SALE OFFERING 52 LOTS as 60 HEAD of registered Limousin, Lim-Flex & Angus ...

8 Cow Calf Pairs | 28 Bred Females | 1 Open Heiferss | 5 Herd Sire Prospects
2 Embryo Packages | 1 Donor | 1 Semen Package Lots | 1 Pick of Calf-Crop
3 Angus Open Heiferss | 2 Angus Bred Females

Welcome again to our Sixth Annual Fall sale at Mt Pleasant, Texas. Who can remember a Summer that has been as green as we have had. Summer rains have set us up for a great Fall. Once again our consignors have stepped up to bring some great cattle, Limousin and Lim-flex and, new for this year, a select set of purebred Angus females. Come by sale day and evaluate

what we have to offer. There will be some great herd sire prospects as well as highly productive females out of some of the top genetics in the breed.

We will once again be offering some fancy open heifers that will work great for those 4-H and FFA members that will place you at the backdrop. Several heifers from past year's sale went on to be named champions as well. We would like to thank our buyers for the strong demand of the past sales and thank our future buyers as well.

Lunch will be provided sale day and cattle will be available to view Friday afternoon. Call me or any member of the sales staff if we can answer any of your questions.

See you at the sale.

Easily the most talked about show sire of the 2017 show season thus far, with daughters winning banners from coast to coast and absolutely dominating the National Junior Show; Air Force One is going to be the one to tie to for several years. The moderate frame, dynamic angles and sound structure that he is stamping his offspring with, make him nearly no-fail when it comes to producing functional, yet flashy sons and daughters. This past champion himself and high-selling lot in the 2015 National sale was the dominant show bull in 2014 and was successfully campaigned by Rachel Booth and Etherton Farms, he is now proudly owned by Counsil Family Limousins.

Selling open and ready for embryo transplant.

Chris and Kelsey White at White Valley Ranch are proud to be a part of this annual 4-States Limousin Sale. They have decided to share 50% embryo interest in one of their elite Lim-Flex donor cows. She is SBLX Zero Percent and is a known daughter of SAV Brilliance and from the ever popular and famous donor MAGS Manuela. She is pictured here as a calf and also highlighted here is her full sister (SBLX Zero Turn 1178Z) that was a top purchase in the first ever Stowers Limousin sale and is now working for P Bar S Ranch in Sand Springs, OK. This mating has proven to be one of the very best from the now deceased and breed leading MAGS Manuela donor. She scanned a 4.380 on IMF and 11.50 for REA. She also ranks in the top 3% of the breed for marbling, top 5% for CED with a 14 and top 10% for SMTI and scrotal. This female is a big time donor and the White Family welcomes any inquiries regarding this partnership opportunity.

On 6.02.17 she was 60 days bred to CFLX 483C.

Wulfs X-Cellerate 0157X is past sale highlight from Wulf Cattle and was flushed in the Englewood Farms program prior to coming to Counsil Family Limousin. She is a powerhouse of a female that is constructed in that famous Wulfs way. Currently 0157X ranks in the top 5% of the breed for CEM, top 10% for YW, SC, CW, MB and SMTI. Clearly a cow designed to make herdsires. This is one of the premier opportunities of the year to tie into a female that is destined to produce some of the next great ones. This intriguing SAV Net Worth daughter is homozygous polled and homozygous black as well and is a direct daughter of the famously proven WULFS Royalty 5078R.

The Counsil Family has decided to highlight this annual 4-State Sale with the pick of any of their calves born in the fall of 2016 and the spring of 2017 calf crops. Listed here are just a few of the many matings that will be highlighted in this sale offering. The CFLX program has been breeders of quality Registered Limousin seed stock for many years. They have produced countless breed champions and have always used only the finest herd sires in their program. As one of the largest suppliers of registered Limousin in the state of Texas they pride themselves in always standing behind their product and giving the best in customer service. The buyer of this lot will owe 50% of purchase the day of the sale and the remaining 50% is due upon the selection. (Deadline for the pick is 12.31.17)

This pedigree screams showing success, the very best of Canadian and American genetics are blended in this premium package. AUTO Manuela 298S is definitively one of the most influential females to ever grace the pastures at Counsil Family Limousin and quite possibly will go down in history as one of the most recognized donor cows in the Limousin breed in our country. Riverston Crown Royal is a full brother to the 2016 National Junior Show Champion Female and the Supreme Overall Champion Heifer at the 2016 NAILE; he is a direct son of the "HSF Your Fantasy" who will go down as one of the most influential cows in Canadian Limousin History.

This moderate framed, deep middled 112 granddaughter is a 0 BW and double digit CED is a 37% Lim-Flex who mates particularly well with PB sires. We are excited that she was serviced by RLBH Air force One, this should be a really neat mating with positive results. 7005W is bred very similar to many of the great cattle that have come out of the Lonely Valley program. BW: 72 lbs.

We knew we were onto something great when we invested in the AUTO program and ded AUTO King John to our breeding system, never did we anticipate that we would so please with nearly every King John calf that hits the ground. They are entering production now and we are very, very pleased with how they look.

Due 10.09.17 to VAR Reserve 1111 (AAA 16916944).

Another JK Coalition daughter that we are quite fond of, she is nicely patterned, sound structures and easy keeping. Her dam is a GDAR Lucys Boy granddaughter, as we all know those Lucy's Boys made exceptional cows. With her ready to calve in October to VAR Reserve, the income potential is almost immediate.
