A NIGHT ON THE TOWN ALL BREEDS SALE

SATURDAY, DECEMBER 6, 2025
1 P.M. PST • Bellagio Hotel & Casino • Las Vegas, Nevada

Cattle Enthusiasts,

It is with much excitement and anticipation that all of us at R&R Marketing Company welcome you to the Night on the Town Sale. As you flip through this catalog you will realize exactly why we are more than excited. We love and cherish this industry and wanted to create a sale that celebrated everything that is good about the business...the people and the product! When Kiley and myself started this venture, we quickly realized this sale was going to be something special not only for us, but for all involved. The overwhelming response received by our clients is beyond belief. Many clients throughout the United States and Canada were more than eager to be involved, not only to sell, but also to be in attendance at this sale.

I want to congratulate all those involved in this sale for their willingness to work together to make this a sale where we will celebrate the good in so much of what we do. As we all know, we are stronger when we work together and this event shows that more than ever.

Thanks to Kiley of MC Marketing for working together as a team with one common goal in mind...showcasing this industry the way that it should be!

Thanks in advance,

Randall O. Ratliff
R&R Marketing Company

Cattle Friends,

In the time I have spent assisting seedstock producers market the fruits of their labor, many memorable events come to mind. Each and every one of them was special in its own right, and turned out to be events the industry could and should be proud of. The goal of Randy and myself in creating "A Night On The Town" was to create just such an event. Thanks to the efforts of many, most especially the premier producers from across this continent, we feel this sale has developed into "can't miss" event.

As you study this sale book, it will become evident that breeder's bought into this philosophy and dug deep into their genetic arsenals to offer seedstock that are truly worthy of carrying the moniker, "Elite." From major league herd sire prospects, to proven donors, to fancy open heifers, to embryo packages never offered before, the lots presented here are "the best of the best."

It has been, and will continue to be, my pleasure to work with both buyers and sellers to help each achieve their goals. If we can be of any assistance prior to or during the sale, please do not hesitate to contact myself or any capable member of this marketing team.

I look forward to seeing you in Vegas!

Sincerely,

Kiley McKinna
MC Marketing Management

SALE ORDER ...

Cattle sell in catalog order. Any additions and corrections to the sale catalog will be posted the evening prior to the sale at RRMktg.com and MCMarketingManagement.com.

ANNOUNCEMENTS ...

Announcements made sale day by the owners, auctioneer or sale management take precedence over statements in the sale catalog.

PAYMENT ...

All bidding and payments are in U.S. currency. Payment is due in full no later than 5:00 p.m. Central on the fifth day following the close of an event. Accepted forms of payment are personal or Entity check, certified check, money order, eCheck or credit/debit card. Checks and money orders should be made payable to Show Circuit Online Sales, LLC and sent to 1730 W. Main Street, Robinson, Illinois 62454. SCO does not accept personal or Entity checks from outside the U.S. A \$5.00 processing fee will be applied on all eCheck payments. A 3.5% processing fee will be applied on all credit/debit card transactions.

TRANSFERS ...

Consignors are responsible for registration and transfer of lots after settlement.

INSURANCE ...

Insurance will be available sale day.

TERMS AND CONDITIONS ...

Terms of the sale are cash unless satisfactory credit arrangements have been made prior to the sale. Please note; The sale manager is an agent for the seller and has no responsibility other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the sale manager nor the sale consigners assume liability. Legal and/or otherwise on any accidents that may occur.

*Cattle sell in accordance with their respective breed associations.
EPDs current as of November 21, 2025.*

We are proud to be working with these consignors
on both the Live and Online portions of this sale.

Coleman Donna 023 is a flush sister to the \$270,000 Coleman Glacier 041, the top-selling bull of the 2022 Coleman Angus Spring Bull Sale. This outstanding donor has a progeny production record of WR 4@111 and YR 3@106. She is also a flush sister to Coleman Donna 046 who sold for \$120,000 for one-half interest to Ingram Angus in Tennessee. Coleman Donna 028, a full sister, sold for one-half interest for \$97,500 to H2O Cattle and Carrico Angus of Indiana. Coleman Donna 023 is a stout, deep-bodied female with a beautiful udder.

A power-on-maternal kind of mating. Coleman Platinum 2622 is one of the most talked-about young sires in the breed today—big-topped, heavy-muscled and stout, backed by the record-selling Coleman Chloe 9275 cow family. Mated to Coleman Donna 7221, the elite SAV Renown × Donna 714 daughter who ranks among the breed's most respected \$M cows and sold for a six-figure valuation, this pregnancy stacks two of Coleman's most trusted maternal tribes in one package. Coleman Donna 7221, is writing her own chapter in the Donna legacy—this Platinum pregnancy offers front-row access to her next generation of herd sires and donor females.

A truly high-end genetic opportunity. This mating pairs LT Marquee, one of the most exciting young Angus sires for look, structure, and added performance, with the proven Angus standout Conley Sandy 7350, a female admired for her flawless build, maternal presence, and consistency in generating elite-quality progeny. Sandy continues to cement her place as one of the most influential donors in the breed, producing cattle with extra body, balance, and the kind of style that excels in both the pasture and show ring. This choice of a heifer or bull calf allows the buyer to shape this exceptional cross to their program's goals—whether that's a future donor prospect or a powerful herd sire in the making. Due approximately 12/15/25–1/1/26, these pregnancies represents a blend of two high-value breed lines known for transmitting quality, longevity, and eye appeal. An elite mating backed by a commercial recip and backed even stronger by pedigree power.

*Selling an IVF flush cycle to the bull of the buyer's choice.
Guarantee of 6 embryos, no maximum. Seller furnishes semen, buyer pays flush expense.*

Coleman Donna 506 represents everything the famed Donna tribe is known for: balanced power, structural integrity, and a maternal presence that anchors a program. She is a broody, easy-keeping female with an ideal udder, sweeping rib cage, and the kind of foot quality and athleticism that has become the Coleman trademark. 506 descends from generations of breed-defining matrons, and she continues to prove why the Donna cow family is one of the most respected in the Angus breed. Her daughters are consistently feminine, fertile, and efficient, while her sons carry the look, muscle shape, and structural correctness that commercial cattlemen demand. This is a female that flat-out works—no matter the mating. Her ability to transmit docility, maternal function, and real-world performance makes her an ideal donor to build around, and opportunities to tap directly into a cornerstone Coleman Donna are few and far between.

Consigned by Canadian Donors, Mountain View Country, AB

Bar-E-L Bride 28C was the \$100,000 high seller at the 10th Annual Brooking Angus Ranch Open Book Invitational to Coleman Angus, Brooking Angus Ranch and Canadian Sires + Donors. She was a cow we had been following for years at the renowned Bar-E-L program and knew we needed to own her. The right to flush 28C sold in 2023 for a staggering \$75,000 USD and a daughter recently brought \$30,000 USD at Coleman Angus. Her popularity north and south of the border continues to increase with endless potential. The near perfect phenotype you find in 28C is impeccable with a beautiful head, long and attractive front end, level and broad top with impressive body capacity and overall length while possessing a beautiful udder and good foot quality. Hummel South America sold for \$180,000 for one-half interest in the Night At Remington Park Sale at the 2021 Cattleman's Congress. He captivated cattlemen from all over the world and was the pick of the pen and the people's choice of him and his brothers. The \$270,000 Brooking TW 4002 is the most current and exciting mating with Bride 28C. TW is one of the most unique breeding packages the Angus breed has seen and is loaded with pedigree, phenotype and future that is truly exciting. We believe these matings are the perfect combination of power, maternal, look and overall quality.

Here is a young working to replace his father! This genetic powerhouse should be considered by anyone who appreciates raising quality livestock! The donor dam of this sire needs no introduction. The great Ratliff Howboutit 008H is the FWLY Can Do x Riverstone Charmed daughter who was the Supreme Champion Heifer at the 2021 NAILE and the Supreme Champion Heifer at the 2021 Iowa Beef Expo. She is a full sister to the ever-popular Ratliff Jump Start bull and was the \$202,000 sale-topper herself in the Ratliff Cattle Online Sale. ELCX Kings Landing 599 D has taken the Limousin breed by storm. He was the 2018 NAILE Medal of Excellence Grand Champion Bull. His progeny continues to reign as the high-selling lots of numerous offerings around the country. He has garnered the attention of numerous producers across the country for his impeccable ability of siring individuals with look, power and substance.

CELL Jade 1157J is a powerful Lim-Flex female combining the influence of one of the breed's most consistent sires, ELCX Kings Landing 599 D, with the elite donor productivity of CELL Fascination 8231F. Fascination has quickly risen to prominence as a cornerstone female for the Linhart program—known for transmitting exceptional body shape, udder quality, and real-world functionality. Jade 1157J exemplifies the depth and dimension of her maternal line: a bold-ribbed, easy-doing female with a quiet disposition and the kind of foot and joint design that holds up in production. Her pedigree blends performance with maternal strength, making her an asset whether for show-oriented operations or long-term seedstock development. Mated and due 3/1/26 to Conley Ransom, she carries a service that adds another layer of quality and marketability. A daughter of a proven donor and backed by generations of breed-improving genetics, CELL Jade 1157J brings the kind of pedigree, phenotype, and mating value that fit naturally into any progressive program.

Due 3/1/26 to TFOR Land Rush.

Seller reserves the right to 2 IVF cycles.

A beautifully designed bred heifer that combines the influence of CELL King's Landing with the maternal depth of the Larissa cow family. This is a full sib to CELL Margot 4004M ET, Claire Sennett's 5th Overall Limousin Female at the 2025 NJLS&C and Reserve Grand Champion Limousin Female at the recent NAILE. CELL Mystique 4017M is the kind that immediately stands out for her structure, body shape, and front-end quality—clean, correct, and built with genuine brood-cow presence. She moves with ease, carries a bold center, and has the look of a female that will only get better with maturity. Bred to TFOR Land Rush, one of the most exciting young sires in the breed for look, muscle, and balance, this mating adds even more value to an already impressive package. A strong offering from Linhart Limousin, backed by the same cow families that have built their program's reputation.

Schillings Civil War is a Limousin bull known for his success in show rings and his impressive genetic traits. He was the 2016 Reserve Grand Champion Limousin Bull and has been used to sire other high-performing cattle, such as Civil War E92, which was the top-selling bull at the 2018 Genetic Power Bull Sale. J6 Advance E501 is the daughter of the foundation donor female JKC Berry Advance 36W. Unsurpassed is how many describe the pedigree behind the daughters of JKC Berry Advance 36W. J6 Advance E501 is sired by Six Mile Taurus 519A, a son of the great Six Mile Game Face 164Y. A son of J6 Advance E501 sold for \$13,000 in the 2022 Lonely Valley Seedstock Sale to Davis Ranches. P Bar S has a daughter of hers in their program that was the 2021 Champion Red Angus Influence Heifer at the Tulsa State Fair. Most recently, J6 Advance E501 was the \$30,000 top-selling lot in the Lenape Cattle Co. & Friends Inaugural Sale. She is stunning on the profile, angular in her design, ultra-attractive in her look and wide at the base. J6 Advance E501 is writing her own chapter in the breed history book and now is your chance to add her genetics to your herd!

Consigned by Wulf Cattle Co., Morris, MN

It is only fitting that Wulf Cattle has offered a daughter of Wulfs Ka-Ching 0762K, in this year's event. The ever-popular Wulfs Ka-Ching 0762K was a top lot in the 2023 Night On The Town Sale selling a limited number of semen packages to progressive breeders with fall possession of the bull being purchased by Misty Morning Limousin of Versailles, Missouri. Since that sale, Ka-Ching has become an in-demand sire across the country, with his semen off the market. A limited number of progeny will be sold; here is your opportunity to purchase a direct daughter of this exceptional sire! Visually this female is ultra-complete and it's a total understatement when we say she's wicked good. Wulfs Nantucket 5062N is flawless in her lines, bold through her center body, soft structured, and incredibly correct in her angles. This gal is sheer cow power to the max—she's loaded with overall dimension, expressive muscle shape, and a killer presence. Aside from her phenotypical advantages, numerically Wulfs Nantucket 5062N has breed leading EPDs highlighted by ranking in the top 10% for weaning weight, top 10% yearling weight, top 4% total maternal, top 1% stayability, top 17% docility, 2% ribeye area, and top 20% TPI. Here is a Homo Black, Homo polled 67% Lim-Flex that deserves some serious attention.

KLS SULL Charmer stands as one of the most powerfully built and visually striking herd sires to surface in the Limousin breed in recent years. Massive in his bone, bold in his muscle pattern, and still overwhelmingly correct at the ground, Charmer blends true performance with a show-ring silhouette that rarely comes together in one package. His pedigree only amplifies the intrigue—an elite son of TASF Crown Royal out of the legendary Riverstone Charmed 50C, making him a direct product of two of the most decorated individuals in breed history. His progeny carry the same look—sound, attractive, wide-based, and high in quality—earning him a rapidly growing following among both progressive seedstock producers and show-minded programs. For breeders seeking to inject bone, balance, muscle, and pure presence into their calf crop, Charmer consistently delivers. An opportunity to utilize genetics that continue to elevate the standard for power and phenotype in the Limousin breed.

A true designer opportunity from the heart of the blossoming Legacy program. CELL Lady 3165L is a striking young Lim-Flex donor prospect who blends maternal depth, structural correctness, and an elevated look that makes her one of the most exciting emerging females in the breed. She is a full sib to the famed Legacy Charmed female. This choice of IVF flush offers access to four elite sires: PVF DLX King Pin 0058 – for elite Angus phenotype and show-ring shape. MC TSSC Outkast 2095 – for balance, structural quality, and Lim-Flex versatility. DUFF HD 2046 – for added body, maternal strength, and timeless cow power. LFL KUJO 2130K ET – for next-generation muscle, growth, and modern relevance. No matter the path chosen, the result is a mating designed for elite replacement females and herd sires with presence.

Guarantee of 5 embryos, with no maximum. Seller furnishes semen and buyer pays flush expense. Flush to be conducted at Trans Ova, Texas.

CELL Legacy Charm is the kind of young Lim-Flex female that rises to the top quickly—sharp fronted, bold bodied, and impeccably sound, with the balance and presence that define modern donor prospects. She carries the maternal power and structural integrity needed for long-term influence, along with the extra style and eye appeal that make her a standout in any pen. This Choice of Designer IVF Flush gives buyers access to three powerful directions: ELCX Kings Landing 599 D ET — for elite growth, muscle, and breed-changing presence. Silveiras Style 9303 — for Angus elegance, structure, and undeniable show-ring look and L7 Koko 2064K — for added substance, maternal depth, and functional performance. Each option brings its own strengths, making this offering customizable to any breeding objective—from competitive Lim-Flex show heifers to high-value replacement females and herd sires. A premium opportunity from Wilder Family Limousin, backed by a young donor whose future influence is only beginning.

Selling an IVF heifer flush cycle to the bull of the buyer's choice. Guarantee of 6 embryos, maximum of 10. Seller furnishes semen and buyer pays flush expense.

Allow us to highlight a female whose genetics everyone is quite familiar with; her progeny speak volumes to the caliber of individuals she is capable of producing. A daughter of SSTO Courtney, DL Hush Money 502H, has had one of the most illustrious show careers of any Limousin female in the breed. Most recently, She was named the Supreme Champion Limousin Female for Sara Sullivan at the 2023 NAILE with her bull calf at side, SSUL Loot Money 32L. She was also the Grand Champion Limousin Female at the 2022 Cattlemen's Congress, the 2021 National Junior Show and Congress Grand Champion Owned Lim-Flex Female, the 2021 American Royal Grand Champion Female and the Reserve Champion Limousin Female at the 2021 NAILE for Sara Sullivan. Numerically, she ranks in the 25th percentile for weaning and yearling weight and in the 30th percentile for milk. Sullivan Farms is home to some of the industry's most influential matriarchs. This is the most exclusive opportunity to invest in the future of your program.

PICK OF 2026 FALL CALVING BRED HEIFERS

A standout opportunity to tap into one of the most proven and influential Limousin cow herds in the country. The Linhart Limousin program has built its reputation on disciplined selection, data-backed breeding decisions, and a steadfast commitment to functional, profitable cattle. Year after year, their females are known for calving ease, structural integrity, fertility, and the kind of maternal power that defines herds from the ground up. This Pick of the Fall-Calving Bred Heifers brings that depth to the forefront. The group is anchored by generations of Linhart genetics—cow families that consistently produce high-performing sons, front-pasture daughters, and sale features across the country. Whether your goal is to add a future donor, a high-end replacement female, or a maternal cornerstone, this pick offers access to the program's very best, backed by a reputation for performance, longevity, and nationwide customer success. A true herd-advancing opportunity.

PICK OF 2026 SPRING OPEN HEIFERS

Wilder Family Limousin runs a sizable, registered herd of Limousin, Lim-Flex and Angus females. They focus on marketing show prospects, commercial and seedstock bulls and bred heifers for their fellow seedstock producers. This operation has procured elite Limousin and Lim-Flex genetics from across North America from some of the most reputable operations. This is your opportunity to purchase the pick of their 2025 spring-born heifer crop which will number in excess of 70 head. Take your choice of some of the best and freshest genetics this operation and this breed has to offer. Opportunities like this don't happen often, so take advantage!

ELCX Kings Landing 599 D ET is a deceased AI sire who has very limited semen available but has made a huge impact on the industry through his progeny. He was 2017 NAILE Reserve Grand Champion Limousin Bull and 2018 NAILE Grand Champion Limousin Bull. He then continued his success in production as he has sired some of the finest cattle the Limousin breed has ever seen. They have dominated major shows across the country, and they have certainly highlighted many sales the last couple of years. His premier genetics and flawless conformation made him a force in the Limousin breed! Though he is now deceased, and the semen is in rare supply, this 81% Limousin sire that is homozygous black and homozygous polled is one sire you'll want to incorporate into your herd.

DL Let Us Pray 087L is a purebred Limousin bull sired by ELCX Kings Landing 599D ET. ELCX Kings Landing 599D has taken the Limousin breed by storm. He was the 2018 NAILE Medal of Excellence Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. To name a few, his daughter ELCX Gracious 951G, sold for \$30,000 and ELCX G Mail 950G for \$15,000 in 2020. In 2021, his daughter, DL Heaven Can Wait 550H sold for \$15,000 and he sired the \$105,000 high-selling female at the 2021 Linhart Limousin Fall Harvest Sale, CELL Jade 1157J. This bull's dam is DL Hosanna 526H ET, a purebred daughter of TASF Crown Royal 960C and from the one and only Riverstone Charmed female. The donor female in this mating is LLJB Absolute Style, the Silveiras Style daughter out of the famous MAGS Wassail female. Her production ability is well documented by a litany of top sellers and show ring champions across the breed. LLJB Absolute Style 3056A was the elite show heifer of Shelby Hennessy's from 2014. She was the high-selling lot in the 2013 Linhart Limousin Fall Harvest Sale.

Selling 25% Embryo interest. Possession and 75% embryo interest owned by Sadler Ranches.

An absolute highlight of this offering! It is with high anticipation when one of the leading purebred beef operations in Central America offers a female from the forefront of their breeding program. This female is ultra-complete and wicked good. She is flawless in her lines, bold through her center body, soft structured and incredibly correct in her angles. This gal is sheer cow power to the max being loaded with overall dimension and maternal presence. On the move, she handles herself elegantly with a huge, confident stride and maximum skeletal flexibility. Aside from her phenotypical advantages she has a pedigree that needs little introduction to the Red Angus breed. She is a daughter of the popular Duff Red Blood 18114 out of the beautiful, patterned MANN Red Box 55C daughter, Duff Dixie Erica 16148 1986. Here is a Red Angus donor that deserves some serious attention.

In a short period of time, John Wick has positioned himself as one of the most popular bulls in the Red Angus breed. In 2018, he topped the Six Mile Ranch Bull Sale for \$57,000 for half interest. In his first calf crop, he presented an incredible line up of sons. His daughters have created a ton of excitement as well with one being named a Division Champion at the 2019 Canadian Western Agribition. J6 Advance E501 is the daughter of the foundation donor female JKC Berry Advance 36W. Unsurpassed is how many describe the pedigree behind the daughters of JKC Berry Advance 36W. J6 Advance E501 is sired by Six Mile Taurus 519A, a son of the great Six Mile Game Face 164Y. A son of J6 Advance E501 sold for \$13,000 in the 2022 Lonely Valley Seedstock Sale to Davis Ranches. P Bar S has a daughter of hers in their program that was the 2021 Champion Red Angus Influence Heifer at the Tulsa State Fair. Most recently, J6 Advance E501 was the \$30,000 top-selling lot in the Lenape Cattle Co. & Friends Inaugural Sale. She is absolutely stunning on the profile, angular in her design, ultra-attractive in her look and wide at the base of her skeleton.
