As of 4.22.21 safe four months bred to P.E. 12.18.20 to 02.24.21 to SSTO Fortitude 8914F (LFM2161092 - 50% H/H son of PVF Insight x Riverstone Charmed).

It's difficult to find the words to properly introduce this elite female because she's a drop dead killer-good female. She is near-perfect from every angle, big boned, tremendously capacious through her center body and she's ever-attractive on the profile. This female is as picturesque as we can make one around here. She's flawless in her design, dead level in her hip and ultra correct in her structural build. DL Gentle On My Mind 442G is sired by the great EF Xcessive Force son, Alter Ego. Alter Ego is out of a KRVN Naskar 013N daughter, CJSL Tequila Sunrise 7003. This female's dam is CFLX Maybelle 560C ET, a daughter of AHCC Westwind W544. She is homozygous polled and double black. This is one you can't miss- DL Gentle On My Mind 442G won't be 'gentle on your mind' at the conclusion of the sale if she isn't on a trailer destined for your pastures!

Truly an impressive daughter of the proven RLBH Air Force One bull. RBLH Air Force One has garnered nationwide attention for his ability to create individuals of superb excellence. He is the EF Xcessive Force son from the great EF Yaffa 821Y female. DL Good News 434G's dam is WLR WVR Eliza ET, a daughter of EXAR Blue Chip 1877B and out of the tremendous WLR Ugly Betty 432U donor. This female is a downright powerhouse of an individual. She's massively copious through her center body, full of natural rib shape and she's flawless in her structural design. On paper DL Good News 434G ranks in the 10th percentile for her marbling figure. This female is double polled and is a 53% Lim-Flex. Power and sheer function are the name of the game with this attractive female!

Safe bred four+ months to A.I. 12.07.20 to RLBH Air Force Once (LFM2026301 - 62% P/HB son of EF Excessive Force) (guaranteed heifer semen).

We've found that our RLBH Air Force One daughters are total forces to be reckoned with and this female is absolutely no exception. DL Gospel Truth 428G is a double polled and double black daughter of the highly reputable EF Xcessive Force son, RLBH Air Force One. Her dam is CFLX 605D, an EF Smack Down 764S female that goes back to MAGS Sasquatch on the bottom side of her pedigree. What a truly powerful individual that has the entire world ahead of her. She is bold in her rib shape, incredibly strong in her top and level in her hip. This female is 62% Lim-Flex. She ranks in the 15th percentile for her marbling EPD. We've always kept this female high on our radar because we believe in her future ability to generate offspring with functional and desirable attributes.

Here is another phenomenal daughter of PBRS House of Cards 698D ET. DL Graceland 456G is full of beauty, grace and superior style. PBRS House of Cards is the MAGS Aviator son from the highly productive AUTO Ajay 206A female. Her impressive dam is a CALO Brickyard 902W daughter out of an SAV Brilliance 8077 female. Simply put- this female is a tank! She is smooth in her lines, looks exactly how every female should and she's packed full of natural body shape and dimension. This female is huge mid-dled, strong and level in her spine and structurally correct on all four. She is homozygous black and double polled. Truly a unique individual you'll want to set your sights in on!

Safe bred 5 months to A.I. 12.07.20 to RLBH Air Force Once (LFM2026301 - 62% P/HB son of EF Excessive Force. Guaranteed heifer semen).

What a special female right here that we're confident will turn several heads. DL Gemini Girl 468G is tremendously deep sided, long and extended through her front one third and built with function in mind from a structural standpoint. She is a double homozygous daughter of the ever-popular ELCX Kings Landing 599D ET bull. ELCX Kings Landing 599D is the MAGS Xyloid son out of the one and only WLR Prada female. This female's dam is a DHVO Trey 133R and goes back to the legendary AUTO Black Dakota 129J on the bottom side of her pedigree. She is 78% Lim-Flex. This female looks like a lady and reads with longevity and lasting cow power.

Genetics with worth that simply can't be measured! PBRS Great Colada 9183G is a daughter of MAGS Aviator and from a tremendous female, PBRS Excellent Colada ET. Her dam is a daughter of Colburn Primo 5153 and out of the legendary Carrouseles Pina Colada donor. When you study this female from a phenotypic standpoint it only adds to her immense genetic worth. She is a near-perfect silhouette of what a Limousin female should be. From the ground up this gal is nothing short of impressive. She has a huge, swooping middle, she's long and level in her spine, expressive in her muscle shape and correct in her structure. She is feminine fronted and moves with such comfortability of skeletal build. She is homozygous black and double polled. She is 54% Lim-Flex.

A stunning double homozygous daughter sired by DL Tabitha's Westwind 649, a bull we raised who is sired by AHCC Westwind W544. This female's dam is SSTO Catalina 5821C ET, a MAGS Xyloid female out of the one and only BOHI Red Robin 282R donor. Check out the amount of body, rib shape and natural dimension this female exhibits. She is level in her top, explosive in her center rib and flexible off both ends of her skeleton when you get her in motion. This female ranks in the 30th percentile for her milk EPD. She is 81% Limousin and will be a total workhorse in production.
