CATTLE SELL IN CATALOG ORDER

EPD INFORMATION
Please note that EPDs may change from the time the catalog is printed until the registration papers are transferred. EPDs Dated 10/1/26.

ANNOUNCEMENTS
Announcements at the sale by the owners, auctioneers, or sale management will take precedence over statements in the catalog.

TERMS & CONDITIONS
All cattle sell under the standard terms and conditions set out by the North American Limousin Foundation.

INSURANCE
Insurance will be available. Inquire at the clerk's desk sale day.

SETTLEMENT
Terms are cash or check. Purchasers must make settlement with Sale Management prior to taking possession of purchased animals. Any arrangements to the contrary between buyers and sellers are at the seller's risk and are without liability to the sale management.

TRUCKING
Buyers who spend $9000 or more are entitled to free nationwide delivery.

WILDER FAMILY LIMOUSIN

Since 1912, the Wilder family has been farming and ranching in Snook, Texas, just outside of Bryan/College Station. Until 1982, the Wilder family primarily relied on farming as their dominant business. Fourth generation partner, Jay Wilder, expanded the horizon of the family farm by showing and investing in Limousin cattle.

Wilder Family Limousin runs approximately 150 head of purebred and Lim-Flex cattle. They also run a large commercial cow operation in conjunction with the registered cattle. In the farming operation, they grow cotton, grain sorghum, wheat and soybeans. They focus on marketing show prospects, commercial and seedstock bulls and bred heifers for their fellow seedstock producers.

Jay, the fourth generation partner in the operation today, is a 1993 graduate of Texas A&M University. In 1994, he and Molly married. In 1996, the fifth generation, Jayce, and twin brother, Spencer, were born. Molly is a 1993 graduate of Texas A&M as well. After 32 years of teaching in Bryan ISD, Molly has retired and has become more hands on in the day-to-day operation.

Throughout Jayce and Spencer's show career they have been very successful. They have shown on the local (Brazos Co.), state (Fort Worth, San Antonio, Houston and Texas Limousin Field Day) and national levels (National Western and National Junior Limousin Shows & Congress). The brothers graduated from Texas A&M University and returned home to the farm and ranch.

Jay has been active with the Texas Limousin Association, serving on the board of directors for many years, including a term as the organization's president. He is also past NALF director.

It's only fitting that a female carrying the influence of the legendary Riverstone Charmed leads off this year's Aggie Tradition Sale. CELL Legacy Charm 3162L ET is a 50% Lim-Flex daughter of BNWZ Dignity 8017 and the immortal Riverstone Charmed — a pedigree combining two highly recognizable genetic influences with a phenotype that has proven itself on the biggest stages. Legacy Charm claimed Division IV Champion honors in both the Junior and Open Lim-Flex Shows at the 2025 Cattlemen's Congress, then followed with Reserve Division IV honors at the 2025 Fort Worth Stock Show. Her value was recognized well before those wins, however, as she was the top-selling lot of the 2024 A Night on the Town Sale. With the proven cow-family power of Riverstone Charmed, the influence of Dignity and Legacy Charm's own accomplishments behind the mating, the foundation is already in place.

Selling Choice of Right to Flush
Guarantee of 5 embryos with no maximum.
Buyer pays flush expenses. Seller supplies semen.

A powerful young Angus donor with the pedigree, phenotype and cow-family strength to build around, Conley K&M Empress 4616 brings an exciting new dimension to the Aggie Tradition offering. She is a daughter of Conley Ransom 1810, the 2022–2023 ROV Show Bull of the Year, and stems from the highly regarded Empress family. Stout featured, big bodied and powerful in her design, 4616 was a standout in the 2026 Conley Cattle Spring Production Sale, where she commanded $10,000. Now, the opportunity is yours to take this impressive Angus female in four distinctly different directions. Selling is the choice of right to flush Conley K&M Empress 4616 to one of four Limousin or Lim-Flex sire options. Study the matings that follow – with this kind of Angus foundation on the bottom side, the possibilities are wide open.

WLR Blackwater 822L ET has proven he is much more than an impressive pedigree on paper. This homozygous black, homozygous polled, 65% Lim-Flex son of ELCX Kings Landing 599 D ET and WLR Envious ET has compiled an impressive show-ring résumé, including Grand Champion Bull at the 2024 Missouri State Fair, Reserve Grand Champion honors at the 2024 American Royal, Division IV Champion at the 2025 Cattlemen's Congress and Division VII Champion at the 2026 Cattlemen's Congress. Blackwater combines the unmistakable presence and quality that made Kings Landing one of the breed's most recognizable sires with the maternal influence of WLR Envious. Long bodied, level topped and attractive through his front end, he still offers the depth, muscle and functionality needed to make cattle that work beyond the show ring. With his proven phenotype, recognizable pedigree and growing résumé, Blackwater offers breeders an opportunity to incorporate a unique Lim-Flex sire with the credentials to move a program forward.

Here is a show heifer prospect with a pedigree that has already proven it can compete at the highest level. Miss WFL Primrose 603P ET is a 53% Lim-Flex daughter of ELCX Kings Landing 599D ET and ELCX Extra Special 701E ET, combining two of the most influential names in the Edwards program. Extra Special has established herself as a highly productive donor, with daughters earning major championships and division honors across the country, while Kings Landing continues to leave his mark through an impressive list of champions and high sellers. This young female brings that proven genetic package together in an exciting show heifer prospect.

Miss WFL Polly 608P ET brings together a combination that has already proven it can make competitive cattle. This 54% Lim-Flex female is a daughter of Ratliff Jump Start 340J ET and ELCX Extra Special 701E ET. Jump Start, the 2022 Cattlemen's Congress Grand Champion Limousin Bull and a son of the legendary Riverstone Charmed, has gone on to sire champions at the national level, while Extra Special continues to prove her value through an accomplished set of progeny. In fact, this exact mating has already produced ELCX Miranda 461M ET, a multiple-time division reserve champion at major national shows. That kind of predictability makes Polly especially intriguing.

CYDN 0140P Pandora offers a little different twist for the show heifer division. This May-born, 50% Lim-Flex female is a daughter of SCC SCH 24 Karat 838 and WFL Flo 810F, blending the influence of one of the Angus breed's most recognizable show-cattle sires with a proven Limousin maternal foundation. Pandora brings an intriguing combination of Angus style and Limousin performance to the table. With 24 Karat on the top side, there is plenty of reason to be excited about her potential as a show heifer, while the WFL Flo 810F cow adds the maternal backing needed to make her valuable well beyond her junior career.

Miss WFL Periwinkle 606P ET offers a fresh pedigree and an exciting look at what the next generation can become. This 59% Lim-Flex female is a homozygous black, double polled daughter of FWLY Can Do and Wulfs Abaze 3012A, bringing together a genetic package distinctly different from the females that precede her. With added growth and performance built into her pedigree, Periwinkle has the pieces to develop into a competitive show heifer while keeping future production value firmly in mind. This young March female offers plenty of opportunity for a junior looking for a project to develop and, down the road, a female to build around in the donor pen.

Miss WFL 546N is a 39% Lim-Flex female with impressive length of body and depth. She is sound on the move and exhibits the look and type of a producer. This March-born, first-calf heifer is the granddaughter of MAGS Firestone 218F, a popular and proven AI sire. With LVLS Full Duty 2201F and SBLX First Class on her maternal side, the opportunities are endless. With known genetics on both sides, this female has the pedigree and genetic backing to be functional and productive. Miss WFL 546N is homozygous polled and ready to work – let it be for you and see what she can do.

Miss WFL 555N is a 50% Lim-Flex female that combines a fresh, progressive sire with a proven maternal line. She is homozygous black and homozygous polled and offers an intriguing blend of phenotype, performance and maternal potential. Law and Order was the $17,500 top-selling bull in the 2024 Linhart Limousin Business Done Right Bull Sale and has been admired for his added base width, body and muscle expression. With a balanced numerical profile and a pedigree built around cattle known for quality and functionality, 555N offers the versatility to work as a show prospect and future donor.

JJWI 564N is a double homozygous, March-born heifer carrying her first calf. This 71% Lim-Flex combines L7 Jukebox on the top side and WFL Miss Lilah 399L on the bottom, bringing in the relation to the ever popular Riverstone Charmed. Her dam brings in traces of Alter Ego and EF Xcessive Force, both extremely popular and proven AI sires. JJWI 564N has a producer's build – she is long spined, deep middled and square hipped. This female blends phenotype and genotype in an attractive package. She has the potential to work in a variety of programs.

Mr WFL 519N is a March-born 53% Lim-Flex bull with a pedigree that immediately grabs your attention. Sired by CELL Law And Order 3145L and out of WFL Jaded Charm 084J, he is homozygous black and traces directly to the legendary Riverstone Charmed. Jaded Charm was featured in last year's Aggie Tradition offering as a daughter of Charmed, giving this young bull a maternal foundation already familiar to followers of the Wilder program. Study the balance he offers from end to end combining performance and growth. With a pedigree stacked for predictability and a balanced set of numbers, 519N has the pieces to develop into a useful herd sire.

BW: 88 • **ADJ WW:** 735 • **ADJ YW:** 1261

Mr WFL 535N is a stout-made, high-percentage Limousin bull with a pedigree built around performance. This 81% Limousin son of COLE Rainfall 15J and ATAK Honor offers an impressive combination of growth, muscle and breed character. Rainfall brings added performance and carcass merit to the equation, while the maternal side adds the influence of ATAK Honor to this young herd sire prospect. For breeders looking to add Limousin percentage, performance and muscle while maintaining a balanced genetic package, 535N deserves a close look.
