Spring Production Sale

MARCH 25, 2023 6:30 PM CST THE ARTESIAN HOTEL - SULPHUR, OKLAHOMA

Welcome!

VIEW VIDEOS ONLINE!

We welcome you to our annual spring production sale at the Artesian in downtown Sulphur, Ok. We would like to thank Justin Williams for helping coordinate this event from the start and help making it a success! In saying thanks, I would truly like to says thanks to Cole Atkinson for making the females in this sale come together in a very short amount of time. He is one of the biggest assets to our program and we can't thank him enough. Alex Bauer has been the lynchpin of our program for six years. He's the guy who can do it all, we have been fortunate to have him play a major part in our success. This sale wouldn't be possible without some of the best partners in the business. Mat Toler, with Diamond T; Dusty Collum of C-4 Land & Cattle; and Bill & Quentin Dieckmann. Together we have assembled our best fall and summer born show prospects to date. We are excited to let you evaluate them.

By far one of the biggest drawing carads of the sale is lots 1 & 2, Bristow & 2662, his full sister, raised by Bell Cattle Co. Steven, Julie Bell & Family. have assembled some top end Angus in past Conley sales, but the dam of these two standouts is proving herself to be a true producer. Be sure to take a serious look at these full sibs. We invite you out to the ranch to view the offering, or visit our website to see the videos of this group. We are excited to offer them and watch them this summer. Please give us a call if we can be of any assistance.

Thanks -
Kyle

• We couldn't think of a better way to lead off our 2023 Spring Production sale than with Conley Bell Bristow! This is a young sire that has stirred a lot of attention amongst breeders and one that will be used heavy here at Conley Cattle. He is unique and offers impeccable balance from the side. He has the necessities of muscle and stoutness, but honestly his structure and flexibility are what makes him a standout. Bristow is high quality and one we believe can make a strong impact regardless of where he is used. We are excited to offer him to the public and look forward to the influence he will make for generations to come.

CONLEY BELL BRISTOW 2317

- It is hard to pick a favorite, but we truly believe this is one of the top females to sell at Conley Cattle in 2022-2023. Sometimes less is more, and all we have to say is - she is sound, huge bodied, stout and has alarming quality from every angle. This mating just flat gets it done and to top it off, she is a full sister to the exciting up and coming Conley Bell Bristow selling as Lot 1. To keep it simple, we believe in this heifer and her successful road ahead of her.

• Here is a full sibling to the high seller in the fall sale at 190,000 that sold to the Ferree family in Indiana. One of our favorites in the offering that is as fault-free as you could make one. She is huge boned and footed, yet so smooth jointed and sound structured. Lead the Way adds extra hair and substance, and this heifer exemplifies that while still offering a can't-miss look from the side. An October daughter here that has power in her pedigree!

• Big time senior yearling here! Sired by the \$960,000 valued Conley Lead the Way, this heifer has the freak pieces in terms of her front-end quality and perfect balance from the side. She stems from a strong cow family and has all the potential to get it done in and out of the ring. Lots of quality in this September female and certainly one you can't miss at the barn!

• Kyle and Cole agree, this one is big time. Perfect structured, big bodied and huge boned at the surface. What makes this heifer a standout in our opinion is how stout and dimensional she is while still being smooth, refined and feminine in her features. These Clear Cuts are stamped with quality, and we are excited to offer some of the 1st to be born in this sale!

- Some people say this is the best one in the offering. Her pedigree speaks alone and is right for times. She has the classic Blue Chip structure and power, plus she is backed by a dam that is a full sister to one of the hottest bulls in the breed; BNWZ Dignity. We believe in this heifer and think she will be tough in the September division.

• Little change of pace in this high-quality purebred Simmental bull. He is sired by the \$500,000 SO Remedy 7F bull and his mother is doing big things for us here. Her first son sold 1/3 interest for \$100,000 to Dr. Schmidt in Oklahoma City, and is serving as a great calving ease bull for Schmidt and Hartman. Another brother out of Conley Loud & Heavy sold to Dean Volk for \$25,000 last spring and is a true powerhouse to serve their operation. We think this white faced bull can make some impressive progeny and continue on his mom's legacy.

Perfection

• A purebred Simmental heifer that we believe is the one of the best heifers ever produced by C-4 and Conley. This Remedy daughter is out of a renowned 3/4 cow of the Conley herd, sired by Driver and a BC Lookout dam. Z32 was a popular champion herself, being named calf champion at the national show in her one and only outing. 219K is so striking in her look while still having an elegant front end. She spells quality and we feel this female will truly move forward in a big way. C-4 and Conley will retain cloning and flushing rights.

• This July prospect is the specimen. She is a maternal sister to Finley Yocham's popular champion from Kansas City sired by No Limit. She is super attractive, heavy boned and moves perfect. This donor prospect is unmatched in hair quality, bone and look. Her maternal sister was purchased by the Stagemeyer family for 56,000 in the fall of 2022.

• Another July prospect sired by Follow Me from BC Robust's full sister. Her maternal sister was purchased by K&M of Indiana. This heifer is so feminine and sound. She is easy to pick out in the pen being so smooth, balanced and a no-holes kind of female.

• We could not have offered a more retro pedigree with a modern look. Leachman Saugahatchee is a legend, and being crossed with Sandy 104 says this female will have a bright future as a donor. She is correct, feminine, attractive and is as maternal as you could make one. This heifer offers genetic power and certainly not one to miss come sale day.

MATERNAL SISTER TO LOT 19 |
Conley Sandy 5104

• The oldest and maybe most powerful female in the entire offering. This female has bone, body and muscle. To top it off, she is as huge footed as you could ask one to be. It is hard to make them this powerful and still be so flawless in terms of structure. Her dam 613C is now deceased and has produced numerous high sellers at Griswold's and C-4.

• We could write a book on the influence of Conley Sandy 5104, who we lost this past summer. She was purchase by Lanas and David Smith of Boulder, Colorado for \$15,000 in the fall of 2015. She went on to produce an excess of over 1 million dollars and too many champions to count. She will go down as one of EXAR Blue Chip's most winningest daughters. • This No Limit/Sky High daughter is a great candidate for the late summer division. We really believe in this heifer and is one we would bet on in the end. She is perfect patterned and as sound as any in the sale. She still maintains bone, muscle and power! A very complete, no holes female that could be very competitive down the road.

She is sired by Conley No Limit and crossed with one of the newest donors at Conley Cattle; Winnie 1577. 1577 is a true power cow and has had a strong production record at C-4, including a popular bred heifer at C-4 this fall.

• 24 Karat females continue to top sales everywhere. You look at this female and she is long necked, level hipped and offers a little extra frame and extension. The influence of 97E helps add the body and muscle we are all after.

- TOP PROSPECT!
- Truly one of the best show prospects in the sale! This is one of the best 24 Karat's I've seen and ends up in the late summer division to top it off. Combining two of the most popular show cattle producers in the business – she is balanced, high quality and trim made. It is hard not to look at her in the pen. What makes her special is her moderation of frame, depth of body and added muscle shape.

• A very royally bred female from Dieckmann. She stems from a full sister to Conley South Point 8105 and the foundation female sire at Conley's; E&B Confederate 507. This female is a big bodied, thick made powerhouse who will work her way into the donor pen wherever she goes. Lots of mating flexibility here, don't miss her!

SIRE OF LOT 37 |
E&B Confederate 507

• Here is a beautiful sister to the popular Yocham heifer that was Reserve Grand at Kansas City and Creek County this year. She is a Blue Chip daughter that is perfect in her topline, very feminine fronted and strikes you with added quality from the profile.

• The only bred heifer of the sale this year! She is an absolute beast. Bob and Cole Atkinson have sent us a whale of a female by Charlo that has more bone and power than you can imagine. Stemming from a Pioneer daughter who is equally impressive, but the real value comes in the calf she is carrying. Her carrying a heifer calf by the 500,000 ST Genetics Coneally Craftsman could just be icing on the cake!
• DUE to calve 9/1/23 to CONNEALY CRAFTSMAN, AAA 20132505. Sexed female.

- OWNED WITH C-4 LAND & CATTLE, OK; YOCHAM CATTLE, OK
- Lead the Way was valued at \$960,000 at the 2023 Embryos on Snow, during the Cattlemen's Congress. His sexed semen averaged \$1,900 per straw.
- His first calf crop at Conley's averaged \$58,000 last fall and embryos sired by LTW averaged \$3,800 during Embryos on Snow in OKC.
- Conley Lead the Way was recently selected as the 2022 Fort Worth Grand Champion Bull, Res. Junior Champion of the Cattleman's Congress Super Point ROV Angus Show, and is one of the hottest sires in the industry.
- He stems back to the legendary Princess family, the same family as EXAR Blue Chip, another featured herd sire in the Conley program.
- Lead The Way is a special Angus bull that resembles the most desirable look and composition that breeders are looking for. He is extremely attractive, well balance, long fronted, sound structured with a beautiful haircoat in a fault-free package.
- Stored at 605 Sires & Donors, Marion SD.

- We are so excited to offer Red Zone to the public. We knew he was an outlier from the start. We love the style, bone and balance he possesses with the face he is a multi-generation calving ease. South Point has done an impressive job combining calving ease, performance, muscle and structural correctness. We feel Red Zone is the next step in combining the showing look and calving ease with a very attractive pedigree. The first calves have been born light and have the look.
- Outcross calving ease with an incredible look.

**GRAND CHAMPION PUREBRED BULL,
'23 CATTLEMEN'S CONGRESS**

• FOR REFERENCE ONLY.

- OWNED WITH C-4 LAND & CATTLE, OK; BRAD SMITH, IA; JS SIMMENTAL, IA; REITZENSTEIN FAMILY, CO; MARC WEBER.
- Creedence is an exciting purebred Simmental bull we invested in at Oklahoma City. He was recently named champion at Cattlemen's Congress in his first outing and one we feel like has the unique pieces to move cattle in the right direction. He has the extra extension and length of hip, plus is perfect footed and structured at the ground. His pin width and power is impressive and when his calves mimic his proportions and look from the side, we know they'll grab attention.
- Creedence is sired by the popular, now deceased, SAM bull that is no stranger to the Simmental breed. He stems from a strong cow family and a proven dam that was successfully campaigned by the Reitzenstein family and continues to raise high sellers. The first Creedence calves are soon to be hitting the ground and is a bull we believe in and will be utilizing in our program.
- Grand Champion Purebred bull, 2023 Cattlemen's Congress
- Breed Changer!

**EMINENCE DAUGHTER,
HIGH SELLER FOR BUCK CREEK**

- **FOR REFERENCE ONLY.**
- OWNED WITH BUCK CREEK, OK; C-4 LAND & CATTLE, OK.
- RP/BCR Eminence H005 is a direct son of WLE Copacetic and out of the RP/MP Built to Love A021 donor that needs absolutely no introduction into this business. Seldom do individuals come along that are this unique in their build, so genuine in their structural integrity and so seamless about the transitions

between their pieces. As you break H005 down it becomes evident, that there is little further to desire, a big circumference of foot and bone meets the earth with fluid joints and shaggy hide. All build to carry the extra volume and mass that he's matured with.

- Eminence calf crop at Buck Creek, Conley & C-4 will be features of all the sales this fall. The best set of Simmental heifer calves we will ever offer.
