We couldn't decide which heifer we wanted to keep and which to sell, we like them that much. So we are going to let you decide. Their dam, Manuela, needs no introduction, she is writing chapters in the history books. Her daughters do well on the show road and breeders love them in the pasture. Their sire, Unite Together, has been gaining popularity with the calves he is siring. These sisters, AUTO Clair 256C and AUTO Carlotta 253C, exhibit the style, bone and genetic stability to be a force to reckon with. They are also flushmater sisters to the Sugar Bush heifer that sold in the 2015 Sullivan sale for \$10,000 going to Bushy Park Farm of South Dakota. The choice is yours April 30.

Stop and look at this Countess. She will be competitive in the ring with her muscle shape, capacity and free-moving wheels. This is true Limousin cow power at its best. Look at her dam's side of the pedigree, her maternal grandam is the famed EXLR Luvly 084F, the cow Express made famous with her daughters and sons that took home banners.

This Manuela daughter brings a different twist to her Lim-Flex pedigree from the sire side. You can't go wrong selecting a Manuela daughter. They always deliver the goods.

Selling Choice

Lot 25 Added Feature

We had the Lexington heifers all picked out when James came in one day excited (well as excited as James can get) about the November and December darlings. So we headed back out to the pasture to take a look. James was right, this is an excellent group of young heifers. We decided to add this opportunity for Lexington heifers and let you choose your favorite from this group of 12 elite heifers. If you'd like more details on these heifers, call Ty or James, they'll fill you in.

OFFERED BY: BUCK RIDGE LIMOUSIN
 Due 8.25.16 to MAGS Zodiac (HB/HP)

Buck Ridge is proud to offer buyer's choice on these two Lim-Flex flushmate sisters. These heifers prove there is something magical that happens when the Angus genetics of Connealy Consensus 7229 are crossed with a purebred Limousin cow. They are out of the purebred donor, MAGS Romancing the Stone, who is sired by TNUH Blue Print 245H and out of the great MAGS Lady Doctor. Both heifers are homozygous black, homozygous polled and great numbered. They have a MB of .51 and \$MI of 71 which are both in the top 4% of the breed. They also have strong maternal appeal with a MK and TM in the top 15%. These powerful females are feminine fronted with a lot of muscle and rib shape. Both are due for early fall calves sired by the huge-numbered, performance breeding bull, MAGS Zodiac. MAGS Zodiac offers double-digit calving-ease with a CED of 14, top 2% growth at 88 WW, and top 1% YW at 144. These females have proven themselves on all levels of production thus far and we believe the future is limitless.

OFFERED BY: **M&R LIMOUSIN**

Sells with a registered HB/HP Lim-Flex cow: MIDL 415B (LFF2050701), (HBRL Winner x Rulon). The dam of this mating, AUTO Play Day, is an own daughter of G A R Predestined and the famous Rebecca 292S cow, and a full sib to AUTO Will Power. The sire, Highland Boston, is a Canadian-bred purebred bull out of MAGS War Admiral. Boston was a past high-selling bull in Canada and his calves will be some of the first born in the U.S. He was campaigned successfully in Canada and was a many-time Champion. Calf is due 9/12/16.
