SALE TERMS & CONDITIONS ~

These terms represent the full agreement between the buyer and Moreno Ranches, Inc. Any updates posted at Morenoranches.com or www.dvauction.com take precedence over the catalog. This sale is conducted under the laws of the state of Florida.

TERMS ... All cattle/genetics must be paid for immediately after the sale. Checks should be made payable to Moreno Ranches, Inc. Credit cards are also accepted, and a processing fee will apply. An 18% APR will be charged on all unpaid balances beginning thirty 30 days after the sale date. Cattle/genetics will not be released until proper settlement has been made. Upon receipt of payment, registration will be transferred to the buyer.

SPECIAL TERMS ... (cattle/genetics for export) Lots and genetics that are sold for export must be paid for at the time of the sale. There will be a representative of a forwarding company on hand to assist in this matter. It will be the responsibility of the buyer of these cattle/genetics for export to make arrangements with the seller for the care of the lots or genetics after the sale. Buyers will be responsible for any layover costs following the sale.

INSURANCE AND LIABILITY: Ownership transfers at the time of sale, at which time the buyer is responsible for any risk of injury or disease, including death. Livestock insurance is available through James F. Bessler, Inc., phone (815) 762- 2644; email Jim@JamesFBessler.com.

HEALTH CERTIFICATE: Cattle are eligible for a state-approved health certificate for interstate shipment. Buyers should make themselves aware of the health requirements of their specific state. All cattle are presumed to be healthy at the time of sale.

FEED & BOARD FEES: Heifers will be provided free care for 14 days following the sale. Regular feed and board charges will apply after that. Buyers who wish their heifers to be cared for in the Show Barn will be charged the show barn feed and board rates immediately.

EMBRYOS ... Each package of three Grade 1 embryos guarantees one 60-day pregnancy if transferred within 90 days of purchase. All procedures must be performed at Trans Ova Genetics and using Trans Ova Genetic's recipis, or the guaranteed minimum will be voided.

IVF PROCEDURE ... Each IVF PROCEDURE has a guaranteed minimum of five transferable embryos. Buyer will receive all additional embryos of the procedure, should there be any. Buyer pays for all procedure costs, as well as any procedure related expenses. All procedures must be performed at Trans Ova Genetics, or the guaranteed minimum will be voided. If reverse sorted or sexed frozen semen is used to fertilize, the guaranteed minimum will be voided.

SEMEN ... The utilization of semen in reverse sorting technology needs to have a ratio of 25 to 30 oocytes when sorted per one unit of semen, on average and depending on the quality of the oocytes.

SEXED GENETICS: You will note many semen packages and embryo packages utilize sexed or reverse sorted technology. While the accuracy of this technology is nearly 90%, Moreno Ranches does not guarantee any sexed genetics to result in a calf of the listed sex.

BREEDERS GUARANTEE ... Every lot in this sale is, to the best of the seller's knowledge, sound and free of any disease. All females selling in the sale will have a veterinary certification of health and soundness prior to the sale. Pregnant cows and cows with calves are considered breeders without further guarantee. Open heifers are guaranteed to be natural breeders for one natural calf. Breeding guarantee is voided if any of the following occur: injury, death, disease, gross negligence or misconduct, heifers not in suitable body condition score to breed, virgin heifers flushed or IVF'd prior to having a natural calf, or the overuse of feed additives in a show heifer feed ration. Buyers must notify Moreno Ranches of any breeding concerns within one calendar year of purchase. Should a breeding concern arise, buyer is responsible to return the animal to Moreno Ranches, and we will have six months to prove the animal to be a breeder. Should the female be a non-breeder, Moreno Ranches has the option to select a suitable replacement, if available, or issue a sale credit to be used in a future purchase at Moreno Ranches. No cash refunds are given. We make no further guarantees, including but not limited to ability of a female to compete in livestock shows or disposition. No breeding guarantees are offered on internationally exported cattle.

CLONES ... Moreno reserves the right to collect a tissue sample for the purpose of creating a cell line for future cloning on any live animal sold.

DISPUTES ... The auctioneer in charge will settle any bid disputes. The decision of the auctioneer on such matters is final.

HEALTH ... All necessary health papers will be provided for the purposes of shipping cattle and genetics anywhere in the U.S.

EXPORTS ... Cattle/ genetics sold for export to foreign countries must, by state law, test for diseases flagged by the country receiving the animal after the sale is made. The seller will be responsible for this testing.

ANNOUNCEMENTS ... Any announcements from the auction block will take precedence over the printed catalog and all other printed advertisements.

LIABILITIES ... All persons who attend the sale do so at their own risk. Moreno Ranches, Inc., including the sale manager, assumes no liability, legal or otherwise, for any accidents that may occur. Seller accepts no liability for the lots after they are sold. Insurance will be available at the sale for cattle/ genetics upon the buyer's request.

CONTRACT ... The above terms and conditions shall constitute a contract between the buyer and the seller of each lot sold.

HANDLING ... As the sale takes effect, all lots are under the buyer's risk.

RETAINED INTEREST ... Moreno Ranches retains the right to one in-herd flush on any female sold, and a 10% interest on any bull sold.

Oh Wow! As good as it gets. Over the past 11 years we have been fortunate to have raised and shown numerous champions. Moreno Ms. Lady Reba Zara is the result of us crossing two of our most influential animals with the 2016 International Champion Mr. Fontenot 333 "Rufus" with one of our most recognized females, +Moreno Ms. Lady Reba. This phenomenal female started her show career as a calf winning the "All American." She then followed up with a National Championship and a Reserve International Champion Title which culminated in her being named the ABBA Red Show Cow of the Year. All of the accolades are impressive, but it is the producing ability of these two individuals that means the most. Most recently a full brother to Reba, Robin, was named Reserve Calf Champion at the Kick Off Classic. In addition to Moreno Mr. Robin Hood winning there have been three other progeny of Reba that have been winners over the past year not to mention her National & Kick Off Classic Produce of Dam wins. As an added bonus to Moreno Ms. Lady Zara being a beautiful sound structured, soft ribbed, big boned super refined female she ranks in the top 1/3 of the breed for the essential traits of growth and milk. We simply cannot make them any better and are extremely proud to offer her to the Brahman world!

RUMBERA

DAM, MORENO MS LADY RUMBERA

LOT 2

THE RUMBERA COW FAMILY

Moreno Ms. Lady Rumbera was a force to be reckoned with in the showing ring named the 2017 ABBA Show Cow of the Year. Not only did Rumbera have a successful show career with numerous wins but is now a proven producer. Her first natural calf was one of our Fall 2017 sale features. Following that one of her sons was awarded the Grand Champion Bull Title at the Florida State Junior Show. Last Summer one of her daughters was featured in our "All American" Sale and sold to Thailand as a cornerstone breeding piece as well as a daughter that recently headlined the American Red Brahman Sale. There is no doubt that Moreno Ms. Lady Rumbera is well on her way to being one of the most influential cows in the Brahman breed.

How can you make them any better than crossing the 2016 International Champion Red Bull with the 2017 ABBA Red Show Cow of the Year? As you might expect from this mating Moreno Ms. Lady Rosy is sound from the ground up, big boned, bold bodied, straight in her lines and combines this in a feminine package with outstanding breed character. This female is easy to get excited about and with her performance profile that ranks in the top of the breed for growth she has a bright future!

The sire to Moreno Ms. Lady Ruthy is JS Rouge Peterbuilt who was a former show bull for Smith Brahms that won his class at the International Show. During his show career Mr. JS Peterbuilt made numerous friends due to his massive build, big structure, muscle and outstanding breed character. Not only is Peterbuilt a proven sire now with outstanding calves on the ground and hitting the show ring but he offers an outcross to many of today's popular bloodlines further adding to his value. We have sold two flushmates to Ruthy in previous sales for an average of \$15,625 proving the quality, acceptance and demand for these superior genetics.

This top daughter of the 2017 ABBA Show Cow of the Year is sired by one of our most highly noted sires, TJF Mr Son Of A Gun 155/3. He recently sired the Grand Champion Red Bull at the Florida State Junior Show and a many time class and division winner Moreno Miss Lady Tere owned by Savannah Wade. Most recently a full sister to Rebeka was a class winner at the Kick Off Classic. Moreno Ms. Lady Rebeka is super sound structured, elegant in her design and one that will be a powerhouse producer in any program.

SIRE, TTJF MR SON OF A GUN 155/3

LOT 4

MADONA MS. LADY MADONA CALVER DAUGHTERS

Moreno Ms. Lady Madonna Calver 424 is a former show winner and now elite donor. Not only did she accumulate show ring accolades but is now passing this influence on to her offspring with Moreno Mr. Kari Houston winning for Chasey McCrimmon and Moreno Mr. Fortunato winning for Julia Norman in addition to a daughter winning her class at the 2019 Kick Off Classic. The success of Moreno Ms. Lady Calver as both a show winner and productive donor should not come as a surprise due to her being the product of two Register of Renown parents. Her sire is +JADL Rey TE that was shipped in from Mexico and has sired a number of winners to include the National and Reserve International Champion Mr. RB 354/4 "Ring King." The dam to Madonna Calver reached the status of Register of Renown and is sired by JDH Mr. Dwayne Manso and out of a full sister to the 1994 International Champion JDH Ms. Raye Manso.

Selling full possession, retaining 50% embryo interest.

This is the first time that we have offered any progeny from our ET program using the Reserve International Champion and proven sire, +Mr. V8 191/7. We selected this sire and bought one of the exclusive semen packages due to his proven production of siring champions like the International Champion Mr. V8 604/7 "Man of Steel". The dam to this eye appealing red tinged female that is big boned, deep ribbed and thick ended is the former show winner and now elite donor, Moreno Ms. Lady Madonna Calver. Her dam not only won numerous shows but her offspring are carrying on this winning tradition with most recently her sons Moreno Mr. Kari Houston winning for Chasey McCrimmon and Moreno Mr. Fortunato winning for Julia Norman in addition to a daughter winning her class at the Kick Off Classic. Lady Magnifique not only has the phenotype demanded by the most discriminating cattleman but a performance profile that is in the top 10% of the breed for growth and REA. She also boasts a pedigree that is heavily influenced by the breed legends (+)JDH Sir Liberty Manso and (+)JDH Madion de Manso making her an ideal candidate to be bred to many of the today's popular sires.

Moreno Mr. Fortunato is a former show bull who among many other championships has a Reserve Intermediate title at the Miami International to his credit. As you might expect from his proven show record he is a sound structured, stout boned, big bodied, heavy muscled bull that is extremely eye appealing due to his dark pigmentation. The sire of Fortunato is the International Champion and proven sire Mr. Fontenot 333 "Rufus". His dam is our proven donor Moreno Ms. Lady Calver who is the result of two Register of Renown parents. Not only does Moreno Mr. Fortunato have the pedigree and phenotype to be a sire for any progressive Brahman operation but ranks in the top of the breed for growth and milk. Study this guy hard as he has a lot of upside!

These two show heifer prospects are the result of a planned mating that consists of the most proven parents in the breed but more importantly some of the most influential cow families. For those who follow our program you know the influence that the 201/9 cow family has played in our success. Due to her proven production 201/9 currently has over 50 head registered in ABBA with 10 of them being show winners, three herd sires and seven donors for some of the most recognized herds around the world. Most recently she had three offspring that placed at the top of their class at both the All American and Kick Off Classic shows with a heifer that was named Calf Champion at the All American. We couldn't praise the influence of 201/9 without acknowledging her dam and the matriarch of our program +GS 314 that has produced 44 registered offspring with many of them being winners and proven donors. Of course 201/9 has nicked with every bull that she has been mated to but we chose for this flush the Reserve International Champion +Mr. V8 191/7 who in his first calf crop sired the International Champion Mr. V8 604/7 "Man of Steel". Not only is 191/7 a champion and sire of champions but is the product of crossing +JDH Sir Avery Manso on +Miss V8 464/6 who was a champion at both the International Show and World Brahman Congress. +Miss V8 464/6 is a daughter of (+)JDH Charley Manso and +Miss V8 188/5 the dam of an International Champion Female and a number of other breed influencers. It's hard to let these two go but in celebration of 200 years in the business this is our gift to you!

This big outlined, bold made, super attractive female is backed by a proven pedigree that contains 11 of 14 possible Register of Renowns and EVERY Dam in the pedigree is a proven donor. We are extremely excited about the future of this heifer and hope that you will take advantage of this opportunity to own one out of the show winning and proven herd sire Moreno Mr. Macklemore and our leading donor +Miss B-F 201/9. Although Macklemore has an impressive story being purchased by Big John Goode and going to the International Show and immediately picking up a Reserve Division Title. It should be noted that +B-F 201/9 is just as storied as she too was a many time show winner and now a proven producer with over 50 progeny to her credit. One of the most notable offspring of 201/9 that will carry on her legacy is Moreno +Ms. Lady Presumida 376 that has been the dam to many of our show winners and sale toppers over the past three years including the Calf Champion Grey Bull at the 2019 All American. It's truly all about cow families and they don't come any more proven than the ones that back Moreno Ms. Lady Madie.

A FULL SIB TO EMBRYOS,
MORENO MS. LADY BEATRICE 954/1

In this special sale and to commemorate our 200-year anniversary we are excited to be able to offer an embryo package from one of our most proven matings. Over the past year there have been numerous offspring from the two-time ABBA Gray Show Bull of the Year TTT Suva Bob Manso 786/3 and one of our signature donors +Miss B-F 201/9 win shows as well as top our sales. We love this mating as it combines the growth, power and muscle of Suva Bob with the attractiveness, practical build and soft look of 201/9. Not only does the mating work phenotypically but the genetics align to include +Mr. H Maddox Manso 684, +TTT Suva's Echo Lady 700, the Reserve International Champion +BNA The Deacon Manso, the dam of two herd sires +JDH Miss Aida Manso, +KC Justice Manso who has influenced 36 herds around the world, and of course our matriarch donor +-GS Ms. Mulhim Manso 314. In addition, this mating produces a performance profile that charts positive for 11 economically relevant traits. If you are serious about being a progressive Brahman breeder this package will put you in the driver's seat overnight! Package consists of three conventional embryos with 1-90 day pregnancy guarantee if the embryos are implanted by Trans Ova Genetics into Trans Ova recipients.

It seems that the further we go into this offering the deeper it gets and we aren't real sure how we can make it any better than this offering of three outstanding show prospects. Since we started we have identified the cow families that work for us and continued to build off of them with planned matings. Most will remember +-GS Ms. Mulhim Manso 314. She is without question the matriarch of our operation. We then purchased a daughter from her that had been competitive in the showing with +Miss B-F 201/9. She too made a major impact in our program and still influences the herd today with three of her offspring currently winning their class on a regular basis. We then flushed 201/9 to the Reserve International Champion +Mr. V8 777/4 to create a great set of females that influenced our herd and those of others and in this group is the former show winner and now leading donor +Moreno Ms. Lady Presumida. In just her first calf crop Presumida's offspring accumulated enough points through their individual and group wins to put her in the Register of Renown. Most recently she had a son named as the Calf Champion at the All American. To further compliment the influence of Presumida we took the plunge and bought some semen on the Reserve International Champion and sire of champions +Mr. V8 191/7 to produce these resulting calves. If you are serious about showing a champion and building a herd around some of the most proven genetics in the breed we encourage you take advantage of this opportunity as it will have long lasting returns.

LOT 15 ... We must admit that this cross is pretty special as we think it combines two of the most modern and successful animals in the breed. Moreno Ms. Lady Osyta is a November female that we are super excited to offer. Her dam, +Moreno Ms. Lady Presumida 376 was a tremendous show female for us with numerous class and division titles. Although her show ring success is impressive it has been her progeny that have proved her value in our program. Presumida has produced numerous champions and with her first calf crop was recognized at the National Show with the Reserve Champion ET Produce of Dam Title. Most recently she had a son win the Calf Champion title at the All American. You must agree that the maternal side of this pedigree is impressive but of course equally matched by the sire of the most champions from 2011-2017, +Mr. V8 380/6. We can't keep them all and hope that you take advantage of this masterful genetic combination. The promise of this female's pedigree and phenotype is one you'll want to invest in. She's great bodied, deep in her rib and has a great amount of muscle shape that blends so well into her design.

LOT 16 ... Don't miss this one! If you like cattle that are sound from the ground up, big outlined, deep bodied, easy fleshing and combine this all in a super attractive and eye appealing package with an elite pedigree then you are going to LOVE Moreno Ms. Lady Otamendis. This outstanding female is a daughter of +Mr. V8 380/6 the sire of the most winners from 2011-2017 as well as the 2018 National & 2019 International Champion Female and 2019 International Champion Get of Sire. +Moreno Ms. Lady Presumida 376 would be considered by many as our top producing gray donor over the past two years. Her offspring have topped the shows and the sales due to their eye appealing look and outstanding pedigree. Presumida is a former show heifer that combines the proven genetics of the Reserve International Champion +Mr. V8 777/4 "Powerstroke" and our matriarch donor +B-F 201/9 that you have seen the influence of in this sale. To complete this package Lady Otamendis charts positive for ten economically relevant traits. You simply can't find a more genetically superior package that combines performance and eye appeal!

Another opportunity to purchase the popular and proven genetics! Moreno Ms. Lady Veronica is another result of mating the International Champion, V8 Ranch Bull of the Year, and Weaning Weight Trait Leader Mr. V8 604/7 to one of our most popular and proven donors. Moreno Ms. Lady Presumida has been one of our most successful donors over the past year due to her offspring winning purple banners and demanding top prices. The proven production of Presumida should come as no surprise as she is sired by the Reserve International Champion +Mr. V8 777/4 "Powerstroke" and out of our matriarch +BF 201/9 who represents the foundation cow line of +-GS 314. If it's proven cow families, popular genetics, breed leading performance and stylish cattle that you like then be sure to bid last on Veronica!

Safe bred A.I. 5.22.19 to JDH Kabram Manso 434/8 (912318).
 Attention Progressive Cattlemen! Moreno Ms. Lady Marietta is without question the female that can be the basis of any operation as she combines our most performance oriented sire with our most popular and proven cow line. JDH Mr. Manso 734/6 is our most performance oriented sire that contains some of the most performance and maternally oriented animals in the breed with (=)JDH Westin, JDH Bertram and two of J.D. Hudgins top donors JDH Miss Clova Manso (dam of JDH Dixon) and JDH Lady Manso 376/9 (dam of JDH Sterling). When you take these power packed genetics and cross them on the most proven cow family that we own that is backed by three generations of superior donors you really have something. Not only does Lady Marietta have the proven pedigree and performance data that charts in the top of the breed for the essential traits of BW, WW, YW, Milk and ALL of the carcass traits but she had an attractive phenotype. Give serious consideration to this bred female.

This beautifully pigmented, stout featured, big bodied female is a full sister to the \$25,000 high selling Moreno Ms. Lady on the Ball182/2 that sold in our All American Sale. She is from one of our elite donors, Moreno Ms. Camila who is a daughter of Moreno Mr. Hercules that is an outcross to many of our current genetics but has played a major role in our program producing functional, performance-oriented cattle like Ms. Camila and her sisters +Moreno Ms. Aspe and Moreno Ms. Senora Cienfuegos. The bottom side of the pedigree of Camila is truly some of the most proven genetics in the Brahman breed combining (+)JDH Dakota, V8 763/1 and +Miss V8 401/4. To complement the impressive dam side of Lady Okie Doc's pedigree is +Mr. V8 380/6 who is a proven sire of champions as confirmed by his progeny accumulating more wins in ABBA Shows than any other sire. As you might expect from a pedigree that combines power, show ring appeal and leading genetics Lady Okie Doc ranks in the top of the breed for 10 traits. Study this one hard!

It simply doesn't get any better! Everyone knows that the most proven cross over the past several years has been crossing +Mr. V8 380/6 on the daughters of the National Champion +JDH Mr. Elmo Manso 309/4. In this package we have taken +Mr. V8 380/6 who is known for his siring ability as confirmed by his progeny winning more than any other sire from 2011-2017 and crossed him on one of our proven donors. JDH Miss Booth Manso was a top donor for us and headlined our Catalyst 6 Sale last Fall. She is a daughter of the global icon and former National Champion +JDH Mr. Elmo Manso and out of a daughter of JDH Betram Manso crossed on the maternal giant (=)JDH Sarasota Manso. Don't miss this opportunity to purchase one of these really great breeding pieces that combine phenotype, pedigree and performance!

This February show prospect is sired by +Mr V8 380/6 "The Machine" who is known globally as siring champions as confirmed by his "get" winning more in the USA than any other bull from 2011—2017. The dam to this female, Moreno Ms. Antonio, is one that we purchased as a calf at side from The Smith Family in Florida. She combines some of the legendary bloodlines of the breed to include some of the herd influencers for V8 Ranch, K-C Ranch and J.H. Novak. Not only is Moreno Ms. Antonio a well-bred donor but extremely fertile calving first at 31 months of age and then on a regular basis. As you might expect from the progeny of a multi-trait leader for weaning weight, yearling weight, ribeye area & hot carcass weight, this elite female charts positive for 13 of the 15 traits measured by the ABBA. If it is a breeding piece that you aspire for then be sure to mark this lot as a must have!

MORENO MS.
LADY RITMO 712

We've raised a lot of good ones but Moreno Ms. Lady Reeboks would have to be considered in this elite group. Not only does she catch your attention with her dark red color but analyze her from the ground up as she is sound moving, big boned, bold ribbed, level made, thick ended and combines all of this in an eye appealing package. To complement her outstanding phenotype she is sired by the many time champion and proven herd sire +BB Bronson 299/3. The dam to Reeboks is a Register of Renown proven dam that was also the dam to TTT Suvaport's X-Ray 835 "Player" who was a many time champion and now herd sire for Doucet Brahmans. It should also be noted that Reeboks ranks in the top of the breed for WW, YW, Milk, Scrotal Circumference and Disposition which will only add to her profile as a future cornerstone female.

Selling full possession, retaining 50% embryo interest.

This super deep, big boned and ultra-feminine show prospect not only has the right "look" but offers a proven pedigree. A full sister to her recently won her class at the All American for Macey Merritt. The sire to Lady Reggie is BB Special Effort 666 who sold at the World Brahman Congress for \$25,000. In the past three years Special Effort's offspring have taken the show ring by storm with 13 of them accumulating points. The dam to Reggie is equally impressive being a proven donor with three progeny currently being shown and accumulating wins. Moreno Ms. Lady Ritmo is a daughter of the National Champion and breed icon +JDH Mr. Elmo 309/4 and a HK bred female. Don't miss out on this outstanding female that combines some of the most legendary genetics in the Brahman breed increasing her value and utilization.

You simply can't make them with any more growth, bone, rib shape, muscle all in a youthful and feminine package. To complement the phenotype of Moreno Ms. Lady Rihanna is her pedigree that combines some of our freshest genetics with those that we have built our herd around. The sire to Rihanna is Moreno Mr. Rocky Elmer 391, one of our prominent young herd sires that offers an ideal phenotype, proven breed leading pedigree, impressive show record and extreme growth. Rocky Elmer is a flushmate to BOTH the 2017 International Champion Red Bull, LB Sir Myles and the 2017 ABBA Red Show Cow of the Year, Moreno Ms. Lady Rumbera 710. We are extremely excited with his first calves with many of them showing well including a class winner in Ft. Worth. The dam to this elite female is TTT Ms. Suva Marti JP 789 who was a many time show winner with championships at San Antonio, Ft. Worth, and Miami. Not only does Suva Marti have the show accolades to her credit but she is now one of our proven donors. We would expect that with the crossing of these two proven show winning parents and the early development of Rihanna that she will be a force to reckon with in the showing and a future money earner for her owner.

Safe bred 3.23.19 to 734/6 to JDH Mr. Manso 734/6

In this sale you will find that we are selling some of our proven donors. On many of these cows we have retained offspring and with the use of IVF can rapidly turn generations with our freshest genetics thus allowing us to sell the factory. We initially purchased JDH Lady Coy Manso as a yearling heifer and she has done us an outstanding job producing 16 offspring in 4 years. Not only is she a proven producer but offers some of the most elite genetics in the Brahman breed being sired by JDH Sir Kenny the sire of the International Reserve Junior Champion Female and a son of (+)JDH Mr. Woodman Manso and out of one of the most proven cow families at J.D. Hudgins. The dam to Lady Coy immediately pops out as a Maternal Merit Cow as well as the dam of the 2016 Reserve International Champion JDH Sir Jacob Manso. Even more impressive =JDH Lady Josiah Manso 505/7 is sired by a Maternal Performance Sire and her dam has produced two Maternal Merit Cows. With these proven genetics it should come as no surprise that Lady Coy calved at 31 months old, ranks in the top 2% of the breed for growth and in the top 50% of the breed for another six traits. Take advantage of this opportunity to purchase a proven J.D. Hudgins Donor that offers one of the most proven maternal pedigrees in the breed.

P.E. from 7.27.19 to JDH Karbram Manso 434/8

This growthy, big outlined, long and level made female is a full sister to the impressive Moreno Ms. Lady Polled Penny. Not only does Polled Perla offer an outstanding pedigree combining the many time champion JDH Lady Babette Manso with the Australian polled sire #Three D Polled Platinum but she is the last POLLED female from this mating that we have to offer for sale. Don't miss out on this great opportunity!

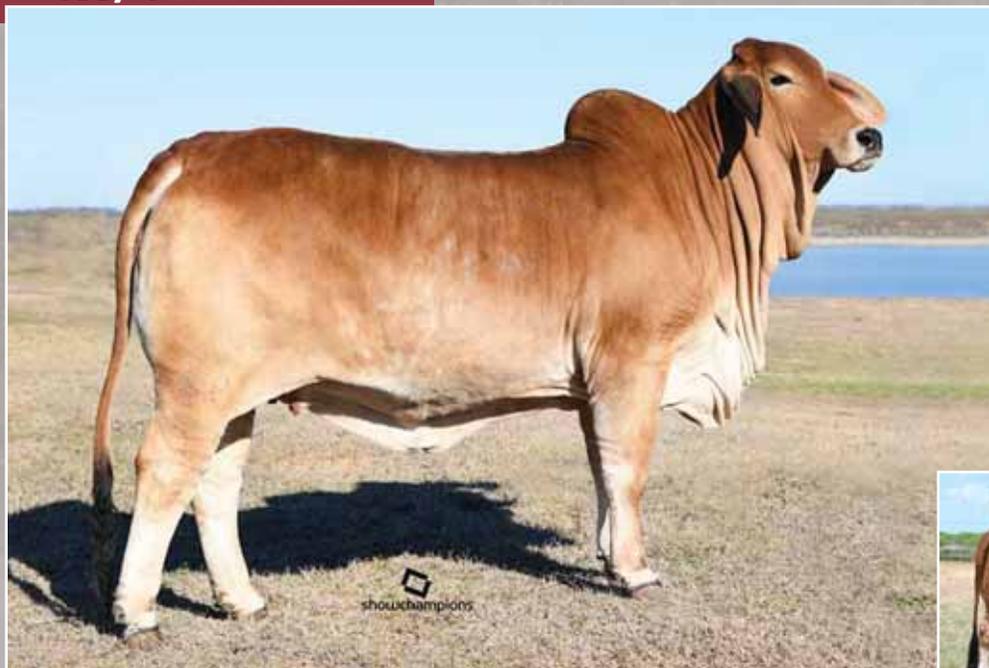

LOT 31A - MORENO MR IMPERIO - Bull, calved 5.19.19, Grey, dehorned. Sired by +JDH Impression Manso 719/4.

Moreno Mr. Imperio sells at the side of his dam. Not only does his dam combine one of the winningest females in modern times with a polled Australian bull but his sire is one of the most proven sires to ever live at Moreno Ranches. The pedigree of Imperio will be double bred +JDH Mr. Elmo Manso 309/4 the former National Champion and global icon. This calf is one that is easy to get excited about and has the potential to be an outstanding herdsire.

A.I. 5.22.19 and safe to Moreno Mr. Rock Star 625 (950236)

This is truly one of the most exciting opportunities to be offered! Not only are we offering the opportunity for you to purchase a daughter of the many time champion, JDH Lady Babette Manso, but 68/1 is a classified red heifer who due to her beautiful phenotype being structurally sound, big boned, deep ribbed with great eye appeal was a National Show Class Winner and a two time Reserve Division Winner including the International Show. To further add value to this package, her sire #CIGSA Mr. 162/0 is an outcross to many of today's popular bloodlines and only has limited progeny in the USA. We think based on the proven genetics, open pedigree, show ring success and ideal phenotype that Moreno Ms. Lady Rufina offers she has the potential to be a cornerstone of a progressive breeding program.

What is there not to like about Moreno Ms. Lady Rosselia? She is an extremely eye appealing female that is ultra feminine, deep ribbed, big boned, well balanced female with a breed leading pedigree. Her sire is +BB Bronson 299/3 who had a successful show career accumulating nine division wins in ABBA Approved Shows helping put both his sire and dam in the ABBA's Register of Renown. In 2006 following his show career, half interest was sold in him at the ABBA International Sale for \$35,000 making him the highest selling animal at the time to ever be sold in the sale. In 2012 Bronson sired BOTH the Grand Champion and Reserve Grand Champion Bulls at the World Brahman Congress and in 2017 sired both International Reserve Grand Champions and just this year his son Moreno Mr. Rudolph 851 has won numerous titles including being named the All American Grand Champion bull. Although the top side of this pedigree is impressive the dam to Rosselia is one of the few daughters of CIGSA Mr. 162/0 in the USA and is out of the National & International Champion and ABBA Show Cow of the Year JDH Lady Babette Manso. You simply cannot script a better pedigree. Based on the phenotype and pedigree of Moreno Ms. Lady Rosselia we think she has a bright future as a show heifer and donor.

Safe bred A.I. 6.13.19 to Moreno Mr. Rock Star 625.

This young female combines the genetics of +SRS Red Captain Legs, the 2006 Reserve International Champion who sired the 2014 International Champion Red Bull and the 2015 National Champion and 2016 ABBA Red Show Bull of the year. Her dam is JDH Lady Brenna Manso who is without a doubt one of the foundation donors of our program. Due to her dark pigmentation, she has worked extremely well producing both red & grey Brahman offspring. When we purchased this proven female from J.D. Hudgins-Locke Division she had already produced JDH Lady Bird Manso (the dam of JDH Vanicek), Elmo's Fire and JDH Geronimo (JDH Herd Sire). In addition to her proven production, she offered a breed leading pedigree combining the Vanguard Sire (+) JDH Datapack and Maternal Performance Sire (=)JDH Sarasota in the first two generations of her pedigree. You can't go wrong with this female that combines some of the most proven show and production oriented genetics in the breed. Not to mention she is bred to Moreno Mr. Rock Star a many time champion and son of +Smoking Gun and the great +Lady Aspe donor.

A.I. 5.22.19 and safe to Moreno Mr. Rocky Elmer 391 (931491)

This female represents one of the few in this sale from the historic Tic Tac Toe/Watts Ranch herd. Don't discount her because she doesn't wear a M Check brand as she is backed by a solid pedigree that consists of some of the most noted animals in the breed. ALL but 1 animal in her pedigree was a former show animal that accumulated points. Her sire is a former champion and full brother to the National & International Champion +SRS Mr. Troubador 933. Her dam was a many time champion that first calved at 27 months of age proving herself as a producer. To complete this impressive package 6/6 ranks in the top 1/3 of the breed for growth and milk. As a breeding piece you should also consider the value of the calf that she will have by Moreno Mr. Rocky Elmer the young proven sire that is a flushmate to BOTH the 2017 International Champion Red Bull, LB Sir Myles and the 2017 ABBA Red Show Cow of the Year, Moreno Ms. Lady Rumbera 710.

Pay close attention to these two attractive made females that come from some of the most proven genetics in the breed. The sire to these two is the two-time ABBA Show Bull of the Year TTT Suva Bob Manso 786/3 who not only had a storied show career with 22 Division and 12 Championship Titles to his credit but he is passing his show ring appeal along to his offspring with three of them winning their class at the International Show and recently two more were recognized with awards at the Kick Off Classic. In addition to the show ring accolades Suva Bob offers an outcross but popular pedigree tracing back to herd icons +Mr. H Maddox Manso, the International Champion +BNA Double Take, JDH Echo Manso and +JDH Martin Manso. The bottom side of their pedigree is Miss V8 765/6 a former show cow for V8 Ranch, who was the high selling lot in the 2009 International Sale and has produced a number of winners for us both on the red & grey side. She is an own daughter of the iconic +Mr. V8 287/5 "Superstroke" who dominated the ABBA Show Ring for 10 years and produced an undefeated International Champion Get of Sire for five straight years. The dam to 765/6 is +Miss V8 997/5 a daughter of the International Champion and iconic +Mr. V8 901/4 and the same dam as the International Champion +Mr. V8 846/5 "The Rock". These two females will not only represent their owner in the show ring but with their pedigree and performance profile that charts positive for 10 traits should be in contention for the donor pen.

This former show heifer combines some of the leading genetics in the Brahman breed. She is sired by the breed icon +TJF Mr. Smokin Gun 109/7 who was a many time champion. His progeny continue to be in high demand when at the market place and are for sure appreciated in production. In 2015, Smokin Gun sired three of the four division winners at the International Show, including the Grand Champion Red Bull. He is also the sire to the 2016 & 2017 Reserve National Champion Females and most recently two division winners at the Kick Off Classic and a Champion Female in Thailand. As most know the semen on Smokin Gun is extremely rare. It is widely known that the crossing of the influence of +Winchester Magnum and +BB Sting Ray, the sire of Ms. SS 164, is one of the most proven matings in the breed. Not only are we offering a female that has an outstanding phenotype and pedigree but she ranks in the top 10% of the breed for pre and post weaning growth and completes this package being bred to Moreno Mr. Rocky Elmer 391, one of our prominent young herd sires that offers an ideal phenotype, proven breed leading pedigree, impressive show record and extreme growth.

A.I. 6.13.19 and safe bred to JDH Sir Stratton Manso 823/4 (902151)

TTT Ms. Suvett's BB 749/2 was one of the females that came with the Tic Tac Toe herd that we selected to use as a donor based on her phenotype and pedigree. She has been an outstanding producer with one of her daughters, Moreno Ms. Lady Tammy, selling in the sale. TTT 749/2 is sired by the many time winner and International Show Division Champion TTT Mr. Suva Martin 363 "Big Boy" that was sold to Alta Genetics and is now influencing the Brahman breed around the world. The dam to Suvette's BB is a proven producing cow purchased from Kallion Farms who is known for fertility, carcass quality and efficiency. As you might expect from such an outstanding female she ranks in the top of the breed for BW, WW, YW as well as 5 other traits. Don't miss this opportunity to purchase a proven donor that is bred to the great JDH Sir Stratton Manso.
