## {JUNIOR BREED BACK PROGRAM}

If a junior exhibitor buys a heifer from Moreno Ranches, we are committed to assist the junior in breeding the heifer when she is of age. Heifers can be brought back to the ranch and we will A.I. or naturally breed the heifer to one of our herd sires at no cost to the junior. Cattle must be insured in order to qualify for this program.

## {JUNIOR SELL BACK PROGRAM}

This program gives juniors an opportunity to sell their heifer when they are 2-3 years old in our annual production sale. In order to qualify for this program, heifers must be bred or have a calf at side at the time of the sale. The sale management team must approve the consignment prior to the sale. Moreno Ranches will be responsible for all marketing. Standard commission fees will apply.

Moreno Ms. Lady Ritz On 544 without a doubt can easily be one of the very best Brahman females ever created at Moreno Ranches, and to carry the M check brand. Her sire, HK Passport 777, is the red bull that positively influenced the Brahman industry throughout the 1990's. As described by Dinah Weil, he is "a bull of a lifetime." Such as this young heifer, his genetics are still impacting the breed today through a select few of his progeny. His genetics have been a powerful influence, and the success of his progeny today has shown just how important he was to the industry and how his legacy lives on. The dam of Moreno Ms. Lady Ritz On 544 is the uncompromised and elite donor "314." +GS Ms Mulhim Manso 314 has and continues to make her mark in the breed and for sure at Moreno Ranches. 314 was a landmark donor in the Bennett Farms program in Choudrant, LA. She has produced 14 females and two bulls in their program and has entered Register Of Renown status in the ABBA registry. The 314 donor came to the Moreno Ranches as a leading private purchase and the progress and greatness has only just begun. A maternal sibling to 544, B-F 292/2, was a sale feature of the 2013 International Brahman sale at \$23,000. We think Moreno Ms. Lady Ritz On 544 is a heifer that is big time in terms of lineage and has show potential that is just as exciting. She is a maternal sister to the \$10,000 valued female Moreno Ms. Lady Fair Play 434. She was a top purchase in the '14 Moreno Ranches Viva La Brahman Fiesta Sale by Rodrigo Lainfiesta of Finca Maria Olga in Guatemala. Other maternal siblings sold in the Moreno Ranches All-American Summer Sale to J.D. Hutchins, Inc.-Goudeau division, Circle M Bar Farms, and Bentke Cattle Company. Moreno Ms. Lady Ritz On 544 will be campaigned throughout the breed by the experienced and professional show team that proudly represents Moreno Ranches.

Moreno Ms. Lady Rosalie 444, a full sister to Lot 2.

Highlighted in the Moreno Ranches Catalyst 2 Sale is Moreno Ms. Lady Roberta 468. She is a paternal sibling to the 2013-2014 ABBA Red Show Cow of the Year, Moreno Ms. Lady Reba 112. She was the '13 All American Grand Champion, '13 Fort Worth Show Grand Champion, '14 Reserve International Champion and '14 All American Reserve Grand Champion. 468's maternal sister highlighted the '14 Moreno Ranches Viva La Brahman Fiesta Sale and sold for \$50,000 to South Florida Brahmans in Miami, FL. Moreno Ms. Lady Roberta 468 is a full sister to Moreno Ms. Lady Rosalie 444. She sold to RW Ranch in Indiantown, FL for \$11,500, and was recently crowned Reserve Calf Champion at the '14 Bluebonnet Kickoff Classic. A maternal sister, Moreno Ms. Lady Rambie Jo 410, was purchased for \$6,500 by Lanier Brahmans in Okeechobee, FL. Moreno Ms. Lady Roberta 468 is a definite feature of this prestigious sale. She is a known daughter of #CIGSA MR 162/0, the Venezuelan imported bull that has only 6 daughters recorded in the ABBA registry. The 162/0 influence was added to the long running Moreno Ranches genetics because of his outcross pedigree. In Venezuela, his daughters have that extra muscle and are females with clean underlines that milk well, have small teat size, and very uniformed placed udders. We so appreciate the color and beauty of this heifer. She has that golden red color and is very youthful in her look and prominent in her stance. Her dam is a maternal half sister to the Moreno Ms. Lady Royal 238, the 2014 San Antonio Livestock Exposition Calf Champion for Jacob Valenta of 4V Ranch in Alleyton, TX. This young show heifer prospect is flawless in her structure and very admirable in her design. We appreciate her softness of her pasterns and fluidity of movement. This young female represents a legacy that has been built on a solid foundation and stands for only the finest in genetics and the power of performance.

Sharing the herd is exactly what Moreno Ranches is doing. They are offering for sale one of their top donors, MISS MK 6/577. She is the daughter of Mr. Diamond T 101/1, the '99 International Champion bull that is responsible for creating some amazing daughters in our great breed of cattle. 6/577 has certainly made her way to the featured donor pen at Moreno Ranches over the last few years and here is why. Lindsey Wilder, Williston, FL purchased a daughter for \$5,750 in the '13 Moreno Catalyst sale. Her other progeny highlighted the '14 Viva La Brahman Fiesta Sale and were widely accepted. A daughter by 204/2 was purchased for \$5,000 by Triton Farms and one son for \$5,000 by Red Barn Ranch and one son to Kipp Cooper at \$5,750. Don't miss this rare opportunity to own an incredible, proven donor.

# IMPRESSION MANSO 719/4

JDH Impression Manso 719/4 is one of the greatest sires to ever exist at Moreno Ranches. He is a proven sire, whose dam has 11 progeny that are working in the JD Hudgins program. His dam is a big maternal and powerful broody female, sired by +JDH Charley's Jazz 946/1. 719/4 is that unique sire that combines tremendous bone, extra muscle and substance and is very calm in his disposition. This known son of +JDH Mr Elmo Manso has proven his worth and we think you will agree when you evaluate his progeny highlighted in this sale. Selling are 4 daughters and 1 herd sire prospect.

JDH Mr. Dwayne Manso 837/3 is another sire produced by the (=)JDH Prescott Manso 82/6 bull. He consistently produces high quality sons and females with one of the better strike rates of any bull you will find. Extremely thick and beefy, clean is his make-up and underline, he was super sound and correct. Dwayne is another bull that was unusually gentle and passes that trait on to all of his calves. Out of one of J.D. Hudgins best and most prolific JDH Mr 204/2 YL daughters, Dwayne brings that extra maternal edge from his dam's side of his pedigree.

With genetics from both the V8 and Manso lines, Bennett Farms meant business when breeding Mr. KC Justice Manso 847/5. A long bodied, straight-lined bull, 847/5 will certainly add size, performance and profit to any herd. The Justice herd sire has certainly made his mark in the Brahman breed as one of the top service sires. Justice is massive in his foot size, very soft in his pasterns and fluid in his movement. Highlighted here are some of his finest progeny that Moreno Ranches has to offer.

HERD SIRE PROSPECTS

MORENO MR. RANCHERO

Selling half interest with option to double

Moreno Mr. Ranchero 205 has been hand picked as one of the favorites by the crew at Moreno Ranches. He is a dark red Brahman bull that will just take your breath away. He is super big footed, soft in his pasterns and very correct in his stance. He is a son of MR CC Sultan 411/8 and from a daughter of HK Mr America 61/9. This herd sire is super straight lined down his top and out of his rump. He is extreme in his depth of body and has the overall mass needed to create offspring in volume, thus making a uniform calf crop for the new owner.

Moreno Mr.

Selling 100 units and half breeding rights

Mr Slugger 12/7 is one big time proven herd sire that will make you stop in the pasture when you see him for the first time. He is massive in his amount of rib shape and volume, extreme in his muscle pattern and very appealing from the side profile. His calves have been widely accepted at Moreno Ranches where his son Moreno Mr. "The Profit" was a top seller and purchased by Schneider Brahmans, Boerne, TX.

Mr. Slugger 12/7 is a bull that has an outstanding pedigree. His sire is the JDH Mr. Deeds Manso 53/4 that is an outstanding herd sire for the J.D. Hudgins ranch. On the bottom side of 12/7 pedigree is JDH Lady Nissan Manso 898/3. This cow is presently being used as a donor cow at the Ganadera Karla Mary Ranch. The genetics in 12/7 pedigree are powerful with names such as JDH Prescott, JDH Lady Ellis, JDH Liberty, and JDH Remington just to name a few. The young calves we are getting from 12/7 are really strong and beautiful. We hope that when you consider all 12/7 brings with his breeding program that you will give him a try with your herd.

+HK Mr. America 61/9 "The Millionaire" revolutionized the Red Brahman industry. In the Register of Renown, he is known as the "Chairman of the Board." The Millionaire was the 1982 National Grand Champion. He proved himself not only in the show ring, but more importantly has sired a multitude of champions unlike any other Red Brahman bull in the history of our breed. These HK bred females represent the genetics found within this great herd proven herd sire. The Millionaire bloodline continues to produce cattle in high demand around the world. Take a close at these three brood cows and consider adding them to your program. The proud represent the heart of the herd at Moreno Ranches.

## SEMEN LOTS

MR 3X HE'S GOT THE LOOK

MR B-F 255/1

MR 3X THE HERD BULL

'+Mr 3X He's Got The Look 40/2 is the past '95 National Champion bull that won every show he was ever shown in. 40/2 is a legendary bull that has produced so many great ones over the years. Many of the distinguished Brahman breeders would say he is one of the most influential bulls from the 1990's. Currently one of his sons, LB Mr Derringer Manso 953/3, is being used in Locke Brother Red Brahman program and is widely influencing the breed in Australia as well. This is a rare opportunity to invest in this great herd sire, as the semen is very limited.

Mr 3X "The Herd Bull" 20/3 is a truly amazing beef bull.....he has it all stacked in his favor and stands for exactly what we need to create in the Brahman breed. Of the three brothers of his time (20, 30 and 40) he was considered by many to be the most prolific herd sire of the three. His sire, +3X Torgsons Red Dynasty, is a creation of Emily Diah. He combines the best of pedigrees of the 80 and 90's.

MR B-F 255/1 is one of the most sought after sons of Mr KC Justice Manso 847 and from the leading donor at Broadhead Farms, MS Lady H Ella Manso 876/6. Moreno Ranches showed and campaigned him throughout the country. In the Moreno '13 Catalyst Sale his semen was the top lot during a special offering, which Bob and June White of RW Ranch, and Junior Lanier of Lanier Brahms purchased. This time we are offering you an opportunity to acquire 10 units on this up and coming herd sire that is now being used in the Lanier, RW and Moreno programs.

This is a rare opportunity to purchase semen on one of the most consistent show winners of his time. During Bronson's show career he accumulated nine division wins in ABBA Approved Shows. This helped put both his sire and dam in the ABBA's Register of Renown. In 2006 following his show career, 1/2 interest was sold in him at the ABBA International Sale for \$35,000 making him the highest selling animal at the time to ever be sold in this sale and he still holds the High Selling Bull record. In 2012 Bronson sired BOTH the Grand Champion and Reserve Grand Champion Bulls at the World Brahman Congress. There is limited semen available on this sire. There needs to be a sense of urgency when it comes to investing into positively influencing your cowherd....he is certainly the one to consider.

The semen on BB Mr Legatus 222/2 is no longer on the open market. This darker pigmented bull has so much to offer. His calves seem to be the overachievers within their contemporary groups and are always the ones that stand out. He has 34 progeny registered in the United States in which they have certainly made an impact in the Brahman breed. His sire Mr 3H X-Ray 825 has been successfully used around the country and is one of the finest and most proven sires of our time.

Here is a sire with a complete outcross pedigree to most established lines that stems from a very maternal line of cow families. He is a powerful performance bull and his progeny are at the top in terms of weaning and performance. He is massive in terms of performance, super sound in his structure and very prominent in his stance.
