Welcome

You are personally invited to join us for our Ingram Angus Fall Production Sale on November 13, 2026. This year's offering is loaded — donors, elite heifer calves, bred heifers, spring pairs, and one of the most impressive sets of bulls we've ever offered. We're selling both 20 month old bulls and a select group of 15 month old bulls, all developed for longevity, fertility, and real world performance.

With the cattle market at historic highs, now is the time to invest in genetics that move the needle. These bulls and females are built to go out and work, and we believe they will be highly impactful for seedstock breeders and commercial cattlemen alike.

The females in this sale represent the heart of our program — cattle with the kind of quality and maternal strength that build herds for the future. Our focus has always been on producing proven, high quality genetics, and this offering reflects that commitment.

Make plans to bring the whole family and enjoy a Tennessee weekend with us. We're just an hour south of Nashville, with plenty of attractions and activities nearby. If you have questions or need accommodations, we're here to help.

We look forward to seeing you.

Thanks!
