RED ANGUS DONOR

Selling 50% Embryo Interest

An absolute highlight of this offering! It is with high anticipation when one of the leading purebred beef operations in Central America offers a female from the forefront of their breeding program. This female is ultra-complete and wicked good. She is flawless in her lines, bold through her center body, soft structured and incredibly correct in her angles. This gal is sheer cow power to the max being loaded with overall dimension and maternal presence. On the move, she handles herself elegantly with a huge, confident stride and maximum skeletal flexibility. Aside from her phenotypical advantages she has a pedigree that needs little introduction to the Red Angus breed. Daughter of the popular Duff Red Blood 18114 out of the beautiful patterned MANN Red Box 55C Daughter Duff Dixie Erica 16148 1986. Here is a Red Angus donor that deserves some serious attention.

Selling 50% embryo interest & full possession!

Daughter of the many time proven donor Lawsons Chloe C815. It's hard to know where to start when describing one of the most prolific and storied donor females in the history of the breed. In terms of progeny, Lawsons Chloe C815 stands in elite company in the annals of breed history. It's safe to say, the C815 donor is bred for success as measured by the scores of top-selling progeny as evidence by the unthinkable appraised valuation of more than \$1,600,000 in produced revenue in merely four progeny - Coleman Triumph, Coleman Chloe 9275, Coleman Chloe 034 and Coleman Chloe 9274. That same genetic potential is packed into this daughter of Rust Forged of Fire 0412. This combination of presence and pedigree project her to be the type of female that will produce well-balanced, stout calves year in and year out.

Coleman Donna 8146 is a captivating donor and a fan favorite of many visitors that come to the ranch. She is a daughter of the Pathfinder Sire, Connealy Thunder, and stems back to the legendary Coleman Donna 714. Combine this bottom side of the pedigree with the outcross and rare genetics of South America and you will have a wonderful foundation and tremendous marketing power. She is bigger outlined, power cow with as much lower belly and volume as any on the ranch. Couple this with a beautiful pattern in a high-quality package. She has a progeny production record of BR 3@92, WR 3@109, and 2@110. In the 2022 Your Maternal Source Sale she sold a flush that sold for \$50,000 to ZWT Ranch of Crossville, Tennessee. Her first calf, Coleman Charlo 0152, was a \$10,000 bull that went to Wyoming. Coleman Donna 4203, a full sister, is the dam to the \$150,000 Coleman Banker 9215, the \$90,000 valued Coleman Donna 9220, the \$22,500 Coleman Donna 0178, and the \$22,000 Coleman Donna 0121. KDJ QUEEN RUTH 608

Guaranteed one pregnancy.

Brand new matings!! These genetics are some of the very best that comes from the lucrative set of donors at Sullivan Farms. The queen Ruth cow family has written a book of success and sale toppers for Udell Cattle Co including their 2022 sale topper at \$500,000 that is a full sister in blood to the pregnancy being offered. Sullivan Farms young Queen Ruth 608 donor is starting to write her own history book. Her calves in 2023 calf crop at Sullivan Farms are truly standouts. Her first progeny of Blue Chip daughters where very consistent and profitable that sold for \$29,000, \$25,000, and \$19,000 and another sold this past fall in Schaeffer/Tice sale for \$22,000. Jump on these genetics before everyone else catches onto Queen Ruth 608 this fall.

UDE Queen Ruth 9044 is a unique and powerful breeding piece that is sired by the \$450,000 Coleman Bravo 6313, one of the most phenotypically eye-appealing bulls in the Angus breed that is backed by the famed Donna cow family. Her dam is the highly productive KDJ Queen Ruth 502 donor. This daughter of the ever-popular PVF Insight 0129 was the 2021 Roll of Victory Show Dam of the year. We purchased this elite donor from the 2019 Udell Cattle Co. Production Sale where this female and her maternal siblings lead off the prestigious event. We admire this individual for her tremendous amount of center body dimension, genuine base width and brood cow look. A female of this quality and lineage has the potential to make exceptional Angus breeding stock.

COLBURN SARA'S DREAM 6758

Guaranteed 1 pregnancy.

Full sister brought 100,000 at PCC

This is as proven and successful mating as they come. A full sister to these embryos sold this fall for \$100,000! There is a set of full sisters on the ground at Sullivan Farms that will get you excited this fall when sale time comes around. This is a big time mating a rare opportunity that will be a no brainer with a quick return on your investment. Colburn Sara's Dream 6758 was a past sale topper from Colburn Cattle Co and a direct daughter of the famous Sara's Dream 1339. From the 2021 fall calf crop Sullivan Farms had nine 24 Karat daughters out of 6758. Seven of them sold in the Pembroke Cattle Co. spring sale and averaged \$22,000 with high seller at \$85,000. Another sold through Dave Allen's spring sale for \$15,000 and the last one in our spring fall born sale for \$7500. Consistent hot proven genetics here.

ANGUS EMBRYOS

Guarantee one pregnancy.

It's hard to know where to start when describing one of the most prolific and storied donor females in the history of the breed. In terms of progeny, Lawsons Chloe C815 stands in elite company in the channels of breed history. It's safe to say, the C815 donor is bred for success as measured by the scores of top-selling progeny as evidence by the unthinkable appraised valuation of more than \$1,600,000 in produced revenue in merely four progeny - Coleman Triumph, Coleman Chloe 9275, Coleman Chloe 034 and Coleman

Chloe 9274. That same genetic potential is packed into these sexed female embryos.

Mill Brae Iden Georgina 4086 was a special sale attraction at the 2022 Coleman Angus Production sale where half of this female sold for \$210,000 to Jocko Valley Cattle of Montana. This donor has breed leading numerics paired with a proven track record. When you combine Calving Ease, Growth, Marbling and \$Values, she is the #1 cow in AHIR her age or older. This female has done it the old fashioned way, with a progny production record of WR 6@103, YR 4@104, U%IMF 4@109 and a calving interval of 6 head at +359. She is lined with proven and predictable genetics from generations of highly proven bulls and the famed Georgina family. This donor is the mother of Trademark 1037, a featured herd sire in the Coleman Angus and Conley Cattle programs and the \$165,000 top-selling bull of the Cattleman's Cut Bull Sale in Nebraska and one of the most sought after bulls this spring.

If you are a purebred breeder and you have a heart beat, you will know the impact Bar E-L Erica 74A has had on the programs of Blairs. Ag Cattle and Blairswest Land & Cattle. This daughter of Duff Napoleon and Erica 74A was a top-selling lot in the 2021 Opportunity Knocks Sale. 265F will play a significant role in our program going forward and her progeny is the proof needed to validate her worth. We feel this diverse line of sires offers great versatility to fit your program best.

JSUL Mary is Proud 8047F is one of Proud Mary 317C best daughters to date. As you can see from the multiple sire options, we have brought to you Sullivan Farms has made 8047F one of their cornerstones to their deep set of donors. The hardest decision you will have to make on sale day is which one of these great sires fits best for your program. In the 2022 calf crop at Sullivan Farms the 8047F daughters hit it out of the park. Her two Reckoning daughters averaged \$25,000 and we also sold a full sib bull, Dare to Compare that is a hot new AI sire for Minnaert Show Cattle. JSUL Mary is Proud 8074F started her dominate show career at the 2018 NAILE where she was selected Reserve Overall in the Open Show as a calf and then was selected as the Grand Champion Purebred

Female as a calf at the 2019 FWSS. In the summer of 2019, she was selected as the Grand Champion Female in the Jr. Sweepstakes show in Louisville, Kentucky and was also selected as the Grand Champion Purebred Female at the American Royal.

BAILEY'S PROFIT DREAM

Guarantee 1 pregnancy.

Reckoning on Bailey's Profit's Dream 706E was one of most consistent and successful new matings from Sullivan Farms 2022 calf crop. In the 2022 Maternal Legends sale her Reckoning daughters highlighted the sale as lots 1, 2, and 3. Those three sisters averaged \$10,000. Another sister was sold by Jake Bloomberg last fall for \$30,000 and another sold this past winter for \$25,000. To say the least the Reckoning mating was extremely consistent and profitable. The Relentless progeny will be the first to be offered and ever born. As you all know, Relentless is a must use sire that year after year continues to produce champions at every level. Bailey's Profit's Dream 706E, was the 2018 Grand Champion Purebred Simmental Female at the National Jr. Heifer show in Minneapolis, MN and a past Hartman Cattle Co sale topper.

In limited progeny she had one Something About Mary daughter from the 2022 calf crop at Sullivan Farms that was selected the supreme champion female at the 2022 Down for the Cause for Sara Sullivan. JSUL Who Dat Darling 902G also had a natural heifer sired by HIGG Franchise that sold for \$23,000. We should also mention that she had a stellar set of Berwick calves from the 2022 fall calf crop at Sullivan Farm and 2 of them were held back to add to Sara Sullivan's show string. JSUL SOMETHING ABOUT MARY 8421

“SAM,” one of the most complete and prolific Simmental bulls we have seen in a long time. His pedigree, Relentless (Utah x 8543U) x JBSF Proud Mary (High Regard x Steel Magnolia), just solidifies the ability to transmit maternal, in fact it shouts it! Proud Mary owns as many ribbons as any female in the breed, she is big ribbed, big footed, and beautiful, she produces as good as she looks!

Something About Mary aka “SAM,” one of the most complete and prolific Simmental bulls we have seen in a long time, not only that, he has the ability to pass on the power. His progeny have been highly sought after all fall and have demanded a premium in on-line sales and across the auction block. He was perhaps the most consistent sire used in 2020 and it was proved in his semen sales in in 2021, he’s on fire.

The donor female in this mating is J6 Advance E501, a daughter of the foundation donor, JKC Berry Advance 36W. Unsurpassed is how many describe the pedigree behind the daughters of JKC Berry Advance 36W. J6 Advance E501 is sired by Six Mile Taurus 519A, a son of the great Six Mile Game Face 164Y. Six Mile Taurus 519A was the 2014 National Western Stock Show Champion bull. These future calves are sure to be a major force to be reckoned with. You’ll want to buy into these genetics and catapult your program to the next level.

Buy with confidence as these genetics are something very special.

DUFF RED BLOOD 18114

What a phenomenal genetic offering here, folks! IVF embryos from the DUFF Red Blood x TW Candice 062H mating. DUFF Red Blood was the second high-selling bull at the record-setting 2022 Power Plus Bull and Female Sale for \$135,000 for semen interest to Bird Cattle Co. He is a proven calving ease heifer bull that will add dark red color and impeccable structure to his progeny. His soundness of feet and correctness in his joints is “breed changing.” Red Blood has an extreme amount of rib shape and ties in perfectly behind his shoulders with an overall smoothness and masculinity. Red Blood’s first progeny hit the sale scene with two daughters selling through the 2021 Duff Holiday Kick-off Sale, bringing \$50,000 and \$29,000 along with the top-selling bull through the 2022 Rhodes Red Angus Bull sale for \$30,000. The donor female in this mating is the impressive TW Candice 062H. She is a daughter of DAMAR Trump C512 and from a Majestic Lightening 717 female, Keifers Lulu Y55. TW Candice 062H had an incredible run during her recent show career. She was the 2022 North Carolina State Fair Reserve Supreme Overall Female, the 2022 National Junior Red Angus Show Reserve Division Champion, the 2022 NAILE Reserve Division Champion and the 2023 Cattleman’s Congress Division Champion. You won’t want to miss this rare opportunity to acquire some of the top Red Angus genetics in the industry right now!

RED ANGUS EMBRYOS

Our bull philosophy is creating and using Angus herd sires that are good footed, structurally sound and will maintain while working in tough environments. We also emphasize producing sires that have longevity, have an excellent phenotype and a superior genetic EPD profile. Our mission is to provide profitable cattle that help enhance our customer's herds. This vision has led to stake in popular bulls such as BC Eagle Eye, BC Classic, Upgrade, Frontman, Sitz Easy Street, Firestorm, PCC Witten, and PF Broadview. This has allowed us the opportunity to produce superior genetics that go out and perform at all levels. Whether selling at the local sale barn, elite seedstock sales, or winning major livestock shows we believe that our cattle are bred to perform at the highest level in all scenarios. PZC TMAS Firestorm 1800 is a son of Red Six Mile Sakic 832S and the great GT Cita 4060 donor female. Firestorm has been the most dominant sire of Red Angus champions in recent history. Now is the time to invest in his genetic legacy and continue creating elite Red Angus individuals.

2021 NAILE Supreme Champion Female

You'll probably need to take a seat when you see what this genetic offering is. Four IVF heifer embryos from the Silvieras Style 9303 x Ratliff Howaboutit 008H mating. It doesn't get much better than that! Silveiras Style 9303 has dominated the show venue, winning more banners in more breeds than any other sire. He is the Gambles Hot Rod son from the great Silveiras Elba 2520 donor female. Riverstone Charmed 50C needs no introduction- she is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females of all time. Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and completely dominate any arena they walk into. When Charmed was mated to FWLY Can Do, success was the goal and that goal was brought to life with the creation of Ratliff Howboutit 008H ET. This female was the high selling female at the Ratliff Cherry Creek sale bringing \$200,000 selling to the Sullivan family and has found her success claiming the Supreme Female title at the 2021 Iowa Beef Expo and the Supreme Champion Junior Female at the 2021 North American International Livestock Exposition. Do not sleep on the opportunity to own these genetics- they speak for themselves! These embryos will be 42% Lim-Flex, homozygous black and double polled.

Here is the opportunity to purchase a sexed female pregnancy on the many-time champion LLJB Absolute Style 3056A. LLJB Absolute Style 3056A has more than 70 calves on file which have generated more than \$600,000 and is known for eye-appealing progeny that excels in terms of structural integrity. There have been too many extremely successful progeny to mention, for example, CELL Fascination 8231F, was the top seller in our 2018 Fall Harvest Sale commanding \$80,000 selling to Sara Sullivan of Dunlap, IA and the high-selling bull in our 2020 Business Done Right Bull sale CELL Freedom 8208F who was purchased by Wilder Family Limousin of TX Just to name a few. It gets said too often, but this is truly an opportunity with very little risk yet great rewards.

The genetic worth in these three embryos is absolutely astonishing and will be the talk of the town sale day! Three IVF heifer embryos from the ELCX Kings Landing 599D x LLJB Absolute Style 3056A mating. Neither of these individuals need any form of introduction, but just for a refresher we will explain their noteworthiness. ELCX Kings Landing 599D is known as one of the finest purebred Limousin bulls in the industry. He is a son of MAGS Xyloid and out of the legendary WLR Prada donor. The donor female in this mating is the one and only LLJB Absolute Style 3056A. Absolute Style 3056A is a Silverias Style 9303 daughter, that Shelby Hennessy of North Dakota campaigned in 2014 with major success. She was the 2014 Grand Champion Female at the North American International Livestock Exposition in the MOE National Limousin Show. A top daughter of hers is CELL Fascination 8231F, the \$80,000 high-selling female at the 2018 Linhart Limousin Fall Harvest Production Sale. This is an opportunity that doesn't come around very often, so don't miss it! These three IVF heifer embryos will be 65.5% Lim-Flex, homozygous polled and double black.

Conley Sandy 7350 was the \$90,000 top-selling donor at the Conley Cattle Fall '22 Production sale. This female created a lot of buzz, with her flawless lines and natural shape and dimension. She is a daughter of E&B Confederate 507 back to Conley S Sis Sandy 4350 who sold for one-half interest at \$25,000 for a \$50,000 valuation through the 2019 Conley Cattle Fall Production Sale. Conley Cattle recently exhibited the Grand Champion Pen of Three Bulls at the 2022 Cattlemen's Congress, Conley Sandy 7350 was the dam of two of those members. Conley Cornerstone & Conley Constitution, who were featured in the 2022 Conley Bull Sale.

She has been mated to the very popular MAGS Xyloid 3712X. Now deceased, but he was a rock star when he was alive. He was a past All American Futurity Champion bull.

His progeny are just like he was, big footed, soft in their pasterns and very appealing in their profile. The resulting heifer from this mating will be something special. When you think about what she will look like. Her dam is one of the best Angus ever and her sire is as nice of made Lim-Flex sire and that is perfect from the ground.

This young donor female is smooth and elegant in her design, tremendous on her feet and legs, and full of ample muscle shape. The added dimension this female offers is impressive when coupled with flawless structure and attractive angles. MAGS Hemera is sired by the proven PBRS Bunk House 48B who transmits breed-leading growth and eye appeal. Her dam, MAGS Constance, stems from the prestigious Magness Land & Cattle breeding program. This high-quality female has multiple registered progeny in NALF, notably, and she is the dam to the high-selling lot in the 2022 Magness Mile High Elite Female Sale. MAGS Constance is sired by the popular Angus AI sire EXAR Denver 200B, his influence has been seen across north America in multiple breeds, and her dam is the storied MAGS Win Place Or Show, the popular DHVO Deuce 132R daughter out of the well-known MAGS Strawberry. Few donor females ever reach the elevated status of this female. Invest early into this young donor female, she has big things up ahead.

J6 MAXED OUT 121G

AUTO ZOFIA 439Z

Big-time embryos out of AUTO Zofia. She is the \$50,000-valued donor that headlines the J6 Farms' program. She is a daughter of MAGS Xyloid, the once All-American Futurity Supreme Champion bull. Her dam is the now deceased but breed-leading dam, MAGS Manuela. AUTO Zofia just happens to be a full sibling to once national junior heifer show champion female, SBLX Znote. Whether your looking to create Pure-bred or Lim-Flex progeny these matings have you covered.

First opportunity to buy embryos from one of the hottest new donors in the breed. Big Creek Outsource 102 Pld, had a highly decorated show career. He was named 2021 Reserve Champion bull at the American Royal Roll of Excellence Show. Reserve Champion bull at 2021 Royal Breeders Classic. Reserve Champion bull Fort Worth Stock Show and Rodeo. Owned with Aces Wild Ranch, TX. A full sister, Big Creek Carly 204 P, returned last fall to the American Royal as the high selling lot in the Royal Collection Sale at \$25,000. 814 is a 3/4 sister in blood to the newly minted Denver champion bull and \$140,000 topper at Embryo's on Snow, SVY Mayfield. Your choice of full sibs to the already successful Outlier mating, or choose a new mating by the up-and-coming DTR Brightside bull who's making a big name for himself at backdrops across the country. Take the guesswork out of your next calf crop and choose the consistency of a cow like 814. With several EPDs in the top 5%, she has the numbers and pedigree to take your program whichever direction you choose!
