WELCOME

Our family would like to welcome and extend a special thank you to everyone that has taken the time to read through the catalog, stop by the ranch, or called with interest regarding the 2026 Spring offering at PCC.

This Spring's offering is without a doubt the most diverse and elite set of genetics to be offered at Pembroke Cattle. As you read through the catalog you will notice that every lot offered has their own unique history of success in their pedigree, either in the show ring or in the donor pen and is the product of cutting-edge genetics. One thing we would like to note, and as many of us that raise cattle and have shown cattle know, these animals go through different stages in timing and maturity as they grow and age. We would encourage everyone to really study their lesson as they go through the offering. Every year there are hidden gems in the sale that end up either winning one of the big shows or becoming big time donors and high revenue generators and this year is no different.

At Pembroke Cattle, our success is still based on "Great Cattle, Great People, and Strong Relationships equaling Incredible Results"! We appreciate all who made us who we are today and, as always, we look forward to making those same kind of relationships with our new friends and customers. One thing that we never take for granted is what a blessing it is to be in an industry that still promotes and rewards the core values and principles that we have grown up with, where sharing your faith in God and your love for your country are not just expected but applauded.

In conclusion, if myself, Bret, Bryson, Derrick, or Matt can be of any assistance please do not hesitate to call or come by. We take every call and question very seriously and it is our goal to put you on the right path to the genetics that best fit your goals for the future. We appreciate your friendship and your faith in our program!

PEMBROOK SPRING PRODUCTION SALE

MARCH 28, 2026 AT 12:30 PM

SELLING **66** LOTS

ANGUS • CHIANINA • SIMMENTAL • % SIMMENTAL • LIM-FLEX
 MAINETAINER • MAINE ANGUS • RED ANGUS

Dear Friends and Fellow Breeders:

Welcome to the **2026 Pembrook Cattle Co. Spring Production Sale**. This sale has become one of the top events of the spring in terms of offering multiple breeds that accumulate success in the show ring and the pasture after sale day for their customers, and this is their largest and deepest offering to date and one I know Travis would be very proud of! This unique offering is once again the effort of forward-thinking seedstock producers with an eye for cattle that can compete in any venture. Pembrook Cattle Company has worked toward the goal of assembling an offering of elite show heifer prospects, an exceptional donor, and frozen genetics that represent the best of all breeds.

Travis and Beth Pembrook have always gone the extra mile in terms of customer service to maximize the success of the juniors while making it a learning experience as well and that tradition will continue with Beth, Bret, Bryson, and Derrick and Rylee. They truly are about "putting good cattle together with great people", and the lasting relationships with their customers and the past and current champions they have bred and sold are a testament to this fact.

MATT C. SIMS

These females and bulls combine performance with excellent phenotype to become competitors at any level in the industry. The genetics represented from all breeds in this offering, on both sides of the pedigrees, are second to none and are, in many cases, daughters of or full or maternal sibs to some of the most highly valued and successfully shown females in the country. This is a well-balanced offering, and quality is present throughout. These show heifer and donor prospects are halter broke and started. Whatever breed/s you are interested in, you will find something to your liking in this special sale.

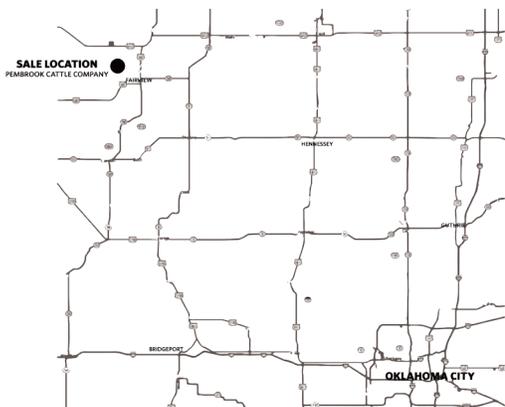

I encourage each of you to evaluate your own situation and goals, and on **Saturday, March 28**, take advantage of the knowledge and cutting-edge efforts of PCC and their program. Please join us on Friday to preview the cattle, participate in the judging contest, and enjoy great food and fellowship that evening. If I can be of assistance to you, please let me know.

Sincerely,

Matt C. Sims

HERD HEALTH

Cattle will be accompanied by proper health certificates needed for immediate transport. All females have been brucellosis vaccinated

GUARANTEE

The cattle sell under Suggested Terms and Conditions of the breed association that applies to each lot. (American Angus Association, American Chianina Association, American Maine-Anjou Association, American Red Angus Association, American Shorthorn Association, and American Simmental Association.) Exception: Females are guaranteed to breed or produce at least three transferable embryos. If female is evaluated by a licensed veterinarian and is considered obese, breeding guarantee is voided.

REGISTRATION CERTIFICATES

Animals will be transferred to the buyer at the seller's expense. Each buyer must be sure to give the sale clerk the proper name and address for making transfers. All calves born before the sale are to be registered by the seller; proper breeding certificates will be signed for the buyer to use in registering calves born after the sale.

ABSENTEE BIDS

Real-time bidding will be available via the internet through the CCI.Live website. Be sure to register to bid prior to the sale. You may also contact the owners, sale manager, sale consultants or any member of the sale staff to place a bid if you will not be able to attend the sale.

TRUCKING

Randy Lathrop, (847) 910-4673, and Tom Snell, (580) 374-4168 are reliable options. Let us know if you need assistance with your trucking arrangements.

INSURANCE

Insurance for your purchases will be available sale day at the clerk's desk. We recommend that insurance be obtained on lots purchased.

- Style and uniqueness! This young female creates a captivating look and is still bold bodied and powerful from her forerib back through her hip. Her look indicates showing success, and her body type is built for production value. Power, presence and performance! Adding to this, she is correct in her structure and functional making her a big-time show and donor prospect!
- Eligible for the San Antonio Simmental and Simbrah Super Bowl.
- Sells open.

LOTS 1-4

- The donor dam of lots 1 thru 4 PCC JSUL PROUD MARY 1532J, was a many-time champion for Breckyn Bloomberg, including being named Reserve Grand Champion Purebred Simmental Heifer in the 2022 NAILE Open Show; Reserve Grand Champion Purebred Simmental Heifer in the 2023 Cattlemen's Congress Junior Show; 5th Overall Heifer at the 2022 World Beef Expo Junior Show; Reserve Champion Purebred Heifer at the 2022 Illinois Junior Simmental Show; and Res. Division Champion at the 2022 Illinois State Fair.
- The maternal grandam of lots 1 thru 4, JBSF Proud Mary, is becoming one of the most consistent donors and top income generators for Sullivan Farms and PCC. The Proud Mary name carries as much regard and recognition as any cow family within the Simmental breed and these flush sisters should add to that legacy.

EMBRYOS

- One-half interest in the dam of this mating originally sold to Sullivan Farms for \$75,500 as a heifer calf before selling in her entirety as lot 1 in the fall 2022 PCC Sale for \$42,500.
- A maternal sister to this mating was the \$50,000 selection of Lane Toledo from the 2023 Fall PCC Sale and found her way to the backdrop on multiple occasions, while another maternal sister to these embryos was named Division 2 Champion at 2021 National Junior Angus Heifer Show for Jelani King after also winning her class at the 2021 Cattlemen's Congress and co-topping the Angus offering of the 2021 Limited Edition Sale at PCC at \$29,000. That same daughter was the Angus Bronze Medallion winner at OYE.
- Two flushes have been sold from 430E for \$12,500 in the 2021 PCC Fall Sale and \$12,000 in the 2020 PCC Fall Sale and her embryos have been among the high sellers in our online sales.
- In the 2020 Pembroke Cattle Fall Production Sale the grandam of lot 24, Evening Tinge 226 8001, sold for \$14,000 to Duane Miller, Millersburg, OH as an 8-year-old cow after first being valued at \$60,000 when 1/2 interest was selected in the 2017 PCC Production Sale by Mark and Connie Randol for \$30,000. During her years of production at PCC, PCC Evening Tinge 226 8001, generated an average of \$110,000 per year in progeny sales!
- The sire is SO Remedy 7F, the record setting Simmental bull that sold for \$530,000 in the 2021 edition of Embryos on Snow in Oklahoma City to Freking Livestock of Alpha, Minnesota before being selected as the 2021 Cattlemen's Congress Grand Champion Simmental Bull.
- Selling four sexed female IVF embryos with a guarantee of at least one pregnancy to result if implanted within one year of purchase by a certified embryologist.

- In the fall 2025 Sullivan Online Sale on SC, a full sister to lot 25, SSUL HOW BOUT HER 5269N, sold for \$226,500 with another full sister selling for \$26,000 in that same sale.
- In the Fall 2025 PCC Production Sale two maternal sisters to lot 25 grossed \$90,000 to average \$45,000 and included the \$70,000 SSUL PCC How Bout It 5286N.
- The maternal grandam of lots 25 is the famed 'Ratliff heifer', Riverstone Charmed, better known as "Larissa" who set the show ring on fire in 2016.
- The foundation third dam of lots 25, HSF Your Fantasy, is also the dam of the great Riverstone Crown Royal bull and has become known as one of the breed's most notable purebred donors. In the Fall 2022 PCC Sale, three daughters of HSF Your Fantasy grossed \$88,000 to average \$29,333 and included the \$45,000 PCC JKSM Fantasy 506K.
- It's absolutely no secret what this cow family has done over the past few years within the Limiflex breed and in the Supreme drives at major shows across the country. Descendants of this cow line have completely dominated the show ring and far beyond.
- The sire of lot 25, BNWZ Dignity 8017, was many time champion while he was being campaigned by Austin Nowatzke and his progeny are elevating him to Insight's most dominant son in terms of producing profile and value! He produced extremely high sellers for Nowatzke, Boyert/Core & Sweeney!

- Influence began in 2024 as a small Bible study group of like-minded men who shared a love for the Lord and cattle. Travis was very proud to have been a part of that group. Before his passing, Travis kept telling us there was a "project" that needed to get rolling to help change people's lives. After much thought and discussion among our family, Travis' friends, and the Influence Bible study group members, the "project" finally kicked off in January of 2026 with the launch of Influence Livestock Ministries, an industry-wide ministry with one goal in mind.... spreading God's Word.
- Influence Livestock Ministries made its debut at the 2026 Cattleman's Congress, and the leadership of Influence Livestock Ministries has big plans to continue the ministry's mission! You can look for the Influence booth at many shows, including multiple breed junior nationals throughout the summer! At our booth you can find free Bible's, Influence merchandise, and an Influence Livestock Ministries member who is happy and willing to talk about God's word. Influence leadership is also in the process of establishing opportunities for Bible study groups for youth and young adults. As we have more information we will be sure to share that here!
- If you are interested in how you can get involved or support this discipleship ministry, please reach out to us and we will get you connected!"

- Starting at her base, this female is big footed, stout featured and wide constructed. Her extra volume and openness of skeleton reads with low input and ease of keeping.
- The \$100,000 donor dam of lot 55, UDE Ellie 9230, like this daughter, is a true outlier for stoutness, look, and shear presence from one of the most successful matings to ever carry the UDE prefix...EXAR Blue Chip 1877B x SLL Ellie 2201. This mating yielded two of the most popular Angus heifer calves to sell during the 2019 sale season and includes the aforementioned dam of 55, UDE Ellie 9230, who was the 2020 NWSS Division Champion for Sara Sullivan, prior to being named 2020 NJAS Grand Champion Owned Female. - The front pasture kind with tons of rib and volume. 110N is awesome in her body design and shape. From behind, she offers width and dimension, and at the surface she is correct and flexible off both ends of her skeleton.
- One-half interest in the dam of lot 58 originally sold to Sullivan Farms for \$75,500 as a heifer calf before selling in her entirety as lot 1 in the fall 2022 PCC Sale for \$42,500.
- A maternal sister to lot 58 was the \$50,000 selection of Lane Toledo from the 2023 Fall PCC Sale and found her way to the backdrop on multiple occasions, while another maternal sister to this lot was named Division 2 Champion at 2021 National Junior Angus Heifer Show for Jelani King after also winning her class at the 2021 Cattlemen's Congress and co-topping the Angus offering of the 2021 Limited Edition Sale at PCC at \$29,000. That same daughter was the Angus Bronze Medallion winner at OYE.
- Two flushes have been sold from 430E for \$12,500 in the 2021 PCC Fall Sale and \$12,000 in the 2020 PCC Fall Sale and her embryos have been among the high sellers in our online sales.
- In the 2020 Pembroke Cattle Fall Production Sale the grandam of lot 58, Evening Tinge 226 8001, sold for \$14,000 to Duane Miller, Millersburg, OH as an 8-year-old cow after first being valued at \$60,000 when ½ interest was selected in the 2017 PCC Production Sale by Mark and Connie Randol for \$30,000. During her years of production at PCC, PCC Evening Tinge 226 8001, generated an average of \$110,000 per year in progeny sales!

- Here's a new age feature Red Angus sire for PCC, Brown Farms, and 74/51 Cattle Company. Red Wave is a perfect representation of what our programs are trying to produce when it comes to Red Angus Cattle.
- Our goal has been to breed our Reds with a "from the ground up" mindset. Excellent shaped feet along with an impeccable structure that's shows our cattle are built for the long haul is a constant goal for us and that is exactly what we have in Red Wave!
- Red Wave also boasts an incredible look when out on the shavings. Judges and breeders have admired the added power and base width that Red Wave possesses out of his hip. To go with that Red Wave is long sided with extra volume and capacity along with having commanding look at me pattern, profile and front 1/3.
- We also could not go on without mentioning the dam of Red Wave, Rojas Valentina, aka Sassy who was crowned Red Angus National Champion Female at the 2021 Cattlemen's Congress. Sassy had a dominating show career and has continued her domination as one of the breed's elite young donors. Already producing many champions and high sellers! - In a very short period of time, John Wick had not only proven his potency within his progeny, but he had also come to the end of a legendary life lost too soon. As years have passed, very few have had the opportunity to utilize him within their own breeding programs. His semen has consistently been garnering \$2,500 to \$3,000+ per unit, allowing only the most motivated buyers to access him genetically. Wick has proven the test of time, creating both male and female offspring that highlight the breeding stock of many purebred operations throughout North America. Several sons have entered the semen trade, and his daughters are arguably even more valuable within their respective herds. You'll find impeccable feet, refined, square bags with longevity, the most progressive & potent structural build of any Red Angus herd sire to date, while covering the basics of a low maintenance, efficient kind with added look.
