SELLING 42 REGISTERED LIMOUSIN & LIM-FLEX LOTS ...

Open Show Heifers • Spring & Fall Bred Females • Open Yearling Heifers
Spring & Fall Pairs • Rugged Breeding-Age Bulls

SALE ACCOMMODATIONS ...

La Quinta Inn & Suites, 2000 10th St., Bridgeport, TX 76426	940.683.2040
Comfort Inn, 2302 10th St., Bridgeport, TX 76426	940.683.5777

DIRECTIONS ...

FROM GAINESVILLE: Take FM 51 South to Decatur. In Decatur, take Hwy. 380 West toward Bridgeport. Half way between Decatur & Bridgeport you will take FM 1655 North. A little over 1 mile & take a left onto CR 1326. It will be about half a mile on the right.

FROM FORT WORTH: Go North to Hwy. 287. Take Hwy. 287 to Decatur. In Decatur, take Hwy. 380 West toward Bridgeport. Half way between Decatur & Bridgeport you will take FM 1655 North. Go a little over 1 mile and take a left onto CR 1326. It will be not quite half a mile on the right.

AIRPORTS ... Dallas Love Field is 72 miles to Bridgeport. Dallas-Fort Worth is 52 miles to Bidgeport. Oklahoma City Will Rogers is 155 miles to Bridgeport.

SALE NOTES ... Open heifers with the Lone Star Shoot-Out are eligible to compete in the 2015. Lone Star Shoot-Out held in conjunction with the Fort Worth Junior heifer show. The Lone Star Shoot-Out is a futurity sanctioned by the Texas Limousin Association for Texas 4-H and FFA members and is funded by consignors of nominated heifers. The 2014 prize was \$7,000 with \$2,000 going to the champion, \$1,500 to reserve and the remaining \$3,500 paid down through the classes. They also are eligible for the Oklahoma Leading Ladies Show.

SALE ORDER & SUPPLEMENTAL INFORMATION ... The sale order and supplemental information will be posted at www.RRMktg.com for your convenience Wednesday, January 28th.

SALE TERMS & AGREEMENTS ...

GUARANTEE ... All cattle sell under the standard guarantee of the North American Limousin Foundation
EPDs ... EPDs are current as of January 2015.

TERMS & CONDITIONS ... Terms of the sale are cash unless satisfactory credit arrangements have been made prior to sale. A representative will be on hand sale day if your wishes are to insure your purchases. Please note: The sale manager is only an agent for the seller and has no responsibility other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the sale manager nor Stowers Limousin assume liability, legal or otherwise for any accidents which may occur.

SIGHT-UNSEEN PURCHASE AGREEMENT ... If you are unable to attend the sale and want to speak with anyone involved with the sale, please don't hesitate to call. The marketing agents, owners or manager will provide you with a complete satisfaction guarantee on the cattle selling.

TRUCKING ... A trucking company will be on hand sale day to assist with any trucking needs. The Stowers family appreciates your business and will see to it that the cattle will be delivered to several central locations to accommodate anyone who lives throughout the US and Canada.

FINANCING ... For financing options, contact Jason Gaston at 817.247.8011 or R&R Marketing Company at 615.330.2735.

PAYMENT ... All cattle must be paid for immediately following the conclusion of the sale. R&R Marketing Company will be accepting credit cards the day of the sale.

SBLX XTRA SPECIAL COW FAMILY

Morris

Selling 50% semen interest and Fall possession

LSTO Built Tough 4817B is one of the top herd sire prospects to be offered for sale in a long time. He is a son of EBFL Ypsilanti 420Y, the \$100,000 valued sire and son of TC Aberdeen from the once national champion MAGS Ramada. His first calves are on the market and given the interest seem to be in very high demand. His dam SBLX Xtra Special is the daughter of the national champion DHVO Deuce from MAGS Manuela. She was a prominent show female for Lauren Stowers and earned the prestigious title of supreme champion of the San Antonio Livestock Exposition.

LSTO Built Tough 4817B is one of those bulls that is just perfect from the ground up. He is massive in his foot size and so sound in his structure. We love and admire his foot size and his fluidity of movement. This 75% Lim-Flex herd sire is homozygous polled and homozygous black. He is so long and clean up through his front end, strong and level down his top line and very square out of his rump. We appreciate his extra thickness and yet the amount of rib shape and volume. We welcome any and all inquiries on this spectacular herd sire prospect.

SBLX Xtra Special, dam of Lot 1.

Selling half semen interest and full possession.

LSTO Best Effort 4833B is the result of blending some of the best genetics and is one of the finest ever created by Stowers Limousin. This 50% Lim-Flex herd sire prospect has all the best stacked in his favor. This son of EXAR Upshot 0562B is from the \$53,000 half interest valued donor SBLX Xtra Special. She was crowned to win the supreme champion female honors at the San Antonio Livestock Exposition and numerous other wins. She has proven herself to be a big time donor cow. She is the daughter of DHVO Deuce back to the famed MAGS Manuela 662M. LSTO Best Effort 4833B posts a 1.7 for birth, 74 for weaning weight, 116 for yearling weight and 27 for milk. This young bull is very sound and solid from the ground up. He is massive in his foot size, heavy structured and has the extreme thickness and power you would want in a 50% Lim-Flex herd sire prospect.

SELLING CHOICE

LOT 3A

LOT 3B

Retaining the right to an embryo flush at the buyer's convenience. Stowers will pay the expense.

Highlighting the sale will be the selling of choice of these two full sisters. They are full siblings to Lot 2 (LSTO Best Effort 4833B). They represent one of the very best matings ever created at Stowers Limousin. They are sired by EXAR Upshot 0562B, the leading purebred Angus bull and son of SITZ Upward 307R. Their dam SBLX Xtra Special is the leading daughter of the national champion DHVO Deuce from the all time great donor MAGS Manuela 662M. These donor prospects represent everything that the Stowers program set out to accomplish from the very start. They posts a stout set of EPD's with a 1.7 for birth, 74 for weaning weight, 116 for yearling weight and 27 for milk. They are both mated to the very popular Stowers herd sire EBFL Ypsilanti 420Y. He is the complete outcross sire owned with Sugar Bush Cattle, Inc., Milam Cattle Co., and Salt Creek Cattle & Genetics, LLC.

HERD SIRE PROSPECT

EBFL Ypsilanti 420Y,
sire of Lot 4.

Owned with Riverside Valley Farm, Hohenwald, TN and
Sugar Bush Cattle, Inc., Allen, MI

Selling 50% semen interest and full possession

RVF Fire Ball 180A is a major herd sire in the making! He is a 68.8% Lim-Flex son of EBFL Ypsilanti 420Y and from AUTO Pia 245X. EBFL Ypsilanti 420Y is the complete out-cross sire and son of TC Freedom from the national champion female MAGS Ramada. He just like RVF Fire Ball 180Y is very big footed and very sound structured. He is as popular of a herd sire as any bull in the breed right now and as you see here with RVF Fire Ball 180Y the reason why. AUTO Pia 245X is the \$34,000 valued donor that is now headlining the Nathan Hunt program in Frohna, MO. She is a full sister to the ever-popular AUTO Cruze, the leading herd sire for Pinegar Limousin, Springfield, MO. This daughter of MAGS The General is from the leading Pinegar donor AUTO Rebeca 292S. AUTO Pia just happens to be one of the very best purebred females in our entire breed. RVF Fire Ball 180A was bred in the Riverside Valley Farm program and proudly represents their prefix. He posts a 1.6 for birth, 74 for weaning weight, 110 for yearling weight and 29 for milk. He posts a .64 for REA and .23 for marbling and has a 62 for MTI. RVF Fire Ball 180A is very moderate in his frame score, extremely deep in his flank and is so big footed. We love his heaviness of bone, style, balance and unique profile.

AUTO Pia 245X,
dam of Lot 4.

SBLX ZNOTE EMBRYO FLUSH

SBLX Znote 2743Z is the 2014 National Junior Heifer Show grand champion female for Lauren Stowers. She is a daughter of the once All American Futurity Supreme champion bull MAGS Xyloid. He is the leading herd sire for Edwards Land & Cattle Co. and his semen interest is owned with Magness Land & Cattle Co. Her dam is the leading donor at Sugar Bush Cattle, Inc. and has proven to be one of the all-time great donors this breed has ever seen. Stowers Limousin has decided to highlight their Texas Tradition II Sale with offering genetics from this leading donor in the making. She is one of the finest purebred Limousin females in our breed. The buyer will get the opportunity to select the sire to blend with the superior genetics of SBLX Znote 2743Z.

A.I. 12.07.14 to EXAR Denver

Here is one of the very best purebred females you will have a chance to buy. She is a daughter of AUTO Gunn Point 192Y. He is a son of LH Rodemaster 338R from a maternal sister to the once national champion sire DHVO Deuce 132R. Her dam is the big league donor MAGS Manuela 662M. Her influence in our breed has been very prominent and continues to amaze us with her excellence. SSTO Angel Eyes 3345A is absolutely beautiful up through her front end and very appealing from the side profile. This heifer is for sure one that on sale day you will certainly appreciate.

A.I. 12.07.14 to EBFL Ypsilanti 420Y

SSTO Almost In 357A is a daughter of the breed leading donor MAGS Manuela 662M. Her sire is the leading purebred Angus bull EXAR Ushot 0562B. The blending of the purebred Angus with the purebred Limousin has created a tremendous product in SSTO Almost In 357A. This polled and homozygous black heifer sells bred to the double homozygous 50% Lim-Flex sire EBFL Ypsilanti 420Y. She posts a low 1.9 for birth, 65 for weaning weight, 103 for yearling weight and 29 for milk.

Eligible for Lonestar Shootout and Oklahoma Leading Ladies

Here is a fancy show heifer prospect that represents the proven and very consistent MAGS Manuela cow family. Her dam MAGS Manuela is the premier donor that seems to work on just any bull she has been mated to. This young daughter is sired by the now deceased MAGS Xylopolist, the leading son of DHVO Deuce 132R from the MAGS Strawberry donor cow. This purebred black and polled March coming yearling heifer will certainly meet all your expectations when you see her sale day. She is clean and feminine up through her front end, very structurally correct and has a very "cool" show look to her. Buy with confidence, when this picture was taken she was a little green in her condition and you will be very impressed when you see her sale day.

FALL BRED FEMALES

A.I. 12.24.14 EBFL Ypsilanti 420Y

SSTO After Hours 3860A is one of the top brood cow prospects in the sale offering. She proudly stands for all that is good in top Lim-Flex cattle. She is moderate in her frame score, very easy in her condition and a top performer. This daughter of LH U Haul 135U represents a prominent pedigree and has the EPD profile needed to get attention from any program. This double black, homozygous polled 46.5% Lim-Flex heifer has a -0.3 for birth, 118 for yearling weight and 31 for milking ability. She also has a .66 for marbling and 75 for MTI. Her dam goes back to the multiple trait-leading sire JCL Lodestar and from a daughter of GAR Retail Product. This heifer has everything you would ever want in a future donor cow.

A.I. 12.07.14 to EBFL Ypsilanti 420Y

Talk about a sale feature ... SSTO All About You 3863A proudly represents the quality of cattle being offered in the Texas Tradition II Sale. Her sire and dam are one of the best crosses ever discovered in our Limousin Breed. She is sired by the once national champion sire DHVO Deuce 132R and is from a purebred Angus female HH 5682 Georgina 0244. This heifer is bred to be an over achiever and we are certain she will be a feature in any program in the country. We admire the total mass and performance that she has and we are certain that her future calf sired by EBFL Ypsilanti 420Y will be a great coupon for the new owner.

A.I. 12.24.14 to LH U Haul 135U

SSTO Alice 3866A is a big numbered 50% Lim-Flex heifer and daughter of LH Rodemaster 338R. He is deceased now but has left the breed with a tremendous group of females. They are very productive, easy to maintain and very maternal in their look. This LH Rodemaster 338R heifer is from a daughter of MAGS Unequaled to daughter of GAR US Premium Beef. This heifer posts a 1.6 for birth, 99 for yearling weight and 21 for milk. She also has a .12 for marbling and 53 for MTI. This double polled, homozygous black heifer is made very well and has the pedigree and predictability needed to enhance any program.

A.I. 12.07.14 to LH U Haul 135U

SSTO After All 307A is a homozygous polled and homozygous black first calf heifer that comes from the heart of the Stowers program. She is a daughter of EBFL Ypsilanti 420Y, the \$100,000 valued sire and son of TC Aberdeen. This heifer's dam is MAGS Salmetto, the leading donor in the Sugar Bush Cattle, Inc. program. We appreciate the amount of thickness, power and performance found within this first calf heifer. She sells Al'd to the big numbered sire LH U Haul 135U.

SSTO WATERCOLORS 9450W COW FAMILY

One of the most consistent producing donors at Stowers Limousin is SSTO Watercolors 9450W. She is the homozygous black daughter of MAGS Savage from the once national champion female Carrouseles Pina Colada. There is something magical when it comes to this female as it seems that every sire she has been mated to has created nothing but greatness. In specific her mating to SAV Bismarck 5682 has been one of the very best. Her Bismarck daughter LSTO Zesty 2860Z highlighted the 2013 National Limousin sale and sold to Godfrey Cattle Co. and Salt Creek Cattle & Genetics, LLC. Stowers Limousin have decided to offer an embryo flush from SSTO Watercolors 9450W in this sale. Featured in this sale are her two full siblings sired by SAV Bismarck 5682. These heifers are big numbered, well made and have that balance that we desire so much in the show ring and for sure in production. Also featured is LSTO Beach Babe 413B, her daughter of LH U Haul 135U, the leading son of Basin Franchise P142.

EMBRYO FLUSH

Purchase agreement - buyer supplies semen and pays for their share of embryo cost. Guarantee of six embryos and any over six will be split.

SSTO WATERCOLORS 9450W COW FAMILY

One exceptional show heifer is LSTO Be Careful 4803B. She is a daughter of SAV Bismarck and from the MAGS Savage daughter SSTO Watercolors 9450W. Watercolors is a known daughter of the once national champion female Carrouels Pina Colada that is now working in the P Bar S Ranch program along with Edwards Limousin. This young female is a 50% Lim-Flex that is polled and homozygous black. This mating has been proven time and time again that it is something special. We are certain you will appreciate her on sale day. This young show heifer prospect is big footed, sound in her pasterns and very fluid in her movement. She is so beautiful up through her front, thick made and very level down her top line and very square and level out of her rump. This young female is one of the features of the sale and rightfully so. She has so much body mass, rib shape and volume and combined with her prominent stance she is something special.

LSTO Best Look 409B is a 50% Lim-Flex polled and double black heifer that comes from the heart of the Stowers show program. She represents a strong mating with the sire SAV Bismarck back to their elite donor SSTO Watercolors 9450W. This young heifer posts a -0.3 for birth, 95 for yearling weight, 27 for milk and .43 for marbling. When this picture was taken she was a little green in her condition but has certainly taken shape since that time. We know you will admire her as much as we do when you see her on sale day.

Eligible for Lonestar Shootout and Oklahoma Leading Ladies

A featured heifer of the Texas Tradition II sale is this daughter of SSTO Watercolors 9450W. She is sired by the once national top selling bull and 50% Lim-Flex son of MAGS Rejuvenator from the LH Radiant 322R donor sired by JCL Lodestar 27L. This homozygous black daughter of CL Burbank is extreme in her depth of body and very productive in her look and design. Her picture was taken early and she has really come on since then. She is very appealing up through her front end, strong in her design and very appealing from the side profile.

SHOW HEIFER PROSPECTS

Retaining the right to an embryo flush at the buyer's convenience. Stowers will pay the expense.

LSTO Better Hurry 4843B is an exciting red and homozygous polled show heifer prospect. She is very long necked, feminine headed and blends smoothly into her shoulders. She is a fancy daughter of the big numbered and very popular LH U Haul 135U. Her dam is a daughter of MAGS Sasquatch from a past show heifer champion MAGS Sheila. This pretty red heifer is well structured, clean in her lines and we think will get much attention in the show ring. She posts a solid set of EPD's with a 0.9 for birth, 95 for yearling weight, 32 for milk and .48 for marbling.

SHOW HEIFER PROSPECTS

Morris

This young heifer is sure to capture your attention on sale day with her look and when you study her genetics you will realize how special she really is. She is a 75% Lim-Flex heifer that is double polled and homozygous black. Her sire COLE Windfall 144W is the big numbered 50% homozygous black son of Coleman Production 608 that has a 74 for weaning weight, 109 for yearling weight, 30 for milk and .13 for marbling. He also scanned a 16.74 for REA and 5.02 for IMF. Her dam is the past many time show champion and now leading donor and daughter of DHVO Trey from EXLR Playgirl 4139K. The mating of the big ribbed, big numbered COLE Windfall with the fancy and well-made LFL Tori has created an exciting heifer in LSTO 4815B.

This 52.5% Lim-Flex show heifer prospect is sired by the big numbered and very popular A.I. sire LH U Haul 135U. He has earned a great reputation for producing heifers just like this one. This May coming yearling heifer is from a big numbered daughter of EXLR Right On Time 106J back to a daughter of EXAR New Design 1224. This young heifer offers a -0.3 for birth, 87 for yearling weight, 34 for milk and .48 for marbling. For the few that have seen her appreciate her on length of body, heaviness of bone and soundness of structure. No matter whether she is headed to the show ring and it will end up in the donor pen we know one thing is for certain and that is she is headed for greatness.

EXAR BLACKBIRD EMBRYO FLUSH

Morris

EXAR Blackbird 2830 is the leading Angus donor cow at Stowers Limousin. Sugar Bush Cattle, Inc., Allen, MI purchased half interest at \$12,5000 in the Texas Traditon I Sale. She is a leading daughter of Connealy Consensus 7229 and from a daughter of GAR Predestined back to a daughter of Rito of 2536. She posts a 68 for weaning weight, 114 for yearling weight and 30 for milking ability. She has a breed leading REA EPD of .63 and marbling EPD of 1.3. This young donor cow not only has a sought after pedigree and extreme EPD's, she is big footed, sound structured and very appealing in her conformation. No matter wether you what to create pure-bred Angus or big numbered Lim-Flex considering the genetics from this elite purebred Angus will be a very wise investment.

EMBRYO FLUSH

Purchase agreement - buyer supplies semen and pays for their share of embryo cost. Guarantee of six embryos and any over six will be split.

LIM-FLEX COW/CALF PAIRS

SSTO Zada 2806Z is a featured first calf heifer that sells with her homozygous polled, homozygous black heifer sired by MAGS Yardman 1910Y. SSTO Zada 2806Z is sired by the once national champion Lim-Flex sire CALO Brickyard 902W and is from a daughter of the multiple trait leading sire JCL Lodestar 27L back to a daughter of GAR Retail Product. This female is flawless in her confirmation and has the special stance no matter when you see her. She is a true donor cow in the making and we think you will agree when you see the kind of job she has done with her young heifer calf at her side.

What a beautiful homozygous polled and homozygous black Lim-Flex brood cow that is being offered in this Texas Tradition II sale is SSTO Your Mine 1818Y! She is sired by KYLD Daytona 730T, the many times champion and leading sire of big footed and sound made cattle. Her dam is the leading purebred Angus donor MA C094 of 875 Sleep Easy. She has done a tremendous job in producing over the years and we are certain you will appreciate this brood cow in person. She is picture perfect in every way.

SSTO Yellow Roses 1821Y is a 43.5% Lim-Flex black and homozygous polled daughter of KYLD Daytona 730T. She along with her sister SSTO Your Mine 1818Y are very appealing and very well made in terms of structure, depth of rib and capacity. The lineage of this female and her sister are like no others in the sale. They represent a very consistent and powerful mating at Stowers Limousin. She sells with her double black, homozygous polled heifer sired by EBFL Ypsilanti 420Y.
