SALE TERMS & CONDITIONS

TERMS: All cattle/genetics must be paid for immediately after the sale. Checks should be made payable to Moreno Ranches, Inc. Credit cards are also accepted, and a processing fee will apply. Cattle/genetics will not be released until proper settlement has been made.

SPECIAL TERMS: (cattle/genetics for export) Lots and genetics that are sold for export must be paid for at the time of the sale. There will be a representative of a forwarding company on hand to assist in this matter. It will be the responsibility of the buyer of these cattle/genetics for export to make arrangements with the seller for the care of the lots or genetics after the sale. Buyers will be responsible for any layover costs following the sale.

EMBRYOS: Each package will contain six embryos, frozen in the D.T. method at Trans Ova Genetics in Centerville, Texas. Embryo grade classifications are listed with each individual lot in the catalog. No further guarantees will be given. Transfer and recip opportunities are available through Trans Ova Genetics.

IVF PROCEDURE: Each IVF procedure has a guaranteed minimum of five transferable embryos. Buyer will receive all additional embryos of the procedure, should there be any. Buyer pays for all procedure costs, as well as any procedure related expenses. All procedures must be performed at Trans Ova Genetics, or the guaranteed minimum will be voided.

BREEDERS GUARANTEE: Every lot in this sale is, to the best of the seller's knowledge, sound and free of any disease. Pregnant cows and cows with calves are considered breeders without further guarantee. Moreno Ranches will guarantee all open heifers to breed, however, please keep in mind that the animal's condition influences their fertility greatly. If there is a problem, we will work with you in the most professional manner. Open heifers that have been in embryo transplant/IVF are not guaranteed.

DISPUTES: The auctioneer in charge will settle any bid disputes. The decision of the auctioneer on such matters is final.

HEALTH: All necessary health papers will be provided for the purposes of shipping cattle and genetics anywhere in the U.S.

ANNOUNCEMENTS: Any announcements from the auction block will take precedence over the printed material, this catalog and all other printed advertisements.

LIABILITIES: All persons who attend the sale do so at their own risk. Moreno Ranches, Inc., including the sale manager, assume no liability, legal or otherwise, for any accidents that may occur. Seller accepts no liability for the lots after they are sold. Insurance will be available at the sale for cattle/genetics upon the buyer's request.

HANDLING: As the sale takes effect, all lots are under the buyer's risk.

Aha! Here's an opportunity to invest in a true donor in the making. Moreno Ms. Lady Risa 978 is sired by our leading herd sire at Moreno Ranches, JDH Impression Manso 719/4. He is a known son of JDH Mr. Elmo Manso 309/4. Her dam is a known daughter of the BB Mr. Juancito 477 bull, and goes back to the cow Kevin Bryant called one of his best - the BB Ms. Legacy X 232 out of +Mr. 3H X-Ray 825. If you look at the pedigree she brings to life, renowned sires such as +JDH Sir Lawford Manso 616, +JDH Mr. Elmo Manso 309/4, +JDH Charley's Jazz 946/1 and +Mr. 3H X-Ray 825, a bull that has made a significant impact in the red breed worldwide. When you study this heifer, you see the tremendous amount of muscle, depth of body, bone, and structural soundness as she comes together.

Ole! Pay close attention to Moreno Ms. Lady Razzle, a daughter of JDH Impression Manso 719/4. He is one of the greatest sires to ever exist at Moreno Ranches. His dam is a big maternal and powerful broody female, sired by +JDH Charley's Jazz 946/1. 719/4 is that unique sire that combines tremendous bone, extra muscle and substance and is very calm in his disposition. Her dam Miss B-F 139/9 is a granddaughter of Mr 3H X-Ray 825 that is a leading donor for Moreno Ranches. She is very sound made, heavy structured and performance oriented Red Brahman female.

Folks this heifer is full of eye appeal, super feminine fronted and well put together in her structure. One of the best things she offers is her tremendous disposition, making her a phenomenal junior show prospect as she moves into the future. Pay close attention to Moreno Ms. Lady Razzle 954 as you review this sale offering.

Woo-hoo! Here is an opportunity to invest in a truly special package. When you think of great Brahmans across this country, renowned sire bloodlines that come to mind are +JDH Sir Liberty Manso 847/5, (=)JDH Prescott Manso 82/6, +JDH Charley's Jazz 946/1 and many more. These are some of the great sires that are represented in Moreno Ms. Lady Caraluna 904. She is sired by the known #Mr. CC Capitol Gains 77/7, a Mexican imported bull sired by Register of Renown +JDH Sir Liberty Manso 847/5. On the bottom side she is out of the (=)JDH Prescott Manso 82/6 daughter, =JDH Lady Susie Manso, a leading donor for Moreno Ranches that has produced 22 natural calves, and currently has one of the leading roles as a gray donor for the ranch. If you're looking for a great genetic package to add to your herd with genetics that are hard to find in today's open market, take a look at this phenomenal +JDH Sir Liberty Manso/(=)JDH Prescott Manso 82/6 female that will be sure to impact you in every way.

Whoop-de-doo!! Here is a true sale feature, Moreno Ms. Lady Renegade 946, sired by JDH Impression Manso 719/4 and out of the leading Miss MK 4/512 donor. As you've already noticed, this will be a full sister to the calf champion at the Fort Worth Stock Show this past year, Moreno Ms. Lady Rocket 752. Moreno Ms. Lady Rocket 752 was also the featured Lot 1 heifer at the Denim & Diamonds Sale that sold half-interest for "\$12,500" to Emilio Garcia and his family of Mi Tierra Ranch in Homestead, FL. Because of the success that heifer has brought to light, for the first time we decided to offer a full sister to Moreno Ms. Lady Rocket 752. You will have the opportunity to invest in Moreno Ms. Lady Renegade 946 - a July 1st baby that is sure to have the eye appeal and a great future ahead of her, just as her sister, Lady Rock It. Take a close look as you can invest in amazing genetics that are no longer available in the open market. Cow families, such as the +MK Loja 137 cow family, that created such a great impact as a maternal female bloodline for Dr. McKenney and the McKenney Farms herd, and of course the great +JDH Mr. Elmo Manso 309/4 that has made such an impact for J.D. Hudgins through the years, producing numerous national and international champions. This female represents a +JDH Mr. Elmo Manso 309/4 - Mr. MK Vernon 350/1 cross that is not available anywhere else but here at Moreno Ranches. Invest with confidence, as this will be a donor in the making or future show prospect for sure.

Yay! Here is the youngest calf in the sale offering, an August 3, 2015 baby. We are sure happy to see what the great BB Bronson 299/3 bull has been doing in our herd in recent years, especially when you look at this particular heifer. When you study Moreno Ms. Lady Rena Burr 980, you will find her to have phenomenal head structure, a super square hip, lots of muscle, and an ultra feminine look -making her an incredible package that's hard to pass on. When studying her further, you will find she is sired by the BB Bronson 299/3 bull, who goes back to the great +Mr. 3H X-Ray 825 bull, and on the bottom side out of the leading donor Ms. SS 164, who is sired by the renowned +BB Mr. Sting-Ray 10/0. What a great combination of two legendary herd sires who have made the Red Brahman breed what it is today, when you combine the bloodlines of +Mr. 3H X-Ray 825 with +BB Mr. Sting-Ray 10/0. Their tremendous impact is seen across the world in Red Brahman cattle promotion. Today you have the opportunity to invest in this ET baby - be sure to pay attention as she is a great one.

Yikes! As we celebrate the 12 Days of Christmas Sale, we wanted to make sure the 12th day was something special. Lot 12 is a phenomenal heifer we sincerely believe is the result of a great mating at Moreno Ranches. If you study her and view her video and pictures, you will realize how close to perfect this heifer truly is. We don't normally like to brag on babies this young, but this one we really feel has a great future ahead of her. With the great BB Bronson 299/3 bull as her sire, and on the bottom side the Ms. SS 164 donor - a daughter of the known bull +BB Mr. Sting-Ray 10/0 (who never lost a single show he participated in). When you study +Mr. 3H X-Ray 825 and the legacy he's left across the breed globally, you can see that it has been a great one producing notable sires like +BB Mr. Sting-Ray 10/0, BB Bronson 299/3 and many others. There is no doubt this heifer is destined for greatness in her future. Pay close attention as we feel we have put our "dream come true" heifer as the 12th lot of the 12 Days of Christmas Sale. She is something to be excited about!
