- These are full sibling embryos to Moreno Ms. Lady Ritz On 544, the top selling female in the 2014 Moreno Ranches 'Share the Herd Catalyst 2' Sale purchased by Doucet Brahman in Louisiana., and the recently named 2016 Grand Champion Red Brahman female at the San Antonio Livestock Exposition.

- They are sired by HK Passport 777, the red bull that positively influenced the Brahman industry throughout the 1990's. As described by Dinah Weil, he is "a bull of a lifetime e." His genetics have been a powerful influence, and the success of his progeny today has shown just how important he was to the industry and how his legacy lives on.

- Their dam is the elite donor +-GS Ms Mulhim Manso 314. She has and continues to make her mark in the breed at Moreno Ranches. 314 was a landmark donor in the Bennett Farms program in Choudrant, LA. She produced 14 females and two bulls in their program and has entered Register Of Renown status in the ABBA registry. The 314 donor came to the Moreno Ranches as a leading private purchase.

- With such a renown lineage, these embryos show potential that is just as exciting.
