**Tennessee Beef Agribition Junior  
Heifer & Steer Show  
Sunday - March 9, 2014 - 9:00 a.m. CDT**

An open to the world junior heifer and steer show will be held in conjunction with the twenty-fourth Annual Tennessee Beef Agribition. The Agribition is held at the James E. Ward Agricultural Center in Lebanon, Tennessee. The junior show will start with heifers followed by steers. Two rings of heifers will show at the same time, and breeds will not be rotated.

The rules for the event are as follows:

1. Breed association rules for junior shows will apply to each respective breed.
2. No pre-entry is required. Entry forms will be available Friday and Saturday.
3. Due to limited parking facilities, all trailers must be parked in the designated parking area. On Saturday, Junior cattle will be allowed in the stalls when sales are completed and sale cattle are removed.
4. All junior cattle should be on the grounds and processed by 5:00 p.m. on Saturday, March 8th. Heifers and steers will be processed Saturday from 2:00 until 5:00 p.m. CST. All heifers purchased from late afternoon sales should be entered ASAP.
5. **\*\* There will be a \$20 per head entry fee at the 2014 event. \*\*** All classes will be placed through fifth place, and premiums will be paid for 1st - 5th. The top five heifers and top five steers will pay \$300, \$200, \$150, \$100 and \$50.
6. Heifer and steer breed shows will be available for the following breeds: Angus, Charolais, Chianina/Chiangus, Gelbvieh, Hereford, Limousin, Polled Hereford, Shorthorn and Simmental. Breed rotation will be A to Z (Angus, Charolais... will show first). Any breed having a sale will qualify to have a junior breed show.
7. All other breeds (AOB), including commercial heifers and cross-bred steers will compete in AOB classes. AOB heifers will show by weight.
8. **Heifers eligible to show must be born on or after September 1, 2012.**  
Heifer classes will be based on the futurity system and will be determined after all entries are made.  
Steers will show by breed with classes determined by weight.
9. Heifers (born on or after 09/01/12) purchased in any of the Agribition sales will be eligible to compete in the Junior Show. **\*\*Check the respective breed catalog to see if percentage cattle show as AOB.\*\***

2014 Dixie National Limousin Show Division II Champion

This purebred heifer is from the heart of the Riverside Valley Farm program. She is sired by the leading herd sire AUTO Long Drive 111X. He is a son of BOHI Titlelist 7050T and from the famed AUTO Rebeca 292S donor that made her mark in the Wies and Pinegar program. This purebred heifer is the youngest heifer in the sale offering is one of the real good ones. She offers a top set of EPD's and is from the leading brood cow MAGS Thin Ice, a full sibling to MAGS Xtra Wet is the leading herd sire at Liberty Ranch, Plainville, KS.

2014 Dixie National Limousin Show Division II reserve champion.

If you are interested in winning a heifer show then consider buying this April heifer. She is a purebred and is one of the very best ever created at the RVF program. She is sired by the leading Pinegar and Sugar Bush sire AUTO Cruze 132X, a son of MAGS The General from AUTO Rebeca 292S. Her dam is a daughter of GPFF Blaque Rulon back to a daughter of EXLR Dakota 353G. This young heifer is super sound from the ground up and very fluid in her movement. We love her fancy front end and strength down her top line.

Here is a red and double polled show heifer prospect from the Jeff Carter family. She is sired by HAHK Youngman 28Y, a son of the once All American Futurity champion sire CLLL HAHK The Apprentice and goes back to the prominent donor BOHI Sierra 6506S. This young heifer is well bred, very docile and we think will make a very appealing show heifer for the new owner.

*Consigned by Running Water Farms, Rock Island, TN*

This sale is sponsored by the Tennessee Limousin Breeders Association.

We appreciate your attendance to the sale and offer this sale as a venue for anyone to market their Limousin product.

Pritchard Limousin Farm has brought to you one of their finest for the sale. She is a daughter of CJSL Wild West 9060W, a proven son of DHVO Deuce 132R back to the famed JCL Peppermint donor cow. He was bred in the Linhart program and is a leading A.I. sire for Pritchards. Her dam is a daughter of Basin Franchise back to a daughter of TNUH Blue Print back to MAGS Fruitful. This 75% Lim-Flex heifer is strong numbered and very appealing from a side profile.

Homozygous polled, homozygous black is this brood cow deluxe. She is sired by TC Aberdeen 759 and is one of the big numbered females to come from the RVF program She has posted a -0.1 for birth, 90 for yearling weight and 34 for milk. This female is so broody in her appearance and extremely big numbered. We love her structure and balance that she has well.

About the Future of Limousin Breeders of America Junior Program. The purpose of the FLBA Junior program is to develop knowledge about Fullblood Limousin Genetics (F94L), and the importance of Fullblood cattle in the beef industry while promoting youth, leadership and education. The Fullblood Limousin Alliance encourages Juniors to be involved in all aspects of the beef industry-buying-raising-showing-judging-land stewardship. We encourage Juniors to become more involved with a Fullblood Limousin heifer project. This will help to form a strong foundation for expansion and improvement of Fullblood cattle in the future. The Fullblood Alliance offers a heifer program to help up to 50 Juniors purchase a Fullblood Limousin Heifer with a \$1,000 gift. The Junior member must raise and show that heifer at local, state and hopefully national shows. This program is to help these young people to become future breeders of Fullblood Limousin Cattle.

These resulting calves are going to really be something special. They are sired by the leading \$100,000 valued sire EBFL Ypsilanti 420Y, the leading sire for Salt Creek, Milam, Sugar Bush and Stowers Limousin. He is one of breed's biggest numbered bulls and his first calf to sell will be in this sale. MAGS Sandbox 2415S is the donor dam of these calves. She is a daughter of BR Midland and from the famed MAGS Lady Ace. She is the leading donor for Sugar Bush Cattle, Inc. and her progeny are highlighted in several herds throughout the breed.

MAGS WAZOWSKI, SIRE OF LOT 25 EMBRYOS.

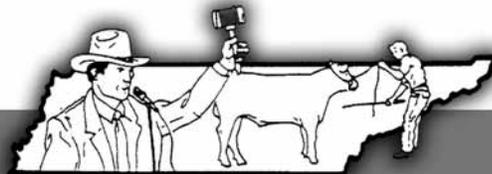

JEPS BROADWAY 170Z, A FULL BROTHER TO LOT 25 EMBRYOS.

These future calves will have a world of potential in front of them once they get on the ground. They are sired by the \$28,000 half interest herd sire and now deceased

MAGS Wazowski. He was the leading herd sire for Fuchs Limousin, Cameron, TX and Magness Land & Cattle Co. EXLR Barb 170R is one of the breed's biggest numbered donors for marbling and one of the top donors for Jepsen Limousin. The future calves are big numbered and we really believe they will be something special. Pictured here is JEPS Broadway 170Z a full sibling to these embryos that sold in the recent Stowers Limousin sale at \$6250 selling to Liberty Ranch, Plainville, KS.

# Tennessee Beef Agribition LIMOUSIN SALE

# DONATION ITEMS

## AMARILLO BY MORNING?!

Well, hopefully on a July morning we CAN be there with YOUR support!!  
We are the Tennessee Jr. Limousin Youth...and we are asking for your support to help us get to the Jr. National Limousin Show in Amarillo Tx in July...  
BUT you can help us in March at the Tennessee Beef Agribition in Lebanon TN will be auctioning off some of the TOP herd sire semen!! 100% the proceeds will help us offset the cost of the Jr. Nationals trip. Please see the listing of the semen that is being donated.  
As always, a **BIG thank you** to all breeders that have donated!!

Graciously yours,

Haylee Jo Hodges, TJLBA Secretary
