Jeana Hurlbut, Catalog & Ad Designs, 605-880-7601

INSURANCE

To properly insure your investments,
James F. Bessler, Inc 815-762-2641

LIABILITY

All persons who attend the sale do so at their own risk, legal or otherwise, for their safety or for behavior of the animals. The owners, sale management firm, and the sale stall assume no liability for property loss or any accident that may occur.

SUPPLEMENTAL INFORMATION

A supplemental sheet will be available sale day. Announcements from the auction block regarding the cattle selling in this sale take precedence over information listed in the catalog. Up-to-date genetic recessive status can be viewed online at www.angus.org. Scrotal measurements and sale day weights on all bulls will be provided the week of the sale.

BREEDING GUARANTEE

All cattle sell under the standard terms and conditions set forth by the American Angus Association. All females are guaranteed to breed or produce transferable IVF embryos. If a female is evaluated by a licensed veterinarian and is considered obese, breeding guarantee is voided. Conley Cattle reserves the right to two successful flushes with a minimum of 6 transferable embryos per flush on all females selling and cloning rights on all animals selling. Conley Cattle will pay all expenses and if this right is executed, the work will be done at the buyer's convenience. Registration papers will be transferred following the sale if buyer has paid and provided transfer information.

BULL GUARANTEE

All bulls are guaranteed to be sound breeders. If a bull is determined to not be a sound breeder, the buyer will have a credit of the purchase price in a future sale.

RETAINED SEMEN INTEREST

Unless noted, Conley Cattle will retain 1/3 semen interest in all bulls selling. Buyer will receive 100% salvage value of the bull.

HERD HEALTH

All cattle will be accompanied by proper health certificated for immediate shipment

TRUCKING

Truckers believed to be reliable will be available to assist in shipping your purchases.

ONLINE BIDDING INFORMATION

View the sale from your phone, tablet, or desktop computer and bid with confidence! Visit www.CCI.live for complete sale information and online registration.

Over 35 years in livestock marketing!

Welcome

We welcome you to our Annual Spring Production sale at the ranch in Sulphur, Oklahoma. New this year, we have combined our bull and female sale into a single event and have moved this event back to the ranch. We look forward to welcoming everyone prior to the sale to view the cattle, and then to join us for a CAB tri-tip dinner at 5 PM and the auction at 5:30 PM.

In saying thanks, I would truly like to say thanks to Cole Atkinson for making the females in this sale come together in a very short amount of time. He is one of the biggest assets to our program and we can't thank him enough! One of the newest members of our team is Cody Heavin. Cody now runs the cowherd and is a very knowledgeable and talented individual. We are sure lucky to have him on board. Adam Erickson and Kristen Lovett have also logged a tremendous number of hours in preparation for this sale, and they have helped balance the workload between all segments of our operation a daily basis. We have a great team at Conley Cattle that works tirelessly day in and day out.

This sale wouldn't be possible without some of the best partners in the business; Diamond T Cattle Company, Wallace Cattle Company, Circle M Farms, Halverson Ranch, Norvell Cattle Company, Dusty Collum, Brandon Frederick, Jon and Kayla Sweeney, and Cody and Ty Heavin. Together we have assembled our best set of fall born show prospects to date. We are excited to let you evaluate them on March 28th in Sulphur! This year's sale offering will feature many ET flushmate sisters that are supported by some of the very best Angus females in the business. The 2024 NAILE Grand Champion Junior Angus Heifer and 5th Overall Junior Breeding Heifer sold through this very sale two years to the Cook family in California. There are four ET flushmate sisters to this female that will highlight the sale. This is just one of the many success stories that our customers have experienced with their purchases from Conley Cattle!

This year we have combined our bull sale with our female sale in order to better accommodate our customers. We will offer 38 stout yearling and age advantage Angus and SimAngus bulls that have been developed with longevity in mind. In addition, we will offer 17 late spring and fall bred heifers and 30 open replacement heifers ready to breed from the heart of our breeding program. 32 elite show heifers will also be featured from the heart of our ET program. We believe in the product that we are marketing and stand behind these cattle 100%. We look forward to earning your business!

We invite you to Sulphur, Oklahoma to view the offering, or visit our website to see the videos of this impressive group. We are excited to offer them and watch them work for your operation. Please give us a call if we can be of any assistance. See you on sale day!

Thank you for your interest,
Kyle Conley

Cole, Taylor,
Maddox and Myles Atkinson

Adam Erickson

Cody Heavin

Kristen Lovett

CATTLEMEN & WOMEN,

It is with great pleasure that we welcome you to the Spring Production Sale at Conley Cattle. The team at Conley Cattle has logged countless hours in preparation for this year's sale. Kyle and his team have pulled out all the stops to bring you the deepest and most dynamic offering the history of Conley Cattle! This year, we have combined the Bull Sale and the Spring Production Sale into a single event in order to better accommodate our customers. We will offer 38 stout yearling and age advantage bulls, 17 late spring and fall bred heifers, 30 open replacement heifers and 32 elite show heifer/donor prospects from the heart of the program! The sale will take place at the ranch in Sulphur, Oklahoma.

The marketplace has certainly surged and maintained a pace and price point to rewrite the history of the American cattle market. The need for the absolute best protein source, safe for human consumption is certainly in demand not only domestically, but abroad as well. There is no better time to invest in the future of your breeding program than now! Kyle is a generational cattleman with generational success in the seedstock business. Like those before him, he maintains a disciplined course with flawless execution. This year's sale offering is a result of precise mating decisions, unparalleled management practices, and the desire to make the next generation better!

The cattle that are between the covers of this sale catalog are saturated with quality, consistency, and earning potential like never before. Conley Cattle has set a standard in the cattle industry when it comes to producing elite Angus seedstock. Each lot is a representation of the highly proven donor pen and herd sire battery that call home to Sulphur, Oklahoma. Conley Cattle is an operation that is driven by customer success, whether it be in the show ring, pasture, or sale ring – these cattle have the genetic consistency to accelerate progress within your breeding program. The customer service that comes all-inclusive with your purchase is simply unrivaled!

Consider this your personal invitation to join us on Saturday, March 28, 2026, in Sulphur, Oklahoma for the Conley Cattle Spring Production Sale! The cattle are available for viewing any time prior to the sale, and we encourage you to schedule a time with Kyle or Cole. Make plans to bring your whole family, as the hospitality is second to none. If you are unable to attend the sale in person, a live broadcast will be provided by CCI.Live. We can't wait to see you on sale day!

Enjoy the cattle,
Sale Management Team

- A true sale feature that offers unparalleled herd sire credentials!
- Conley New Mix 5311 is a standout both phenotypically and genomically, offering a premium blend of genuine cow power, substance and skeletal quality.
- 5311 is sired by the Alta Genetics housed stud known as Conley Step Ahead, the powerful son of EZAR Step Up 9178 that is backed by the productive EXAR Queen 8679 donor dam that commanded a \$25,000 hammer price in the 2025 Conley Cattle Fall Production sale to Glover's Delaware Creek Ranch.
- The maternal side of his pedigree is supported by the influence of the \$165,000 J Trademark 1037, one of the great breeding bulls ever utilized at Conley Cattle. The maternal side of his lineage traces to the \$540,000 valued Conley Sandy 8934, one of the highest dollar generating cows to ever call home to Sulphur, Oklahoma.
- One of the true standout herd sire prospects ever produced at Conley Cattle!
- **Top 1% CLAW; Top 2% \$M, TEAT; Top 10% WW, SC, UDDR, \$W; Top 15% YH, MILK, \$C; Top 20% YW, RE; Top 25% HS, \$AxH, \$G.**

- Conley Avalanche 5316 is another Conley Step Ahead son that is massive from every angle of evaluation. 5316 is a full brother in blood to Conley New Mix 5311. He too is supported by the influence of the famed Conley Sandy 8934, the \$540,000 valued donor dam that was purchased by Cook Land & Cattle of California.
- 5316 is a moderate framed, bold ribbed, easy fleshing herd sire prospect that is loaded with shape and product from end to end.
- This standout was raised by a hard working first calf heifer that is quickly moving up the ranks at Conley Cattle. Supported by a cow family that you can hang your hat on!
- A tremendous herd sire prospect that will add substance, shape and real-world functionality to any program. The kind of bull that will sire elite replacement females.
- **Top 4% \$W; Top 5% CLAW, ANGLE; Top 10% MILK, \$M; Top 15% CEM; Top 20% TEAT; Top 25% WW; Top 35% HS.**

LOT 14 Conley North Star 5912

- 5912 is a dense bodied, soggy middled herd sire prospect that offers a very low input and practical look of quality from every angle of evaluation!
- Another standout from the Bear Mtn North Star sire group that offers breed leading calving ease with explosive growth and carcass merit. His pedigree is supported by the influence of the Pathfinder Sires known as Koupals B&B Identity and S A V Final Answer 0035.
- 5912 is supported by the impressive Mill Brae Iden Georgina 4086 female, a maternal granddaughter of the Pathfinder Dam known as Mill Brae 878 Georgina 2156, an own daughter of the incredible Bon View New Design 878.
- Recommended for use on heifers.
- **Top 2% TEAT; Top 3% BW; Top 4% DOC, \$M; Top 10% CED, DMI, UDDR, ANGLE, PAP, \$C; Top 15% \$AxH; Top 20% RADG, DOC, MARB, \$B; Top 25% \$AxJ, \$F; Top 30% CEM, MILK, \$EN.**

LOT 32 Conley FCC Bismarck 108N

- 108N is one of the stoutest, boldest ribbed, and easiest fleshing herd sire prospects to sell this spring. Another son of the Pathfinder Sire, S A V Bismarck 5682, that is backed by the foundation matron of the Conley Cattle breeding program, the iconic Silveiras S Sis Sandy 2355!
- A sound footed, bold ribbed, big topped stud that is backed by one of the most notable and respected matrons in the Angus breed.
- There is no question that 108N and his ET flushmate brother, 21N, will sire elite replacement females that will elevate the bottom line of any progressive operation.
- **Top 4% DMI; Top 20% \$EN.**

CONLEY RANSOM 1810
Sire of Lot 33

PENNERS-CC DOUBLE BLACK 2257
Maternal Grandsire of Lot 33

- A special sale attraction and arguably one of the most unique individuals that we have EVER offered at Conley Cattle! It is with great pleasure that we introduce you to Conley Power Play 4136, a son of the 2022-2023 ROV Show Bull of the Year, Conley Ransom 1810 that is backed by a member of the famed Patricia cow family!
- From the ground up he is simply flawless! A giant footed, huge boned, square made stud that personifies skeletal quality without sacrificing real muscle shape or eye appeal.
- He ties high at the top of his neatly laid in shoulder design, is clean chested and transitions seamlessly into his forerib and center body shape. A massive topped, big hipped, square pinned herd sire that is so unique from every angle of evaluation!
- The dam of Conley Power Play 4136 is the stunning Patricia 36 KN donor dam, an own daughter of the immortal Penners-CC Double Black 2257.
- Conley Power Play 4136 is supported by the same prolific cow family that produced the 2022 OYE Grand Champion Angus and Supreme Champion Purebred Breeding Heifer for Madilyn Norvell!
- The first calved by Conley Power Play 4136 have started hitting the ground at Conley Cattle and they are flat incredible!
- Conley Power Play 4136 has and will continue to be used extremely hard at Conley Cattle moving into the foreseeable future. With only one shot of Dameron First Class and Silveiras Style 9303 three generations back on the paternal side of his pedigree, it's safe to say that he is a logical option to be used back on a wide variety of females without sacrificing stoutness, eye appeal or skeletal quality.
- It's time for a Power Play! #JACKHUGHES

- Ladies and gentlemen, it is with great excitement that we introduce you to a FULL BROTHER to the very impressive Conley Claymore 4005, a son of the \$150,000 Conley Bristow 2317 that is owned by the Loudon family of Iowa.
- The dam of Conley Bristow 4264 is the incredibly unique Schelske MSF Maddie 8229, a cornerstone matron in the donor pen at Conley Cattle. 8229 has produced countless high sellers, champions and individuals of significant influence within the Angus breed.
- 8229 is most notably the dam of the \$220,000 Conley Maddie 3157, the 2023 Hoosier Beef Congress 4th Overall Breeding Heifer for the Ferree family of Indiana.
- Another impressive maternal sister to 4264 is Conley Maddie 3424, the \$40,000 featured bred heifer that was selected by Glover's Delaware Creek Ranch in the 2024 Conley Cattle Fall Production Sale.
- Here is an extra big footed, stout featured herd bull prospect that is loaded with shape, power and genuine substance. A must see on sale day!

- We are proud to present the opportunity to purchase a stud strait from the heart of the herd sire battery at Conley Cattle! Conley Passport 0440 is an incredible individual that has been a tremendous breeding bull for Conley Cattle, Ron and Amanda Ferris and Brandywine Cattle Company.
- A moderate framed herd sire prospect that is loaded with dimension, power and real-world substance. We love the skeletal quality and practicality that he possesses. He transmits his functional build and body style to his progeny every time!
- Sired by the now deceased Mill Brae Identified 4031, Conley Passport 0440 is backed by the \$105,000 Conley Sandy 7305 donor dam. 7305 is the dam of Conley Sandy 1391, the 2023 FWSS ROV Reserve Grand Champion Angus Heifer for Lauren Frederick.
- Backed by the everlasting influence of the world renowned Silveiras S Sis Sandy 2355 matron, one of the highest dollar generating cow families in the breed!
- A blue-chip investment opportunity for any program!

- Conley DT Sandy 5043 leads off the show heifer division of this year's Conley Cattle Spring Production Sale! An absolutely stunning daughter of the \$100,000 Conley A 1 that is supported by the up-and-coming donor dam, Conley Sandy 2421, an own daughter of KR Cadillac Ranch that is from the \$130,000 Conley Sandy 8522.
- A huge footed, stout featured female that has been blessed with an incredible look of balance and symmetry from the side. She is near perfect in her angles, offering unmatched skeletal quality. She maintains a robust shape to her rib cage with tremendous progression of depth back into her rear rib and flank.
- A full sister to this pair of females, Conley DT Sandy 5168, was the \$60,000 featured heifer calf in the 2025 Conley Cattle Fall Production Sale that was selected as the 2025 NAILE Champion Junior Heifer Calf for Weston Haag.
- A true sale feature that offers unlimited upside potential. One of the very best fall born show heifer/donor prospects that we have ever offered!

LOT 102 Conley DT Sandy 5044

- 5044 is the September born sister from the Conley A 1 sired flush that is backed by the prolific Conley Sandy 2421 donor. A beautiful profiling female that offers a very maternal and eye-appealing look of quality about her front third. She is long and square in her hip design, allowing her to push and plant with tremendous confidence.
- There is no question that this mating has yielded two elite show heifer prospects that offer the futuristic look of quality necessary to dominate in the show ring and through every stage of their lives.
- Her big features, bold rib cage, and captivating presence will leave you in awe!

5	3.3	63	100	-0.13	1.08	14	-16	31	0.4	0.62

- An absolutely incredible individual that ranks among the most impressive females to ever sell at Conley Cattle. Conley DT Sandy 5565 is the first of three daughters from the productive Diamond T Sandy 9004 donor dam.
- Diamond T Sandy 9004 is the Colburn Primo 5153 sired daughter of BCII Sandy 1315, the 2015 Hoosier Beef Congress Supreme Champion Breeding Heifer. A full sister to BCII Sandy 1315, BCII Sandy 0215, was the 2017 NWSS Reserve Grand Champion Junior Angus Heifer!
- From the ground up she is as impressive as any in terms of foot size and shape, stoutness of bone, squareness of build, and genuine base width. She is so bold and robust in the shape of her rib cage, stout hipped, and wide pinned. She maintains this extra stoutness and dimension without sacrificing an ounce of quality or eye appeal!
- 5565 is also a maternal sister to the \$140,000 Conley DT Sandy 2900, a daughter of SCC SCH 24 Karat 838 that was campaigned by Houston and Mercedes Ferree of Indiana.
- A show stopping female that is destined for the bright lights!

LOT 105 Conley DT Sandy 5915

- Conley DT Sandy 5915 is a late October born daughter of the \$100,000 Conley A 1 that is from the very impressive Diamond T Sandy 9004 donor dam. She is so smooth and extended about her front third, neat chested, and opens up into a bold and three-dimensional rib cage.
- 5915 is a maternal sister to the \$11,000 Conley DT Sandy 4330, the many times champion heifer for Maddox Montano at some of the largest jackpot shows in the state of Texas.
- A very complete, fault-free type of female that is backed by true maternal excellence!

LOT 110 Conley DT Miss Lucy 5674

- 5674 is the fourth and final daughter from the Conley Lead The Way 0738 sired group of ET flushmate sisters out of Conley Miss Lucy 7011, but she is far from the least in terms of quality and upside potential. An extremely neat featured September born female that has the "bells and whistles" needed to compete at the highest level.
- Extra heavy duty in terms of her skeletal build, while maintaining the signature "Lucy" look that we have all come to love.
- One of the most consistent Angus show heifer matings in the business!

CONLEY DT LUCY 4302
\$21,500 Full Sister to Lots 107-110

CONLEY DT LUCY 4672
\$15,500 Full Sister to Lots 107-110

LOT 111 Conley NCC Patricia 5800

- The first of two ET flushmate sisters from the 2022 OYE Grand Champion Angus and Supreme Champion Purebred Breeding Heifer, Conley Patricia 110!
- Madilyn Norvell led the dam of this pair of summer born females to countless victories, ultimately culminating her decorated carrier in the historic Jim Norick Arena.
- This June born daughter of the \$100,000 Conley A 1 is extra stout featured, sound built and offers a very attractive and eye-appealing look from the profile.
- 5800 is a carbon copy of her dominant dam at this stage of the game!

LOT 112 Conley NCC Patricia 5280

- Another dynamic summer born female from the impressive Conley Patricia 110, an own daughter of 3ACES Untouchable 9514 that is further supported by Conley Patricia 7111.
- 5280 is an absolute outlier in terms of eye appeal and uniqueness of build. She is so high tying in her neck attachment, chiseled about her jawline, clean chested, and flat shouldered. She transitions into a robust rib cage with optimum progression of depth back into her rear rib and flank. A stout hipped female that is big at the surface.
- A dynamic pair of summer born females that have the credentials to compete at the highest level!

- Conley SHHR Lady 5138 is the result of a savvy embryo purchase by our good friend, Sam Halverson, through a past Conley Cattle Production Sale!
- 5138 is an intriguing female that reminds us of her \$90,000 maternal sister, Conley Lady 4561, the impressive Conley Bristow 2317 daughter that was campaigned by Remi Gardner. The dam of 5138, Dieckmann Lady 1117, was a dominant champion for Finley Yocham. She was selected as the 2022 American Royal Reserve Grand Champion Junior Angus Heifer and was the 2022 NJAS Reserve Junior Champion Division 6 Owned Heifer.
- 1117 is a maternal sister to Ty Collum's very impressive C-4 Lead Lady 2K, the 2024 OYE Supreme Champion Purebred Breeding Heifer!
- 5138 traces to the influence of the iconic Chapman Lady 4128 donor, a female that was an instrumental breeding piece at C-4 Land & Cattle, Dieckmann Cattle and Rosebud Cattle Company.
- 5138 is a carbon copy of her dam in terms of stoutness, body mass and skeletal quality. We firmly believe in the potential of this cow family far beyond the show ring. Invest with the utmost confidence in "Stevie 2.0!"

- Conley DT Princess 5105 is undeniable... plain and simple!
- From the tip of her nose to the switch of her tail, Conley DT Princess 5105 will have you mesmerized by her arrogance. She ties her neck so high at the top of her blade, is tucked up in her chest floor, yet bold and robust in the shape of her rib cage, soft flanked and offers a look of balance and symmetry from the side that is second to none.
- 5105 is sired by the 2024 American Royal Supreme Champion Bull, BNWZ Paisley 2143, the full brother to BNWZ Dignity 8017 and BNWZ Executive Decision 2219. The dam of 5105 is the \$55,000 EXAR Princess 1080 donor that now works for Jones Show Cattle and Diamond T Land & Cattle. 1080 was a past show ring champion and has evolved into one of the top producing member of the Princess cow family. The dam of 1080, EXAR Princess 5391, is the \$2.7 million+ producing donor is also the maternal granddam of the \$920,000 valued Conley Lead The Way 0738 and the \$100,000 Conley A 1.
- An elite show heifer prospect that has the credentials and the cow family backing her to be a force in production when her time at the end of the leather lead comes to and end!

- Conley SWNY Blackbird 5851 is an incredibly stout featured daughter of the influential KR Casino 6243 that is sure to be one several short lists on sale day!
- At the surface she is huge footed and deep heeled, stout boned, and square in her basic build. One of the most unique featured KR Casino 6243 daughters that we have ever seen in terms of elevation and extension about her front third. She is massive in her upper rib cage yet handles her spine with tremendous flexibility and comfort when set into motion.
- The dam of 5851 is the prolific HAG Envious Blackbird 1897, a leading donor for Jon Sweeney and Sullivan Farms that was a many times champion herself for Sara Sullivan. 1897 is the dam of SWNY SULL Evi Blackbird 2056, the 2022 Cattlemen's Congress ROV Senior Heifer Calf Division II Champion for Macy Collum.
- A full sister to 5851, SWNY Envious Blackbird 2302, was the 2024 OH State Fair Reserve Grand Champion Angus Heifer for Ryane Bond.
- Massive yet elegant. Females like 5851 are the reason the KR Casino 6243 became so popular and has maintained his status across the industry. A must see on sale day... she will be a generator!

LOT 120 Conley DT Blackbird 5818

- The lone daughter of BNWZ Dignity 8017, the 2021 Cattlemen's Congress ROV Reserve Grand Champion Angus Bull, in this year's show heifer offering is one that will quickly draw your attention!
- 5818 is a dense bodied, soft flanked female that offers a very productive brood cow look from every angle. She is feminine about her head and neck yet transcends into a three-dimensional rib cage and maintains a stout hip and hind leg design.
- The fifth daughter of the dynamic Diamond T Blackbird 9101 donor in this year's sale, but don't overlook the genuine stoutness and fault-free build that this female possesses.
- There is no question she will be a force when it counts!

BNWZ DIGNITY 8017
2021 Cattlemen's Congress ROV Reserve
Grand Champion Angus Bull
Sire of Lot 120

LOT 121 Conley DT Georgina 5919

- POWER COW!
- It's impossible to say which female will be the most productive when her time in the show ring comes to an end, however it's safe to say that Conley DT Georgina 5919 is among the top donor prospects in this year's offering.
- Unmatched stoutness and squareness of build is what elevates this November born show heifer/donor prospect to a whole new level!
- The dam of 5919 is the very productive Champion Hill Georgina 6154 donor, an own daughter of S A V Bismarck 5682 that has created her own legacy in production!
- 6154 is a full sister in blood to Champion Hill 8577, the dam of Ty Collum's 2023 NJAS Grand Champion Owned Heifer, Conley DT Georgina 1076.
- Power in the blood!

2	4	60	100	0.28	0.6	18	-16	38	0.43	0.63

- 5515 is the anchor female from the famed Georgina cow family!
- This early September born female is loaded with power and substance, while maintaining a strong maternal look about her front third. The dam of this female is the famed Champion Hill Georgina 8547, the \$120,000 valued lead off female from the historic Champion Hill Dispersal.
- 8547 was the two-time ROV Show Heifer of the Year that was one of the most successful show heifers in modern times. She was the 2014-2015 and 2015-2016 ROV Show Heifer of the Year. Her list of accolades are nothing short of incredible, however her contributions in production far exceed the hardware that she gathered on the tan bark!

- The next pair of ET flushmate sisters are backed by a past Conley Cattle Spring Production Sale featured female, the \$180,000 Conley Honey Bear 2110, that was selected by Circle M Farms and Josie Phillips. She is now a leading member of the donor pen in Mount Vernon, Missouri.
- The dam of Conley Honey Bear 2110 is the \$540,000 valued Conley Sandy 8934, one of the highest dollar generating and most important females in the history of the Conley Cattle breeding program.
- 8934 has produced as many high sellers on the regular as any other Angus cow in modern times. Daughters have sold for \$215,000, \$190,000, \$180,000 and \$135,000 on the four heifers to sell in 2022 and 2023 at Conley Cattle to average an incredible \$180,000 per head! She has sold several other females between \$20,000 and \$75,000 over the last three years. Unfortunately, we unexpectedly lost Conley Sandy 8934 with a very limited inventory of frozen embryos. Therefore, there will be very few chances moving forward to add these proven and profitable genetics to your breeding program.
- A dynamic pair of BRDG Mahogany Prime 904B sired ET flushmate sisters that are supported by a pedigree of royal status!

- An incredible set of bred females from the heart of the program will highlight this year's Spring Production Sale. Conley Sandy 4027 is built for the long haul when it comes to skeletal quality and functionality.
- 4027 is sired by the \$920,000 valued Conley Lead The Way 0738 and is backed by the strong maternal influence of the iconic K N C Cabin Creek Sandy 804 on the maternal side of her pedigree. The dam of 4027, Conley S Sis Sandy 4313, is a full sister to the immortal Silveiras S Sis Sandy 2355. 4313 is owned with Sunrise Sunset Farm of Indiana.
- She is high tying in her neck attachment, clean chested, bold ribbed and offers a look of quality and balance from the profile that is simply unmatched.
- A true sale feature that is backed by a pedigree you can count on!

LOT 202 Conley Honey Bear 4893

- Conley Honey Bear 4893 is a direct daughter of the \$540,000 valued Conley Sandy 8934 donor dam, one of the highest dollar generating females in the history of the Conley Cattle breeding program.
- 4893 is sired by the \$150,000 Conley Bristow 2317, therefore making her a three-quarter sister in blood to countless high sellers and champions that have been bred and marketed by Conley Cattle.
- Three-quarter sisters in blood to 4893 have sold for \$215,000, \$190,000, \$180,000, \$135,000 and countless others from \$20,000 to \$50,000.
- A royal investment opportunity from the now deceased 8934 donor dam!

- Conley Princess 4306 is a maternal sister to some of the highest valued and most important individuals in the Conley Cattle breeding program. Sired by the 2022-2023 ROV Show Bull of the Year, Conley Ransom 1810, this dynamic female is a daughter of the late EXAR Princess 1637 matron.
- EXAR Princess 1637 is the dam of the \$920,000 valued Conley Lead The Way 0738, as well as countless other high sellers and champions over the years at Conley Cattle.
- Maternal sisters to 4306 have sold for \$140,000, \$75,000, \$30,000, \$23,000, \$20,000 and countless others for more than \$10,000!
- Supported by true cow power and unrivaled skeletal quality!

- The lead off heifer in this year's open replacement heifer division is saturated with cow power on both sides of her pedigree!
- The dam of Conley Honey Bear 5112 is the \$540,000 valued Conley Sandy 8934, one of the highest dollar generating and most important females in the history of the Conley Cattle breeding program.
- 8934 has produced as many high sellers on the regular as any other Angus cow in modern times. Daughters have sold for \$215,000, \$190,000, \$180,000 and \$135,000 on the four heifers to sell in 2022 and 2023 at Conley Cattle to average an incredible \$180,000 per head! She has sold several other females between \$20,000 and \$75,000 over the last three years. Unfortunately, we unexpectedly lost Conley Sandy 8934 with a very limited inventory of frozen embryos. Therefore, there will be very few chances moving forward to add these proven and profitable genetics to your breeding program.
- 5112 is sired by the iconic BC Robust 0807, therefore making her a three-quarter sister in blood to the \$200,000 valued Conley Sandy 9893 donor, the dam of the \$100,000 Conley Willard 3319.
- An elite investment opportunity awaits!

- The quality just keeps coming!
- We are excited to offer a FULL SISTER to Conley Claymore 4005, the featured herd sire that now works for the Loudon family of Iowa. Her full brother, Conley Bristow 4264, sells as Lot 35 in the age advantaged bull division.
- 5783 is a maternal sister to the \$220,000 Conley Maddie 3157, the 2023 Hoosier Beef Congress 4th Overall Breeding Heifer for Houston Ferree. Her maternal granddam, Schelske MSF Maddie 8229, is one of the cornerstone matrons in the donor pen at Conley Cattle. Countless high seller and champions trace to the influence of 8229.
- A true genetic gem that aligns the most profitable cow families in the Conley Cattle breeding program!

• 10 PACKAGES OF 1 UNIT OF CONVENTIONAL SEMEN

- Conley Bristow 2317 sold for \$150,000 in the 2023 Conley Cattle Spring Production Sale to a syndicate of breeders who recognized his potential to sire elite show cattle. Their foresight has proven correct—his progeny have become increasingly popular over the past 12 months due to eye appeal, skeletal quality, and unique build. Daughters have commanded remarkable prices across the country, including \$190,000, \$150,000, \$140,000, \$90,000, \$83,000, \$70,000, \$70,000, \$60,000, and many others in the \$20,000 to \$50,000 range. The first 25 daughters sold at public auction have averaged \$45,583, including sales through Conley Cattle, Pembroke Cattle Company, Sullivan Farms, Oakley Farms, and other initial investors in semen packages.
- His look of quality and style is simple unparalleled! A surefire option to sire elite show heifers that command BIG premiums!
- Due to an untimely injury, there is now a very limited supply of Conley Bristow 2317 semen, which will not be replenished. Semen will **ONLY** be available annually at Embryos on Snow or on special occasions at Conley Cattle, making this a rare and exclusive opportunity on March 28, 2026!
- **Owned with The Bristow Syndicate.**

• 10 PACKAGES OF 2 UNITS OF CONVENTIONAL SEMEN

- We are proud to re-introduce the \$1.4 million valued LT Marquee 169L, one of the most widely admired and talked about Angus bulls the industry has EVER seen! History was made in Oklahoma City, Oklahoma when Glover's Delaware Creek Ranch won the fierce bidding war at a record setting \$700,000 to acquire 50% semen interest in LT Marquee 169L!
- LT Marquee 169L is supported by much more than a pedigree of significance, as his quality is defined by the history and tradition that makes up his prominent lineage.
- The famed Duchess cow family that stands behind LT Marquee 169L has yielded productive, efficient, low input cattle with eye appeal and natural stoutness. David Longshore has spent much of his lifetime dedicated to breeding Angus cattle with superior udder quality, functionality, and maternal prowess!
- There has never been a time better than now to utilize a legitimate "outcross" Angus AI sire that offers so much versatility and utility within the beef cattle industry!
- **Owned with Glover's Delaware Creek Ranch.**
