Annual Production Sale

SUNDAY, FEBRUARY 25, 2024

Welcome to Voss Angus!

Dear Cattlemen,

We would like to welcome you to our 9th Annual Production Sale on February 25, 2024.

First and foremost, we want to say thank you to everyone who participated in our past sales and welcome all new families to participate in this year's sale. We are truly thankful and grateful for all the relationships we have formed and developed over the last nine years. These friendships and relationships will last a lifetime.

Our goal we continually strive for is to produce some of the highest quality cattle for our customers. We truly believe our success is only made possible by our customers' success. The things that matter the most to us are fertility, easy fleshing, and longevity. Females that can go on and produce replacements that stay in your program for years to come, and bulls that can produce huge weaning weights and yearling weights for production is key. Additionally, your satisfaction is important to us.

In our program, we have assembled the best genetics from some of the most prominent and reputable programs in North America. Come and check out our lineup of cattle consisting of progeny from Anthem, Scale House, Panther, Pancho Villa, Riptide, Landmark, Robust, Bloodline, Jesse James, Density, Galactic and others. We would deeply appreciate your consideration of this offering. It is one of the deepest quality offerings to date at Voss Angus.

Our nutritional program is intensely monitored and continually being developed throughout all stages of life. We strongly believe that nutrition is everything. Our feed program is developed weekly by Dr. Allen Stateler, PhD. of Nutrition Service Associates. All our cattle are fed a high roughage diet, never compromising fertility or longevity.

We look forward to seeing you on sale day!

Sincerely,
Brent & Teresa Voss

14440 Bear Creek Road, Dexter, Iowa

Voss ANGUS

Annual Production Sale Sunday, February 25, 2024 1 PM Sale

SALE LOCATION:

Voss Angus Sale Facility
14440 Bear Creek Road, Dexter, Iowa

DIRECTIONS TO THE SALE SITE:

The state-of-the-art Voss Angus sale facility is located 20 minutes west of Des Moines, Iowa on I-80. From I-80 take Exit 100, to north one mile. Look for Andy Angus out front to greet you!

MOTEL ACCOMMODATIONS:

AmericInn – Stuart, Iowa
(515) 523-9000

American's Best Value Inn and Suites – Stuart, Iowa
(515) 523-2888

Hampton Inn – West Des Moines, Iowa
(515) 223-4700

Holiday Inn Hotel and Suites – West Des Moines, Iowa
(515) 309-3900

TERMS AND CONDITIONS:

Cattle will sell under the terms and conditions as recommended by the American Angus Association, including payment upon purchase.

Voss Angus is retaining a 1/3 semen interest in all bulls. Bulls that are not settled for in full within 7 days of the auction are not eligible for free delivery.

SUPPLEMENTAL INFORMATION:

A supplemental sheet will be available sale day with complete and genomically enhanced information. Announcements from auction block will take precedence over printed material. All registered lots are AM, NH, MI, DZ, DONOR DAM, OH and OS free unless otherwise noted.

HERD HEALTH:

All cattle will be accompanied by proper health certificates for immediate shipment.

DELIVERY:

Voss Angus is offering free delivery on all bulls selling in the sale. We will either deliver the bulls personally or contract suitable trucking to accomplish safe and prompt arrival of your investment. All cattle will be delivered to the buyer within a week or two after the sale unless otherwise negotiated with Voss Angus. Canadian purchases will be available to be picked up at the farm following completion of health testing and delivery arrangements will be the buyer's responsibility. Voss Angus will assist in any way we can. Bulls can be kept at Voss Angus until May 1, 2024.

TRUCKING:

Truckers will be available to assist in shipping cattle purchases.

LIVESTOCK NUTRITIONIST:

Allen Stateler (402) 992-2605

LIVESTOCK MORTALITY INSURANCE:

Jared Mohnen (605) 682-1368, Dakota Ag
Voss Angus will pay up to 50% of the premium on BULLS ONLY for the first year of insurance coverage.

FOOD AND REFRESHMENTS:

Cattle available for viewing throughout the week!
Lunch served on sale day.

WEATHER DATE:

Monday, February 26, 2024

Visit the Angus Journal Website, www.angus.org, and view this sale catalog online. Updated EPDs can be viewed anytime at www.angus.org.

ONLINE BIDDING:

COMMENTS FROM OUR SALE MANAGERS:

Plan now to be on hand February 25, 2024 for the Voss Angus Annual Production Sale. This 9th annual event is loaded with opportunity from start to finish. It is a pleasure and privilege to work with Brent and Teresa Voss and the entire Voss family and crew in the presentation of this powerful sale offering that promises to highlight the 2024 sale season. The extraordinary dedication and commitment to the Angus breed is second to none.

The Voss family focuses on breeding cattle with performance and phenotype backed by pedigrees stacked with generations of predictable quality with a strong maternal emphasis and real world carcass quality that is second to none. The cattle in this sale are bred with the best of the basics in mind. The most dominant cow families in the industry are represented along with breed leading sires of international renown. The concentration of blood from Schaff Angus Valley is monumental.

Plan now to be on hand with us in Dexter, Iowa for this great event. Please don't hesitate to call on us at American Angus Hall of Fame if we can be of assistance in any way. We are here to serve.

Sincerely,

Tom Burke

• FOR REFERENCE ONLY

- The Voss featured sire selected as the \$275,000 top-selling bull of the 2021 Schaff Angus Valley Sale in North Dakota, carrying the prestigious 20000000 registration number with the American Angus Association.
- This high-performing sire with incredible individual performance coupled with massive volume and overall dimension has taken his place among the most widely admired young bulls in the Angus breed today.
- His now-deceased sire, Marcys Scale Crusher, is the proven one-of-a-kind total performance sire whose progeny have comprised nine consecutive top-selling sire groups in the Marcy program, as well as the record-selling sire group of the entire 2021 Angus sale season led by this world famous all-time top-selling son.
- His proven dam has generated \$1.5 million in progeny sales to date as one of the top daughters of SAV Blackcap May 4136, the all-time world-record income-producing cow with more than \$10.3 million in progeny sales to date.
- Maternal siblings include the \$100,000 Voss Genex sire, SAV Expertise 7028, along with many other top sellers.
- Featuring 26 powerful progeny.
- Birth weight 75 pounds, 205-day weight 1,064 pounds, 365-day weight 1,636 pounds.

Nutrition Program

Overview

Welcome to the Voss Angus Annual Bull & Female Sale. I believe the Voss family and crew have produced another excellent set of Angus bulls and females for your consideration. As their consulting nutritionist, I strive to develop optimal nutrition and management programs to match and express the genetic potential of the Voss cattle while giving special attention to safeguarding soundness and reproductive longevity.

Nutritional Philosophy

The nutritional treatment of breeding stock from conception to first breeding can have a profound effect on their lifetime potential. In fact, nutritional influences on future health and productivity have been traced as far back as early embryonic development; a concept termed "fetal programming." Therefore, we focus not only on the nutrient requirements of the cow throughout her production cycle, but also on the nutritional factors that affect gene expression of economically important traits in the developing calf. From conception to turnout, we strive to express the genetic potential of the cattle without compromising structural soundness and breeding performance.

Bull and Heifer Development

We believe in the concept of developing seedstock, not finishing them. To properly develop breeding stock, we pay special attention to optimum energy and protein levels to achieve lean gain growth targets. To this end, the Voss bulls and heifers were developed on high-roughage, low to moderate-energy, high-protein diets. Particular attention was given to proper vitamin and mineral supplementation to promote reproductive development and longevity. We think that you will agree that our nutritional philosophy has produced an exceptional set of fertile Angus bulls and females that are ready to go to work for you. Buy with confidence!
