## FROM BALAMORE FARM

**We are proud to welcome you to the Shoreline Female Sale.**

This event has been built around shared values, long-standing relationships, and a common goal of offering quality females that reflect the strength of our breeding programs.

We're fortunate to be joined by a group of dedicated guest consignors whose cattle speak to the same standards of function, type and consistency we aim for in our own herd. Working together has made this sale a true team effort, and we're proud of the offering that's come together.

We truly appreciate your interest and support. The heifers are available for viewing anytime leading up to the sale, and we'd be glad to have you stop in for a visit.

***THE COOPER FAMILY***

# A NOTE ON DELIVERY

We understand that the idea of getting your females from Nova Scotia to your pasture may seem daunting, but we at Balamore are well versed in how to get it done not only simply and efficiently, but at an extremely low, fixed cost as listed below:

Quebec and Ontario: \$250 CAD    Manitoba to BC: \$500 CAD    USA: \$750 CAD

# FROM THE DESK AT T BAR C

The 2025 edition of the Shoreline All Breeds Female Sale promises to be a true feature of the fall sale season. The lineup is not just a random assortment, it has been a conscious effort from all the consignors over the last couple years, with a single-minded focus of offering nothing but the best. The team at Balamore has truly gone above and beyond to source cattle in the upper echelon of what the Maritimes has to offer. I would highly encourage that if you have not already done so, make time to visit Great Village and truly see the world-class operation that the Cooper family has forged.

If you are someone that has been lucky enough to visit Balamore Farm, you will know just how good the cow base is. Across all breeds, the females of the program are what has not only built the Balamore brand, but have propelled them to host one of the top bull sales not only in the Eastern part of the world, but all of Canada. They are backed by and bred to some of the most current, fresh, and dependable genetics you can find on the modern market, and come at you in high volume. In a tremendous effort to add even more depth to this event, you will

see involvement from numerous producers located throughout the Maritimes. While they represent many different breeds, the one thing they all have in common is that they are only bringing the best to portray their program. We have personally selected and toured all off the farms included in the Shoreline, and are really looking forward to seeing how they all come together on sale weekend, as the quality at selection time was second to none. The team at Balamore truly needs to be commended for their passion in purebred cattle. They are meticulous when it comes to detail, which presents itself both in quality of cattle and their state-of-the-art facility. We at T Bar C believe this sale has all the makings of being one to remember, we really encourage you to join us on the coast at the beautiful sale barn for good food, great atmosphere, and fantastic cattle.

#### **TERMS**

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

#### **CERTIFICATE OF REGISTRATION**

Each animal will carry papers issued by the appropriate breed association, unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

#### **HEALTH**

All animals in the sale have met all necessary health requirements.

#### **GUARANTEE**

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the appropriate breed association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

#### **PREGNANCY INFORMATION**

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service|

#### **PEDIGREE ESTIMATES**

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

#### **LIABILITIES**

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

#### **DELIVERY**

Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

#### **PHONE, MAIL, WIRE BIDS**

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

#### **INSURANCE**

We strongly recommend that insurance is purchased for full value.

#### **ERRORS**

All announcements at sale time, written or oral, supersede any written material in the catalogue.
