Welcome

A large part of the excellence achieved at the National Junior Limousin Show and Congress stems from support of involved Limousin breeders - support from both the heart and the wallet.

This year, the National Junior Limousin Show and Congress in Circleville, OH promises to surpass even the high points of past experiences.

As you can see from the program, this year's benefit auction is filled with genetic opportunities and many other interesting items, thanks to the generosity of the many contributors. You will have the opportunity to choose from:

- some of the most popular and useful sires and dams in the breed today
- preferred position pages in the National Junior Limousin souvenir program to advertise your ranch or program
- award sponsorships
- unique art
- genetic packages
- fishing trips

This "Genetics On Ice" benefit auction gives you the opportunity to help yourself and your program while supporting one of the breed's major events of the year.

The benefit auction, as we know it today, was started in 1984 by American Cattle Services to fund the first All-American Limousin Futurity in the summer of 1985 in Springfield, Missouri, which was the first time the National Junior Heifer Show was held in conjunction with an open Limousin show. This first auction was held at the American Royal in Kansas City, Missouri, with assistance from the Kansas and Missouri Limousin Breeders Associations. Most items offered were frozen semen and pregnant recipients, thus the auction was named "Genetics On Ice" from the very beginning.

The fundraiser was initially one where the donor received 50 percent of the revenue and the AALF received 50 percent. After the second such auction in Kansas City in 1985, Dr. Greg Martin, NALF Executive Vice President, and Ken Holloway, principal partner of American Cattle Services, thought it would be appropriate to hold the benefit auction in Denver at the NALF banquet and split the proceeds between NALJA and AALF. The "Genetics On Ice" auction has enjoyed a 42-year run with much success thanks in no small part to the generosity of those who attended, contributed and purchased.

Totals indicate some \$1.75 million has been raised from Limousin breed promotion at the "Genetics On Ice" auction. A special thanks to all involved!

All semen and embryos will be released for shipment upon payment, unless otherwise noted. Purchaser needs to contact semen owner for release of semen and embryos.

Shipment will be at the buyer's expense. Semen and embryos are not necessarily exportable outside the United States.

Please make checks payable to:

NORTH AMERICAN LIMOUSIN EDUCATION CORPORATION

EPDs are current as of 12/3/2025.

HONORING

KEN HOLLOWAY

For 42 years, this event has helped raise funds for the National Junior Limousin Show & Congress, NALJA events and the Limi Boosters. \$68,540 was raised from this benefit auction held during 2025 Cattlemen's Congress and Annual Limousin Convention. Thank you to all the donors and buyers for the continued support!

The oversight committee for the All-American Futurity scholarship program and Genetics on Ice Benefit Auction met in April of 2020 to discuss the renaming of the scholarship program generated out of Genetics on Ice and the Genetics on Ice Benefit Auction itself in honor of Ken Holloway.

Ken Holloway was as dedicated a Limousin breeder as any man could possibly be. That dedication was also extended to his family, fellow breeders, and friends in the cattle business across the country. Ken was also the breed's most dedicated supporter of the North American Limousin Junior Association since its inception. Ken started the Genetics on Ice Program in 1984 to provide the vehicle that not only financed the junior association's activities annually, but additionally helped run the All-American Limousin Futurity until its conclusion in 2020. The Genetics on Ice Benefit Auction has raised over \$1.75 million of revenue for the Limousin Junior Association.

Today, thanks to Ken's foresight and passion for juniors in the Limousin breed, the proceeds that previously funded the Limousin Futurity show were diverted to fund over \$17,500 of scholarships annually to juniors. The remainder of the proceeds help fund the juniors' annual operating budget.

As we move forward, the \$17,500 of annual scholarships awarded at the National Junior Limousin Show & Congress out of the Genetics on Ice allotment will be named the Ken Holloway Memorial Scholarship Awards. The Genetics on Ice benefit auction will be renamed as the Ken Holloway Genetics on Ice Benefit Auction.

YEARS

2020 marked the end of the All-American Limousin Futurity after 36 years. 100% of the funds generated by the Genetics on Ice sale will go to the North American Limousin Junior Association and will continue as a fundraiser for the NALJA summer event. \$17,500 of the funds to be earmarked for scholarship awards to show winners as follows:

| | |
|---|---------------------|
| Grand Champion Purebred Heifer | \$2500 scholarship |
| Res Grand Champion Purebred Heifer | \$1000 scholarship |
| Grand Champion Lim-Flex Heifer | \$2500 scholarship |

| Res Grand Champion Lim-Flex Cow/Calf Pair | \$500 scholarship |
| Champion Sweepstake Winner | \$1,000 scholarship |
| Reserve Sweepstake Winner | \$500 scholarship |

Scholarship money to be held in an interest-bearing account until recipient/winner completes educational requirements, basically one semester or six months in college or career tech with satisfactory grades. Military service will also qualify for scholarship proceeds. Interest accumulated in the account does not have to be added to the winner payout.

Oversight committee shall consist of Bruce Lawrence, Ty Heavin, Ronn Cunningham, Chuck Barton, Shana Holloway, and George Hubbard.

Sale of Sales - American Cattle Services and cooperating marketing firms reserve the right to conduct said sale in conjunction with said NALJA event

LOT 1

DISCOVER THE HEART AND SOUL OF THE WEST

Enjoy a 3-night all-inclusive stay for two at the Covered Wagon Ranch in Big Sky, Montana!

JUNE 14-17, 2026

Proceeds of Lot 1 will benefit the Ohio Limousin Association for the 2026 National Junior Limousin Show & Congress

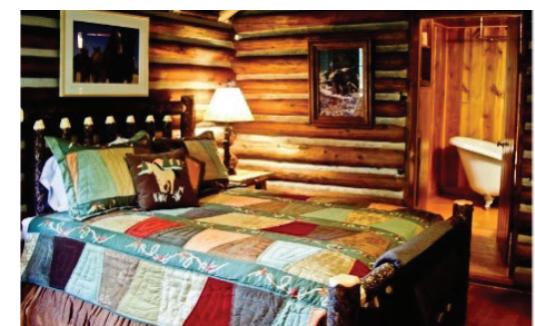

The Covered Wagon Ranch founded in 1925 is nestled just three miles from Yellowstone National Park's northwest entrance, this small, beloved, family-operated guest ranch is deeply rooted in tradition for over 100 years. It has earned top honors such as the 2021 Travelers' Choice Award and USA Today's #1 Ranch in the U.S. in 2024. Your stay includes authentic original 100-year-old log cabins, chef-crafted meals, and guided horseback riding. The Covered Wagon Ranch riding program is second to none. Led by experienced wranglers who guide small groups through breathtaking backcountry trails in the Custer-Gallatin National Forest, guests can choose between half-day or full-day rides, suited to your level and preferences. Whether you're trail riding in the Big Sky country or simply soaking in the rustic charm, you'll experience the rugged beauty and refined hospitality that make this ranch truly unforgettable.

Approximate retail value \$4,800.

All proceeds will be used by the host states for the benefit of the 2026 National Junior Limousin Show & Congress.

ADDITIONAL INFORMATION:

- The check-in time is 4PM and check-out time is 10AM. BYOB
- Please note: There is a rider weight limit of 230 lbs.
- Check us out www.coveredwagonranch.com
- Find us on Facebook, Instagram and TripAdvisor
- For questions, please call Kurt or Melissa Puckett @406-995-4237

LOT 2

LOT 11

THE LODGE AT OAK CREEK AIRBNB

Our Limousin friends Lynda and Rusty Carrier of Oak Creek Limousin are donating a 2 nights stay during the 2026 calendar year at their Airbnb in Stillwater, Oklahoma. Being offered is the entire home consisting of 4 bedrooms, 4 beds and 2 baths capable of housing 8 guests comfortably. Relax with the whole family at this peaceful place to stay. This 11-year-old home is located on 2.5 acres east of Stillwater, 0.5 miles east of Payne Co. Fairgrounds and 3 miles to Stillwater and the OSU campus. The home features a split floor plan, an open living area with a large kitchen as well as a washer and dryer. Country living with easy access to Stillwater. The home features a large wooded backyard with covered porches in the front and back. It also has a firepit, grill and fenced area for dogs. A large open space in front is perfect for large vehicles while still having plenty of parking. The buyer will be contacted after GOI with more details and contact information to finalize the dates.

DONATED BY: RUSTY & LYNDA CARRIER, OAK CREEK LIMOUSIN, STILLWATER, OK

LOT 13

LEGACY LIVESTOCK IMAGING PHOTOGRAPHY PACKAGE

No one captures the essence of agriculture like Heidi Anderson and Legacy Livestock Imaging. Heidi is widely regarded as the nation's premier livestock photographer and has been recognized annually as such by different organizations since 2013. Her work has been featured by many of the industry's leading companies and ranches and has even been displayed in the Smithsonian. Heidi and Legacy Livestock Imaging have been the official photographer at NALJA since 2017. They have grown a great passion for the Limousin breed and are excited to give back to NALJA. Heidi is donating a one-day farm/ranch photo shoot. The buyer will receive a digital gallery of edited images from the day along with a 16 x 20 print of their favorite image. Travel and lodging expenses are the buyer's responsibility, but are negotiable with their distance from Topeka, KS. (Value \$1,200)

TASF CROWN ROYAL 960C ET
X JSZC HH TSSC LARISSA 101G ET

Larissa 101G ET is one of the most sought-after Silveiras Style 9303 x Riverstone Charmed daughters in existence, and she has already proven herself in production. As a direct Charmed daughter, she brings one of the most dominant female lines the Lim-Flex world has ever seen — known for look, structure, maternal consistency and marketability. Larissa stamps her calves with elegance through their front third, added rib and an undeniable presence that makes them competitive at all levels. Her progeny have already risen to the top in major junior shows and sales. Crown Royal 960C ET adds backbone, mass and the purebred performance punch that has made him one of the most widely used sires in the modern show-cattle era. This mating doubles up on the Charmed influence and is bred to generate elite show heifers with long-term donor potential.

X JSZC HH TSSC LARISSA 101G ET

Larissa 101G ET needs little introduction — a Style x Charmed daughter whose maternal lineage has consistently produced national champions, donor females and high-selling cattle across the country. She brings unmatched front-end quality, maternal balance and the signature depth and broodiness that have made the Charmed family the most dominant in recent Lim-Flex breeding. Her early progeny success has only further validated her as a cornerstone young donor. When paired with J6 We The People 411J ET — a Final Call son known for elite presence, long necked structure and look — this mating blends the femininity and maternal power of Larissa with the extra style and silhouette We The People consistently sires. Expect Lim-Flex calves with show-ring look and donor-level upside.

AHL GW LIVING THE DREAM
X RATLIFF LEGACY 301L ET

An exciting opportunity to purchase embryos out of Ratliff Legacy 301L. A daughter of FWLY Can Do and out of the prominent Riverstone Charmed, Ratliff Legacy 301L possesses a pedigree built for success. She had a standout show career, being named Champion Limousin Female at the 2025 Cattlemen's Congress and Champion Limousin Female at the 2024 North American International Livestock Exposition, where she was campaigned by Jacee Parrish. Ratliff Legacy 301L is a flushmate to Ratliff Howboutit 008H, who is quickly emerging as one of the top-earning donors at Sullivan Farms. These embryos are sired by AHL GW Living The Dream, a bull rapidly gaining popularity for his ability to produce elite purebred females. Living The Dream was crowned Champion Limousin Bull at the 2025 Cattlemen's Congress, further solidifying the value and consistency behind this mating. Embryos are stored at Trans Ova Genetics and released upon payment. Will guarantee one 90 day pregnancy.

RATLIFF KILLIN TIME ET
X BOSS LAKE MS MOLLY 144J ET

Boss Lake Ms Molly 144J ET has rapidly become one of the most decorated young purebred donors in the breed. A daughter of Cottage Lake Border Agent out of AUTO Olga 498A, she earned major banners including Division V Champion and 4th Overall Limousin Female at the 2022 NJLSC and Champion Limousin Female at the Indiana State Fair. She is massive bodied, good structured and has the kind of "it-factor" that turns calves into highly marketable show prospects. Her maternal line traces back to Olga — a cow family with elite udder quality, fertility and long-term producer value. Killin Time ET, the two-time Cattlemen's Congress Grand Champion Bull, contributes the signature Charmed x Crown Royal power, muscle and silhouette. This mating is a high-octane purebred option built for elite phenotype with donor-level maternal value baked in.

DONATED BY: LINHART LIMOUSIN

EXAR Princess 1724 is an elite Angus donor backed by the tremendous Princess cow family at Express — a maternal line known for generating sellable phenotype, maternal consistency and longevity. Sired by the increasingly influential Conley Express 7211 and out of EXAR Princess 5391, she represents the kind of Angus maternal quality that blends real-world performance with the look progressive seedstock breeders demand. Her pedigree stacks generations of dependable udder quality, body shape and structural integrity. Mated to SSTO Guns N Roses 9408G ET — a Crown Royal x Riverstone Charmed purebred whose early progeny have made noise for look, muscle and marketability — this pairing creates 50% Lim-Flex calves designed to be stout, attractive and backed by one of the most proven Angus cow families in the business.

BLC/MLA OMEGA 2258
X RATLIFF LEGACY 301L ET

Ratliff Legacy 301L made a huge splash in the show ring as a heifer, earning Champion Limousin Female at the 2025 Cattlemen's Congress and Champion Limousin Female at the 2024 North American International Livestock Exposition. Her pedigree alone holds her to a high standard, being sired by FWLY Can Do and out of the profitable donor, Riverstone Charmed. Ratliff Legacy 301L is a flushmate to Ratliff Howaboutit 008H, a top-earning donor for Sullivan Farms. Mated to the \$190,000 valuation BLC/MLA Omega 2258, the extremely popular live lot from the 2023 Embryos on Snow Sale. BLC/MLA Omega 2258 is backed by strong maternal excellence, tracing to the Proven Queen Angus cow family and Silveiras Style. His sire was a division champion at the 2021 Cattlemen's Congress and goes back to the influential Dameron First Class Angus cow family, further solidifying the genetic strength behind this mating. Embryos are stored at Trans Ova Genetics and released upon payment. Will guarantee one 90 day pregnancy.

TASF CROWN ROYAL 960C ET
X RATLIFF GOOGLE 911G ET

Ratliff Google 911G ET is a household name in the Lim-Flex show world. This Silveiras Style 9303 x Riverstone Charmed daughter was crowned Champion Lim-Flex Female at the 2021 Cattlemen's Congress and has since become one of the hottest young donors in the breed. Google is exceptionally elegant fronted, big middled, perfectly structured and transmits that look with impressive consistency. Her maternal line — directly out of the immortal Charmed 50C — remains the most dominant cow family in modern Limousin and Lim-Flex history. Mated to Crown Royal, the purebred phenotypic powerhouse behind countless champions, this cross is proven to make elite show heifers and herd-bull prospects with extra muscle, style and the kind of maternal pedigree that multiplies in value.

KSL SULL CHARMER ET
X ELCX ELBA 512A

An elite embryo mating built for high-end phenotype, elite maternal power, and championship-level look. The donor, ELCX Elba 512A, is a proven, cornerstone female recognized for her massive rib shape, explosive depth of body, and consistent ability to transmit power with eye appeal. She represents the kind of cow power that anchors elite programs with both performance and style. These embryos are sired by the ultra-popular and dynamic KSL SSUL Charmer ET, a sire celebrated nationwide for stamping his progeny with sweeping rib shape, added muscle dimension, big-time hair, and undeniable show-ring presence. This mating is engineered for the tanbark first—designed to generate standout show heifers and banner-caliber herd sire prospects with the cow power and longevity to mature into next-generation donors and foundation cattle.

DONATED BY: DAVIS LIMOUSIN

PBRS Audrey 346A is a foundation donor known for generating champions and high sellers. She is a daughter of MAGS Yip out of the elite Angus female Buford Erica 9312, giving her a blend of Lim-Flex maternal power and Angus consistency. Audrey is best known as the dam of ELCX Candy 330C — the 2016 All-American Limousin Futurity Supreme Champion Female — and has produced multiple daughters retained in leading programs. She is big bodied, attractive and maternally geared, with a pedigree that excels in fertility, udder quality and longevity. RLBH Air Force One contributes the proven show-ring look and Lim-Flex balance that made him a many-time national champion and a dominant sire of champions. Together, this mating has already been proven to generate stout, maternal, structurally correct progeny with donor-level quality.

JANUARY 4, 2026

CHR HARD ROCKS 151H
X LFL GEORGIE GIRL 9013G ET

These embryos would be $\frac{3}{4}$ sibs in blood to both LFL Kujo owned by Meredith Limousin & Buck Ridge Limousin and LFL Kash Card owned by Linhart Limousin.

The first calves have been weaned by both of these bulls and all owners' reports are very excited with the stoutness and performance of these progeny.

Here at Lawrence Family Limousin, we have full sibs to these embryos in our fall calving herd and they look very good as well! The pedigree estimate of EPDs for this mating should be low BW and high growth combined with breed leading carcass numbers.
