WELCOME!

On behalf of the Pembroke family, Beth and I would like to extend an Oklahoma welcome and thank you to everyone that has taken the time to read through the catalog, stop by our place, or call with interest regarding this year's offering.

We believe that the cattle we have made available in this year's offering at PCC are the deepest, in terms of quality, that we have ever offered. Beth and I also feel like this year's offering is stacked so deep throughout each breed that it is a real challenge to pick a favorite.

As you will also notice in going through the catalog, every animal offered within every breed has a history of success in their pedigree, either in the show ring, or the donor pen. It is truly our goal to provide unmatched genetics and service to our customers.

At Pembroke Cattle, our success has always been based on "Good Cattle, Great People, and Strong Relationships equaling Great Results". We appreciate all who have made us who we are today and look forward to making the same kind of relationships with our new friends and customers in the future. It is a true blessing to be raising our kids in an industry that still promotes and rewards the core values and principles we have grown up with, where sharing your faith in God and your love for your country are not just expected, but applauded.

In conclusion, if myself, Beth, Bret, Landon, or Matt can be of any assistance please do not hesitate to call or come by. We will do our very best to put you on the right path to the genetics that best fit your goals for the future. We appreciate your friendship and your faith in our program!

PEMBROOK FALL PRODUCTION SALE

OCTOBER 16, 2021 AT 1:00PM

SELLING 55 LOTS

Dear Friends and Fellow Breeders:

Welcome to the **2021 Pembrook Cattle Co. Fall Production Sale**. This sale has become one of the top events of the fall in terms of offering multiple breeds that accumulate success in the show ring and the pasture after sale day for their customers. This unique offering is once again the effort of forward thinking seedstock producers with an eye for cattle that can compete in any venture. Pembrook Cattle Company has worked toward the goal of assembling an offering of elite heifer and herd sire prospects that represent the best of all breeds as well as the proven donors, bred females, and fall bred pairs in this sale.

Travis and Beth Pembrook go the extra mile in terms of customer service to maximize the success of the juniors while making it a learning experience as well. They truly are about "putting good cattle together with great people", and the lasting relationships with their customers and the past and current champions they have bred and sold are a testament to this fact. These females combine performance with excellent phenotype to become competitors at any level in the industry. The genetics represented from all breeds in this offering, on both sides of the pedigrees, are second to none and are, in many cases, daughters of or full or maternal sibs to some of the most highly valued and successfully shown females in the country. This is a well-balanced offering, and quality is present throughout. These show heifer and donor prospects are halter broke and started. Whatever breed/s you are interested in, you will find something to your liking in this special sale.

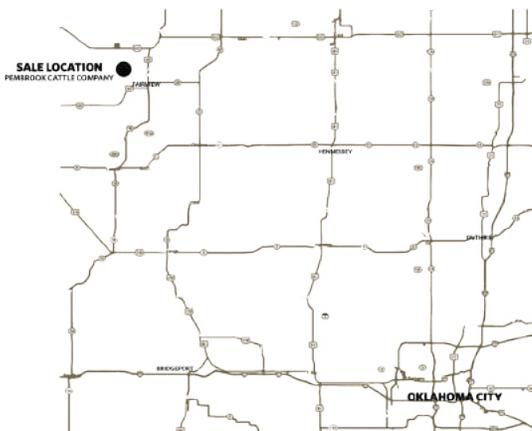

I encourage each of you to evaluate your own situation and goals, and on Saturday, October 16, take advantage of the knowledge and cutting-edge efforts of PCC and their program. If I can be of assistance to you, please let me know.

Sincerely,

Matt C. Sims

- This is one of the strongest High Chi offerings we've had and female certainly holds her own. This heifer has a unique blend of maternal look while still maintaining stoutness of bone and adequate shape and base width. This is a big time show prospect.
- The dam of lot 8, JSUL Sassy Jalynn 7507E, was Champion AOB Heifer at the 2018 American Royal and NAILE. She was also selected as the Grand Champion Chianina Female in the Open Show at the 2019 NAILE. A full sister to 7507E was selected at 2019 Iowa State Fair 4-H Heifer Show as the 4th Overall Female. These two Champions stem from the ever popular and versatile donor cow, SULL Jalynn 0904, or better know as "Steiner".
- A maternal sister to lot 8, JSUL PCC SASSY MVP 0528H, was the \$15,000 selection of Gus Goodsen from the 2021 Limited Edition Sale at PCC.

- Selling the right to flush the \$151,000 highest-valued female in the Pembrook donor arsenal.
- One-half interest in this female sold to Sullivan Farms for \$75,500 as a heifer calf, and since that time has continued to add to her legacy with her first natural heifer calf being named Division 2 Champion at 2021 National Junior Angus Heifer Show for Jelani King after also winning her class at the 2021 Cattleman's Congress and co-topping the Angus offering of the 2021 Limited Edition Sale at PCC at \$29,000.
- This powerful donor offers an impressive visual quality, while being backed by the genetic power and consistency of the Tinge cow family. Evening Tinge 430E is super feminine, high volumed, stout made and sound footed with a beautiful udder. Her body type reads of brood cow utility, as she is deep, bold hearted and robust in her upper rib shape. This, in combination with her extraordinary width and power, suggests she is sure to generate profit as both a show and performance donor.
- Tinge 430E is quite possibly the best Angus female ever produced at PCC, so take advantage of this opportunity to share in some of her first embryo progeny.
- Dam sold for \$14,000 at 8 years of age to Duane Miller, Millersburg, OH in the 2020 PCC Fall Production Sale.
- Terms of Flush: Selling a flush to the sire of the buyer's choice. Seller guarantees a minimum of six grade one embryos to result. - Sells Open.
- Lot 13 combines the hottest and most proven names in the Angus show realm into one pedigree while displaying the phenotypic quality you would expect from a genetic base that is truly "bred for the backdrop".
- The dam of lot 13, combines Primo, with a member of the highly successful First Class x Queen 414 mating that is a direct daughter of the elite Angus donor J&J Queen 414, who has been proclaimed by many as Northern Improvement's greatest daughter. This cow family is proven to generate unparalleled "look," quality, structural soundness and power. Progeny of 414 have dominated the show circuit and include: the 2015 Oklahoma Youth Expo Supreme Champion Female, sired by First Class and shown by the Myers family, that was also a division winner in Denver; the 2015 American Royal Grand Champion MaineTainer Female, who was also Reserve Supreme Female at the 2015 OYE and Champion Maintainer at the 2015 National Western in Denver; the 2016 Fort Worth and 2015 NAILE and American Royal Grand Champion Percentage Simmental Bull, Stock Broker; the Reserve Grand Champion Percentage Bull at the 2012 Simmental Breeder's Sweepstakes who was also named Grand Champion Percentage Bull at the 2012 Tulsa State Fair; plus other successful cattle. Recently, ½ Interest in PF First Class of 414 C528, a brother to the grand-dam of lot 13, sold in the 2015 Griswold Classic Sale for \$36,000 to Colby Warren of Alabama and another son "Panhandle" is an up-and-coming herd sire in the Griswold program.
- A maternal sister to the grand-dam of lot 13, Shultz Lookout 414 35a, was shown successfully by Brooke Adams and is a full sister to the popular Circle M herd sire "Tejas".
- There has not been a more diverse and dominate cow line than Queen 414, as is evident the success of her progeny by multiple sires from multiple breeds.

• Lots 21 and 22 are daughters of Schilling's R&L Confidential, who was our private treaty acquisition at the 2018 National Western Stock Show after being named Division 1 Champion. Since that time, Confidential has been one of the most talked about young Angus sires and has made quite an impression on everyone who has seen him, and that trend should continue once people continue to see his progeny in production and as they continue to collect championship hardware. These paternal sisters have the look of their sire and are backed by strong cow families that should allow them to be an asset in any program, Angus or otherwise.

- Sells open.
- Simply put, this is one phenomenal beast! This is our first year to go all in on offering purebred Simmentals, and this female exemplifies the product and quality that Beth and I want to offer our customers at PCC.
- Lot 34 is perfect structured, with flex and cushion in her pasterns, while being wide based, soft middled, and long sided with femininity to spare.
- A true outlier within the Simmental breed... we love the pedigree as well. The SAM progeny are exceeding expectations!
- Her dam, Peine/GS Rosie 677D was selected as the Reserve grand champion purebred female at the 2018 NWSS and FWSS open shows and was also selected 7th overall at the 2018 National Jr heifer show. Rosie 1115J is going to be a big part of our Simmental program as she has some very unique pieces for a purebred female with an outcross pedigree.
- Selling ½ interest and full possession. PCC is retaining ½ embryo interest.
- Eligible for the San Antonio Simmental and Simbrah Super Bowl.

LOTS **35 + 36**

• These flush sisters have been the talk at PCC by many of the visitors that have come to look at our offering of Simmental genetics. Lots 35 and 36 are so complete in terms of structure balance and eye appeal. For purebreds, we love the way the head and neck come up high out of their shoulder and their ability to really give you that killer look from the side. After their show career these females carry as much revenue generating potential as any females in the offering.

• Their dam, JBSF Proud Mary is quickly proving herself and becoming one of the most consistent donors at Sullivan Farms to ever walk. In her first calf crop her progeny by HPF Quantum Leap Z952 has dominated the showing. JSUL Mary Is Proud 8047F a maternal sister to lots 35 and 36, was Calf Champion and Reserve Overall Purebred Simmental Female at the 2018 NAILE Open Show and she also went on to be selected Grand Champion Simmental Female at the 2019 FWSS Open Show. Another maternal sister, JSUL Leapin Mary 8108, campaigned by Makenzie Hickman, sold through the Schaeffer/Tice Sale for \$45,000 and has been one of the most successful heifers on the jackpot circuit in the country while a full sister to lots 35 and 36 just sold for \$100,000 in the recent Schaeffer/Tice Sale.

• The Proud Mary name carries as much regard and recognition as anyhow family within the Simmental breed.

• Eligible for the San Antonio Simmental and Simbrah Super Bowl.

We love the true and natural rib shape you see in this one. Her outline and silhouette are flawless with incredible structure that spells longevity.
- The dam of lot 38, WPRF WISE LOLA, was the reserve grand champion % Simmental female at the 2018 Junior National and has been a staple in the Sullivan donor program since. This ¾ blood is becoming one of Sullivan's favorite females that is very versatile in her mating options to make 7/8 purebred cattle. She had a really nice Quantum Leap full sister to lot 38 in their 2020 fall calf crop. Trust me when we say this cow is getting it done. You don't want to miss out on this daughter.

- This dual registered 1/2 Blood Simmental / High Chi shows two ways!
- This heifer is out there in terms of her design! She has been one of Travis's favorites all summer. Her chrome and a cocky attitude guarantee that this female will always have a show ring presence like no other. From the ground up she's as good as it gets. Very agile on the move, monster middled, and as long and pretty necked as you can make one.
- We think this female has the potential to make a run at any of the major shows throughout the country.
- Her dam, Udell Glamour Girl 18B stems from the popular Style/Red Thunder mating from Udell Cattle Co. 18B has literally worked to every bull she has been mated to, from multiple Simi sires, to Shorthorn, and Chi bulls. 18B's daughter by Quantum Leap was the \$62,000 JSUL/TSSC Beth Dutton 0113H, a featured lot in the record-setting phone bid-off that took place in Hagerstown, Indiana, in September 2020. She was selected Grand Champion Overall Female at the 2020 Cattle Battle, Supreme Overall at the 2020 King of the Ridge Showdown and most notably was selected as the 2020 NAILE Reserve Grand Champion AOB Female in the Junior Show. Beth Dutton was also selected as Calf Champion in the open and junior shows at the 2020 NAILE. - Sells open.
- This Hereford show and donor prospect is red-eyed, marked right, big bodied, sound, and functional with an impeccable profile, and proven pedigree and we feel that these traits will transmit to her progeny making her value extend not only to the show ring, but beyond.
- An opportunity to purchase a grand-daughter of the famed \$117,500 Gemini 89T who is now a donor for Castle Herefords and has produced many top sellers including, TH 89T 755T Stockman 475Z, the \$110,000 second top selling bull from the 2013 Topp Bull Sale and the \$40,000 valued, MCS 755T Durant 489B ET.
- The sire of lot 55, KLD RW Marksman D87, is a Polled Hereford sire that is capturing the attention of everyone that sees him. His many accomplishments in the show ring include being named Grand Champion Polled bull honors at the Fort Worth National Hereford Show Polled and Reserve Champion Bull at the 2021 Cattlemen's Congress Show, 2020 Herford Heritage Show in Abilene, TX, and the 2020 American Royal in Kansas City, MO. Marksman's dam, Mindy is the standard of quality in the Hereford breed. As you research Hereford donor cows you will find she is one of the elite. She has consistently raised champion caliber cattle that have great earning power.
