## Online EMBRYO Auction Closes 5/9 | 7 PM (MST)

Donna 5247 is a Model Angus Cow, and Pathfinder dam is as good as it gets and as consistent of a producer that has ever been produced in our program. 5247 has tremendous three-dimensional shape, volume, muscle, and mass. Combine this with a progeny production record of BR 4/94, NR 4/111, and YR 3/113, with a calving interval under 360 days. 5347's dam was also a Pathfinder, then back to Donna 386, and Donna J311 who started was the Matriarch that started the Donna cow family here. 5247, has had numerous top selling females and sons. In our recent Bull Sale in February, 5247 had 5 different sons that sold into leading Registered operations across the country. 5247 has also had progeny top numerous other sales across the country. These embryos might have as much potential as any embryos we have ever offered for sale. In our recent bull sale in February, Flush brothers to these embryos averaged \$75,000, and South America sons averaged over \$30,000 per bull. In our recent "Your Maternal Source" Female Sale, South America's first progeny to sale were on fire, 11 heifer calves averaged over \$36,000. Demand for South America is at an all-time high! "South America" has created quite a stir, he was the \$180,000 top-selling bull, the people's choice, and pick of the flush, at the 2021 Cattleman's Congress. We rarely go and purchase bulls to bring into our program, however, he fits our visions, beliefs, and breeding philosophies. South America is a son of a past Palermo Grand Champion

Hummel South America  
Sire of Embryos

Bull, Don Aparicio Serrucho 57 Maxi, one of the great female sire makers in South America. His mother was selected as the heifer calf champion at the 2018 Palermo show one of the worlds most respected and admired shows. He is an individual with outcross genetics, tremendous shape, and extra center belly depth in a dense, eye-appealing package. Visitors here to the ranch have loved him, he's having a major impact on our program. BIG TIME OPPORTUNITY! **These are IVF embryos (Trans Ova), we are selling three embryos in this mating and guaranteeing one pregnancy.** Buyer has the option to take six embryos out of this mating and we will guarantee 2 pregnancies. These embryos are exportable to Canada.

4086 sold for \$210,000 for ½ interest and was the top-selling female in our recent “Your Maternal Source Sale”. 4086 is the Dam of J Trademark 1037, a featured herd sire at Coleman Angus and Conley Cattle programs. Trademark has been one of the most sought-after young herd bulls this spring, with semen selling to many of the leading registered herds across the US. 4086 has a progeny record of 6 head/103 weaning, and a calving interval of 347 on 6 head. When you combine Calving Ease, Growth, Marbling, and \$ Values, she is the #1 cow in AHIR her age or older. “4086” did this the old-fashioned way, in the pasture and through her progeny. Rock was the \$240,000 record selling bull in our 2022 female sale to Ingram Angus and Sandford Cattle. Demand for Rock is at an all-time high across the World right now. The cattleman’s kind is a perfect way describe the early indicators on Coleman Rock 7200. Rock would currently be one of the heaviest used sires here at Coleman Angus. He sires cattle with extra three-dimensional

Coleman Rock 7200  
Sire of Embryos

shape with added performance in the right size package. His offspring have tons of center body and explosive muscle shape in a sound-structured package. Rock is low birthweight, high growth, and ranks in the Top 10% for \$M. **These are IVF embryos (Trans Ova), we are selling three embryos in this mating and guaranteeing one pregnancy.** Buyer has the option to take six embryos out of this mating and we will guarantee 2 pregnancies. These embryos are exportable to Canada. These embryos have been sexed for females, 90-95% accurate.

“291” has been a particularly good female here. “291” is the dam of “Navigator 614” a proven bull that is leaving an extremely good set of daughters here, and whose sons have been topping our sales. “Navigator” throws as much true muscle as any bull we have ever used here. “Navigator” sons were very well received in our 2019 bull sale. We sold out of semen on Navigator last spring but have some more now available. “291” has 6 calves with a calving interval of 367, BR 8/88 NR 8/105 and YR 7/101. “291” has a perfect udder, long sided, deep ribbed, and complete. Not very often you have a female that is extreme low BW like “291” and then throws this much performance. In our recent bull sale in February, South America sons averaged over \$30,000 per bull. In our recent “Your Maternal Source” Female Sale, South America’s first progeny to sale were on fire, 11 heifer calves averaged over \$36,000. Demand for South America is at an all-time high! “South America” has created quite a stir, he was the \$180,000 top-selling bull, the people’s choice, and pick of the flush, at the 2021 Cattleman’s Congress. Bid price is per embryo. Package prices is 3/6x bid price. Buyer is responsible for cost of shipping embryos.

## Online EMBRYO Auction Closes 5/9 | 7 PM (MST)

“291” has been a particularly good female here. “291” is the dam of “Navigator 614” a proven bull that is leaving an extremely good set of daughters here, and whose sons have been topping our sales. “Navigator” throws as much true muscle as any bull we have ever used here. “Navigator” sons were very well received in our 2019 bull sale. We sold out of semen on Navigator last spring but have some more now available. “291” has 6 calves with a calving interval of 367, BR 8/88 NR 8/105 and YR 7/101. “291” has a perfect udder, long sided, deep ribbed, and complete. Not very often you have a female that is extreme low BW like “291” and then throws this much performance. This mating will be special. Sitz Barricade, a featured Genex sire, is a new bull we have started using, lots of body, deep ribbed, and good footed. Barricade is now deceased,

Sitz Barricade 632F  
Sire of Embryos

and semen is extremely limited. Extremely exciting mating here for sure. **These are IVF embryos (Trans Ova), we are selling three embryos in this mating and guaranteeing one pregnancy.** Buyer has the option to take six embryos out of this mating and we will guarantee 2 pregnancies. These embryos are exportable to Canada.

Not very often you have a female that is extreme low BW like “291” and then throws this much performance. The sire of these embryos is Coleman Arrowhead 235. Coleman Arrowhead 235 was the third top-selling bull of the 2023 Coleman Angus bull sale at \$125,000 to Voss Angus of Dexter, Iowa. Arrowhead has been used very heavily here this spring. We expect a big batch of embryo and natural calves out of him in the spring of 2024. Arrowhead is as impressive of Charlo son ever to be born at the ranch and is loaded with three-dimensional shape, tons of muscle, added depth

Coleman Arrowhead 235  
Sire of Embryos

of body, in a beautifully designed, bigger scaled package. Coleman Chloe 9275, his dam, was the record selling female of the 2021 Your Maternal Source Sale and sold for one-half interest for \$375,000 for a \$750,000 valuation to Voss Angus of Dexter, Iowa. Coleman Chloe 9275 is as good as a three-year-old that is on the ranch and has a progeny production record of BR 2@90, WR 2@117, and YR 1@121. She is also a full sister to the record selling Coleman Triumph 9145 and an array of top selling full sisters. **These are IVF embryos (Trans Ova), we are selling three embryos in this mating and guaranteeing one pregnancy.**

“4327” is a Pathfinder female, with a calving interval of 366 days on her first 6 calves, BR 6/97, NR 6/116, and YR 5/115. “4327” has a much power as any female we’ve ever had the opportunity to work with here. She is the Dam of Coleman Alamo, who was the \$40,000 feature bull in our 2022 bull sale. Alamo has seen worldwide demand for his semen. “4327’s” pedigree is as maternal as you can make one. Her daughter was one of our feature’s last fall in our female sale, selling for \$22,000 to Hideaway Cattle in MT. She can make great females and bulls, excellent mating here for sure. Very rarely have we sold embryos out of this female. Rock was the \$240,000 record selling bull in our 2022 female sale to Ingram Angus and Sandford Cattle. Demand for Rock is at an all-time high across the World right now. The cattleman’s kind is a perfect way describe the early indicators on Coleman Rock 7200. Rock would currently be one of the heaviest used sires here at Coleman Angus. He sires cattle with extra three-dimensional shape with added performance in the right

//928" has production records of Br 2/95, NR 2/110. "928" was our high selling bred heifer in our 2020 female sale. Her Dam, "787" is a cow we refer to as the "Sleeping Giant" here, she has become very dominant, and a visitor favorite here. We are excited to be able to get "928" back here in the program, and immediately she entered into our Donor program. "928" was a visitor favorite all summer back in 2020, and we're fortunate to be able to add her back to our program. When she calves, she will take an exceptional picture. In our recent bull sale in February, South America sons averaged over \$30,000 per bull. In our recent "Your Maternal Source" Female Sale, South America's first progeny to sale were on fire, 11 heifer calves averaged over \$36,000. Demand for South America is at an all-time high! "South America" has created quite a stir, he was the \$180,000 top-selling bull, the people's choice, and pick of the flush, at the 2021 Cattleman's Congress. We rarely go and purchase bulls to bring into our program, however, he fits our visions, beliefs, and breeding philosophies. South America is a son of a past Palermo Grand Champion Bull, Don Aparicio Serrucho 57 Maxi, one of the great female sire makers in South America. His mother was selected as the heifer calf champion at the 2018

Hummel South America  
Sire of Embryos

Palermo show one of the worlds most respected and admired shows. He is an individual with outcross genetics, tremendous shape, and extra center belly depth in a dense, eye-appealing package. Visitors here to the ranch have loved him, he's having a major impact on our program. **BIG TIME OPPORTUNITY! These are IVF embryos (Trans Ova), we are selling three embryos in this mating and guaranteeing one pregnancy.** Buyer has the option to take six embryos out of this mating and we will guarantee 2 pregnancies. These embryos are exportable to Canada.

Coleman Donna 9220 – The definition of what you want your two-year-old females to look like is this daughter of SAV Resource 1441, back to the now deceased Coleman Donna 4203. This was our lot 1 female this past fall and we sold one-half interest for \$45,000 for a \$90,000 valuation. She ranks among current dams as the 14th highest daughter of Resource for \$M for non-parent females in the breed. Coleman Banker, a maternal brother, was the \$75,000 feature in the same sale and two other maternal sisters sold for \$22,000 and \$22,500. Another maternal sister sold in the 2020 sale for \$20,000. “Triumph 9145” is one of the most exciting bulls we have ever had the opportunity to work with here. “Triumph” has a tremendous amount of natural muscle, base width, extremely good feet, with tons of look. “Triumph” is pretty hard to pick on, his first set of calves here are exceptional. Triumph’s first son to sell at public auction

Coleman Triumph 9145  
Sire of Embryos

“Coleman Galactic 1164”, topped our 2022 Bull Sale at \$150,000 for ½ interest to Voss Angus, IA. Semen demand on him has been incredibly good! These flush sisters to “Triumph” here are extremely good, definitely been one of the visitor favorites here this summer. Extremely exciting mating here for sure. **These are IVF embryos (Trans Ova), we are selling three embryos in this mating and guaranteeing one pregnancy.** These embryos are exportable to Canada.

**C**oleman Everelda Entense 2406 - This Pathfinder donor female is a direct daughter of Coleman Juneau 044 and back to the foundation Everelda Entense in our program, BT Everelda Entense 613L. Everelda Entense 2406 is a flat-out producer, as she records a progeny production record of BR 9/94, WR 9/109, YR 7/105, and IMF 2/110, with a calving interval of 9/365. Ingram Everelda Entense 7621, a daughter, sold one-half interest for \$40,000 for a \$80,000 valuation in the 2021 fall production sale at Ingram Angus. Through that same event she produced the top selling bull at \$37,000 one-half interest for a \$74,000 valuation, Ingram Intensity 0300. "Glacier" has been a standout since he was born. Glacier's first calves are on the ground, they are very impressive as babies. Glacier has the best feet I've ever seen on a bull before, extremely sound, and athletic, with a great herd bull look and presence. He's the bull the industry has been looking for. Glacier's flush sisters are calving this spring, and look impressive, perfect udders, great feet, stout, with a great look. We believe it all starts with the mother cow; Glaciers Pathfinder dam is the fourth consecutive generation to make it the donor pen here. "439" has ratios of BR 5/93, NR 5/107, and YR 5/106. 439 has been a favorite of visitors here since she

Coleman Glacier 041  
Sire of Embryos

was a heifer calf, we've kept 4 different sons of her here that we are currently using, she would be as good as any female we've ever had the opportunity to work with here. "439" is also the Dam of Ace 989, who is doing a tremendous job for us also. **These are IVF embryos (Trans Ova), we are selling three embryos in this mating and guaranteeing one pregnancy.** Buyer has the option to take six embryos out of this mating and we will guarantee 2 pregnancies. These embryos are exportable to Canada. These embryos have been sexed for females, 90-95% accurate.

“2321” is part of a great flush here, she has a calving interval of 354 days on her first 3 calves, before we pulled her out of production and started flushing her. “2321” is a Pathfinder female, who has a BR 6/101, NR 6/109 and YR 6/107. 2321 is 11 years old and has a calf on her again this spring. Incredibly unique pedigree, maternal. Visitors here have loved her and her sisters. This will be an excellent mating. We don’t sell many embryos out of “2321”, she will be a big part of our program in the future. Rock was the \$240,000 record selling bull in our 2022 female sale to Ingram Angus and Sandford Cattle. Demand for Rock is at an all-time high across the World right now. The cattleman’s kind is a perfect way describe the early indicators on Coleman Rock 7200. Rock would currently be one of the heaviest used sires here at Coleman Angus. He sires cattle with extra three-dimensional shape with added performance in the right size package. His

Coleman Rock 7200  
Sire of Embryos

offspring have tons of center body and explosive muscle shape in a sound-structured package. Rock is low birthweight, high growth, and ranks in the Top 10% for \$M. **These are IVF embryos (Trans Ova), we are selling three embryos in this mating and guaranteeing one pregnancy.** These embryos are exportable to Canada. These embryos have been sexed for females, 90-95% accurate.

Semen Selling

### Online EMBRYO Auction Closes 5/9 | 7 PM (MST)

**Semen Packages selling here by Coleman Gaucho 2169. This will be the first semen we have ever sold out of Gaucho 2169. Selling in groups of (5), (15) straws Total. Semen is stored at World West Sire Services in Joliet, MT.**

Coleman Gaucho 2169 was the \$40,000 top-selling natural son of South America, going to Little Goose Ranch, WY. Gaucho was the heaviest bull at weaning with a ratio of 120 and yearling ratio of 115 on the record setting South America sons. Coleman Gaucho 2169 is extremely smooth-made, wide topped, big hipped, attractive fronted, and loaded with muscle. He is extremely balanced, with a tremendous maternal look

about him. His dam who is a maternal sister to Coleman Marshall 7170, is one of the rising stars in the program, Donna 9101 has a calving interval of 362 on her first two calves, NR 2/116, and YR 2/113. 9101 bred up first straw AI again and has one of the stoutest calves on her again this spring. Gaucho's grand dam is the famous Donna 197, who has had a tremendous impact on the program.
