Melvin Moreno I

Dedication

1924-2014

196 years in the making and 6 generations strong.

Brahman Friends,

September 5, 2015 marks a very special day for the Moreno Family, and we hope you will take time out of your busy schedule to join us for the Brahman Catalyst 3 Sale. We are excited to showcase some of the finest Brahman genetics that have resulted from our industry leading embryo transfer program. We will also be honoring the life and legacy of Melvin Moreno I, who was a father, grandfather, and mentor to so many, as we dedicate our world class sale facility in his memory.

We take much pride in the development and marketing of Brahman cattle, and it is with great anticipation that we showcase the best genetics we have ever assembled. With 78 exceptional lots of cattle, the Brahman Catalyst 3 Sale offers anything that a quality conscious cattleman could want. As you study the sale catalog, we are confident you will find the superior Brahman genetics you have been looking for.

The Moreno Family and our very capable staff are at your service. We are more than happy to secure hotel reservations, assist with incoming flights, or any other accommodations you may need. Please do not hesitate to contact us if we may be of assistance in any way.

Sincerely and best regards,

Kelvin Moreno

Moreno Ranches, Inc.

Amigos Brahmistas,

El 5 de septiembre del 2015 marca un día muy especial para la familia Moreno. Es nuestro deseo que usted nos conceda un momento de su ocupada agenda y así poder reunirnos y celebrar "The Brahman Catalyst Sale 3". Nuestra familia esta muy orgullosa de contar con lo mejor en genética Brahmán; esto fue logrado gracias a los resultados de nuestro intenso programa de transferencia de embriones, sin duda líder en la Industria Ganadera de los Estados Unidos.

Aprovechando este gran evento, la familia Moreno hará un homenaje a la vida y obra del Sr. Melvin Moreno. El Sr. Moreno falleció recientemente dejando un gran legado a sus hijos, nietos, bisnietos y amigos en general. Por ese motivo y en conmemoración a este ejemplo de persona, es que le estaremos dedicando nuestro centro de venta, de clase mundial, al patriarca y principal impulsor de nuestras fincas y ranchos.

Nuestra familia, se siente orgullosa de formar parte del desarrollo y comercialización del ganado Brahmán. Contamos con 78 lotes de ganado de la más alta calidad en cuanto a genética se refiere. Por ese motivo le aseguramos que "The Brahman Catalyst Sale 3" ofrece una calidad de ganado que cualquier ganadero de experiencia desearía tener. Usted podrá constatarlo al estudiar nuestro catálogo de ventas. Al ojearlo, podrá apreciar que poseemos una de las genéticas Brahmán mas fina del mercado mundial.

También quisiéramos comunicarles que toda nuestra familia, incluyendo nuestro personal altamente capacitado, estarán a su entera disposición. Nuestro equipo está disponible las 24 horas del día los 7 días de la semana para asistirlo con las reservaciones de hoteles, vuelos de llegada, o cualquier otro alojamiento que puedan necesitar. Por favor, no duden en ponerse en contacto con nuestras oficinas si necesita nuestra ayuda. Esperamos verlo pronto.

Un cordial saludo

Kelvin Moreno

MORENO RANCHES

the BRAHMAN CATALYST SALE

09.05.15 at 3:00 pm EST

SALE TERMS & CONDITIONS

TERMS: All cattle/genetics must be paid for immediately after the sale. Checks should be made payable to Moreno Ranches, Inc. Credit cards are also accepted, and a processing fee will apply. Cattle/genetics will not be released until proper settlement has been made.

SPECIAL TERMS: (cattle/genetics for export) Lots and genetics that are sold for export must be paid for at the time of the sale. There will be a representative of a forwarding company on hand to assist in this matter. It will be the responsibility of the buyer of these cattle/genetics for export to make arrangements with the seller for the care of the lots or genetics after the sale. Buyers will be responsible for any layover costs following the sale.

EMBRYOS: Each package will contain six embryos, frozen in the D.T. method at Trans Ova Genetics in Centerville, Texas. Embryo grade classifications are listed with each individual lot in the catalog. No further guarantees will be given. Transfer and recip opportunities are available through Trans Ova Genetics.

IVF PROCEDURE: Each IVF procedure has a guaranteed minimum of five transferable embryos. Buyer will receive all additional embryos of the procedure, should there be any. Buyer pays for all procedure costs, as well as any procedure related expenses. All procedures must be performed at Trans Ova Genetics, or the guaranteed minimum will be voided.

BREEDERS GUARANTEE: Every lot in this sale is, to the best of the seller's knowledge, sound and free of any disease. Pregnant cows and cows with calves are considered breeders without further guarantee. Moreno Ranches will guarantee all open heifers to breed, however, please keep in mind that the animal's condition influences their fertility greatly. If there is a problem, we will work with you in the most professional manner. Open heifers that have been in embryo transplant/IVF are not guaranteed.

DISPUTES: The auctioneer in charge will settle any bid disputes. The decision of the auctioneer on such matters is final.

HEALTH: All necessary health papers will be provided for the purposes of shipping cattle and genetics anywhere in the U.S.

EXPORTS: Cattle/genetics sold for export to foreign countries must, by state law, test for diseases flagged by the country receiving the animal after the sale is made. The seller will be responsible for this testing.

ANNOUNCEMENTS: Any announcements from the auction block will take precedence over the printed material, this catalog and all other printed advertisements.

LIABILITIES: All persons who attend the sale do so at their own risk. Moreno Ranches, Inc., including the sale manager, assume no liability, legal or otherwise, for any accidents that may occur. Seller accepts no liability for the lots after they are sold. Insurance will be available at the sale for cattle/genetics upon the buyer's request.

CONTRACT: The above terms and conditions shall constitute a contract between the buyer and the seller of each lot sold.

HANDLING: As the sale takes effect, all lots are under the buyer's risk.

VERIFICATION PROGRAM

With the increase in demand for the M Check branded product, Moreno Ranches has significantly expanded their embryo transplant program. Moreno Ranches takes pride in remaining at the forefront of technology, while also adding value for the customer. In an effort to provide the utmost level of product integrity, Moreno Ranches is pleased to announce its new "M Check" verification program.

The M Check verification certifies that the animal's sire and dam have been confirmed, using the latest DNA technology. Animals bearing the M Check verification stamp are 100% guaranteed in that their bloodline is precisely known. A final bonus is that any Brahman cattle that have an M Check verification stamp will qualify for all of the standard Moreno Ranches Junior programs, such as the Scholarship Program, the Breed Back Program, and the Sell Back Program.

All M Check branded cattle selling in the Brahman Catalyst 3 Sale will be sold with the M check verification guarantee.

Our Commitment to the Future ...

Moreno Ranches has been 196 years in the making and is six generations strong. We realize the value of a firm handshake, reliable word of mouth, and honest customer relations. This integrity with which we live everyday is what has kept us going strong for nearly two centuries.

Moreno Ranches believes the youth are the future, and we strive to build the Brahman breed one junior at a time. Through scholarships, show sponsorships, and donations to the AJBA and FYBBA, support efforts for the juniors this year total over \$75,000. Moreno Ranches believes that through strong support of the youth and their families, we can help build a stronger tomorrow for the Brahman breed.

BRAHMAN CATTLE SCHOLARSHIP PROGRAM

The Moreno Ranches Junior Scholarship Program is designed to help America's youth to continue their education by enrolling in undergraduate courses of studies at an accredited two or four year college, university or vocational-technical school.

ELIGIBILITY FOR OUR SCHOLARSHIPS

1. Animals must be purchased from Moreno Ranches at public auction or by private treaty in order to qualify for the program.
2. Qualifying animals must be bought and registered by a junior exhibitor and be in his/her name from the time of the sale and throughout their show career.
3. Animals participating in the program are not transferable from child to child.
4. The amount of the scholarship is determined by the animal's placing at a qualifying show and by the number of calendar years in which the exhibitor has purchased an animal from Moreno Ranches. For award amounts, please refer to the Moreno Ranches Junior Scholarship Program Award Schedule at www.morenoranches.com
5. If a junior showman qualifies for more than one scholarship award, the single highest award amount will be awarded. Award levels cannot be combined.
6. The ONLY shows eligible are Junior Shows. Please refer to the "Eligible Shows" section at www.morenoranches.com.

BREED BACK PROGRAM

If a Junior exhibitor buys a Brahman heifer from Moreno Ranches, we are committed to assisting the Junior in breeding the heifer when she is of age. This is for a number of reasons. First and foremost, we want to grow interest in Brahman cattle breeding among the next generation. Knowledge is something that is not learned from books; it is experienced, especially when it comes to the cattle industry. So we are committed to helping Brahman Juniors continue, and build on the knowledge, of Brahman breeding techniques including wise husbandry of registered Brahman show heifers during their show careers.

Registered Brahman show heifers purchased from us and subject to our terms and conditions, can be brought back to Moreno Ranches, and we will artificially inseminate or naturally breed the heifer to one of our quality Brahman herd sires at no cost to the Junior. Cattle must be insured in order to qualify for this program. In short, if a Junior buys a Brahman heifer from Moreno Ranches, we are committed to assisting that junior in breeding the heifer when she comes of age.

SELL BACK PROGRAM

When it comes to investing in future Brahman cattle breeders, there are few as dedicated as we are here at Moreno Ranches. Brahman Juniors are truly the future of the Brahman breed and we are committed to assisting them in any way possible. We currently have three programs in place to help Juniors to be successful in the Brahman breed. These include a junior Brahman scholarship program, a Brahman heifer breed back program, and a Registered Brahman Heifers Sell-Back Program.

		+GS MISSY DIDOR 277 (277)

Selling half interest with the option to double up. If the buyer purchases 100% they will get full possession, but Moreno Ranches will retain 50% embryo interest.

This young female has a bright future in the show ring. She is complete and balanced when you see her in person. We admire her heaviness of bone, soundness of structure, and fluidity of movement. She has a pedigree like no other and combines modern genetics with proven breed icons. She is sired by the past national champion, +Mr 3X He's Got The Look 40/2, and from the leading Moreno Ranches donor, +Miss B-F 201/9. This could be the only place in the country that you get a red daughter of 201/9 sired by the sought after genetics of 40/2.

+Miss B-F 201/9, one of the finest daughters of +-GS Ms Mulhim Manso 314, was a private treaty purchase from Bennett Farms in Louisiana and Broadhead Farms in Mississippi. 201/9 is a prolific donor that continues to amaze us with her producing ability. She is a very fertile female and has the brood cow look to her with the femininity we all can appreciate. She has 26 progeny registered in the ABBA, Colombia and Venezuela. She is one of the lead donors in the aggressive transplant program at Moreno Ranches. Her first natural calf is Moreno Ms. Spanish Olive 116, one of the most prominent Gray show heifers for Moreno Ranches. She has won multiple junior championship divisions and continues to impress the many that have seen her. Her latest accomplishment was producing the top herd sire, Moreno Mr. The Profit 265. He was a top seller and is owned in partnership with Schneider Brahmans of Boerne, Texas. Her Powerstroke daughters were a highlight in the '14 Moreno Viva La Brahman Fiesta sale. RB Ranch bought three at \$10,000, \$7500, \$7500, Finca Maria Olga at \$7,000 and \$5,000, Emma Martin at \$7,000 and Lanier Brahmans at \$7,750. Another 201/9 daughter, Moreno Ms. Lady Ritzy Look, sold to Sorrel Panaro for \$11,500 in the Magic City Sale, Miami, FL. Also selling at \$17,000 was another 201/9 daughter to Ganaderia Rosa Del Alba from Mexico.

SELLING 5 UNITS OF SEMEN ...

2

+MR 3X He's Got The Look

COLOR: Red REG#: B699735 DOB: 11.16.92 ID: 40/2

MISS 3X MATRIARCH 75 (75/5)	DF MISS RED HIDALGO 191 (191LH)

Mr 3X He's Got The Look 40/2 is the past '95 National Champion bull that won every show he was ever shown in. 40/2 is a legendary bull that has produced so many great ones over the years. Many of the distinguished Brahman breeders would say he is one of the most influential bulls from the 1990's. Currently one of his sons, LB Mr Derringer Manso 953/3, is being used worldwide in the breed. His influence is sought after in Thailand, South and Central America and Australia. This is a rare opportunity to invest in this great herd sire, as the semen is very limited. Selling 5 units of semen (10 certificates).

3 MORENO MS. Good Golly Molly

COLOR: Red REG#: C 935369 DOB: 09.29.14 ID: 818

	MR. DIAMOND T 109/1 (109/1)
MISS MK SUGAR MANSO0/381 (0/381)	DREAM GIRL 53/1 (53/1)

Moreno Ms. Good Golly Molly 818 is one of the top show females in the sale offering! We admire her flawless design, docility, and that added performance that we seem to find in our JDH Goudeau Manso 174/0 progeny. He is the sire with a complete outcross pedigree to most established lines that stems from a very maternal line of cow families. He is a powerful performance bull and his progeny are at the top in terms of weaning and growth. He is massive in terms of performance, super sound in his structure, and very prominent in his stance.

818's dam is Miss MK 7/621, the leading daughter of Mr. Diamond T 101/1. As you have just read her pedigree is as predictable as you would want. She is extremely long and feminine up through her head and neck and we so admire her length of body. Buy with the utmost confidence because you are going to fall madly in love with this female.

Lot 3... Moreno Ms. Good Golly Molly 818

JDH Mr Goudeau Manso
174/0, sire of Lot 3.

MISS MK SUVA MUCHO 6/213 (6/213)	MISS 5XT SUVA REX CRATA (161)

Selling full possession and 50% embryo interest.

Moreno Ms. Lady My Idol 768 is a result of countless hours and much positive energy put into the creation of what we think may be one of the finest gray females to carry the M check brand. This young show female is massive in her foot size, extreme in her heaviness of bone, and full of rib shape and volume. She is sired by JDH Mr. Manso 285/9, one of the proven and predictable JDH Remington Manso sons in the breed. This direct Remington granddaughter is from the donor Miss MK 6/577. She is a daughter of Mr. Diamond T 101/1, the 1999 International champion bull that is responsible for creating some of the finest gray Brahmans. We urge you to take a strong look at this female on sale day as you find a great show prospect with the ability later on to be a big league donor.

These four progeny are a direct result of one terrific mating! They have it all stacked in their favor. They have a red pedigree that is a "dream come true" to Moreno Ranches. These four calves offer the blending of the two breed greats in X-Ray 825 and the Winchester 999 bull. The result of the blending with these two great sires has created red Brahmans that are hard for us to imagine. Moreno Ms. Razzle Bedazzle 890 is very level and square out of her hip. This dark cherry red heifer is second to none in her disposition, and has the best of both worlds: A great look with a predictable pedigree. If you are looking for a future champion, then take a look here! Also consider your next herd sire in her three full brothers. They are made right, sound structured, and stem from a mating that was designed for greatness. Their dam is a half sister to the 2009 National Champion female, BB LP Enchanted Moment 910. She was unbeatable when she was being shown and was recognized as one of the great show females to ever exist. BB LP Wham Bam 913 is extreme in her heaviness of bone, foot size, and has a world of rib shape and capacity.

		BW: 2.9 WW: 18.6 YW: 28.6 MILK: 7.6

These seven embryo calves are sired by BB Bronson 299/3. During Bronson's show career he accumulated nine division wins in ABBA approved shows. This helped put both his sire and dam in the ABBA's Register of Renown. In 2006 following his show career, half interest was sold in him at the ABBA International Sale for \$35,000. This made him the highest selling animal to ever be sold in that sale at the time, and he still holds the High Selling Bull record. In 2012 Bronson sired BOTH the Grand Champion and Reserve Grand Champion Bulls at the World Brahman Congress. There is limited semen available on this sire.

Miss V8 652/6 is one of the leading donors at Moreno Ranches and her influence highlights The Brahman Catalyst 3 Sale. We used to get butterflies in our stomachs when we saw this donor cow. One thing we have realized is that the great ones seem to always leave too early. This tremendous female is recently deceased, but her legacy continues through her extensive embryo work. During this sale you have the opportunity to invest in her five daughters and two sons. Many Brahman enthusiasts have seen the success of the Thibodeaux family with showing their Mr V8 380/6 daughters. When we thought out this mating we felt good that Bronson crossed with this 380 full sister would work well. We hope you appreciate them as much as we do. They are very stylish and correctly made. Six are cherry red and one is gray. 652/6 just happens to be a full sister to V8 Mr 380/6. In the fall 2014 ABBA sire summary, 380 was a triple trait leader for weaning weight, yearling weight and ribeye area. He is a performance bull who still maintains style. He is heavy muscled, very attractive, totally balanced in his phenotype, expresses massive breed character, and most importantly - is totally athletic and structurally correct from every angle. These seven embryo calves represent the outcross infusion that the red Brahman breed has been waiting for.

JDH Mr Kabram Manso 434/8

One of the top Moreno Ranches junior gray herd sires is JDH Mr Kabram Manso 434/8. He was purchased as a yearling from the Bob Hudgins private herd. He is an amazing son of JDH Woodson De Manso 206/7 and from a Liberty bred cow.

He is moderate in his design, big footed, super deep bodied, masculine in his head structure, and has proven to be a low birth weight bull that produced very feminine and correct type females.

Moreno Ms. Lady Kyra 850 is an absolute great one in the making! This well made gray Brahman heifer has so much stacked in her favor. She is very moderate in her frame score, easy in her condition, and has the tremendous brood cow look to her. She is sired by one of the top junior gray Moreno Ranches herd sires, JDH Mr. Kabram Manso 434/8. This gray heifer is the epitome of greatness. She proudly represents everything that the M check brand stands for. She is massive in her rib shape, has that bold spring of rib, and yet is very maternal. We are certain you will be impressed with the balance, symmetry and poise of Moreno Ms. Lady Kyra 850.

We have this motto that whenever we come across a gray Brahman female that is super sound made with tons of performance and that has the amazing show look to her, then we try to make that investment. This heifer fits that statement and is one that is hard to part with. She is exceptionally good from the ground up and is impeccably well made. Moreno Ms. Lady Kiss Me 858 represents the good in what we strive to produce with our Brahman cattle. Her sire, JDH Mr Kabram Manso 434/8, is the prominent son of JDH Woodson De Manso 206/7 that continues to amaze with the quality of his offspring and how they always seem to rise to the top in their contemporary groups. Her dam is Miss B-F 292/2, who just happens to be a full sister to the ever-popular donor Miss B-F 201/9, who in turn is a daughter of the great +-GS Ms Mulhim Manso 314. There is a reason why this female is so good ... she was destined to be!

Bred 7.28.15 to JDH Mr. Manso 734/6.

A true sale feature and one of the great donors at Moreno Ranches is MR Miss Trienta 228. She made it in the Register of Renown this past year with a total of 15 calves registered (three bulls and 12 heifers) in the ABBA. One of her past calves was the top selling Moreno Ms. Mimosa at \$27,000 to South Florida Brahmans in the '14 Houston Sale. 228 is one of the most proven and predictable donors to represent the Moreno Ranches program. She is a daughter of Mr. Rexcrata 30 and from MR Miss Remington 12. This proven donor raised Moreno Ms. Lady Rambie Jo 410, a daughter of +TTT Mr. Texas Lotto 670. She was a top purchase by Lindsey Wilder and later was a class winner at the competitive 2014 AJBA All American Junior Show and went on to win it again at the 2015 AJBA All American Junior Show. Another daughter, Moreno Ms. Lady Rosalie 444 sold to Sorrel Panaro. She was named the Reserve Calf Champion at the 2014 Bluebonett "Kick-Off Classic." These daughters are a prime example of the producing ability found within this great donor and her heritage.

LOT 29 ... Moreno Ms. Lady My Way It Is 854 will be one of your favorites come sale day. She is a gorgeous gray female with a brown spot on her back. She is complete in her design, appealing from the side, and very feminine in her look. This daughter of +BNA The Deacon Manso 253 just happens to have one of the top Moreno Ranches donors as her dam, +GS Ms Mulhim Manso 314. The 314 progeny have always been in demand in this great breed. Moreno Ranches continues to have great success in creating offspring from the 314 donor. This young female has a very good chance of following in the footsteps of her mother.

LOT 30 ... Moreno Mr. Magic Mike 443 represents a program, a pedigree, and performance that he can be very proud of, while bringing attention to any program. This gray Brahman bull is absolutely perfect at any angle that you look at him. He is so level and square out of his rump, strong down his top, and very long and clean up through his front end. He is a known son of the great Moreno Ranches donor, +GS Ms Mulhim Manso 314. The 314 female has made a name for herself over the last few years for producing excellence, and this young son is no exception. He is a paternal brother to the Moreno Ranches senior herd sire, +Mr. KC Justice Manso 847. Another paternal brother, Moreno Mr. Macklemore 339, owned by Smith Brahman and John Goode, won reserve gray bull calf champion at the 2015 Houston International Show.

HK MISS AMERICA 1/322 (1/322LH)

Moreno Ms. Lady Real Interest 862 is a very upstanding and prominently made female that proudly represents the M check brand and the heritage for which it stands for. She is extremely long bodied with plenty of rib shape and capacity. Her sire is JDH Impression Manso 719/4, the known son of +JDH Mr. Elmo Manso that continues to amaze us all with the moderate birth weights, added growth, and calm disposition. Her dam is HK Ms. Passport 557, the daughter of HK Passport 777.

Moreno Mr. I Am The Man 417 is a true beef Brahman bull that any commercial or seed stock cattleman will appreciate on sale day. He is packed full of muscle and has the extra pounds needed to be a service sire of excellence. This beef bull is really something. No matter whether you are selling your calves by the pound or wanting to show them, his calves will be commended and compensated for their performance. He is the result of the blending of his sire, JDH Impression Manso 719/4, with his dam, Miss La Preciosa 207/1, who is sired by JDH Mr. Manso 991/4.

A tremendous herd sire that combines genetics and performance in one package with the rare added bonus of breeding gray-on-gray and cherry red-on-red, JDH Mr. Manso 991/4 is very dark pigmented and stands on very correct feet and legs. He is table-top level from his hump to his tail setting with more than adequate muscling. His calves are extremely thick, made with lots of bone and very clean in their makeup. When bred to red cows he is consistently producing dark cherry red calves. Whether you breed red or gray, this bull has exactly what you need. He is owned with our good friends, Lanier Brahmans, where he is their senior herd sire.

Moreno Ms. Lady Kelsie 852 is a beautiful gray Brahman female sired by JDH Mr Kabram Manso 434/8. He is the JDH Woodson De Manso 206/7 son that has several progeny offered throughout this sale. Her dam, Miss B-F 201/9, is one of the finest daughters of +-GS Ms Mulhim Manso 314, and was a private treaty purchase from Bennett Farms in Louisiana and Broad Head Farms in Mississippi. 201/9 is a prolific donor that continues to amaze us with her producing ability. She is a very fertile female that has the brood cow look to her with the femininity that we all can appreciate. She has 16 progeny registered in the ABBA, Colombia and Venezuela. She is one of the lead donors in the aggressive transplant program at Moreno Ranches. Her first natural calf is Moreno Ms. Spanish Olive 116, one of the most prominent Gray show heifers for Moreno Ranches. She has won multiple junior championship divisions and continues to impress the many that have seen her. Her latest accomplishment was producing the top herd sire Moreno Mr. The Profit 265. He was a top seller and is owned in partnership with Schneider Brahmans of Boerne, Texas. Her Powerstroke daughters were a highlight in the '14 Moreno Viva La Brahman Fiesta sale selling to RB Ranch at \$10,000, \$7,500, \$7,500, Finca Maria Olga at \$7,000 and \$5,000, Emma Martin at \$7000 and Lanier Brahmans at \$,7750.

Moreno Ms Lady Presumida 376, maternal sibling to Lot 38.

BB Bronson 299/3, sire of Lots 39 & 40.

This is a once in a lifetime opportunity to select from some of the breed's finest and for sure some of the very best genetics ever created at Moreno Ranches. Miss MK 7/634 has taken the entire Moreno team and stopped them in their tracks with her producing ability. No matter what she has been bred to, her calves are very big footed, super soft in their pasterns, and very heavy boned. Sired by the International Champion bull SRS Mr. Troubador 933, these future calves will be full siblings to the '13 and '14 ABBA show female of the year, Moreno Ms. Lady Reba 112. She is recognized by many as one of the all-time great red Brahman show females. Reba was crowned the '14 International Champion Female in Houston, '14 Fort Worth Stock Show Grand Champion, '13 ABBA National Show Grand Champion, '13 All American Grand Champion, among countless other championships. These future embryo calves have just as promising of a future. Buy with confidence as you invest in some of the breed's most proven bloodlines.

Embryos are non-sexed and frozen using the Direct Transfer (DT) method.

MISS MK 4/512	MR MK VERNON 350/1 (350/1) MISS MK 6/190 (6/190)	

These future calves will be some of the finest you can invest in. They are sired by +Mr. 3H X-Ray 825. The X-Ray calves have made a huge impact in our breed, and rightfully so. Their dam Miss MK 4/512 is the dam of the top selling lot of the recent 2015 Moreno Ranches Denim & Diamonds Sale, Moreno Ms. Lady Rock It 752. She is sired by JDH Impression Manso 719/4 and half interest sold to Mi Tierra Ranch for \$12,500. She was the 2015 Fort Worth Stock Show calf champion red female and has been consistently at the top of her class where she has been shown. It is a known fact around Moreno Ranches that Miss MK 4/512 is a big league donor that never misses, and her calves seem to always rise to the top of each contemporary group.

Embryos are non-sexed and frozen using the Direct Transfer (DT) method.

		BB MS "ON TARGET" 132/8
	+MS SS 126	+MR. V8 287/5
		JJ MS CINCO DIDOR 271

With multiple national and international grand and reserve championships, +SRS Mr. Troubador 933 is structurally correct and as sound as they come. Aside from his obvious eye appeal, the genotype behind 933 truly makes this red Brahman a force to be reckoned with. These embryos are from a proven red Brahman donor cow that is sired by the Register of Renown BB Mr Sting-Ray 10/0. She represents one of the strongest lines of cattle that our breed has to offer. Her dam is sired by the prominent sire, +Mr. V8 287/5 ("Superstroke"). There has been no other bull to have as much influence and domination in the U.S and International shows than him. He is undefeated 5 years in a row in the Get-Of-Sire at the Houston International show. He is noted as being one of the most widely used sires of all time. The first set of embryo calves from Miss SS 164 are on the ground now are certainly turning heads as they are getting older.

Embryos are non-sexed and frozen using the Direct Transfer (DT) method.

Ms SS 164, dam of Lot 49 embryos.

+SRS Mr. Troubador 933, sire of Lot 49 embryos.

+Mr 3X He's Got The Look 40/2 is the past '95 National Champion bull that won every show he was ever shown in. 40/2 is a legendary bull that has produced so many great ones over the years. Many of the distinguished Brahman breeders would say he is one of the most influential bulls from the 1990's. Currently one of his sons, LB Mr Derringer Manso 953/3, is being used worldwide in the breed and in Australia as well. This is a rare opportunity since his semen is rarely available. Their dam is TJF Miss Red Velvet 110/7, who was the 2008 International calf champion, the 2008 San Antonio reserve calf champion, 2008 National Show calf champion and the 2008 Rio Grande Valley calf champion. She was complimented as a show female for her excellent structure and superb balance, and she continues to impress the many that have seen her today. She now is creating progeny that follow that same pattern and excellent structure we so admire from her.

Embryos are non-sexed and frozen using the Direct Transfer (DT) method.

Selling 5 units (10 certificates)

This top young red sire has been destined for greatness since selling as a calf at the 2008 World Brahman Congress for \$25,000. In the past year Special Effort's offspring have taken the show ring by storm with 11 of them accumulating points. These winners include Moreno Ms. Lady Regal 740, who was the Reserve Calf Champion Female at both the San Antonio and International shows. As if his offspring's performance were not enough, his pedigree is equally impressive - combining two of the most influential bulls in recent times with +Winchester Magnum 999 and +Mr 3X He's Got The Look 40/2. As an added bonus this is one of the first times that this semen has ever been offered on the open market. Take advantage of this unique opportunity to buy a proven bull that could be one of the next influential breed changers.

Selling 5 units (10 certificates)

Mr. B-F 255/1 is one of the most sought after sons of +Mr KC Justice Manso 847 and from the leading donor at Broadhead Farms, Ms Lady H Ella Manso 876/6. Moreno Ranches showed and campaigned him throughout the country. In the Moreno Ranches '13 Catalyst Sale his semen was the top lot during a special offering, which Bob and June White of RW Ranch, and Junior Lanier of Lanier Brahmans, purchased. This time we are offering you an opportunity to acquire five units on this up and coming herd sire that is now being used in the Lanier, RW and Moreno programs.

The semen on BB Mr Legatus 222/2 is no longer on the open market. This darker pigmented bull has so much to offer. His calves seem to be the overachievers within their contemporary groups and are always the ones that stand out. He has 34 progeny registered in the United States, in which they have certainly made an impact in the Brahman breed. His sire, +Mr 3H X-Ray 825, has been successfully used around the country and is one of the finest and most proven sires of our time.

Here is a sire with a complete outcross pedigree to most established lines that stems from a very maternal line of cow families. He is a powerful performance bull and his progeny are at the top in terms of weaning and performance. He is massive in terms of performance, super sound in his structure, and very prominent in his stance.
