Dear Friends,

It is our pleasure to invite you to Your Maternal Source Female Sale. We are excited about this offering and, quite honestly, believe these cattle are as good as we have ever had the opportunity to offer.

This sale represents years of careful selection, hard work, and a commitment to producing cattle that work for real-world cattlemen. We have focused on cattle with the kind of fundamentals that matter—sound structure, longevity, production records and the ability to perform in a variety of environments while still maintaining the quality and kind that make Angus cattle so valuable.

There has been a change in our operation, and while change is a natural part of any cattle operation, one thing will remain constant: our breeding philosophy and our commitment to our customers that we have valued since the beginning. Our commitment to select cattle that can go to work, stay in the herd, and make a lasting impact for generations to come.

We are especially proud of this set of cattle and believe there is something here for everyone—from those looking for donor prospects to those wanting productive females to build their program around. More importantly, we believe these cattle represent the direction we want our program to continue moving.

We sincerely appreciate the support, friendships, and confidence that so many of you have shown us over the years. The cattle business is built on relationships, and we are grateful to have the opportunity to share this offering with you and look forward to the new ones.

We hope you will take the time to look through the sale offering, visit with us about the cattle, and join us on sale day. We would be honored to have you as a buyer and, more importantly, as a partner in the future.

Thank you for your continued interest and support. We look forward to seeing you on sale day.

Sincerely,
Larry, Dee, Erica, and Dawson Coleman
Jeremy and Jenny Haag
Carl and Kelsey Farrand
Orrin Ingram, Jason Upchurch, and David Cagle

BIDDING OPTIONS – IN PERSON, PHONE, ONLINE

LIVE AND IN PERSON

There is nothing like being at a Coleman Angus sale. The opportunity to view the cattle, see old friends, meet new folks, enjoy the stunning views, and enjoy some really good hospitality as well as purchase some cattle that you need and want to take your program to the next level. We all hope you can join us but if you can't make it, we offer numerous other ways to purchase cattle with convenience.

CALL IN PRE ORDERS PRIOR TO THE SALE

Buyers unable to attend the sale may call in or text prior to sale day to Larry Coleman (406) 240-2751 or Jeremy Haag (406) 833-0117. If you would like to discuss the sale offering, call us and describe your needs and budget and we can help you select the genetics that will fit your program. We can bid on an animal for you and you will pay only the bid price established by the auction. Bids are handled confidentially with satisfaction guaranteed on all orders.

REAL TIME PHONE BIDDING

Buyers unable to attend the sale in person may call in prior to the sale to Larry Coleman (406) 240-2751 or Jeremy Haag (406) 833-0117 to be on the phone during the sale with one of us. We can bid on an animal for you and you will only pay the bid price established by the auction. Bids will be handled confidentially and with the upmost integrity, along with our satisfaction guarantee on all orders.

ONLINE BIDDING

LiveAuctions.TV

With today's technology that allows us to better serve you, we will have high-speed internet in place and an online bidding platform through LiveAuctions.TV. Just register to bid at https://liveauctions.tv/register and fill out their form to create an account. If you have any questions on how this works, please feel free to contact the office of LiveAuctions.tv at (682) 816-4900 or Katie Colyer (208) 599-2962

Our Country is more than a place
on a map; it is the people, values
and dreams, we share.

A Legacy Worth Continuing

Thirty years ago, Larry and Dee Coleman set out to build something special.

Returning to Charlo, Montana as energetic Angus breeders, they had a vision for the kind of Angus female they believed could build a great herd. They knew the **"Momma Cow"** they wanted to make and they stayed true to that vision.

What began with four cows and a few recip cows grew into one of the most respected Angus programs in the country. Through decades of hard work, discipline, and an unwavering commitment to the fundamentals, Larry and Dee built more than a herd. **They built a legacy.**

Their philosophy was never complicated. It was about making cattle that worked.

Feet that last.

Udder quality that stood the test of time.

Production records that tell the story.

Phenotype that catches your eye.

Longevity that keeps cows in the program.

And fleshing ability that allows a cow to thrive with pounds-heavy calves.

They understood that a great Angus operation starts with a great cow—and that the true measure of a female is not simply how she looks today, but how many productive years she has ahead of her.

That philosophy became the foundation of Coleman Angus.

Over the years, breeders from across the country have made their way to Charlo, Montana to find cattle they could build upon. Cattle that could become foundation females. Cattle that could work in the real world. Cattle that could leave a lasting mark on a program.

Larry and Dee's story is the definition of the **American Dream**—young people with a vision, a willingness to work, and the determination to build something of their own. They took a handful of cows and turned that vision into one of the great herds in the Angus business.

Today, the opportunity before us is bigger than simply acquiring cattle.

It is the opportunity to continue a legacy.

A legacy built on the belief that the right kind of Angus female can change a herd. A legacy built on generations of productive, functional cows. A legacy built by staying focused on what matters most.

The cattle offered here represent a piece of what Larry and Dee Coleman spent 30 years building. We all here at the ranch are indebted to them for what they have done and built over the last three decades.

A foundation worth owning.

Cow families worth building on.

And a legacy worth continuing.

COLEMAN DONNA 6143 – The $30,000 daughter of KMK Donna J311.

- **FOR REFERENCE ONLY.**
- KMK DONNA J311 - The foundation female in the Donna family who started it all by excelling in the tradition of maternal strength and fertility. She was a three-dimensional cow with tremendous depth of body, substance, and eye appeal. This great female was reflective of a royal pedigree stacked with multiple generations of proven Pathfinders and a legendary Pathfinder dam, AAR Donna 1853.
- KMK Donna J311 sold as a heifer calf in the KMK Dispersion in 2001 to Coleman Angus and served for multiple years as a valued foundation donor. In the fall of 2006, she sold for one-half interest at $30,000 as a private treaty transaction to Limestone LLC. J311's most famous daughter, Coleman Donna 386, followed in the Donna family tradition of phenotype and production selling one-half interest for $60,000 as a private treaty transaction to Angus Alliance International and went on to sell another one-half interest for $100,000 to ZWT Ranch of Tennessee.
- Famous progeny from this foundation female includes Coleman Donna 6143, who sold one-half interest for $30,000 to Hurley Angus Farm as the top-selling Lot 1 female through the 2011 Coleman Angus Female Sale and produced the $16,000 third top seller of the 2011 Coleman Angus Bull Sale. Another daughter, Coleman Donna 202, was the $34,000 top-selling Lot 1 female of the 2010 Galaxy Beef Sale going to Double R Bar Ranch, and her many other sale features included the $60,000 pregnancy in the 2007 Limestone Sale to ZWT Ranch then, in the later part of her years, KMK Donna J311 sold in the 2012 Limestone Dispersal Sale to Byrd Cattle Company.
- Other notable females that have had an impact on the Coleman Angus program are Coleman Donna 8284, Coleman Donna 801, Coleman Donna 6317, Coleman Donna 197, and Coleman Donna 7181.
- The genetics of this outstanding foundation female are still felt throughout this event.

- **FOR REFERENCE ONLY.**
- The next generation stayed true to the long-standing family tradition. Coleman Donna 386 featured an impressive combination of productivity with classic Donna phenotype, tremendous depth, capacity, and udder quality in an appealing, moderate-framed package with maternal strength and added ribeye area featuring a unique yet highly proven pedigree.
- Coleman Donna 386 surfaced as the all-time greatest daughter of the Pathfinder sire, Basin Rainmaker 654X, who was exported to Argentina as one of the most popular and widely used sires in South American history. She went on to sell one-half interest at $60,000 for a $120,000 valuation as a private treaty transaction to Angus Alliance International in 2008 and later sold another one-half interest private treaty transaction at $100,000 for a $200,000 valuation to ZWT Ranch in 2011.
- Her famous daughter, Coleman Donna 714, sold one-half interest for $145,000 to top the 2011 National Finals Angus Sale in Las Vegas and serve as a second-generation Donna donor in the ZWT Ranch program in Tennessee producing over $3.5 million in progeny sales at Coleman Angus.
- Coleman Donna 386 is the mother of an array of featured AI sires used around the country including Coleman Foundation 972, the $55,000 one-half interest feature and Lot 1 bull of the 2009 Coleman Angus Fall Sale where his flush sister, Coleman Donna 989, sold for one-half interest at $19,000 as the second top-selling heifer calf in that event. Other daughters include Coleman Donna 975, the featured donor female in the Montana Ranch program.
- Other notable females that have had an impact on the Coleman Angus program are Coleman Donna 998, Coleman Donna 2252, and Coleman Donna 6206.
- Coleman Donna 386 has left her mark as one of the great females of the breed and her influence is felt throughout this event.

- **FOR REFERENCE ONLY.**
- The tradition continued as Coleman Donna 714 rose to fame and became a breed legend as the all-time, high income-producing female in Coleman Angus history. She has produced over $3.5 million in progeny sales for the Coleman family and carried on the tradition of tremendous phenotype and added maternal excellence as she is the No. 2 cow in the breed for $M that is 19 years of age or older and has a progeny production record of BR 4@89, WR 4@115, YR 3@112, %IMF 12@101 with 184 daughters in production with an average nursing ratio of 102.
- This outstanding female sold for one-half interest at $145,000 to top the 2011 National Finals Angus Sale in Las Vegas as the top seller going to ZWT Ranch of Tennessee. She produced Coleman Regis 904, who sold one-half interest for $20,000 as the top seller of the 2011 Coleman Angus Spring Bull Sale to become one of the most popular, young AI sires at Select Sires. Another son, Coleman Juneau 044, was the $34,000 top seller of the 2011 Coleman Angus Spring Bull Sale while a full brother, Coleman Manning 0299, was the $11,500 fifth top seller of the 2012 bull sale. Another son, Coleman Foundation 972, was the $55,000 one-half interest, top-selling bull of the 2009 Coleman Angus Fall Female and a flush sister sold one-half interest for $19,000 as the second top-selling heifer calf through that same event. Other notable daughters include the all-time, record-selling female, Coleman Donna 8146, who sold for $375,000 one-half interest for a $750,000 valuation to ZWT Ranch of Tennessee.
- Coleman Donna 7221, another daughter, was the $120,000 one-half interest feature of a past Coleman Angus sale who went on to produce the $180,000 one-half interest Coleman World Wide 2562. Coleman Donna 063, another daughter was the $80,000 featured Lot 1 and top-selling female of a past sale and others include the mother of the $270,000 Coleman Glacier 041, Coleman Donna 439, who is featured in this event, as well as the $34,000 valued Coleman Donna 769, the $60,000 Coleman Donna 7201, the $90,000 Coleman Donna 4203, and the $120,000 Coleman Donna 504 along with an array of others. She is also the mother of featured AI sires that include the record-selling Coleman Bravo 6313, the $480,000 valued Coleman Rock 7200, the Select Sires AI sire Coleman Regis 904, and the GENEX Beef AI Sires, Coleman Charlo 3212 and Coleman Playmaker 427.

COLEMAN DONNA 5309 – The $70,000 valued Pathfinder daughter of Coleman Donna 714.

COLEMAN DONNA 3125 – Daughter of Coleman Donna 714.

% The Meaning & History Behind Our Brand %

When we established Coleman Angus in 1996, we wanted to choose a brand that had meaning. A brand that represented us, who we were, what our goals were, and what we wanted to accomplish: 100% dedication, 100% customer service, 100% commitment to our ranch, 100% commitment to the land.

A "brand" is a mark of the man and encompasses that proud moment when a man stamps his identity on the hide. A brand declares ownership, labels a man's integrity, tags him with responsibility, and totals his worth. But a man's brand is about more than just a symbol of ownership, it is also a representation of the people behind it.

Brands gain a life of their own. Ranches become known by their brand and the symbols become linked to the land on which the cattle are raised. Brands become ingrained in the people. People become ingrained in the ranches and in the land; they are inseparable. A brand conveys a promise.

There is sentimental attachment to the brand that a ranch decides on, and we are loyal to what it means to us. It is personal. Many stories are attached to a brand, not because of the mark itself but because of the people, land, and memories tied to it. A brand also becomes the image and personality of our product and service.

Every brand is a man's own special mark, our identity as ranchers. Our chosen brand stamps our commitment with quality, passion, loyalty, dedication, and service. Our passion lies in making an impact and a difference, providing a stewardship, exceeding expectations, and delivering a brand that is monumental to your program as well.

% is Coleman Angus.

% Where Maternal Still Matters %

COLEMAN GLACIER 041 – The No. 3 $M bull in the breed among current sires.

COLEMAN DONNA 714 – The No. 2 cow in the breed for $M that is 19 years of age or older.

COLEMAN DONNA 0308 – The No. 2 cow in the breed for $M that is a Pathfinder and 16 years of age or older.

COLEMAN DONNA 040 – The No. 1 cow in the breed for $M that is a Pathfinder and 16 years of age or older.

At Coleman Angus, we believe it all starts with the Momma cow and our focus on this has never wavered. Since the very beginning, we have been dedicated to producing Angus cattle that are practical, problem free, and economically rewarding. We were very excited when the American Angus Association came out with the Maternal Plus program and, although this is a voluntary program, we have been a member from the very beginning.

When making mating decisions, we have never focused on EPDs but rather used our eyes when selecting for foot quality, udder quality, disposition, fertility, mothering ability or lack of, and fleshing ability. We pay attention to production records, calving intervals, and nursing ratios and this has never changed. It is rewarding for us that the voluntary data we have been turning in from the very beginning, and our aggressive selection pressure on these maternal traits such as breeding and culling for from the very beginning, line up with the $M index.

We feel that it is very important to understand all the EPDs that go into $M. It is not about selecting for a single trait but rather a BALANCE of traits that we feel is the key to the puzzle if your focus is on producing great Angus females. We have earned the Maternal Plus logo by meeting American Angus Association's total herd reporting requirements. Not only does this data help Coleman Angus but, more importantly, assists our customers with information needed to make sound selection decisions.

MATERNAL IS MORE THAN JUST A NUMBER –
IT IS A VALUE BASED ON ALL THESE COMBINED TRAITS:

Calving Ease Direct	(CED)	Udder Suspension	(UDDR)
Calving Ease Maternal	(CEM)	Functional Longevity	(FL)
Weaning Weight	(WW)	Docility	(Doc)
Milk	(Milk)	Mature Cow Weight	(MW)
Heifer Pregnancy	(HP)	Claw Set	(Claw)
Teat Size	(Teat)	Foot Angle	(Angle)

The Coleman program has been built the old-fashioned way--in the pasture where maternal is measured by production records and longevity and where Pathfinder® still means something.

As you study the AHIR data base at the American Angus Association, Coleman Angus has the **#1** (Coleman Donna 040) and #2 (Coleman Donna 0308) **$M females in the breed that are 16 years of age or older with the Pathfinder® status.** These cattle in this year's sale truly measure maternal strength!

Throughout this sale offering, you will notice that we have built this program on the best genetics we could find. As represented in this catalog, you will find an array of full and half sisters that are from our embryo transfer program. We believe in moving forward from the very best that we have built from day one. We believe in **quality** and not quantity.

$M is the stockman's EPD and the genetic indicator that factors into real world economic production records for both seedstock and commercial cattlemen alike.

- **FOR REFERENCE ONLY.**
- Owned with Sandford Ranches, LLC, Greenwood TX; Ingram Angus, Pulaski, TN.
- Coleman Rock is one of the most special individuals ever produced at Coleman Angus. He was the $240,000 one-half interest for a $480,000 valuation top-selling bull of the 2022 Your Maternal Source Sale going to Sandford Ranches of Texas and Ingram Angus of Tennessee.
- Rock has a timeless pedigree from a consistent lineage of great-producing Donna females and is the son of Pathfinder sire, OCC Juneau 807J, back to the $3.5 million producing Coleman Donna 714, who has a progeny production record of BR 4@89, WR 4@115, YR 3@112, U%IMF 12@101 with 184 daughters in production and an average nursing ratio of 102.
- Rock combines a tremendous physical physique in terms of added muscle and depth of body in a powerfully high-performance package while carrying on the tradition of Coleman Angus for high $M genetics.
- Coleman Donna 063, a full sister, was the featured Lot 1 female of our 2016 Your Maternal Source Sale and sold for $80,000 to Lawson Family Farms of Virginia. Other full sisters include the $68,000 valued Coleman Donna 769 working in the Ingram Angus program in Tennessee; Coleman Donna 756, the $20,000 feature to Nolan Cash of Canada; the $60,000 valued Coleman Donna 7201, a feature in the Southall Angus, LLC program in Tennessee; and the No. 1 $M cow in the breed for a Pathfinder and 15 years of age or older, Coleman Donna 040.

- **SELLING ONE-HALF INTEREST AND NO POSSESSION.**
- This special sale attraction is the mother of the $110,000 Coleman Core 5197, who was the fourth top-selling bull of the 2026 Coleman Angus Spring Bull Sale going to Ingram Angus and Southall Angus, LLC of Tennessee.
- This outstanding daughter of Coleman Banker 9215 has an exquisite phenotype with a beautiful udder and is a tremendous producer stemming back to a Pathfinder dam, Coleman Donna 0161, who is a daughter of the No. 1 $M cow in the breed and a Pathfinder that is of 16 years of age or older, Coleman Donna 040.
- This outstanding female has a progeny production record of BR 2@96, WR 2@108, YR 2@108 and stems from a dam who records BR 4@97, WR 4@106, YR 4@103, with two daughters in production and an average nursing ratio of 104.
- Coleman The Bus 4333, a son, was her first natural calf and a bull who was retained here in the program and used naturally providing exceptional phenotype with added three-dimensional shape and body.
- This young female's career has produced two elite herd bulls and her natural calf this year is exceptional. Her 2026 bull calf will be retained for the 2027 spring bull sale.

- **FOR REFERENCE ONLY.**
- Owned with Southall Angus, LLC, Franklin, TN.
- Coleman Maternal Source 356 is the $210,000 top-selling bull of the 2024 Spring Coleman Angus Bull Sale where he sold one-half interest for a $420,000 valuation to Southall Angus, LLC.
- He is one of the most talked about bulls from the 2024 spring bull sale season and is a son of the $180,000 outcross sire, South America, back to a Pathfinder dam, Coleman Donna 787, who has a progeny production record of BR 6@87, WR 6@107, YR 6@108 and 11 daughters in production with an average nursing ratio of 102.
- Maternal Source is a tremendous breeding sire with added width from front to rear in a big-barreled, high-volume, dense package. His Pathfinder granddam was the $80,000 featured Lot 1 female of the 2016 Your Maternal Source Sale and top-selling female through that event going on to be an outstanding donor female for the Lawson Family Farms program in Virginia.
- An array of daughters will sell throughout this event.

- **FOR REFERENCE ONLY.**
- Owned with Ingram Angus, Pulaski, TN.
- Coleman Donna 0153 has established herself as one of the great herd sire-producing females in Coleman Angus history. She is the mother of the $250,000 record-selling one-half interest bull of the 2026 Your Maternal Source Sale, Coleman Avalanche 487, for a $500,000 valuation going to Montana Ranch and Canadian Sires, and the $150,000 one-half interest for a $300,000 valuation Coleman Below Zero 2106, a featured member of the GENEX Beef AI Stud along with being the Marshall & Fenner Farms of Missouri, Janssen Angus of Iowa, and Pinewood Farms of Tennessee herd sire.
- She was the lead off Lot 1 female of the 2024 Your Maternal Source Sale where she sold one-half interest for $185,000 for a $370,000 valuation to Ingram Angus of Tennessee. This outstanding female has a progeny production record of BR 4@87, WR 4@108, YR 3@105 and has generated $576,500 on ten head to average $57,650 in past Coleman Angus sales.
- She is a direct daughter of the Pathfinder sire, Coleman Charlo 0256, back to the Pathfinder dam, Coleman Donna 8147 who is a full sister to the $90,000 Coleman Donna 4203, the dam of the $150,000 valued Coleman Banker 9215, and a full sister to the $375,000 one-half interest Coleman Donna 8146 who was a record-selling female in the history of Coleman Angus and the lead off cow of the 2023 Your Maternal Source Sale going to ZWT Ranch of Tennessee.
- This iconic donor has produced three great herd bulls in her young, illustrious career.

- **FOR REFERENCE ONLY.**
- Owned with Glacier & Associates.
- Coleman Glacier 041 is an impactful sire for years to come and was the featured Lot 1 bull of the 2022 Coleman Angus Spring Bull Sale where he sold one-quarter interest for $270,000 as the record-selling bull in Coleman Angus history.
- He is a herd bull phenomenon consistently siring cattle with tremendous eye appeal and balance. Glacier is deep bodied with massive hip and added performance in an extremely sound-structured package. His daughters are beautifully designed from one of the top maternal matrons in the entire Coleman Angus program, Coleman Donna 439.
- Glacier's dam is a model Angus female with loads of body in a beautifully and maternally designed package, and she was the featured Lot 1 cow of the 2023 Your Maternal Source Sale where she sold for $175,000 one-half interest for a $350,000 valuation and has generated over $1.6 million on progeny through past Coleman Angus events, and she is an impressive Pathfinder with a progeny production record of BR 8@92, WR 8@106, YR 6@106 and 29 daughters in production with an average nursing ratio of 103.
- Full sisters to this great sire include the $240,000 Coleman Donna 046, the $37,000 Coleman Donna 720, the $195,000 valued Coleman Donna 028, and Coleman Donna 023.

- Coleman Donna 439 is a featured Pathfinder dam and one of the most influential females ever produced in the Coleman Angus program. She is a cornerstone female who has produced over $1.6 million in progeny sales through past Coleman Angus events with a progeny production record of BR 8@92, WR 8@106, YR 6@106 and 29 daughters in production with an average nursing ratio of 103. Her dam has produced over $3.5 million in progeny sales at the Coleman Angus ranch with a progeny production record of BR 4@89, WR 4@115, YR 3@112, %IMF 12@101 and 184 daughters in production with an average nursing ratio of 102.
- She is the mother of an array of herd sires including the $270,000 record-selling featured Lot 1 bull of the 2022 Coleman Angus Spring Bull Sale, Coleman Glacier 041; Coleman Ranger 029, the $30,000 feature through the 2021 spring bull sale going to Little Goose Ranch of Wyoming; the featured herd sire, Coleman Ace 989, who is now deceased; and the $55,000 Coleman Mission 1447, who was purchased by the Gaugler family of Montana.
- This outstanding female has made a tremendous impact throughout the years and daughters include the $120,000 Coleman Donna 046, the $97,500 Coleman Donna 028, the $120,000 Coleman Donna 1448, just to name a few.
- Coleman Playmaker 427, a full brother, is a featured member of the GENEX Beef AI Stud and a calving-ease sire whose influence is still impacting the ranch today. Here is an opportunity to buy one of the great Donna females who has roamed the pastures here in Charlo, Montana.
- **Bred to calve September 23, 2026 to COLEMAN EASY DECISION 1539. Examined Safe.**

- **FOR REFERENCE ONLY.**
- Owned with Sandford Ranches LLC, Greenwood, TX.
- Coleman Bravo 6313 is a true breeding bull that is highly respected by cattlemen around the world, industry proven, and a breed leader in making productive females with femininity and beautiful udders all in a wedge-shape package.
- Bravo was the $450,000 all-time, record-selling bull and featured Lot 1 bull of the 2018 Coleman Angus Spring Bull Sale to Sandford Ranches of Texas.
- This powerful and popular bull has dominant capacity and the correctness and quality of a true breeding bull to follow the tradition of his legendary sire. He is a son of the $290,000 valued dam, Coleman Donna 714, the all-time, high income-producing cow at Coleman Angus with a multitude of prominent progeny; she combines a progeny birth ratio of 89 with a progeny weaning ratio of 115 on four natural calves and a progeny yearling ratio of 112 on three head with 121 daughters in production with progeny production records of 101.

- **TOP 3% $M.**

- A pair of powerhouse females with three-dimensional shape and as much raw power as any female in the entire offering. 8185 Is a direct daughter of the $750,000 SAV President 6847 and the $290,000 valued Coleman Donna 714, who has produced over $3.5 million in progeny sales.
- Coleman Donna 8185 has a progeny production record of WR 5@103, YR 4@108 and stems from a dam who records BR 4@89, WR 4@115, YR 3@112, %IMF 12@101 with 184 daughters in production with an average nursing ratio of 102.
- She has a beautiful heifer calf at her side by the $135,000 Select Sires AI Sire, Coleman Easy Decision 1539. The combination of power, maternal excellence, and the opportunity to buy one of the very best daughters of 714 makes this an intriguing lot.

- **TOP 10% $M.**

- Outstanding pair and a Pathfinder dam who has built a name for herself; she is a daughter of the Pathfinder sire, SAV Resource 1441, back to the $290,000 icon, Coleman Donna 714. This donor dam has a progeny production record of BR 4@97, WR 4@110, YR 4@108, and has been a foundation donor female in the Coleman Angus and Shady Brook programs.
- Full sisters to the dam of this pair include the $120,000 Coleman Donna 504, who went on to produce the $40,000 Coleman Ninepipes 9291, the top-selling bull of the 2021 Coleman Angus Spring Bull Sale; Coleman Donna 7231, a feature of the 2023 Your Maternal Source Fall Female Sale where she sold at $60,000 one-half interest for a $120,000 valuation; and Coleman Donna 7232.
- Coleman Donna 261, a daughter of 7100, was a past $9,000 feature while two other daughters sold for $8,000 apiece through the 2025 fall production sale, Coleman Donna 4281 and Coleman Donna 4358.
- Here is a tremendous donor with an excellence Mendoza heifer calf at her side to build a foundation on.

- Owned with Rhodes Angus Ranch, Faulkton, SD.
- Coleman Donna 3125 is a maternal masterpiece. She sold one-half interest as the Lot 1 female of the 2020 Your Maternal Source Sale at $35,000 for a $70,000 valuation to Rhodes Red Angus of South Dakota and has a progeny production record of BR 7@93, WR 7@108, YR 6@108, %IMF 8@104 with 17 daughters in production with an average nursing ratio of 101.
- This female is a direct daughter of the Pathfinder sire and $160,000 Leachman Right Time back to the $3.5 million plus producing Coleman Donna 714, and she is the grandmother of Coleman Broker 3106 and Coleman Dependable 4182.
- Coleman Donna 3125 is an ideal Angus cow who reads with a high $M and time-tested genetics from the very best in the breed. She is 13 years old and still has the look of a five-year-old female with tremendous rib and three-dimensional shape as well as perfect feet and udder.
- Coleman Donna 3125 has generated $349,000 on 25 head to average $13,960 in past Coleman Angus sales. This featured female is the kind of cow that you want to incorporate into your program.

29A TIMELESS MATERNAL GENETICS

COLEMAN DONNA 714 – The $290,000 grandam of Lot 29.

COLEMAN DONNA 349 – The $11,000 full sister to Lot 29.

- **FOR REFERENCE ONLY.**
- Owned with Select Sires, Inc., Plain City, OH; Southern Cattle Company, Marianna, FL.
  Coleman Easy Decision 1539 is a featured calving-ease bull whose calves come easy and hit the ground with tremendous vigor and take off from day one with tremendous performance and growth. He has been used heavily around the country and breeder reports from different sectors around the United States have complimented the genetics and how these cattle continue to perform after birth.
- He is backed by five generations of donor dams and calving-ease genetics from the Coleman Angus program and his mother, Coleman Donna 7386, is the $210,000 one-half interest, second high-selling female of the 2023 Your Maternal Source Sale for a $420,000 valuation and current member of the Southall Angus, LLC program in Tennessee. His grandmother was a sale highlight the same day where she sold for $32,500 one-half interest for a $65,000 valuation to Talkington Angus of North Dakota.
- His mother has an impressive record with a progeny production record of BR 4@90, WR 4@113, YR 3@114 and a calving window of 362 days. She has generated $273,000 on eight head to average $34,125 in past Coleman Angus events.

34 OUTCROSS GENETICS FROM EASY DECISION'S GRANDMOTHER

COLEMAN DONNA 5309 – The $65,000 valued Pathfinder dam of Lot 34.

- **FOR REFERENCE ONLY.**
- Coleman Donna 0308 is one of the most influential Donna Pathfinder dams in the Coleman Angus program. She is 16 years of age and is the definition of an ideal Angus cow with perfect feet, a perfect udder, and breeds AI the first time each and every year. She is the No. 2 cow in the breed for $M that is 15 years of age or older and a Pathfinder dam.
- She is a direct daughter of OCC Juneau 807J back to Coleman Donna 732 and has a production record of BR 7@91, WR 7@108, YR 6@105 and 40 daughters in production with an average nursing ratio of 103.
- This outstanding female is a full sister to Coleman Donna 0298 and 0296 and a full sister-in-blood to the $480,000 record-selling Coleman Rock 7200 along with the No. 1 $M cow in the breed that is a Pathfinder and 15 years of age or older, Coleman Donna 040. Other full sisters include the $68,000 valued Coleman Donna 769, the $60,000 Coleman Donna 7201, and that is to name a few.
- This female has generated $695,500 on 36 head and averaged $19,320 in past Coleman Angus events and those highlights include the $150,000 one-half interest for a $300,000 valuation Coleman Donna 8216; the $55,000 valued Coleman Donna 8231, who is a featured member of the H2O Cattle and Carrico Angus programs in Indiana; the $27,500 Coleman Donna 0316; the $25,000 Coleman Donna 9282; the $26,000 Coleman Donna 8265; and the $23,000 Coleman Donna 8298 who went on to produce the $100,000 valued top-selling heifer calf of a past Decades of Excellence sale.

- **FOR REFERENCE ONLY.**
- Owned with Gaugler Angus, Judith Gap, MT.
- Coleman Resource 708 is one of the most impressive Angus bulls that you will lay eyes on and a bull who has proved himself the old-fashioned way. He has been a visitor favorite of many!
- 708 has done a tremendous job in the Gaugler Angus Ranch program in Montana, and his daughters at Gaugler's have beautiful udders, are easy fleshing, have perfect structure and feet coupled with excellent calving ease, extra muscle shape, and wonderful maternal strengths.
- He is a son of Resource 1441 and brings the best of the 707 lineage to the front of the pedigree. He is by a daughter of Coleman Manning 0299 back to the $93,000 record-selling Coleman Donna 005, who is a daughter of the outcross sire, N Bar Shadow X4124, and the $200,000 Coleman Donna 386.

- **FOR REFERENCE ONLY.**
- Owned with Ingram Angus, Pulaski, TN; Southall Angus, LLC, Franklin, TN, and Voss Angus, Dexter, IA.
- Coleman Maternal Balance 3734 was the 2025 lead off bull of the Coleman Angus Spring Bull Sale and the $260,000 one-half interest purchase of Ingram Angus and Southall Angus, LLC of Tennessee. He captivated breeders across the country during the 2025 spring sale season and has been an impressive individual from day one.
- Maternal Balance is in one of the most complete, fault-free packages you will find anywhere in our breed. He has explosive muscle shape and a big top with tremendous depth of body in a perfectly structured skeleton; he stands on a perfect foot combined with phenomenal growth and performance in a highly maternal package and stems from one of the all-time great females in the Coleman Angus program, Coleman Chloe 9275.
- He had an individual weaning ratio of 114, yearling ratio of 115 and stems from a Pathfinder dam who records BR 3@95, WR 3@116, YR 3@122, UREA 3@118 with three daughters in production with an average nursing ratio of 105.
- Coleman Chloe 9275, his dam, is a great herd-sire producing female as she produced the $125,000 Coleman Arrowhead 235 working in the Voss Angus program in Iowa, the $40,000 Coleman Mahomes 2216 working in the McCurry Angus Ranch program in Kansas, the $170,000 Coleman Platinum 2622 working in the Arrowsmith Red Angus and TK Angus programs in Nebraska, the $225,000 Coleman Security 428 working in the Voss Angus program, the $37,500 Coleman Concrete 441 working in the Talkington Angus program in North Dakota, Coleman General 431 and Coleman Flagstone 420 working in the J.J. Scheckel Angus program in Iowa, and the $42,500 Coleman Bond 433, the $47,500 Coleman Pablo 423 working in the TK Angus program along with many others.

S A V Bismarck 5682#
Rubeta 3873 Fontana-T/E-

- **FOR REFERENCE ONLY.**
- Owned with Sandford Ranches, LLC, Greenwood, TX; Bucksnort RR Ranch, LLC, McEwen, TN.
- Palermo was the second top-selling bull of the 2024 Coleman Angus Spring Bull Sale where he sold one-third interest at $175,000 for a $525,000 valuation to Bucksnort RR Ranch. He is a direct son of Serrucho, the two-time Palermo champion back to Rubeta Fontana 7567-T/E, who is considered one of the most unique females in Argentina and has gained the nickname "Tank" for her added body mass, big top, stout hip, and tremendous balance and quality.
- He is as impressive of an individual as you will find from a mass and power standpoint with three-dimensional shape in an attractive, sound-structured package with perfect feet. Palermo is a full brother to the $180,000 Coleman Angus and Hummel Livestock herd sire, South America.
- In the 2024 Your Maternal Source Sale, Palermo's first ever daughter selling at public auction, Coleman Donna 4162, sold for $70,000 as the second top-selling spring open heifer calf of that event. His sons, through the 2026 Coleman Angus Spring Bull Sale, generated $985,000 on 35 sons with an average of $28,143.

57 IN A LEAGUE OF HER OWN

COLEMAN CHLOE 4399 – The $45,000 full sister-in-blood to Lot 57.

COLEMAN CHLOE 617 – She sells as Lot 57.

- Absolutely captivating from every angle is this beautiful daughter of Palermo back to the Pathfinder dam, Coleman Chloe 9275, who has a progeny production record of BR 4@95, WR 4@116, YR 4@119, %IMF 25@102, UREA 25@104 with 12 daughters in production with an average nursing ratio of 107.
- Through the 2025 fall production sale, there were five full sisters-in-blood that captured the audience's addition and the two top-selling females out of that group, Coleman Chloe 4399 and Coleman Chloe 4398, both sold for $45,000 apiece. Another full-sister-in-blood the year before sold for one-half interest as the top-selling open heifer calf in the 2024 fall production sale for $152,500 one-half interest, Coleman Chloe 412, going to KT Ranches and Canadian Donors of Canada.
- A full brother-in-blood, Coleman Pablo 423, was the fourth top-selling bull of the 2025 spring bull sale where he sold for $37,500 to TK Angus of Nebraska.

58B CONTINUING A RICH FAMILY TRADITION

COLEMAN SECURITY 428 – The $225,000 maternal brother to Lots 58-58C.

- **TOP 20% $M.**
- A one-of-a-kind pair and foundation Georgina female in the Coleman Angus program by Koupals B&B Identity back to the featured Georgina family. She had a progeny production record of BR 8@97, WR 8@104, YR 6@104 and stems from a dam who records BR 5@94, WR 5@102, YR 5@103, %IMF 5@103, UREA 5@106 with two daughters in production with an average nursing ratio of 101.
- This female has done everything the old-fashioned way and is an elite-numbered donor female who reads with carcass and $Values. She currently sits with a +96 $M and a +362 $C and for her age would be one of the high-numbered females in AHIR at the American Angus Association.
- She has been a tremendous producer and produced the $28,000 Coleman Georgina 4127, the $15,000 Coleman Georgina 4169, the $12,000 Coleman Georgina 495, the $9,000 Coleman Georgina 498, the $17,500 Coleman Georgina 497, and is the dam of the GENEX Beef AI Sire, J Trademark 1037, who sold for $165,000.
- Here is a unique opportunity to acquire genetics from the foundation Georgina female.
- Sells Open Ready to Flush or IVF.

- Owned with Brooking Angus Ranch, Radville, SK Canada; Canadian Donors, Olds AB Canada.
- A special donor female here at Coleman Angus is Bar-E-L Bride 28C, who was the featured Lot 1 female of the 2022 Open Book Invitational at Brooking Angus Ranch in Canada and became the top-selling female.
- This outstanding donor is a daughter of Bar-E-L Natural Law 52Y, who is considered one of the very best and most popular Canadian sires, stemming back to the featured Bride family.
- She reads with an exquisite phenotype, beautiful udder, and massive rib shape in an elegant-fronted, fault-free, high-quality package. The first genetic opportunity from her came in the 2023 Your Maternal Source Sale where a flush to the bull of the buyer's choice sold for $75,000 to Voss Angus of Iowa.

- **FOR REFERENCE ONLY.**
- Coleman Everelda Entense 092 is a Pathfinder dam who has risen to the top and is a standout Everelda Entense female in our program. She is a Pathfinder dam with a progeny production record of BR 4@94, WR 4@106, YR 4@105 and two daughters in production with an average nursing ratio of 107.
- Coleman Everelda Entense 092 is a daughter of the Pathfinder sire, Coleman Bravo 6313, back to a Pathfinder dam, Coleman Everelda Entense 302, who was a dominant producer and consistently produced high-performance, pounds-heavy offspring with a maternal look and excellent numbers scheme.
- Coleman Grizz 4191, a son, was a standout individual through the 2025 Coleman Angus Spring Bull Sale and sold for $18,500. Coleman Everelda Entense 3123, a daughter, is a featured Glacier female in the program who has done an excellent job and has a tremendous phenotype with a perfect udder and continues to impress.
- Coleman Everelda Entense 092 is a female that we have concentrated heavily on and she offers what the Coleman Angus brand is all about.

- A tremendous Abigale pair and female that has produced an excellent heifer calf at her side. This female is a daughter of the Pathfinder sire, SAV Resource 1441, back to Pathfinder dam, Coleman Abigale 6298, and Pathfinder granddam, Coleman Abigale 0277 who is a full sister to Coleman Charlo 0256.
- This female has a progeny production record of WR 3@104, YR 3@104 and stems from a dam who records BR 6@99, WR 5@105, YR 4@105 with two daughters in production and an average nursing ratio of 106.
- She has a beautiful heifer calf at her side by LT Conversation 8011 who reads with tremendous cow potential, added body in a beautiful design, and comes in a wedge-shaped package.
- Here is an outstanding pair.

- **FOR REFERENCE ONLY.**
- Owned with Fintail Ranch, Twin Bridges, MT.
- Coleman Statement 5120 is the $140,000 one-half interest, third top-selling bull of the 2026 Coleman Angus Spring Bull Sale and a bull who was named properly; when you see him, he will make his own statement.
- He is one of the very best sons of Coleman Resource 708 ever produced in the Coleman Angus program in a calving-ease package. He has a unique EPD set with low birthweight genetics, explosive growth, and unprecedented $M values.
- His pedigree is second to none blending Coleman Donna 376, Coleman Donna 714 (the No. 2 cow in the breed for $M that is 19 years of age or older) and Coleman Donna 199 into a powerful genetic package. He had a light birthweight of 79 pounds and a 205-day weight of 924 pounds and ratioed +93 for birth and +116, respectively.
- Coleman Donna 199, his dam, is a major league donor in the program and ranks No. 2 in the breed for $M that is a Pathfinder among current dams in AHIR at the American Angus Association. She is a long-bodied, smooth-made, perfect-udder female in a wedge-shaped package and is highly productive with a progeny production record of BR 3@90, WR 3@107, YR 3@106 and a 367-day calving interval. She is a flush sister to the calving-ease bull and $150,000 Coleman Banker 9215.
- This bull's presence will be felt throughout this event and his service will sell.

- **FOR REFERENCE ONLY.**
- Owned with Bear Mountain Angus Ranch, Palisade, NE; Ingram Angus, Pulaski, TN.
- Coleman Revenue 5142 is the $100,000 one-half interest for a $200,000 valuation featured Lot 1 bull of the 2026 Coleman Angus Spring Bull Sale. He proudly carries the name of Revenue because here, at the ranch, we firmly believe that this genetic base possesses the rare ability to generate significant economic return for their owner.
- From a large-scale commercial heifer project to progressive purebred sector, Coleman Revenue 5142 offers a broad appeal to numerous cattlemen around the world. He is a double-digit, calving-ease direct, negative-birth, high-growth individual with tremendous spread from birth to yearling without sacrificing maternal genetics and a son of the high $M Coleman Glacier and $270,000 record seller back to Coleman Chloe 303, a featured three-year-old and this is her first natural calf who is by Coleman Banker 9215 back to the Pathfinder dam, Coleman Chloe 9275, the all-time, record-selling female in Coleman Angus history.
- His dam is a beautiful three-year-old female with a picture-perfect udder, extremely attractive look who records BR 1@91, WR 1@107, YR 1@113. Coleman Chloe 9275, his granddam, is the iconic herd sire-producing female in our industry and has generated $2,271,000 on 55 head to average $41,291 in past Coleman Angus sale.
- Coleman Revenue is one of the top young herd sires in the Coleman Angus program and offers tremendous genetic value.
- His service is represented throughout this offering.

- **FOR REFERENCE ONLY.**
- Owned with Voss Angus, Dexter, IA.
- Coleman Security 428 was the second top-selling bull of the 2025 Coleman Angus Spring Bull Sale where he sold for $225,000 to Voss Angus of Iowa.
- Security is an extremely impressive individual by the now-deceased Semex AI Sire, SAV Renovation 6822, and he is loaded with tremendous body and three-dimensional shape in an extremely attractive package.
- He is backed by one of the all-time, great donor females in the Coleman Angus program and Pathfinder dam, Coleman Chloe 9275, who was the $375,000 one-half interest record-selling female of the 2021 Your Maternal Source Sale for a $750,000 valuation to Voss Angus; she has a progeny production record of BR 3@95, WR 3@116, YR 3@122, UREA 3@118 and three daughters in production with an average nursing ratio of 105. Chloe 9275 is a full sister to the record-selling $450,000 Coleman Triumph 9145 and an array of top-selling full sisters as well as being the mother of a tremendous lineup of past top-selling herd sires including Platinum, Maternal Balance, Bond, Arrowhead, Mahomes, General, Concrete, Flagstone, Pablo, Liberty, and Freedom.
- Coleman Security 428 has done a terrific job with his first set of calves here at Coleman Angus. He is very well represented throughout this offering and will be highlighted in the 2027 spring bull sale.

- Owned with Ingram Angus, Pulaski, TN; CMT Farms, North Battleford, SASK Canada; Skyline Angus, Stevensonville, MT; Aaron Inboden, Stevensonville, MT; Genex Cooperative, Shawano, WI.
- Coleman Full Deck 118 was the featured highlight of the 2024 Your Maternal Source Sale where he sold one-half interest for $120,000 as the top-selling bull of that event.
- He is a featured member of the GENEX Beef AI Stud and a sure-shot, calving-ease bull with double-digit, calving-ease direct, negative birth and is a son of the now-deceased Coleman Ace 989 back to the Pathfinder dam, Coleman Donna 927 who has a progeny production record of BR 5@99, WR 5@110, YR 5@110, UREA 3@108 and was a sale highlight on the same day when she sold for $85,000 as the fifth top-selling cow of that event to Oldroyd Angus of Utah.
- He ranks in the TOP 1% for $M, and his first set of sons sold through the 2024 Coleman Angus Spring Bull Sale averaging over $11,000. His daughters possess the same attractive look and have tremendous wedge-shaped appearances while stemming from six generations of proven donor females in the Coleman Angus program.

- **FOR REFERENCE ONLY.**
- Owned with Hummel Livestock, Cabery, IL.
- South America is the first of his kind to ever come to the United States. He adds muscle shape with added body and performance in the right kind of package. His tremendous outcross genetics give programs around the world the opportunity to capitalize on these impressive traits.
- South America sold for $180,000 one-half interest in the Night at Remington Park Sale at the 2021 Cattlemen's Congress. He captivated cattlemen from all over the world and was the pick of the pen and the people's choice of him and his brothers. He is a direct son of Don Aparicio Serrucho 57 Maxi, the only two-time Palermo champion in Argentina. He stems back to one of the great producing dams in the La Rubeta program and the female they call "Tank," who earned this name for her overwhelming body, fleshing ability, and three-dimensional design.
- South America has had a tremendous impact at Coleman Angus, and he has generated $3,135,515 on 149 head to average $21,044 in past Coleman Angus sales. Some of his major highlights include the $210,000 one-half interest for a $420,000 valuation Coleman Maternal Source 356, the $90,000 one-half interest for a $180,000 valuation Coleman World Wide 2562, the $80,000 one-half interest for a $140,000 valuation Coleman Patron 269, and the $70,000 one-half interest for a $140,000 valuation Coleman Mendoza 271.
- South America has established himself as one of the most influential imported bulls ever in the breed.
