### LOT 5A - Right to Flush -

- There are very few individuals who have been crowned champion at the National Western. EF All In Fun is one of those special females. Being 2014 Grand Champion Purebred Female in Denver was just the first chapter of this genetic gem's story.
- EF All In Fun 851A was clearly designed to be phenotypically superior, she is a direct daughter of the undoubtedly leading show bull to ever grace the backdrop in the Limousin breed, DHVO Deuce. Her stunning good looks were inherited from the maternal side of her pedigree as well, her dam MAGS Wrigley, a National Western Stock Show Champion and Medal of Excellence Gold Medal Award winner.
- This beautiful past show heifer has developed into a special type of Purebred production cow and her potential as a donor is endless.
- Buyer provides the semen and Massey Limousin will handle the rest. Guaranteed six embryos. Flush will take place in October by Dr Same Edwards.

- Safe bred to six months to AUTO Grand Am 156Y
- CJLM 30A is one of our leading CEM and CED females in the offering. She is multi-generational maternal calving ease and high milk.
- A granddaughter of TC Freedom 104, who was used heavily to increase milk, add additional length and muscles as well as give cattle a little extra "look."
- 37% Lim-Flex female that goes back to Carrouseles Pina Colada.

- Safe bred to seven months to LVLS In Focus 489Z
- An opportunity to invest in a natural daughter of our 2010 top selling female, GPFX Treasure by one of the leading proven milk bulls in the country, BOHI Titleist 7050T.
- This 87% female is destined for success as a brood cow given the long list of great ones in her pedigree, including AUTO Kyria, ELMW Ginnie and JCL Madeline.
- We can't say enough good about this group of replacement females.

LVLS In Focus 489Z, service sire to Lot 13.

- Safe bred eight months to LVLS In Focus 489Z
- You can't design a Lim-Flex pedigree to have anymore phenotypic power than right here in PBRs 3168A.
- This exceptional bred heifer is a granddaughter of the \$109,000 Limestone Darkhorse, who was truly a bull ahead of his time in terms of eye appeal and design. One of the best footed, smoothest patterned and attractive fronted Angus bulls to go through a public auction.
- Sired by the many time champion and show bull of the year for JCL and Abele, CALO Brickyard.

CALO Brickyard 902W, sire of Lot 14.

- Safe bred seven months to LVLS In Focus 489Z
- For several years now, we have used a direct son of the Angus legend Bon View New Design 1407 in our breeding scenario, LVLS 3202. We are grateful for his ability to produce calves that come out easy and grow fast. This heifer is no exception.
- A homozygous polled 63% Lim-Flex female straight from our long time donor that we acquired from Deer Valley, DVCF Sweet Deal 1128L. 1128L progeny are working across the country in herds such as Omega 8 Ranch in Texas.
- Statistically speaking, she is solid across the board for maternal, performance and carcass traits.

- Safe bred six to seven months to AUTO Grand Am 156Y
- This big time female that has the lineage to make her a great one, apt to grab anyone's attention.
- Her flushmate headlined a previous P Bar S Ranch production sale with her daughter by CALO Brickyard on her side. We feel this young female in the prime of her life is equally impressive and will continue to produce greatness for years to come.
- MAGS Nadine, donor dam of PBRs Zamboni 253Z has over 40 registered progeny in the NALF registry, a tribute to the confidence P Bar S Ranch has in this superior cow.
- Sired by one of the SMTI leaders available, ranks in the top 2%. Also ranks in top 2% for MB and excels in terms of growth measures.

S A V Net Worth 4200, sire of Lot 24.

- We are proud to be able to offer this exceptional group of young productive cows, we have been blessed with several really strong heifer crops in row.
- CJLM 75Z is out of your standing "go-to" herd sire, BOHI Titlelist out of EXLR Blackcap 185R, the Express female who ties together the finest of Angus and Lim-Flex genetics.
- She sits comfortably above breed average for nearly all traits.

**LOT 26A - CJLM Firestorm 75C** - Lim-Flex (78) Bull, double polled, double black, 05.04.15, CJLM 75C, LFM 2078259. Sired by WLR Firestorm. BW: 77 lbs.

- Daughter of our son of Carrouseles Pina Colada, BOHI Titlelist 7050T.
- Here at Massey Limousin, we value our relationship that we have with Minerich Land and Cattle and have been fortunate enough to acquire some of their very finest genetics over the years. CJLM stems back to many great ones, including the long time Minerich fullblood donor bred by the great Floyd McGowan, TEXS Star 200Y.

**LOT 28A - CJLM Firestorm 519C** - PB Limousin (93) Bull, double polled, red, 05.15.15, CJLM 519C, NPM 2078258. Sired by WLR Firestorm. BW: 78 lbs.

- One of the very few homozygous polled, red females to sell this fall. The red Lim-Flex females have been in high demand this year and with cattle like this, we aren't surprised.
- CJLM Bailee 080Y is out of one of the first WLR Direct Hits daughters ever produced.
- Sired by CJLM Putnam, our LH Rodemaster sire out of the carcass giant, MAGS Roaring Twenties.

**LOT 29A - CJLM Firestorm 080C** - Lim-Flex (81) bull, homozygous polled, black, 02.14.15. CJLM 080C, LFM 2078257. Sired by WLR Firestorm. BW: 72 lbs.

- AUTO Pamela is one of the very treasured females here at the farm. She is a distinct daughter of MAGS Manuela, the matriarch female of the breed at the current time producing over 200 registered progeny. Simply unbelievable!
- AUTO Pamela 6622Y's first natural calf by AUTO Grand Am 156Y was campaigned successfully by Makayla Massey in the Southeast Region in 2014.
- This exceptional set of females, are full siblings to many exceptional cattle in herds from coast to coast, including SBLX American Girl and AUTO Adele 213A. Such fine cattle are the results of the blending two premier cow families in AUTO Rebeca 292S and MAGS Manuela.
- Sired by AUTO Will Power 160X, who was selected as a stand out herd sire by Edwards Land & Cattle for a remarkable \$37,500 for half interest.

- Double polled, double black daughter of ELCX Under Cover 201Y, the maternal brother to the great show female and now donor, SBLX Zane.
- This granddaughter of the legendary Angus cow maker, BC Lookout 7024 has an interesting pedigree that ties together a lot of strengths from both breeds.
- Exceptionally deep centered, easy fleshing and big footed, she sorts herself to the top of the replacement pen for us. If it wasn't for her being a summer born, she would have found herself to the showbarn this fall.

- Calving ease deluxe! Brittany ranks in the top 10% of the breed for CED and top 15% for BW and CEM.
- Dam, ELCX Belle is also selling, here is an opportunity to keep the cow family together.
- Brittany has exceptional influence in her pedigree from the Minerich Land & Cattle program as well as the Wulf Cattle herd.
- This feminine female is extremely elegant, yet still has depth to her center one-third.

- Safe bred four months to AUTO Grand Am 156Y
- If you are in the market for a Lim-Flex female that was generated from the very best of Angus genetics, this female it for you. She is an own granddaughter of Bon View New Design 140 and GAR Predestined. Both of which have spent their time on the top of the most used sires list.
- Homozygous polled and double black. 50% Lim-Flex.
- Numerically speaking, she hits it out of the park for MB epd and SMTI, at a .72 and 76.3 respectively. Trait leader for marbling.

LVL5 3202U, sire of Lot 41.

- Safe bred four months to AUTO Grand Am 156Y
- We so admire her feminine front end, length down her top line and levelness out of her rump. She stands down on a great hind leg set and is has an overwhelming look to her
- Her sire is RVDR The Winner, the big valued son of EXLR Review 7153R from the now deceased but proven donor and daughter of JCL Lodestar 27L, EXLR Perfect Margarita
- She is from SBLX Water Fall, the daughter of MAGS Scotland, the once national champion Lim-Flex and the big league donor BOHI Rejoice 308R

- Safe bred three and a half months to LVLS 3202U
- An own daughter of past Medal of Excellence Gold Medal winner, CALO Brickyard who was so successfully campaigned by JCL, Abele and Graven in 2010-2011.
- Homozygous polled and homozygous black granddaughter of AUTO Black Dakota 129J, the big time growth sire.
- Take a moment and research this heifer dam, her statistical alignment is incredible.
