AUTO Chaperall 406C ET, is a daughter of SAV Brand Name 9115 and out of the great AUTO Rebeca 292S female. Numerically, PBRS Lena 34L ET ranks in the 30th percentile for her weaning weight figure. We admire these females for their excellent feet, pasterns and agility on the move. They are attractive on the profile, incredibly level in their spine and balanced from all angles.

A female that has all the pieces to upgrade a herd. PBRS Laura 342L ET is a 43% Lim-Flex daughter of PVF Blacklist 7077. He is the highly coveted Angus bull sired by PVF Insight 0129 and out of the PVF Blackbird 3070 cow. This female's dam is SBLX Znote, a daughter of MAGS Xyloid and out of the breed matriarch MAGS Manuela. PBRS Laura 342L is stout in her structure, long and level in her spine and you can't help but fall in love with her gentle demeanor. She's as sound as a cat and tracks with such a confident, long, flexible stride.

*AI'd 4.30.24 to Coming In Klutch (LFM2566032): Sells Safe*

Here's a stunning breeding piece. ATAK Lucy is a 53% Lim-Flex who offers a stacked, predictable pedigree of breed legends. Admire Lucy for being extra correct on her feet and legs and long bodied with an ultra-feminine look. Her dam is a mainstay at ATAK Limousin. AUTO Chaperall 406C ET, is a daughter of SAV Brand Name 9115 and the great AUTO Rebeca 292S donor. Sired by FWLY Can Do, this female has all the qualities to be an asset for the winning bidder.

 Look, pedigree and phenotype—it's all here with this one! PBRS Leading Lady 385L is a high percent Limousin female sired by KLS SULL Charmer ET. On paper, PBRS Leading Lady 385L has an impressive set of numbers. She ranks in the 10th percentile for her milk figure, in the 20th percentile for her average daily gain figure, in the 25th percentile for her yearling weight figure and in the 30th percentile for her weaning weight figure. Talk about a balanced set of EPDs! Not only does this female have the pedigree and EPDs, but she's got the look and power to hang with the best of them. This is a female you'll appreciate for her structural soundness, angularity and skeletal quality.

AI'd to Musgrave 316 Colossal 137. Safe. Due 2.1.25.

Here is a unique and powerful breeding piece that is sired by the \$450,000 Coleman Bravo 6313, one of the most phenotypically eye-appealing bulls in the Angus breed that is backed by the famed Donna cow family. Her dam, Lawsons Chloe C815, is a donor bred for success as measured by the scores of top-selling progeny. As evidenced by the unthinkable appraised valuation of more than \$1,600,000 in produced revenue in merely four progeny - Coleman Triumph, Coleman Chloe 9275, Coleman Chloe 034, Coleman Chloe 9274. Make sure you study this ultra-complete breeding piece. This heifer has the tools, presence, and genetic backing to have people take notice of the tremendous breeding quality and value she brings to your herd.

A mating that boasts some of the industry's most proven and desirable genetics that have excelled both in production and in the show ring! PVF Blacklist 7077 is the tremendous son of PVF Insight 8077. His dam is the one and only PVF Blackbird 3070. The granddam of PVF Blacklist 8077 is the famous 645 cow, whose many accomplishments include producing the 2017 National Junior Angus Show Grand Champion Female. CFLX Robinette 070E has a stacked pedigree that is second-to-none. She is sired by GPFF Blaque Rulon and out of the legendary BOHI Red Robin 282R female. She is a female you can count on not only for her superior genetics and great maternal power but her stylish and powerful design. We love how athletic she is in her movement and her functional design. She's a powerhouse of a female that has that elite donor look we all desire. Don't miss your chance to invest in top tier genetics from a reputable program!

An opportunity to acquire frozen genetics from an ultra exciting genetic combination! MAGS Xyloid 3712X is a phenomenal bull that has garnered attention across the industry for his prominent influence. With over 800 progeny on record, MAGS Xyloid continues to influence programs across the country. His most notable son, ELCX Kings Landing 599D, has taken the Limousin breed by storm. He was the 2018 NAILE Medal of Excellence Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. The donor in this mating is TASF Hidden Treasure 401H, the \$23,000 purchase from the 2021 A Night On The Town Sale. Her mass, dimension and symmetry are second-to-none. She is a phenotypically flawless individual who has the credentials to generate elite seedstock.

*PE'd from 5.6.24 through 7.17.24 to PBRS Red State 275 (Red Angus 4646017)*

We've always thought highly of this one. On paper she ranks in the 19th percentile for weaning weight, the 22nd percentile for yearling weight and in the 25th percentile for carcass weight. Talk about a female that will put growth in them! Not only does she have a world-class pedigree and a powerful set of numbers—she has the look and function to hang with the best of them.

 We love this female's overall build and brood cow look. PBR Milady 2177 is a female sired by the great MF Poker Face 7862 bull. He is the son of WEBR TC Card Shark 1015 and phenotypically is a super stout sire with excellent volume and capacity. This female's dam is CRSL Milady, a daughter of C-Bar Evolution 107Y. PBR Milady 2177 is long in her spine, stands on a great foot and she's incredibly balanced from end to end. This female has the body type that you need to make fancy, yet functional individuals.

 It's hard to find a female with this much look and presence in combination with overwhelming cow power. PBRS 2166 is a KJHT Power Take Off daughter, who obtained national championship status at just nine months of age. PBRS 2166 is correct in her structure, balanced from the ground up and attractive on the profile. This female is full of versatility and donor cow potential. We are confident this one will be a standout in anyone's program.

 PBRs Lilly 38 is another tremendous daughter of KJHT Power Take Off. Power Take Off is a son of Red Soo Line Power Eye 161X that obtained national championship status at just nine months of age and ended his show career as the 2019 National Champion Bull at the Fort Worth Stock Show. KJHT Power Take Off is known as a beef business bull and his influence is second to none. This female's dam, ENGD Red Lana 6032D is a daughter of AHL Flashback 446B. Numerically, PBRs Lilly 38 ranks in the 26th percentile for her weaning weight figure, in the 31st percentile for her yearling weight and the 39th percentile for her average daily gain figure. PBRs Lilly 38 is a female we appreciate for her production look, strength of top, and her muscle expression. She is balanced and correct from end to end.

We like this guy's symmetry, overwhelming stoutness and rugged design. PBRS Red State 275 is a herd sire prospect sired by MANN Red Box 55C, the SLGN Wideload 920W son. MANN Red Box 55C is one of the most talked about Red Angus sires in the breed. His calves display tremendous quality and style and his ability to make his mark as one of the great maternal sires of the breed is imminent. This bull's dam, CRS Red Misty, is a daughter of PZC TMAS Firestorm 1800 ET. PBRS Red State 275 ranks in the top two percent of the breed for his milk figure. This bull profiles so well in terms of balance and uniformity. He stands on a huge foot, substance of bone and he gets around with agility and ease. Truly an intriguing breeding piece that will be on many must-have lists!

From a phenotypic standpoint, here's an individual that is flawless at the ground - he's big footed, relaxed in his pasterns, long striding and one that hits you hard when he's set in motion. Aside from that, study his depth of body, square hip and natural muscle shape. He will open the door for many opportunities within your herd throughout his years of service.
